DESCRIPTION AND PURPOSE OF BILL

Senate Bill 901 exempts small refiners of diesel fuel, produced from 100% Pennsylvania crude oil, from meeting the biodiesel volume and all requirements of Section 3 of the Biofuel Development and In-State Production Incentive Act of 2008, related to biodiesel content in diesel fuel sold for on-road use. The bill adds small refiners to the exceptions identified in (f) Exceptions of Section 3 which currently includes aviation fuel, home heating fuel, or where prohibited by law.

FISCAL IMPACT:

Excluding small refiners from the requirements of Section 3 of the Act will have no fiscal impact to the Commonwealth.
