1 Amend Bill, page 1, line 17, by inserting after "section."
2 The uniform standards and qualifications shall require an
3 institution that qualifies as a purely public charity to devote
4 a reasonable amount of its annual revenues to charity care in
5 its defined core services. The amount shall be valued in good
6 faith and be a reasonable estimate of the cost of providing the
7 services. If an institution that qualifies as a purely public
8 charity is owned by another entity, the entity's annual
9 revenues, including from its for-profit subsidiaries, shall be
10 taken into consideration when calculating the required charity
11 care for the institution that qualifies as a purely public
12 charity.
