6 Section 1110. Department of Health inspector.

7 (a) Health inspector.--The department shall establish a
8 program to train new employees, or retrain existing employees,
9 in health and safety practices related to the processing and
10 dispensing of medical marijuana.

11 (b) Onsite inspector.--A department employee who has been
12 trained or retrained under subsection (a) shall be on the
13 premises of a medical marijuana organization during all
14 operating hours to ensure compliance with health and safety
15 requirements under this act and issue weekly reports to the
16 department.

17 (c) Reimbursement of expenses.--A medical marijuana
18 organization shall enter into an agreement with the department
19 to reimburse the department for the salary, benefits and any
20 reasonable costs or expenses incurred for department employees
21 under subsection (b).
