- 4 Amend Bill, page 1, lines 13 through 19; page 2, lines 1
- 5 through 30; page 3, lines 1 through 17; by striking out all of
- 6 said lines on said pages and inserting
- 7 Section 1528. Cardiopulmonary Resuscitation Education.--(a)
- 8 <u>In accordance with the academic standards for health, safety and</u>
- 9 physical education for grades nine through twelve and not later
- 10 than the beginning of the 2019-2020 school year, the department,
- 11 in consultation with the Department of Health and at least one
- 12 organization recognized under section 1205.4, shall develop a
- 13 model curriculum and curriculum quidelines for instruction on
- 14 <u>cardiopulmonary resuscitation for public school students in</u>
- 15 grades nine through twelve.
  - (b) The model curriculum and guidelines shall:
  - (1) be posted in the department's publicly accessible Internet website;
    - (2) be age-appropriate;
  - (3) be revised regularly to remain current with national standards;
  - (4) provide guidance for integration into health courses or other appropriate curriculum requirement as listed in 22 Pa.

    Code § 4.23 (relating to high school education);
    - (5) be made available to all school entities;
  - (6) include compilation of recommended guidelines and educational materials from organizations with expertise in CPR and emergency care;
- 29 <u>(7) incorporate psychomotor skills training, including</u>
  30 hands-only CPR technique;
- 31 <u>(8) include information on the purpose of an automated</u>
  32 external defibrillator.
- 33 <u>(c) (1) A school entity that offers instruction in CPR may</u> 34 <u>utilize the model curriculum developed by the department under</u>
- 35 <u>subsection (a) or develop the school entity's own curriculum in</u>

```
accordance with academic standards and consistent with
guidelines developed under subsection (a). A school entity may
utilize appropriate publicly or privately available materials,
personnel and other resources in developing and implementing
this instruction, subject to the requirements of section 111 and
23 Pa.C.S. § 6344 (relating to employees having contact with
children; adoptive and foster parents).
```

- (2) A teacher, instructor or community volunteer may provide, facilitate or oversee the instruction offered by a school entity under this section and need not be a certified CPR trainer.
- (d) An individual who in good faith provides instruction in CPR to a student under this section shall not be liable for any civil damages as a result of any act or omission relating to the instruction, except for an act or omission intentionally designed to harm or a grossly negligent act or omission that results in harm to an individual to whom the student administers CPR.
- (e) As used in this section, the following words and phrases shall have the meanings given to them in this subsection unless the context clearly indicates otherwise:

"Automated external defibrillator." A portable defibrillator designed to be automated for use by a person without substantial medical training who responds to a cardiac emergency.

"Cardiopulmonary Resuscitation" or "CPR." A first aid technique utilizing hands-only compressions of the chest used to revive an individual whose heart has stopped beating.

"Department." The Department of Education of the Commonwealth.

"Psychomotor skills." The use of hands-on practice to support cognitive learning.

"School entity." A school district, joint school district, charter school, regional charter school, cyber charter school, intermediate unit or area vocational-technical school.

35 Section 2. This act shall take effect in 60 days.
