### A RESOLUTION

1   Protesting the sale of South African gold currency within the  
2       Commonwealth.

3       WHEREAS, Despite the fact that over 80% of its population is  
4   nonwhite, the Republic of South Africa rigidly pursues the  
5   repressive policy of apartheid, a system of racial segregation  
6   intended to promote and maintain white ascendancy; and

7       WHEREAS, A well-financed advertising campaign is in progress  
8   in Pennsylvania and throughout the United States promoting the  
9   sale of South Africa's gold Krugerrand coin; and

10      WHEREAS, The General Assembly staunchly endorses the  
11   principle of equal rights for all persons and is concerned that  
12   its citizens may not be aware that purchase of the Krugerrand  
13   contributes to the support of the cruel apartheid policies of  
14   the Republic of South Africa; therefore be it

15      RESOLVED, That the House of Representatives of the  
16   Commonwealth of Pennsylvania hereby protest the sale of Republic  
17   of South Africa gold currency in the Commonwealth and urge the

- 1 citizens of this Commonwealth not to purchase the Krugerrand
- 2 coin.
