9 the plan, is no longer eligible for the plan or is terminated
10 from the plan for nonpayment of a required payment, the
11 department shall, not more than 60 days after the last date of
12 the enrollee's participation in the plan, refund to the enrollee
13 the amount of money remaining in the account as determined by
14 the department and subject to the following:

15 (1) For an enrollee who does not renew participation or
16 who is no longer eligible for the plan, the refund to the
17 enrollee shall be the amount of money in the account
18 personally deposited by the enrollee divided by the amount of
19 money in the account deposited from all other sources, with
20 that quotient then multiplied by the total amount of money
21 remaining in the account.

22 (2) For an enrollee who was terminated from the plan for
23 nonpayment of a required payment, the refund to the enrollee
24 shall be the amount determined under paragraph (1) multiplied

5 in an emergency room setting for a medical condition that arises
6 suddenly and unexpectedly and manifests itself by acute symptoms
7 of such severity, including severe pain, that the absence of
8 immediate medical attention could reasonably be expected by a
9 prudent individual who possesses an average knowledge of health
10 and medicine to:

11 (1) place an individual's health in serious jeopardy;

12 (2) result in serious impairment to the individual's
13 bodily functions; or

29 article.

30 (b) Cultural competency standards.--An insurer or a health

1 maintenance organization that contracts with the department to

22 (d) Underwriting and rating practices.--The insurance
23 underwriting and rating practices applied to health insurance
24 coverage offered under subsection (c) shall not be different

26 insurance coverage provided under the plan. Standard individual
27 or small group insurance underwriting and rating practices may
28 be applied to the health insurance coverage.

17 by the General Assembly.

18 Section 417-A. Implementation of plan.

19 (a) Rules and regulations.--The department shall promulgate
20 rules and regulations necessary to implement this article.

21 (b) Denial by Federal Government.--A denial of a waiver
22 under section 402-A or a denial of Federal financial

24 not prohibit the department from implementing any other

28 financial participation.

29 Section 2. This act shall take effect in 60 days.
