THE GENERAL ASSEMBLY OF PENNSYLVANIA

SENATE BILL

No. 301

Session of 2017

INTRODUCED BY EICHELBERGER, GREENLEAF, BREWSTER, WARD, HUTCHINSON, RAFFERTY, WHITE, SCAVELLO AND VULAKOVICH, FEBRUARY 14, 2017

REFERRED TO HEALTH AND HUMAN SERVICES, FEBRUARY 14, 2017

AN ACT

- Amending the act of April 14, 1972 (P.L.221, No.63), entitled, 1 as amended, "An act establishing the Pennsylvania Advisory 2 Council on Drug and Alcohol Abuse; imposing duties on the 3 Department of Health to develop and coordinate the implementation of a comprehensive health, education and 5 rehabilitation program for the prevention and treatment of drug and alcohol abuse and drug and alcohol dependence; 7 providing for emergency medical treatment; providing for 8 treatment and rehabilitation alternatives to the criminal process for drug and alcohol dependence; and making repeals," 10 further providing for definitions; and providing for specific 11 powers and duties with regard to opioid addiction treatment. 12 13 The General Assembly of the Commonwealth of Pennsylvania 14 hereby enacts as follows: 15 Section 1. The definition of "council" in section 2(b) of the act of April 14, 1972 (P.L.221, No.63), known as the 16 17 Pennsylvania Drug and Alcohol Abuse Control Act, is amended and 18 the subsection is amended by adding definitions to read: 19 Section 2. Definitions: 20 21 As used in this act:
- 22 "Bureau" means the Bureau of Drug and Alcohol Programs in the

- 1 Department of Health or any successor entity that becomes
- 2 responsible for narcotic and opioid treatment programs.
- 3 * * *
- 4 "Council" means the Pennsylvania Advisory Council on Drug and
- 5 Alcohol Abuse established by this act and transferred to the
- 6 Department of Health by Reorganization Plan No. 4 on April 21,
- 7 1981.
- 8 * * *
- 9 "Division" means the Division of Drug and Alcohol Program
- 10 Licensure within the Department of Health or any successor
- 11 <u>entity that becomes responsible for licensing drug or alcohol</u>
- 12 programs.
- 13 * * *
- 14 "Methadone" means a synthetic opioid agonist that binds with
- 15 opioid receptors in the brain to initiate drug actions that
- 16 mimic the effects of opiates.
- 17 * * *
- 18 "Narcotic treatment program" means a program for chronic drug
- 19 <u>users that either administers or dispenses agents under a</u>
- 20 narcotic treatment physician's order for detoxification or
- 21 maintenance purposes, or provides a comprehensive range of
- 22 medical and rehabilitative services to alleviate adverse
- 23 <u>medical, psychological or physical effects incident to an</u>
- 24 addiction to narcotics, or both.
- 25 <u>"Opioid addiction treatment" means a narcotic treatment</u>
- 26 program that involves the dispensing of an opioid agonist or
- 27 <u>antagonist treatment medication</u>, along with appropriate or
- 28 necessary medical and rehabilitative services to an individual
- 29 to alleviate the adverse medical, psychological or physical
- 30 <u>effects incident to opiate addiction. This term encompasses</u>

- 1 detoxification treatment, short-term detoxification treatment,
- 2 long-term detoxification treatment, maintenance treatment,
- 3 comprehensive maintenance treatment and interim maintenance
- 4 <u>treatment</u>.
- 5 * * *
- 6 Section 2. The act is amended by adding a section to read:
- 7 <u>Section 4.1. Specific Powers and Duties with Regard to</u>
- 8 Opioid Addiction Treatment. -- The department, in conjunction with
- 9 the bureau and council, shall develop and adopt uniform State
- 10 standards for providers of opioid addiction treatment designed
- 11 to ensure the safety of both the patient and the general public
- 12 <u>in connection with the utilization of opioid agonists such as</u>
- 13 <u>methadone. At a minimum, the standards shall be evidence-based</u>
- 14 to the extent possible and shall:
- 15 (1) Require a clinic providing opioid addiction treatment to
- 16 be open seven days per week, three hundred sixty-five days per
- 17 year to limit take-home dosages or to otherwise provide such
- 18 provider accessibility to its patients.
- 19 (2) Require a clinic providing opioid addiction treatment to
- 20 provide information on antidotes such as Narcan used to counter
- 21 the effects of opioid overdose to a patient starting methadone
- 22 treatment and to provide an antidote if requested by the patient
- 23 <u>or otherwise deemed medically appropriate.</u>
- 24 (3) Require a clinic providing opioid addiction treatment to
- 25 test its patients for usage of benzodiazepines at intake and
- 26 <u>regularly on a random basis.</u>
- 27 (4) Require a clinic providing opioid addiction treatment to
- 28 obtain a signed waiver or authorization before providing
- 29 <u>methadone to a patient who is using benzodiazepines from the</u>
- 30 psychiatrist or physician who has prescribed benzodiazepine

- 1 <u>treatment for that patient.</u>
- 2 (5) Prohibit permission to a new patient to take methadone
- 3 home for the first six months of treatment.
- 4 (6) Develop protocols with regard to the usage of tests
- 5 concerning serum methadone levels and electrocardial activity
- 6 with regard to determination of proper patient dosage levels.
- 7 (7) Require reporting to local law enforcement of all known
- 8 methadone-related deaths.
- 9 (8) Require development and usage of treatment plans and
- 10 protocols for patients that are designed to achieve drug
- 11 abstinence.
- 12 (9) Require a methadone clinic or provider who prescribes
- 13 <u>methadone to immediately revoke any take-home permissions upon</u>
- 14 <u>learning of arrest or conviction of a patient for driving under</u>
- 15 the influence.
- 16 (10) Prohibit a methadone clinic or provider from
- 17 prescribing an initial dose of methadone, unless the patient has
- 18 made arrangements for a designated driver, and require
- 19 <u>development of protocols to assess the potential driving</u>
- 20 impairment of a patient receiving an increase in methadone
- 21 dosage.
- 22 (11) Require random, regular testing for any and all legal
- 23 or illegal substances that, in combination with methadone, would
- 24 increase the probability of impaired driving or otherwise
- 25 present a risk to the safety of the public or the patient.
- 26 Section 3. This act shall take effect immediately.
