REFERRED TO COMMITTEE ON RULES, FEBRUARY 11, 1985

A RESOLUTION

1 Directing the Committee on Mines and Energy Management to study
2 the marketing and promotion of Pennsylvania coal.

3 WHEREAS, The coal industry in Pennsylvania has always played
4 an important role in the economy of this Commonwealth; and

5 WHEREAS, The coal industry in Pennsylvania has continued
6 declining in recent years and adversely affected employment in
7 this Commonwealth; and

8 WHEREAS, Coal, both anthracite and bituminous, are an
9 important source of energy for this Commonwealth and Nation; and

10 WHEREAS, The economy of this Commonwealth would be
11 substantially benefited by a resurgence in our coal industry
12 with increased production and employment; therefore be it

13 RESOLVED, That the Committee on Mines and Energy Management
14 of the House of Representatives study and investigate the coal
15 industry in this Commonwealth.
