10 (a) Findings.--The General Assembly finds as follows:

11 (1) The viability and desirability of established

13 been in a state of decline for more than 50 years.

14 (2) Suburban sprawl has lured businesses away from
15 established commercial downtowns.

16 (3) Suburban sprawl has led to great losses of valuable
17 farmland and open space throughout this Commonwealth.

1 (4) Many established commercial downtowns suffer from
2 deteriorating infrastructures and structural decline.

3 (5) Many established commercial downtowns suffer from
4 the adverse effects of criminal activity.

5 (b) Purpose.--The purpose of this act is to establish the
6 program to enhance the desirability and viability of established
7 commercial downtowns through a comprehensive plan to do all of
8 the following:

9 (1) Address the issues of infrastructure and structural
10 decline in established commercial downtowns.

11 (2) Address the adverse effects of criminal activity in
12 established commercial downtowns.

13 (3) Improve the public image of established commercial
14 downtowns.
