15 Section 2. Section 9 of the act, amended April 4, 1984  
16 (P.L.196, No.41), is amended to read:

17 Section 9. Practice [and Referrals by Physicians.--Any] of  
18 Physical Therapy.--(a) Except as provided in subsection (b), no  
19 person licensed under this act as a physical therapist shall  
20 [not] treat human ailments by physical therapy or otherwise  
21 except by the referral of a person licensed as a physician;  
22 however, a physical therapist shall be permitted to accept the  
23 referral of a dentist or podiatrist licensed, for the treatment  
24 of a condition that is within the scope of practice of dentistry  
25 or podiatry. Nothing in this act shall be construed as  
26 authorization for a physical therapist to practice any branch of  
27 the healing arts except as described in this act. Any person  
28 violating the provisions of this act shall be guilty of a  
29 misdemeanor as described in section 12.

30 (b) Licensees who meet the standards set forth in this

subsection may apply to the board for a certificate of authorization to practice physical therapy under this act without the required referral under subsection (a). A certificate of authorization to practice physical therapy without a referral under subsection (a) shall not authorize a physical therapist either to treat a condition in any person which is a nonneurologic, nonmuscular or nonskeletal condition or to treat a person who has an acute cardiac or acute pulmonary condition unless the physical therapist has consulted with the person's licensed physician, dentist or podiatrist regarding the person's condition and the physical therapy treatment plan or has referred the person to a licensed physician, dentist or podiatrist for diagnosis and referral. The certificate of authorization shall be issued only to licensed physical therapists practicing physical therapy. The certificate of authorization shall be displayed by the certificate holder in a manner conspicuous to the public. The renewal of the certificate of authorization shall coincide with the renewal of the license of the licensee. Licensees making application for a certificate of authorization shall present satisfactory evidence to the board of all of the following:

(1) That the licensee has:

(i) passed an examination for licensure to practice physical therapy, which examination included testing on the appropriate evaluative procedures to treat a person without a referral; or

(ii) passed an examination for licensure to practice physical therapy prior to 1990 and successfully completed a course approved by the board on the appropriate evaluative procedures to treat a person without a referral.

(2) That the licensee has:

(i) practiced physical therapy as a licensed physical therapist in the delivery of patient care in accordance with this act on a continuous basis for at least two years immediately preceding the application for a certificate of authorization;

(ii) been licensed under subsection (d.1) of section 6 and has practiced physical therapy in the delivery of patient care as a licensed physical therapist in a reciprocal state on a continuous basis for at least two years immediately preceding the application for a certificate of authorization; or

(iii) provided proof of meeting the standards of clause (i) or (ii) of this paragraph through the application of any combination thereof.

(3) That the license of that licensee has been maintained in good standing.

(4) That the licensee has professional liability insurance in accordance with the following provisions:

(i) Beginning with the first license renewal period at least two years after the effective date of this subsection or upon first making application for a certificate of authorization, whichever occurs earlier, any licensee applying for and obtaining a certificate of authorization shall obtain and maintain, to the satisfaction of the board, professional liability insurance coverage in the minimum amounts required to be maintained by physicians pursuant to the act of October 15, 1975 (P.L.390, No.111), known as the "Health Care Services Malpractice Act." The professional liability insurance coverage shall remain in effect as long as that licensee has a certificate of authorization.

(ii) A licensee shall notify the board within 30 days of the

1 licensee's failure to be covered by the required insurance.  
2 Failure to notify the board shall be actionable under section 11  
3 or 12. Further, the certificate of authorization of that  
4 licensee shall automatically be suspended upon failure to be  
5 covered by the required insurance and shall not be restored  
6 until submission to the board of satisfactory evidence that the  
7 licensee has the required professional liability insurance  
8 coverage.

9 (iii) The board shall accept from licensees as satisfactory  
10 evidence of insurance coverage under this subsection, any or all  
11 of the following: self-insurance, personally purchased  
12 professional liability insurance, professional liability  
13 insurance coverage provided by the licensee's employer or any  
14 similar type of coverage.

15 (iv) The board shall adopt, by regulation, standards and  
16 procedures established by the Insurance Commissioner for self-  
17 insurance. In the absence of these standards and procedures, the  
18 board, after consultation with the Insurance Commissioner, shall  
19 establish standards and procedures by regulation for self-  
20 insurance under this subsection.

21 (c) (1) For each renewal of the certificate of  
22 authorization, the licensee shall complete, within the  
23 immediately preceding two-year period, at least 20 hours of  
24 continuing physical therapy education related to keeping the  
25 certificate holder apprised of advancements and new developments  
26 in the practice of the physical therapy profession. At least ten  
27 of the 20 hours shall be in appropriate evaluative procedures to  
28 treat a person without a referral. The licensee shall provide  
29 the board with evidence of the completion of the continuing  
30 education.

1     (2) Continuing education programs and program providers  
2 under this paragraph shall be approved by the board in  
3 accordance with standards and criteria established by the board  
4 by regulation. The regulation shall include any fees necessary  
5 to implement this provision and provide for waiver of the  
6 continuing education requirement due to illness or hardship in  
7 any licensing renewal period.

8     (3) The requirements for continuing physical therapy  
9 education shall not apply until the first renewal of the  
10 certificate of authorization at least two years after the  
11 effective date of this subsection. No credit shall be given for  
12 any course in office management or practice building.

13     (d) A physical therapist practicing physical therapy under  
14 this act shall refer patients to a licensed physician or other  
15 appropriate health care practitioner in any of the following  
16 cases:

17     (1) Cases where symptoms are present for which physical  
18 therapy is a contraindication.

19     (2) Cases for which treatment is outside the scope of  
20 practice of physical therapy.

21     (3) Cases for which treatment is beyond the education,  
22 expertise or experience of the physical therapist.

23     (e) A physical therapist may treat a person without a  
24 referral as provided for in subsection (b) for up to 30 days  
25 from the date of the first treatment. A physical therapist shall  
26 not treat a person beyond 30 days from the date of the first  
27 treatment unless he or she has obtained a referral from a  
28 licensed physician, dentist or podiatrist. THE DATE OF THE FIRST <—  
29 TREATMENT FOR PURPOSES OF THIS SUBSECTION IS THE DATE THE PERSON  
30 IS TREATED BY ANY PHYSICAL THERAPIST TREATING WITHOUT A

1 REFERRAL.

2 (f) Nothing in this section shall be construed to require or  
3 preclude third-party insurance reimbursement.
