16 providing for local option, and repealing existing laws,"  
17 further providing for permits, sales by and locations of  
18 limited wineries and for an expiration date.

19 The General Assembly of the Commonwealth of Pennsylvania  
20 hereby enacts as follows:

21 Section 1. Section 505.2 of the act of April 12, 1951  
22 (P.L.90, No.21), known as the Liquor Code, reenacted and amended  
23 June 29, 1987 (P.L.32, No.14), and amended November 10, 1999  
24 (P.L.514, No.47), December 16, 2002 (P.L.1806, No.221), and July

1 17, 2003 (P.L.63, No.15), is amended to read:

2 Section 505.2. Limited Wineries.--In the interest of  
3 promoting tourism and recreational development in Pennsylvania,  
4 holders of a limited winery license may:

5 (1) Produce alcoholic ciders, wines and wine coolers,  
6 subject to the exceptions provided under this section, only from  
7 fruits grown in Pennsylvania.

8 (2) (i) Sell alcoholic cider, wine and wine coolers  
9 produced by the limited winery or purchased in bulk in bond from  
10 another Pennsylvania limited winery on the licensed premises,  
11 under such conditions and regulations as the board may enforce,  
12 to the board, to individuals and to brewery, hotel, restaurant,  
13 club and public service liquor licensees, and to Pennsylvania  
14 winery licensees: Provided, That a limited winery shall not, in  
15 any calendar year, purchase alcoholic cider or wine produced by  
16 other limited wineries in an amount in excess of fifty per  
17 centum of the alcoholic cider or wine produced by the purchasing  
18 limited winery in the preceding calendar year. In addition, the  
19 holder of a limited winery license may purchase wine in bottles  
20 from another Pennsylvania limited winery [if these wines undergo  
21 a second fermentation process]. Such wine may be sold in bottles  
22 bearing the purchasing limited winery's label or the producing  
23 limited winery's label. Such wines, if sold by the board, may be  
24 sold by the producing limited winery to the purchasing limited  
25 winery at a price lower than the price charged by the board.

26 (ii) Charge for samples of wine produced by the limited  
27 winery for tasting on the licensed premises.

28 (iii) Offer for sale at a licensed winery location, to  
29 individuals and to brewery, hotel, restaurant, club and public  
30 service liquor licensees wine at a discount price which is lower

1 than that charged by the board.

2 (3) Separately or in conjunction with other limited  
3 wineries, sell alcoholic cider, wine and wine coolers produced  
4 by the limited winery on no more than five (5) board-approved  
5 locations other than the licensed premises, with no bottling or  
6 production requirement at those additional board-approved  
7 locations and under such conditions and regulations as the board  
8 may enforce, to the board, to individuals and to brewery, hotel,  
9 restaurant, club and public service liquor licensees. If two or  
10 more limited wineries apply to operate an additional board-  
11 approved location in conjunction with each other, the wineries  
12 need only have one board-approved manager for the location, need  
13 only pay one application fee and need not designate specific or  
14 distinct areas for each winery's licensed area. Each limited  
15 winery must file an application for such an additional board-  
16 approved location, and such location shall count as one of the  
17 five permitted for each limited winery. Each limited winery is  
18 responsible for keeping only its own complete records. A limited  
19 winery may be cited for a violation of the recordkeeping  
20 requirements of sections 512 and 513 pertaining to its own  
21 records only. The additional board-approved locations may be  
22 located inside other, nonlicensed retail locations without  
23 requiring a separate entrance or physical barrier separating the  
24 licensed and nonlicensed areas. There must be a visual  
25 delineation between the licensed and nonlicensed areas, and  
26 sales of alcoholic beverages must be completed on the licensed  
27 premises.

28 (4) At the discretion of the board, obtain a special permit  
29 to participate in alcoholic cider, wine and food expositions off  
30 the licensed premises. A special permit shall be issued upon

1 proper application and payment of a fee of thirty dollars (\$30)  
2 per day for each day of permitted use, not to exceed five (5)  
3 consecutive days. The total number of days for all the special  
4 permits may not exceed forty (40) days in any calendar year. A  
5 special permit shall entitle the holder to engage in the sale of  
6 alcoholic cider or wine produced by the bottle or in case lots  
7 by the permittee under the authority of a limited winery  
8 license. Holders of special permits may provide tasting samples  
9 of wines in individual portions not to exceed one fluid ounce.  
10 Samples at alcoholic cider, wine and food expositions may be  
11 sold or offered free of charge. Except as provided herein,  
12 limited wineries utilizing special permits shall be governed by  
13 all applicable provisions of this act as well as by all  
14 applicable regulations or conditions adopted by the board.

15 For the purposes of this clause, "alcoholic cider, wine and  
16 food expositions" are defined as affairs held indoors or  
17 outdoors with the primary intent of educating those in  
18 attendance of the availability, nature and quality of  
19 Pennsylvania-produced alcoholic ciders and wines in conjunction  
20 with suitable food displays, demonstrations and sales. Alcoholic  
21 cider, wine and food expositions may also include activities  
22 other than alcoholic cider, wine and food displays, including  
23 arts and crafts, musical activities, cultural exhibits,  
24 agricultural exhibits and similar activities.

25 (4.1) At the discretion of the board, obtain a permit to  
26 sell wine and alcoholic ciders at up to five (5) qualified farm  
27 markets for no more than fifty (50) market days each per  
28 calendar year. A qualified farm market is one that features a  
29 variety of fresh and/or prepared fruits, vegetables, baked goods  
30 and meats, and need not have an enclosed, permanent or secure

1 facility. For those farm market locations not having a secure,  
2 lockable facility, at the end of the sales day all alcoholic  
3 beverages must be taken away for overnight secure storage in a  
4 vehicle bearing a Pennsylvania Liquor Control Board permit or at  
5 a licensed winery location. The farm market permits shall be in  
6 addition to the five (5) other board-approved locations  
7 permitted under this section.

8       (5) Apply for and hold a hotel liquor license, a restaurant  
9 liquor license or a malt and brewed beverages retail license to  
10 sell for consumption at the restaurant or limited winery on the  
11 licensed winery premises, liquor, wine and malt or brewed  
12 beverages regardless of the place of manufacture under the same  
13 conditions and regulations as any other hotel liquor license,  
14 restaurant liquor license or malt and brewed beverages retail  
15 license.

16       (6) (i) Secure a permit from the board to allow the holder  
17 of a limited winery license to use up to twenty-five per centum  
18 permitted fruit, not wine, in the current year's production.  
19 Each permit is valid only for the calendar year in which it is  
20 issued.

21       (ii) The fee for a permit to import and use permitted fruit  
22 shall be in an amount to be determined by the board.

23       (iii) The purpose of this section is to increase the  
24 productivity of limited wineries while at the same time  
25 protecting the integrity and unique characteristics of wine  
26 produced from fruit primarily grown in this Commonwealth.  
27 Prevailing climatic conditions have a significant impact on the  
28 character of the fruit. Accordingly, "permitted fruit" shall  
29 mean fruit grown or juice derived from fruit grown within three  
30 hundred fifty (350) miles of the winery.

1       (iv) The department is authorized to promulgate regulations  
2 requiring the filing of periodic reports by limited wineries to  
3 ensure compliance with the provisions of this section.

4       [(v) This clause shall expire on December 31, 2004.]

5       (7) The total production of alcoholic ciders, wine and wine  
6 coolers by a limited winery may not exceed two hundred thousand  
7 (200,000) gallons per year.

8       Section 2. This act shall take effect in 60 days.
