7 "Veteran." A member of the armed forces of the United
8 States, including a member of the Army National Guard of the
9 United States, the Air National Guard of the United States or a
10 reserve component of the armed forces, who was ordered into or

12 of operations during the period from August 2, 1990, to August
13 31, 1991, and has received the Southwest Asia Service Medal

3 Every person making application for compensation shall set
4 forth in the application the names and addresses of all persons
5 who, under this act, would be entitled to receive compensation
6 in the event of the death of the applicant. If the applicant

8 shall be deemed to inure to the benefit of the person next
9 entitled to compensation, and payment shall be made to the
10 person upon proof of identity satisfactory to the Adjutant
11 General. If no person designated in this act as being entitled
12 to compensation survives the veteran, the right to the
13 compensation shall cease.

14 Section 7. Exemption from attachment.

15 No sum payable under this act to a veteran or to any other
16 person under this act shall be subject to attachment, levy or
17 seizure under any legal or equitable process and shall be exempt
18 from all State taxation. No right to compensation under this act
19 shall be assignable, except as otherwise provided in this act,
20 or shall serve as a security for any loan. Any assignment or
21 loan made in violation of this section shall be void.

3 The Adjutant General shall administer the compensation
4 program. For that purpose application forms shall be prepared
5 and distributed, applications shall be investigated, and, if
6 satisfied of the proof of an application, compensation shall be
7 approved and payment of compensation shall be made. The Adjutant
8 General shall promulgate rules and regulations to implement,
9 administer and enforce this act. The Adjutant General shall, as
10 soon as practicable after the effective date of this act,
11 prepare and distribute a digest explaining the provisions of
12 this act to assist veterans in filing their applications and
13 shall from time to time prepare and distribute additional or
14 supplementary information as may be found necessary. The
15 Adjutant General shall enlist, as far as possible, the services
16 of veteran organizations in this Commonwealth in the
17 dissemination of the information.

18 Section 10. Payment of compensation.

19 The compensation payable under this act shall, upon
20 requisition by the Adjutant General, be paid by the State
21 Treasurer from the fund to be created with funds realized from a
22 proposed bond issue. Payments shall be made as soon as possible
23 after funds are available.

24 Section 11. Persian Gulf Conflict Veterans' Compensation Bond
25 Fund.

26 (a) Purpose of fund.--The Persian Gulf Conflict Veterans'
27 Compensation Bond Fund, which is hereby created in the State
28 Treasury, shall be the source from which all payments are
29 authorized with the approval of the Governor to carry out the

1 utilized:

2 (1) For the purpose of providing compensation to
3 veterans in accordance with the provisions of this act.

4 (2) For the administrative costs incurred in any of the
5 purposes in paragraph (1) including the costs incurred in
6 connection with the issuance of the bonds.

7 (b) Interfund transfers authorized.--

8 (1) Whenever the cash balance and the current estimated
9 receipts of the fund shall be insufficient at any time during
10 any State fiscal year to meet promptly the obligations of the
11 Commonwealth from such fund, the State Treasurer is hereby
12 authorized and directed, from time to time during such fiscal
13 year, to transfer from the General Fund to the fund such sums
14 as the Governor directs, but in no case less than the amount
15 necessary to meet promptly the obligations to be paid from
16 the fund nor more than an amount which is the smallest of:

17 (i) the difference between the amount of debt
18 authorized to be issued under the authority of this act
19 and the aggregate principal amount of bonds and notes
20 issued, not including refunding bonds and replacement
21 notes; and

22 (ii) the difference between the aggregate principal
23 amount of bonds and notes to be issued during a State
24 fiscal year and the aggregate principal amount of bonds
25 and notes, not including refunding bonds and replacement
26 notes, issued during such State fiscal year.

27 Any sums so transferred shall be available only for the
28 purposes for which funds are appropriated from the fund. The

30 the State Treasurer upon requisition of the Governor.

1 (2) In order to reimburse the General Fund for moneys
2 transferred from such funds under paragraph (1), there shall
3 be transferred to the General Fund from the fund moneys from
4 the proceeds obtained from bonds and notes issued under the
5 authority of this act or from other available funds in such
6 amounts and at such times as the Governor shall direct. The
7 retransfers shall be made upon warrant of the State Treasurer
8 upon requisition of the Governor.

9 Section 12. Commonwealth indebtedness.

10 (a) Borrowing authorized.--

11 (1) If and when the electorate approves a referendum
12 question for the incurring of indebtedness in the amount and
13 for the purposes prescribed in this act, the issuing
14 officials, pursuant to the provisions of section 7(a)(3) of
15 Article VIII of the Constitution of Pennsylvania, are
16 authorized and directed to borrow, on the credit of the
17 Commonwealth, money not exceeding in the aggregate the sum of
18 \$20,000,000, not including money borrowed to refund
19 outstanding bonds, notes or replacement notes, as may be
20 found necessary to carry out the purposes of this act.

21 (2) As evidence of the indebtedness, general obligation
22 bonds of the Commonwealth shall be issued from time to time
23 to provide moneys necessary to carry out the purposes of this
24 act for such total amounts, in such form, in such
25 denominations and subject to such terms and conditions of
26 issue, redemption and maturity, rate of interest and time of
27 payment of interest as the issuing officials direct, except
28 that the latest stated maturity date shall not exceed 20
29 years from the date of the first obligation issued to
30 evidence the debt.

1 (3) All bonds and notes issued under the authority of
2 this act shall bear facsimile signatures of the issuing
3 officials and a facsimile of the Great Seal of the
4 Commonwealth and shall be countersigned by a duly authorized
5 officer of a duly authorized loan and transfer agent of the
6 Commonwealth.

7 (4) All bonds and notes issued in accordance with the
8 provisions of this section shall be direct obligations of the
9 Commonwealth, and the full faith and credit of the
10 Commonwealth is hereby pledged for the payment of the
11 interest thereon, as it becomes due, and the payment of the
12 principal at maturity. The principal of and interest on the
13 bonds and notes shall be payable in lawful money of the
14 United States.

15 (5) All bonds and notes issued under the provisions of
16 this section shall be exempt from taxation for State and
17 local purposes.

18 (6) The bonds may be issued as coupon bonds or
19 registered as to both principal and interest as the issuing
20 officials may determine. If interest coupons are attached,
21 they shall contain the facsimile signature of the State
22 Treasurer.

23 (7) The issuing officials shall provide for the
24 amortization of the bonds in substantial and regular amounts
25 over the term of the debt so that the bonds of each issue
26 allocated to the programs to be funded from the bond issue
27 shall mature within a period not to exceed the appropriate
28 amortization period for each program as specified by the
29 issuing officials but in no case in excess of 20 years. The
30 first retirement of principal shall be stated to mature prior

1 to the expiration of a period of time equal to one-tenth of
2 the time from the date of the first obligation issued to
3 evidence the debt to the date of the expiration of the term
4 of the debt. Retirements of principal shall be regular and
5 substantial if made in annual or semiannual amounts whether
6 by stated serial maturities or by mandatory sinking fund
7 retirements.

8 (8) The issuing officials are authorized to provide by
9 resolution for the issuance of refunding bonds for the
10 purpose of refunding any debt issued under the provisions of
11 this act and then outstanding, either by voluntary exchange
12 with the holders of the outstanding debt or providing funds
13 to redeem and retire the outstanding debt with accrued
14 interest, any premium payable thereon and the costs of
15 issuance and retirement of the debt, at maturity or at any
16 call date. The issuance of the refunding bonds, the
17 maturities and other details thereof, the rights of the
18 holders thereof and the duties of the issuing official in
19 respect thereto shall be governed by the provisions of this
20 section, insofar as they may be applicable. Refunding bonds,
21 which are not subject to the aggregate limitation of
22 \$20,000,000 of debt to be issued under this act, may be
23 issued by the issuing officials to refund debt originally
24 issued or to refund bonds previously issued for refunding
25 purposes.

26 (9) Whenever any action is to be taken or decision made
27 by the Governor, the Auditor General and the State Treasurer
28 acting as issuing officials and the three officers are not
29 able unanimously to agree, the action or decision of the
30 Governor and either the Auditor General or the State

1 Treasurer shall be binding and final.

2 (b) Sale of bonds.--

3 (1) Whenever bonds are issued, they shall be offered for
4 sale at not less than 98% of the principal amount and accrued
5 interest and shall be sold by the issuing officials to the
6 highest and best bidder or bidders after due public
7 advertisement on the terms and conditions and upon such open
8 competitive bidding as the issuing officials shall direct.

9 The manner and character of the advertisement and the time of
10 advertising shall be prescribed by the issuing officials. No
11 commission shall be allowed or paid for the sale of any bonds
12 issued under the authority of this act.

13 (2) Any portion of any bond issue so offered and not
14 sold or subscribed for at public sale may be disposed of by
15 private sale by the issuing officials in such manner and at
16 such prices, not less than 98% of the principal amount and
17 accrued interest, as the Governor shall direct. No commission
18 shall be allowed or paid for the sale of any bonds issued
19 under the authority of this act.

20 (3) When bonds are issued from time to time, the bonds
21 of each issue shall constitute a separate series to be
22 designated by the issuing officials or may be combined for
23 sale as one series with other general obligation bonds of the
24 Commonwealth.

25 (4) Until permanent bonds can be prepared, the issuing
26 officials may in their discretion issue, in lieu of permanent
27 bonds, temporary bonds in such form and with such privileges
28 as to registration and exchange for permanent bonds as may be
29 determined by the issuing officials.

30 (5) The proceeds realized from the sale of bonds and

1 notes, except refunding bonds and replacement notes, under
2 the provisions of this act shall be paid into the fund. The
3 proceeds shall be paid by the State Treasurer periodically to
4 those Commonwealth officers and Commonwealth agencies
5 authorized to expend them at such times and in such amounts
6 as may be necessary to satisfy the funding needs thereof. The
7 proceeds of the sale of refunding bonds and replacement notes
8 shall be paid to the State Treasurer and applied to the
9 payment of principal, the accrued interest and premium, if
10 any, and cost of redemption of the bonds and notes for which
11 the obligations shall have been issued.

12 (6) Pending their application for the purposes
13 authorized, moneys held or deposited by the State Treasurer
14 may be invested or reinvested as are other funds in the
15 custody of the State Treasurer in the manner provided by law.
16 All earnings received from the investment or deposit of the
17 funds shall be paid into the State Treasury to the credit of
18 the fund. The earnings in excess of bond discounts allowed,
19 expenses paid for the issuance of bonds and notes and
20 interest arbitrage rebates due to the Federal Government
21 shall be transferred annually to the fund. Any interest or
22 investment income shall be applied to assist in the payment
23 of the debt service incurred in connection with this act.

24 (7) The Auditor General shall prepare the necessary
25 registry book to be kept in the office of the duly authorized
26 loan and transfer agent of the Commonwealth for the
27 registration of any bonds, at the request of owners thereof,
28 according to the terms and conditions of issue directed by
29 the issuing officials.

30 (8) There is hereby appropriated to the State Treasurer

1 from the fund as much money as may be necessary for all costs
2 and expenses in connection with the issue of and sale and
3 registration of the bonds and notes in connection with this
4 act and the payment of interest arbitrage rebates or proceeds
5 of such bonds and notes.

6 (c) Temporary financing authorization.--

7 (1) Pending the issuance of bonds of the Commonwealth as
8 authorized, the issuing officials are hereby authorized, in
9 accordance with the provisions of this act and on the credit
10 of the Commonwealth, to make temporary borrowings not to
11 exceed three years in anticipation of the issue of bonds in
12 order to provide funds in such amounts as may from time to
13 time be deemed advisable prior to the issue of bonds. In
14 order to provide for and in connection with the temporary
15 borrowings, the issuing officials are hereby authorized in
16 the name and on behalf of the Commonwealth to enter into any
17 purchase, loan or credit agreement or agreements, or other
18 agreement or agreements with any banks or trust companies or
19 other lending institutions, investment banking firms or
20 persons in the United States having power to enter into the
21 same, which agreements may contain provisions not
22 inconsistent with the provisions of this act as may be
23 authorized by the issuing officials.

24 (2) All temporary borrowings made under the
25 authorization of this section shall be evidenced by notes of
26 the Commonwealth which shall be issued from time to time for
27 amounts not exceeding in the aggregate the applicable
28 statutory and constitutional debt limitation in the form and
29 in the denominations and subject to terms and conditions of
30 sale and issue, prepayment or redemption and maturity, rate

1 or rates of interest and time of payment of interest as the
2 issuing officials shall authorize and direct and in
3 accordance with this act. The authorization and direction may
4 provide for the subsequent issuance of replacement notes to
5 refund outstanding notes or replacement notes, which
6 replacement notes shall, upon issuance thereof, evidence the
7 borrowing and may specify other terms and conditions with
8 respect to the notes and replacement notes thereby authorized
9 for issuance as the issuing officials may determine and
10 direct.

11 (3) When the authorization and direction of the issuing
12 officials provide for the issuance of replacement notes, the
13 issuing officials are hereby authorized in the name and on
14 behalf of the Commonwealth to issue, enter into or authorize
15 and direct the State Treasurer to enter into agreements with
16 any banks, trust companies, investment banking firms or other
17 institutions or persons in the United States having the power
18 to enter the same:

19 (i) To purchase or underwrite an issue or series of
20 issues or notes.

21 (ii) To credit, to enter into any purchase, loan or
22 credit agreements, to draw moneys pursuant to any such
23 agreements on the terms and conditions set forth therein
24 and to issue notes as evidence of borrowings made under
25 any such agreements.

26 (iii) To appoint as issuing and payment agent or
27 agents with respect to notes.

28 (iv) To do such other acts as may be necessary or
29 appropriate to provide for the payment, when due, of the
30 interest on and the principal of such notes. Such

1 agreements may provide for the compensation of any
2 purchasers or underwriters of notes or replacement notes
3 by discounting the purchase price of the notes or by
4 payment of a fixed fee or commission at the time of
5 issuance thereof, and all other costs and expenses,
6 including fees for agreements related to the notes,
7 issuing and paying agent costs and costs and expenses of
8 issuance, may be paid from the proceeds of the notes.

9 (4) When the authorization and direction of the issuing
10 officials provide for the issuance of replacement notes, the
11 State Treasurer shall, at or prior to the time of delivery of
12 these notes or replacement notes, determine the principal
13 amounts, dates of issue, interest rate or rates, or
14 procedures for establishing such rates from time to time,
15 rates of discount, denominations and all other terms and
16 conditions relating to the issuance and shall perform all
17 acts and things necessary to pay or cause to be paid, when
18 due, all principal of and interest on the notes being
19 refunded by replacement notes and to assure that the same may
20 draw upon any moneys available for that purpose pursuant to
21 any purchase, loan or credit agreements established with
22 respect thereto, all subject to the authorization and
23 direction of the issuing officials.

24 (5) Outstanding notes evidencing such borrowings may be
25 funded and retired by the issuance and sale of the bonds of
26 the Commonwealth as hereinafter authorized. The refunding
27 bonds must be issued and sold not later than a date three
28 years after the date of issuance of the first notes
29 evidencing the borrowings to the extent that payment of such
30 notes has not otherwise been made or provided for by sources

1 other than proceeds of replacement notes.

2 (6) The proceeds of all such temporary borrowing shall
3 be paid to the State Treasurer to be held and disposed of in
4 accordance with the provisions of this act.

5 (d) Debt retirement.--

6 (1) All bonds issued under the authority of this act
7 shall be redeemed at maturity, together with all interest due
8 from time to time on the bonds, and these principal and
9 interest payments shall be paid from the Persian Gulf
10 Conflict Veterans' Compensation Bond Sinking Fund, which is
11 hereby created. For the specific purpose of redeeming the
12 bonds at maturity and paying all interest thereon in
