
THE GENERAL ASSEMBLY OF PENNSYLVANIA

SENATE BILL

No. 251 Session of
2007

INTRODUCED BY BROWNE, BOSCOLA, TARTAGLIONE, COSTA, RAFFERTY,
KITCHEN, O'PAKE, FERLO, WAUGH AND WONDERLING, MARCH 8, 2007

REFERRED TO EDUCATION, MARCH 8, 2007

AN ACT

1 Providing targeted assistance to urban school districts to
2 improve early learning and development so children are better
3 prepared to succeed in school.

4 The General Assembly finds and declares as follows:

5 (1) Particularly in urban areas, too many children are
6 not ready to learn when they arrive at school, with many
7 children beginning first grade with at least one significant
8 factor that places them at risk of academic failure.

9 (2) Children, especially those living in poverty, should
10 be provided with high quality, early childhood learning
11 opportunities that promote early cognitive development and
12 readiness to learn.

13 (3) When learning is delayed costs of that delay
14 multiply astronomically. Studies have estimated that for
15 every dollar spent as investment in early childhood
16 initiatives, a total of \$7 in public funds would be saved
17 over the long term through decreased placement in special
18 education, decreased retention in grade and reduction in

1 later criminal and delinquent behavior, not to mention
2 expected increases in high school graduation rates and rates
3 of parental involvement in education.

4 (4) The purpose of this act is to assist urban school
5 districts in providing quality programs aimed at improving
6 early learning and development so that these children are
7 better prepared to succeed in school.

8 The General Assembly of the Commonwealth of Pennsylvania
9 hereby enacts as follows:

3 families exceeds 60%.

4 (2) An amount to be determined by multiplying \$50 by the

6 in kindergarten through third grades, if the urban school
7 district's percent of enrollment from low-income families is
8 less than 60%.

9 (b) Use of funds.--Funds shall be used to:

10 (1) institute or expand full-day kindergarten programs;

11 (2) develop or expand pre-school programs for children
12 who are four years of age; or

13 (3) develop or expand any of the district's other early
14 childhood development initiatives, such as Head Start.

15 (c) Accountability.--Each urban school district shall
