10 has met adequate yearly progress in reading and math on the
11 Pennsylvania System of School Assessment test for the five
12 consecutive school years immediately preceding the effective
13 date of this section and the school district's reported per-

30 school district.

1 (c) Use of sinking funds and other moneys.--If the board of
2 school directors of a reorganized school district has assumed
3 the outstanding indebtedness of a component former school
4 district, the board of school directors of the reorganized
5 school district may, notwithstanding any other statute or any
6 provision of any trust agreement, use any sinking fund or other
7 money set aside by the component former school district to pay
8 off the indebtedness for which the money was dedicated.

9 (d) Property, indebtedness and obligations.--

10 (1) All real and personal property, indebtedness and
11 rental obligations to an approved building authority or
12 nonprofit corporation, if any, of component former school
13 districts forming a reorganized school district shall become
14 the property, indebtedness and rental obligations of the
15 reorganized school district.

16 (2) All rights of creditors against any of the component
17 former school districts shall be preserved against the
18 reorganized school district.

30 (b) Meetings.--The organization and meetings of the board of

1 school directors of a reorganized school district shall be

10 (a) General rule.--The board of school directors of a

15 (b) Assumption of management and control.--

16 (1) The board of school directors of the reorganized
17 school district, on the date established under subsection

18 (a), shall assume responsibility for the management and

21 (2) The component former school districts shall have no
22 further responsibility, power or duty for the operation or
23 control of the public schools and programs stated within the
24 reorganization plan.

25 (c) Balance of accounts.--The balances remaining in the
26 accounts of the component former school districts shall be paid
27 to the treasurer of the reorganized school district and verified
28 through an audit.

29 (d) Transfer of staff.--Except as limited by subsection (e)
30 (1), all teachers and school employees who are employed by a

1 component former school district on the day prior to the date
2 established under subsection (a) shall be transferred to and
3 employed by the reorganized school district as of the date
4 established under subsection (a).

5 (e) Duties to existing employees.--

6 (1) (i) Except as limited by paragraphs (2) and (3),
7 the reorganized school district shall assume all legal
8 obligations and duties that the component former school
9 districts owed to their employees, including, but not
10 limited to, those obligations and duties arising under
11 Federal law, State law, collective bargaining agreements
12 and individual employment contracts.

13 (ii) Nothing in this act may be construed to either
14 decrease or increase the rights and benefits of
15 transferred employees or the employer.

16 (iii) The reorganized school district shall also
17 maintain and honor any existing agreements, contracts or
18 policies regarding the rights and benefits of retirees
19 and former employees created by a component former school
20 district.

21 (2) Teachers or other employees whose employment
22 terminates by application of law or contract or by action of
23 a component former school district before the date
24 established under subsection (a) may not be transferred.

25 (3) (i) Teachers and other employees who are
26 transferred to the reorganized school district prior to
27 the completion of the applicable probationary period for
28 their position shall be entitled to have the length of
29 their probationary period calculated from their most
30 recent date of employment by the component former school

1 district.

2 (ii) The teachers and other employees under
3 subparagraph (i) may be terminated prior to the end of
4 their probationary period, subject to the provisions of
5 any collective bargaining agreement or individual
6 employment contract.

7 (f) Superintendent contracts.--The contracts between each
8 component former school district and its superintendents shall
9 be transferred to the reorganized school district on the date
10 established under subsection (a). The board of school directors
11 of the reorganized school district shall determine the duties of
12 the superintendents within the reorganized school district.

13 Section 10. Collective bargaining.

14 (a) General rule.--On the operational date, the board of
15 school directors of the reorganized school district shall assume
16 all of the obligations, duties, liabilities and rights of the
17 component former school districts for all purposes under Article
18 XI-A of the act of March 10, 1949 (P.L.30, No.14), known as the
19 Public School Code of 1949, and the reorganized school district
20 shall be considered a single employer. Notwithstanding any other
21 provision of law, the responsibilities of the reorganized school
22 district shall include:

23 (1) Continued recognition of all bargaining agents that
24 represented any bargaining units of employees who were
25 employed by a component former school district, pending
26 completion of merger proceedings described in this section.

27 (2) Assumption and continued observance of all
28 collective bargaining agreements between the bargaining agent
29 and a component former school district, which agreements
30 continue in effect for the remainder of their unexpired terms

1 unless the bargaining agent and the reorganized school
2 district mutually agree otherwise.

3 (3) Collective bargaining for an initial or successor
4 collective bargaining agreement in any bargaining unit in
5 which a collective bargaining agreement is not in effect on
6 the operational date and for any interim agreement that may
7 be required to align expiration dates in a reorganized school
8 district-wide bargaining unit, as described in this section.

9 (b) Merger and structure of bargaining units.--

10 (1) As early as possible after reorganization, all
11 bargaining units shall be structured on a reorganized school
12 district-wide basis. Bargaining units that existed in the
13 component former school districts shall merge in accordance
14 with the procedures and criteria in this section. Merger into
15 a reorganized school district-wide bargaining unit shall not
16 be subject to approval or disapproval of employees.

17 (2) Merger into a reorganized school district-wide
18 bargaining unit shall be completed according to the schedule
19 contained in this section and no later than the latest
20 expiration date of any collective bargaining agreement that
21 covered any employees in the merged unit that was in effect
22 on the operational date.

23 (3) There shall be one unit of teachers and, to the
24 extent they are included in bargaining units on the effective
25 date of this section, other certified professional employees,
26 excluding principals and other administrators.

27 (4) Any additional bargaining units in a reorganized
28 school district shall be structured as follows:

29 (i) In the initial establishment of the units, units
30 shall be structured primarily on the basis of the

existing pattern of organization in order to maintain the grouping of employee classifications into bargaining units that existed prior to the creation of the reorganized school district and to avoid conflicts among different bargaining agents to the extent possible.

(ii) In the event of a dispute regarding the classifications to be included within a reorganized school district-wide bargaining unit, the current bargaining agent or agents or the reorganized school district may petition the Pennsylvania Labor Relations Board to determine the appropriate unit.

(5) When the same bargaining agent exists in all bargaining units that will be merged into a reorganized school district-wide bargaining unit, the units shall be merged as of the operational date, and the reorganized school district shall recognize the bargaining agent as the representative of the merged unit.

(6) (i) When all bargaining units that will be merged into a reorganized school district-wide bargaining unit are represented by separate local affiliates of the same State labor organization, the units shall be merged as of the operational date.

(ii) The identity of the single affiliate that will be designated the bargaining agent for the merged unit shall be selected by the existing bargaining agents and the State labor organization.

(iii) Upon completion of the merger and designation of the bargaining agent and notification by the State labor organization to the reorganized school district, the reorganized school district shall recognize the

1 designated bargaining agent as the representative of
2 employees in the merged unit.

3 (iv) If necessary, the parties shall then execute a
4 written amendment to any collective bargaining agreement
5 then in effect to change the name of the bargaining agent
6 to reflect the merger.

7 (7) (i) When there are bargaining units that will be
8 merged into a reorganized school district-wide bargaining
9 unit in which there are employees who are not represented
10 by any bargaining agent and other employees who are
11 represented either by the same bargaining agent or
12 separate local affiliates of the same State labor
13 organization, the units shall be merged as of the
14 operational date, as long as a majority of employees who
15 compose the merged unit were represented by the
16 bargaining agent prior to the merger.

17 (ii) The procedures for merger of separate local
18 affiliates of the same State labor organization described
19 in paragraph (6) shall be followed if applicable.

20 (iii) If prior to the merger a bargaining agent did
21 not represent a majority of employees who compose the
22 merged unit, a bargaining agent election shall be
23 conducted by the Pennsylvania Labor Relations Board under
24 paragraph (10).

25 (8) When there are unexpired collective bargaining
26 agreements with different expiration dates in the merged
27 bargaining units described in paragraphs (5), (6) and (7),
28 all contracts shall be honored to their expiration dates
29 unless mutually agreed to otherwise by the public employer
30 and the bargaining agent. Collective bargaining agreements

1 shall be bargained on an interim basis in any merged
2 bargaining unit so that all collective bargaining agreements
3 expire on the same date.

4 (9) When bargaining units with different bargaining
5 agents are required to be merged into a single reorganized
6 school district-wide bargaining unit under this section, the
7 bargaining agent of the merged bargaining unit shall be
8 selected in accordance with State law except as modified in
9 this section.

10 (10) (i) A petition for an election to determine the
11 bargaining agent must be filed with the Pennsylvania
12 Labor Relations Board by any of the current bargaining
13 agents or the reorganized school district.

14 (ii) The petition must be filed not more than 90
15 days prior to the expiration date of the agreement having
16 the latest expiration date among the bargaining units
17 that will be merged into the reorganized school district-
18 wide bargaining unit.

19 (iii) The election ballot may contain only the names
20 of the bargaining agents of bargaining units that will be
21 merged into the reorganized school district-wide
22 bargaining unit and shall include the choice of "no
23 representative." No showing of interest is required from
24 the bargaining agent other than its current status as
25 representative.

26 (iv) The obligation to bargain with existing
27 bargaining agents continues from the operational date
28 until the determination of the bargaining agent of the
29 reorganized school district-wide bargaining unit under
30 this section. In no event may any collective bargaining

1 agreement that is executed after the operational date
2 extend beyond the expiration date of the agreement having
3 the latest expiration date among the bargaining units
4 that will be merged into the reorganized school district-
5 wide bargaining unit.

6 (v) The Pennsylvania Labor Relations Board shall
7 expedite, to the extent practicable, all petitions for
8 determination of the bargaining agent in the reorganized
9 school district-wide bargaining unit filed under this
10 section.

11 (vi) The bargaining units shall be merged into a
12 reorganized school district-wide bargaining unit as of
13 the date of certification of the results of the election
14 by the Pennsylvania Labor Relations Board or the
15 expiration of the collective bargaining agreements in the
16 unit, whichever occurs later.

17 (c) Postmerger collective bargaining.--

18 (1) After the merger of bargaining units into a
19 reorganized school district-wide bargaining unit, the
20 bargaining agent of a reorganized school district-wide
21 bargaining unit and the reorganized school district shall
22 engage in collective bargaining for a collective bargaining
23 agreement for the reorganized school district-wide bargaining
24 unit.

25 (2) In the collective bargaining agreement for each
26 reorganized school district-wide bargaining unit, the
27 employment relations, policies, practices, salary schedules,
28 hours and working conditions throughout the reorganized
29 school district shall be made uniform and consistent, as soon
30 as practicable.

1 (3) In the event that the parties are unable to agree
2 upon an initial reorganized school district-wide collective
3 bargaining agreement, the parties shall use the dispute
4 resolution procedures under State law to resolve their
5 differences.

6 (d) Applicability of other law.--The provisions of Article
7 XI-A of the Public School Code of 1949 shall apply to all
8 collective bargaining units established and contracts entered
9 into after the effective date of this section.

10 (e) Construction.--Nothing in this section may be construed
11 to invalidate, change or reform any contract or affect the
12 rights of any employee covered by any contract in existence
13 prior to the operational date of the reorganized school
14 district.

15 Section 11. Penalties.

16 In the case of a school district that fails to comply with
17 section 3(a) or (b), the secretary shall withhold 25% of the
18 school district's basic education subsidy until the school
19 district complies.

20 Section 12. Effective date.

21 This act shall take effect in 60 days.
