18 Section 301. Qualifications of registered interior designers.

19 (a) General rule.--No individual may hold himself out as a
20 registered interior designer without first registering with the
21 bureau as provided for in this act. Nothing in this act shall
22 prohibit an individual from using the title "interior designer,"
23 practicing code-regulated interior design services or preparing
24 interior construction documents under the stamp and signature of
25 a licensed architect or professional engineer, but the
26 individual may not hold himself out to be a registered interior
27 designer unless the individual meets the requirements of this
28 act.

29 (b) Registration qualifications.--To qualify as a registered
30 interior designer, an applicant shall:

3 qualifications in section 301(b).

4 (10) A statement whether:

5 (i) The applicant has ever been convicted of a
6 criminal offense related to fraud, theft, a crime of
7 deception or a crime involving fraudulent business
8 practices, as well as a statement whether the applicant
9 has ever filed a petition in bankruptcy or, within the
10 last 10 years, received a final civil judgment entered
11 against the applicant or businesses in which the
12 applicant held an interest that was related to interior
13 design services provided by the applicant.

14 (ii) The applicant's registration or license issued
15 by any other state or political subdivision has ever been
16 revoked or suspended pursuant to an order issued by a
17 court of competent jurisdiction and if so, the current
18 status of the registration or license. The statement
19 required by this subparagraph shall include the same
20 information with respect to any other business in which
21 the person making application has ever had an interest.

22 (b) Multiple registrations or licenses.--A registered
23 interior designer in this Commonwealth who is registered or
24 licensed as an interior designer in any other state or political
25 subdivision shall report that information to the bureau on the
26 initial registration application and biennial registration
27 application. Disciplinary action taken in the other jurisdiction
28 shall be reported to the bureau on the initial registration
29 application or, if the disciplinary action occurred subsequent
30 to submission of an initial application, on the biennial

1 registration application or within 90 days of final disposition,
2 whichever is sooner. Multiple registrations or licenses shall be
3 noted by the bureau on the registered interior designer's
4 registration, and the state or political subdivision shall be
5 notified by the bureau of any disciplinary actions taken in this
6 Commonwealth against the registered interior designer.

7 Section 303. Application fees.

8 (a) Amount.--Each application or renewal application shall
9 be accompanied by a fee of \$50. Upon approval of the
10 application, the bureau shall issue the registered interior
11 designer a registration identifying the name of the individual,
12 name and address of the business and a registration number.

13 (b) Term of registration.--A registration issued under this
14 section shall be valid for two years and may be renewed
15 biennially with the bureau pursuant to the renewal requirements
16 in section 305.

17 (c) Account.--The following shall apply:

18 (1) All fees collected under this act shall be deposited
19 into the Home Improvement Account.

20 (2) The money in the account and any interest earned on
21 the money may be appropriated to the Attorney General for
22 administering and enforcing the provisions of this act and to
23 protect consumers with respect to registered interior design
24 services through consumer education and other means.

25 Section 304. Proof of registration.

26 (a) Code-regulated interior design services.--A registered
27 interior designer practicing code-regulated interior design
28 services within this Commonwealth shall affix the signature and
29 registration number of the registered interior designer to an
30 interior construction document certifying compliance with

1 applicable current building codes, ordinances, laws and
2 regulations defining the work to be constructed for approval of
3 a construction permit by a building official or fire marshal.
4 Documents may be combined with documents prepared under the
5 stamp and signature of other licensed or registered
6 professionals licensed under the laws of this Commonwealth
7 performing services within their authorized scope of
8 practice. Documents may also include the technical submittals
9 coordinated by the registered interior designer as required by
10 contract documents.

11 (b) Advertisements.--A registered interior designer shall
12 include the registration number in all advertisements

20 apply:

21 (1) In addition to the initial application requirements
22 under section 302, a registered interior designer must
23 biennially provide certification of successful completion of
24 a minimum of 10 hours of continuing education. Continuing
25 education activities that satisfy the professional
26 development requirements include, but are not limited to, the
27 following:

28 (i) Completion of accredited college or university
29 coursework in interior design or a related field.

30 (ii) Completion of continuing education courses

1 offered or accepted by the Interior Design Continuing
2 Education Council (IDCEC), Green Business Certification

4 Institute of Architects or other accrediting agencies and
5 institutions related to interior design.

6 (2) Certification of continuing education credit hours
7 submitted by the registered interior designer shall be
8 verified as being correct and true by the applicant.

9 Falsification of credit hours shall result in immediate
10 revocation of the registered interior designer's
11 certification.

12 (3) A registered interior designer must file a completed
13 bureau-approved renewal application and pay the appropriate
14 fee.

15 CHAPTER 5

16 ADMINISTRATION AND ENFORCEMENT

17 Section 501. Public information.

18 (a) Public access to registration information.--The bureau
19 shall maintain a toll-free telephone number from which a caller
20 can obtain information as to whether an interior designer is
21 registered with the bureau under this act, as well as
22 information that may be obtained on the bureau's publicly
23 accessible Internet website.

24 (b) Confidentiality of personal information.--The bureau
25 shall create a policy for the disclosure of personal information
26 to the public. The bureau may not disclose to the public a
27 registered interior designer's or applicant's Social Security
28 number, driver's license number or any confidential information
29 prohibited by law from being disclosed; however, an interior
30 designer's home address and home telephone number shall be

1 disclosed only if the home address and home telephone number are
2 also used as the interior designer's business address and
3 business telephone number.

4 Section 502. Prohibited acts.

5 (a) General rule.--Nothing in this act shall prohibit an
6 individual from practicing code-regulated interior design
7 services or preparing interior construction documents under the
8 stamp and signature of a licensed architect or professional
9 engineer, but the individual may not hold himself out to be a
10 registered interior designer unless the individual meets the
11 requirements of this act.

12 (b) Misrepresentation.--An individual who is not registered
13 by the bureau as a registered interior designer is prohibited
14 from printing any written or printed circular, any business
15 card, letterhead or sign, or otherwise assuming the title of
16 registered interior designer or the abbreviation "R.I.D." An
17 individual who misrepresents himself as a registered interior
18 designer commits a misdemeanor of the third degree.

19 (c) Construction.--The following shall apply:

20 (1) Nothing in this act shall prohibit use of the title
21 "interior designer" by a nonregistered individual.

22 (2) Nothing in this act shall prohibit an individual
23 from engaging in the practice for which that individual is
24 licensed or certified to practice or to act within the scope
25 of that license or certification held in this Commonwealth.

26 (3) Nothing in this act or any other law or regulation
27 of this Commonwealth shall prohibit a registered interior
28 designer from being directly compensated for the preparation
29 of interior construction documents.

30 (d) Regulation.--No political subdivision may in any manner

1 regulate a registered interior designer. No building official,
2 fire marshal or any other municipal employee authorized to issue
3 construction permits shall require a registered interior
4 designer to submit an interior construction document or
5 technical submittal pertaining to registered interior design
6 practice under the stamp and signature of a licensed architect
7 or professional engineer. A registered interior designer may
8 request the bureau to review any local ordinance or action taken
9 by a building official, fire marshal or any other municipal
10 employee authorized to issue construction permits that may be in
11 violation of this section. The bureau may bring an action
12 against the political subdivision in Commonwealth Court to
13 invalidate the unauthorized local ordinance or enjoin the
14 enforcement of the unauthorized local ordinance.

15 Section 503. Regulations.

16 (a) General rule.--The bureau may adopt rules and
17 regulations necessary to carry out the provisions of this act.

18 (b) Uniform Construction Code.--The Department of Labor and
19 Industry shall adopt regulations within 90 days of the effective
20 date of this act to bring 34 Pa. Code § 403.42a(c) (relating to
21 permit application) and any other relevant sections of the
22 Uniform Construction Code into compliance with this act.

23 Section 504. Permit authority.

24 A registered interior designer, only after affixing the
25 signature and registration number of the registered interior
26 designer to interior construction documents and on technical
27 submittals, shall have the authority to submit them to a
28 governmental entity for the purpose of obtaining a construction
29 permit.

30 Section 505. Preemption of local registration.

1 Registration under this act shall preclude any requirement of
2 payment of a fee or registration or licensing of an interior
3 designer by a political subdivision. Political subdivisions
4 shall be permitted to require building permits and local
5 enforcement of the building code for that political subdivision,
6 for which a reasonable fee may be charged.

7 Section 506. Exemptions.

8 This act shall not apply to any of the following persons or
9 organizations:

10 (1) The Commonwealth or any of its political
11 subdivisions.

12 (2) The Federal Government.
