19 does not include all necessary documents and information in
20 sufficient detail to perform a technical review.

21 "Third-party professional." An individual in this
22 Commonwealth who possesses all of the requisite certifications
23 and qualifications of an occupation relating to a permit
24 administered by a State agency.

25 Section 3. Initial review of permits by State agencies.

26 Within 60 days after the effective date of this act, a State
27 agency shall review the State agency's permit decisions and
28 permit decision delays during the immediately preceding calendar
29 year and submit a report of findings to the General Assembly.

30 Section 4. Compilation of permits.

1 (a) List of permits.--A State agency shall compile, maintain
2 and make available a complete list of all types of permits
3 issued by the State agency. The list, including any revisions to
4 the list, shall be transmitted to the Legislative Reference
5 Bureau for publication in the Pennsylvania Bulletin and shall be
6 posted on the State agency's publicly accessible Internet
7 website. The list shall include, but not be limited to, the
8 following information:

9 (1) The program under which each permit is issued.

10 (2) The statutory and regulatory authority for each
11 permit.

12 (3) The time frame when the State agency must issue each
13 permit.

14 (4) The average time frame within which permit is
15 actually issued.

16 (b) Time limit.--A State agency shall have 90 days from the
17 effective date of this act to complete the initial list required
18 under subsection (a).

19 Section 5. Tracking system for permit application.

20 (a) Establishment.--A State agency shall establish, maintain
21 and make available a secure tracking system for applicants to
22 track the status of applications on the State agency's publicly
23 accessible Internet website within 180 days of the effective
24 date of this section.

25 (b) Notice.--Within five business days after receiving an
26 application, a State agency shall notify an applicant in writing
27 or by electronic means of the receipt and provide information
28 instructing the applicant in the utilization of the tracking
29 system established under subsection (a).

30 (c) System contents.--The tracking system shall include all

1 of the following:

2 (1) The processing time for each permit and the
3 statutory and regulatory authority and State agency policy
4 establishing the processing time.

5 (2) The dates associated with the receipt of each
6 permit, completeness review, technical review, elevated
7 review if necessary, and the final permit decision.

8 (3) The estimated time remaining for each incomplete
9 phase of the permit approval process.

10 (4) The identity and contact information for the State
11 agency employee assigned to answer questions about the
12 application process.

13 Section 6. Notice of incomplete and technically deficient
14 applications.

15 (a) Notice.--If a State agency finds an incomplete
16 application or technically deficient application, the State
17 agency shall notify the applicant in writing or by electronic
18 means of all the following:

19 (1) The statute or regulation which requires a
20 correction or additional information within the application.

21 (2) The reasons why the application is not in
22 conformance with the statute or regulation specified under
23 paragraph (1) IN CLEAR LANGUAGE THAT IS READILY <--
24 UNDERSTANDABLE BY A LAYPERSON.

25 (3) The correction or additional information needed for
26 the State agency to issue the permit.

27 (b) Time limit.--The following apply:

28 (1) If an application is determined to be incomplete,
29 the State agency shall notify the applicant of the
30 determination within 10 business days of receipt of the

1 application.

2 (2) If an application is determined to be technically
3 deficient, the State agency shall notify the applicant of the
4 determination within 20 business days after the conclusion of
5 a completeness review.

6 Section 7. Notice of permit changes and expiration.

7 A State agency shall notify a permit holder in writing or by
8 electronic means of the following:

9 (1) The expiration date of a permit 60 days before the
10 permit's expiration date.

11 (2) A change to a statute or regulation which may affect
12 the permit.

13 (3) A change in permit fees which may affect the renewal
14 of the permit.

15 Section 8. Validity of permits.

16 A permit issued prior to the effective date of a statute or
17 regulation altering the requirements for the permit shall remain
18 valid under the provisions by which the permit was granted
19 unless otherwise agreed to by all parties.

20 Section 9. Third-party review of permit decision delays.

21 (a) Establishment.--Within 180 days of the effective date of
22 this section, a State agency shall establish a program to review
23 permit decision delays and resolve issues causing permit
24 decision delays.

25 (b) Third-party.--A State agency shall contract with a
26 third-party professional to administer a program established
27 under subsection (a) in accordance with 62 Pa.C.S. Pt. I
28 (relating to Commonwealth procurement code). Payments to a
29 third-party professional under this subsection shall consist of
30 the remittance of any fees collected by a State agency from

1 applicants whose applications are subject to a permit decision
2 delay.

3 (c) Review.--A State agency shall, immediately after
4 establishing a program under subsection (a), refer applications
5 that have been submitted to the State agency and are subject to
6 permit decision delay to a third-party professional for review
7 and resolution. A permit application that becomes subject to
8 permit decision delay after the establishment of a program under
9 subsection (a) shall be submitted by the State agency to a
10 third-party professional for review and resolution no later than
11 three business days after the application becomes subject to
12 permit decision delay.

13 (d) Issuance.--After a third-party professional's review of
14 an application which is subject to a permit decision delay and
15 the resolution of all issues causing the delay, the third-party
16 professional shall transmit the application to the State agency
17 for issuance of the permit.

18 Section 10. Annual reports.

19 No later than January 31 of each year, a State agency shall
20 submit a report to the General Assembly that, at a minimum,
21 shall contain the following information from the immediately
22 preceding calendar year:

23 (1) The number of applications received.

24 (2) The number of applications reviewed by the State
25 agency that received a decision without being referred to a
26 third-party professional.

27 (3) The average time frame for permit decisions from the
28 State agency on applications that received a decision without
29 being referred to a third-party professional.

30 (4) The number of applications reviewed by third-party

1 professionals.

2 (5) The average time frame for contracted third-party
3 professionals to complete an application review.

4 (6) The number of State agency employees reviewing
5 permit applications as organized by each regional office of
6 the State agency, if applicable, and the number of
7 applications each State employee reviewed.

8 Section 11. Construction.

9 Nothing in this act shall be construed to limit or otherwise
10 alter a State agency's authority to revoke a permit for failure
11 to comply with the laws of this Commonwealth.

12 Section 12. Effective date.

13 This act shall take effect in 60 days.
