11 This chapter authorizes school districts to levy, assess and

14 school district.

15 Section 302. Definitions.

16 The words and phrases used in this chapter shall have the

23 Section 304. Preemption.

24 No act of the General Assembly shall vacate or preempt any
25 resolution passed or adopted under the authority of this
26 chapter, or any other act, providing authority for the
27 imposition of a tax by a school district, unless the act of the
28 General Assembly expressly vacates or preempts the authority to
29 pass or adopt resolutions.

30 Section 305. General tax authorization.

1 (a) General rule.--A board of school directors may, by
2 resolution, levy, assess and collect or provide for the levying,
3 assessment and collection of a tax on personal income or a tax
4 on earned income and net profits for general revenue purposes.

5 (b) Personal income tax.--

6 (1) A board of school directors may levy, assess and
7 collect a tax on the personal income of resident individuals
8 at a rate determined by the board of school directors.

9 (2) A school district which seeks to levy the tax
10 authorized under paragraph (1) must comply with section 306.

11 (3) If a board of school directors seeks to impose a
12 personal income tax under this subsection and the referendum
13 under section 306 is approved by the electorate, the board of
14 school directors shall have no authority to impose an earned
15 income and net profits tax under subsection (c) or any other
16 act.

17 (4) A personal income tax imposed under the authority of
18 this section shall be levied by the school district on each
19 of the classes of income specified in section 303 of the Tax
20 Reform Code of 1971 and regulations under that section,
21 provisions of which are incorporated by reference into this
22 chapter.

23 (i) Notwithstanding the provisions of section 353(f)
24 of the Tax Reform Code of 1971, the department may permit
25 the proper officer or an authorized agent of a school
26 district imposing a personal income tax pursuant to this
27 chapter to inspect the tax returns of any taxpayer of the
28 school district or may furnish to the officer or an
29 authorized agent an abstract of the return of income of
30 any current or former resident of the school district or

1 supply information concerning any item of income
2 contained in any tax return. The officer or authorized
3 agent of the school district imposing a tax under this
4 chapter shall be furnished the requested information upon
5 payment to the department of the actual cost of providing
6 the requested information.

7 (ii) (A) Except for official purposes or as
8 provided by law, it shall be unlawful for any officer
9 or authorized agent of a school district to do any of
10 the following:

11 (I) Disclose to any other individual or

22 contained in or concerning the return; any amount

26 profits, losses or expenditures contained in or
27 relating to any return.

28 (B) Any officer or authorized agent of a school

7 individuals at a rate determined by the board of school
8 directors.

9 (2) A school district which seeks to levy the tax
10 authorized under paragraph (1) must comply with section 306.

11 (3) If a board of school directors seeks to impose a tax
12 on earned income and net profits under this subsection and
13 the referendum under section 306 is approved by the
14 electorate, the board of school directors shall have no
15 authority to impose a personal income tax under subsection
16 (b) or any other act.

23 (1) Subject to notice and public hearing requirements of

25 tax or earned income and net profits tax under this chapter
26 only by obtaining the approval of the electorate of the
27 affected school district in a public referendum at only the
28 primary election preceding the fiscal year when the personal
29 income tax or earned income and net profits tax will be
30 initially imposed or the rate increased.

1 (2) The referendum question must state the initial rate
2 of the proposed personal income tax or earned income and net
3 profits tax, the purpose of the tax, the duration of the tax
4 and the amount of revenue to be generated by the
5 implementation of the tax.

6 (3) The question shall be in clear language that is
7 readily understandable by a layperson. For the purpose of
8 illustration, a referendum question may be framed as follows:

9 Do you favor paying a personal income tax of X% for
10 the purpose of X, for X years, which will generate
11 \$X?

13 tax of X% for the purpose of X, for X years, which
14 will generate \$X?

15 (4) A nonlegal interpretative statement must accompany
16 the question in accordance with section 201.1 of the act of

30 receive a petition shall perform all administrative functions in

1 reviewing and certifying the validity of the petition and
2 conduct all necessary communications with the school district.

3 (e) Notification.--

4 (1) If the election officials of the county who receive
5 the petition certify that it is sufficient under this section
6 and determine that a question should be placed on the ballot,
7 the decision shall be communicated to election officials in
8 any other county in which the school district is also
9 located.

10 (2) Election officials in the other county or counties
11 shall cooperate with election officials of the county that
12 receives the petition to ensure that an identical question is
13 placed on the ballot at the same election throughout the
14 entire school district.

15 (f) Certification of results.--Election officials from each
16 county involved shall independently certify the results from
17 their county to the governing body.

14 (b) Limitation.--Payment of any tax on income to any state
15 other than Pennsylvania or to any political subdivision located
16 outside the boundaries of this Commonwealth by a resident of a

7 personal property and services.--

8 (1) There is hereby imposed on each separate sale at
9 retail of tangible personal property or services in this
10 Commonwealth a tax of 7% of the purchase price, which tax
11 shall be collected by the vendor from the purchaser, and
12 shall be paid over to the Commonwealth as provided in this
13 chapter.

14 (2) There is hereby imposed on the use in this
15 Commonwealth of tangible personal property purchased at
16 retail and on those services purchased at retail a tax of 7%
17 of the purchase price, which tax shall be paid to the
18 Commonwealth by the person who makes such use as provided
19 under this chapter, except that the tax shall not be paid to
20 the Commonwealth by the person where the person has paid the
21 tax imposed by paragraph (1) or has paid the tax imposed by
22 this subsection to the vendor with respect to the use.

23 (b) General sourcing rules.--

24 (1) All sales of products shall be sourced according to
25 this subsection by sellers obligated to collect sales and use
26 tax under this chapter. The sourcing rules described in this
27 subsection apply to sales of tangible personal property,
28 digital goods and all services other than telecommunications
29 services. This subsection only applies to determine a
30 seller's obligation to pay or collect and remit a sales or

1 use tax with respect to the seller's sale of a product. This
2 subsection does not affect the obligation of a purchaser or
3 lessee to remit tax on the use of the product to the taxing
4 jurisdictions in which the use occurs. A seller's obligation
5 to collect sales tax or use tax under this chapter only
6 occurs if the sale is sourced to this State. Whether sales
7 tax to a sale source to the Commonwealth shall be determined
8 based on the location at which the sale is consummated by
9 delivery or, in the case of a service, where the first use of
10 the service occurs.

11 (2) Sales, excluding leases or rental, of products shall
12 be sourced as follows:

13 (i) When the product is received by the purchaser at
14 a business location of the seller, the sale is sourced to
15 that business location.

16 (ii) When the product is not received by the
17 purchaser at a business location of the seller, the sale
18 is sourced to the location where receipt by the purchaser
19 or the purchaser's donee, designated such by the
20 purchaser, occurs, including the location indicated by
21 instructions for delivery to the purchaser or donee,
22 known to the seller.

23 (iii) When subparagraphs (i) and (ii) do not apply,
24 the sale is sourced to the location indicated by an
25 address for the purchaser that is available from the
26 business records of the seller that are maintained in the
27 ordinary course of the seller's business when use of this
28 address does not constitute bad faith.

29 (iv) When subparagraphs (i), (ii) and (iii) do not
30 apply, the sale is sourced to the location indicated by

1 an address for the purchaser obtained during the
2 consummation of the sale, including the address of a
3 purchaser's payment instrument, if no other address is
4 available, when use of this address does not constitute
5 bad faith.

6 (v) When subparagraphs (i), (ii), (iii) and (iv) do
7 not apply, including the circumstance where the seller is
8 without sufficient information to apply the previous
9 rules, when the location will be determined by the
10 address from which tangible personal property was
11 shipped, from which the digital good or the computer
12 software delivered electronically was first available for
13 transmission by the seller or from which the service was
14 provided disregarding for these purposes any location

3 interstate telecommunications service, shall be allowed a
4 credit against the tax imposed by this section on the same
5 interstate telecommunications service to the extent of the
6 amount of the tax properly due and paid to the other state.

7 (4) With respect to interstate telecommunications
8 services, only services for interstate telecommunications
9 which originate or are terminated in this Commonwealth and
10 which are billed and charged to a service address in this

8 the department otherwise.

9 (e.1) Prepaid mobile telecommunications service.--

14 (2) The sale or use of prepaid mobile telecommunications
15 service not evidenced by the transfer of tangible personal
16 property shall be subject to the tax imposed by subsection
17 (a) and shall be deemed to occur at the purchaser's billing
18 address or the location associated with the mobile telephone
19 number or the point of sale, whichever is applicable.

21 of prepaid mobile telecommunications service not

7 department in the time and manner provided in this chapter.

8 (2) A manufacturer of prebuilt housing may, at its
9 option, precollect the tax from the prebuilt housing builder
10 at the time of sale to the prebuilt housing builder.

11 (3) In any case where prebuilt housing is purchased and
12 the tax is not paid by the prebuilt housing builder or
13 precollected by the manufacturer, the prebuilt housing
14 purchaser shall remit tax directly to the department if the
15 prebuilt housing is used in this Commonwealth without regard
16 to whether the prebuilt housing becomes a real estate
17 structure.

1 and remit tax to the department shall file returns with respect
2 to the tax.

3 Section 716. Form of returns.

7 department may reasonably require.

8 Section 717. Time for filing returns.

9 (a) Quarterly and monthly returns.--

10 (1) For the year in which this chapter becomes
11 effective, and in each year thereafter, a return shall be
12 filed quarterly by every licensee on or before the 20th day
13 of April, July, October and January for the three months
14 ending the last day of March, June, September and December.

15 (2) For the year in which this chapter becomes
16 effective, and in each year thereafter, a return shall be
17 filed monthly with respect to each month by every licensee
18 whose actual tax liability for the third calendar quarter of
19 the preceding year equals or exceeds \$600 and is less than
20 \$25,000. Such returns shall be filed on or before the 20th
21 day of the next succeeding month with respect to which the

12 or were in business for only a portion of that month,
13 the amount shall be 50% of the average actual tax

2 tax.

3 (6) The department shall determine whether the amounts
4 reported under paragraph (3) or (4) shall be remitted as one
5 combined payment or as two separate payments.

9 (8) Any licensee filing returns under paragraph (3) or
10 (4) shall be relieved of filing quarterly returns.

11 (9) If a licensee required to remit payments under
12 paragraph (3) or (4) fails to make a timely payment or makes

14 department may, in addition to any applicable penalties,
15 impose an additional penalty equal to 5% of the amount due
16 under paragraph (3) or (4) which was not timely paid. The

18 return is filed for the tax period.

19 (b) Annual returns.--No annual return shall be filed, except
20 as may be required by rules and regulations of the department
21 promulgated and published at least 60 days prior to the end of

3 case of any licensee whose individual tax collections do not
4 exceed \$75 per calendar quarter and may provide for reporting on
5 a less frequent basis in such cases.

6 Section 718. Extension of time for filing returns.

7 The department may, on written application and for good cause
8 shown, grant a reasonable extension of time for filing any
9 return required under this subchapter. However, the time for

2 When a return of tax is required under this subchapter, the
3 person required to make the return shall pay the tax to the
4 department.

5 Section 722. Time of payment.

6 (a) General rule.--The tax imposed by this chapter and
7 incurred or collected by a licensee shall be due and payable by
8 the licensee on the day the return is required to be filed under
9 the provisions of section 717 and the payment must accompany the
10 return for the preceding period.

11 (b) Annual payments.--If the amount of tax due for the
12 preceding year as shown by the annual return of a taxpayer is
13 greater than the amount already paid by the taxpayer in
14 connection with the taxpayer's monthly or quarterly returns, the
15 taxpayer shall send with the annual return a remittance for the
16 unpaid amount of tax for the year.

17 (c) Other payments.--Any person other than a licensee liable
18 to pay any tax under this chapter shall remit the tax at the
19 time of filing the return required by this chapter.

29 purchasers in accordance with this chapter and all taxes
30 collected by any person from purchasers under color of this

1 chapter which have not been properly refunded by the person to

3 Commonwealth, and such trust shall be enforceable against such
4 person, the person's representatives and any person, other than
5 a purchaser to whom a refund has been made properly, receiving
6 any part of the fund without consideration, or knowing that the
7 taxpayer is committing a breach of trust.

8 (b) Presumption.--Any person receiving payment of a lawful
9 obligation of the taxpayer from the fund identified under
10 subsection (a) shall be presumed to have received the same in
11 good faith and without any knowledge of the breach of trust.

12 (c) Right to petition and appeal.--Any person, other than a
13 taxpayer, against whom the department makes any claim under this
14 section shall have the same right to petition and appeal as is
15 given taxpayers by any provisions of this subchapter.

16 Section 726. (Reserved).

17 Section 727. Discount.

18 (a) General rule.--Subject to the provisions of subsection
19 (b), if a return is filed by a licensee and the tax shown to be
20 due thereon less any discount is paid all within the time
21 prescribed, the licensee shall be entitled to credit and apply
22 against the tax payable by the licensee a discount of 1% of the
23 amount of the tax collected by the licensee, as compensation for
24 the expense of collecting and remitting the tax due by the
25 licensee and as consideration of the prompt payment.

26 (b) Types of periodic filers.--For returns filed on or after
27 the effective date of this section, the discount under

10 Section 731. Mode and time of assessment.

11 (a) Duty to examine.--

12 (1) Within a reasonable time after any return is filed,
13 the department shall examine it and, if the return shows a
14 greater tax due or collected than the amount of tax remitted
15 with the return, the department shall issue an assessment for
16 the difference, together with an addition of 3% of the
17 difference, which shall be paid to the department within 10
18 days after a notice of the assessment has been mailed to the
19 taxpayer.

20 (2) If such assessment is not paid within 10 days, there
21 shall be added and paid to the department an additional 3% of
22 the difference for each month during which the assessment
23 remains unpaid. The total of all additions shall not exceed
24 18% of the difference shown on the assessment.

25 (b) Understated tax on returns.--

26 (1) If the department determines that any return or
27 returns of any taxpayer understates the amount of tax due, it
28 shall determine the proper amount and shall ascertain the
29 difference between the amount of tax shown in the return and
30 the amount determined. The difference may be referred to as

1 the deficiency.

2 (2) The department shall send a notice of assessment for
3 the deficiency and the reasons to the taxpayer.

11 proper amount of tax owed by the taxpayer and shall send a
12 notice of assessment in the estimated amount to the taxpayer.

13 (2) The taxpayer shall pay the tax within 30 days after
14 a notice of the estimated assessment has been mailed to the
15 taxpayer.

16 (d) Studies.--

17 (1) The department may conduct the studies necessary to
18 compute effective rates by business classification, based
19 upon the ratio between the tax required to be collected and
20 taxable sales and to use such rates in arriving at the
21 apparent tax liability of a taxpayer.

22 (2) Any assessment based on such rates shall be prima
23 facie correct, except that the rate shall not be considered
24 where a taxpayer establishes the rate is based on a sample
25 inapplicable to the taxpayer.

26 Section 732. Reassessment.

27 Any taxpayer against whom an assessment is made may petition
28 the department for a reassessment under Article XXVII of the Tax

13 applicable.

14 Section 737. Collection of tax.

15 (a) General rule.--The department shall collect the tax in
16 the manner provided by law for the collection of taxes imposed
17 by the laws of this Commonwealth.

18 (b) Collection by persons maintaining a place of business in
19 the Commonwealth.--

20 (1) Every person maintaining a place of business in this
21 Commonwealth and selling or leasing tangible personal
22 property or services, the sale or use of which is subject to
23 tax shall collect the tax from the purchaser or lessee at the
24 time of making the sale or lease, and shall remit the tax to
25 the department, unless the collection and remittance is
26 otherwise provided for in this chapter.

27 (2) (i) Every person not otherwise required to collect
28 tax that delivers tangible personal property to a
29 location within this Commonwealth and that unpacks,
30 positions, places or assembles the tangible personal

1 property shall collect the tax from the purchaser at the
2 time of delivery and shall remit the tax to the
3 department if the person delivering the tangible personal
4 property is responsible for collecting any portion of the
5 purchase price of the tangible personal property
6 delivered and the purchaser has not provided the person
7 with proof that the tax imposed by this chapter has been
8 or will be collected by the seller or that the purchaser
9 provided the seller with a valid exemption certificate.

10 (ii) Every person required to collect tax under this
11 paragraph shall be deemed to be selling or leasing
12 tangible personal property or services, the sale or use
13 of which is subject to the tax imposed under section 702.

14 (3) Any person required under this chapter to collect
15 tax from another person, who shall fail to collect the proper
16 amount of the tax, shall be liable for the full amount of the
17 tax which the person should have collected.

18 (c) Certificate for tax-exempt sales or leases.--

19 (1) If the tax does not apply to the sale or lease of
20 tangible personal property or services, the purchaser or
21 lessee shall furnish to the vendor a certificate indicating
22 that the sale is not legally subject to the tax. The
23 certificate shall be in substantially such form as the
24 department may, by regulation, prescribe.

25 (2) Where the tangible personal property or service is
26 of a type which is never subject to the tax imposed or where
27 the sale or lease of tangible personal property is in
28 interstate commerce, the certificate need not be furnished.

29 (3) Where a series of transactions are not subject to
30 tax, a purchaser or user may furnish the vendor with a single

1 exemption certificate in substantially such form and valid
2 for such period of time as the department may, by regulation,
3 prescribe.

4 (4) The department shall provide all school districts
5 and intermediate units with a permanent tax exemption number.

6 (5) An exemption certificate, which is complete and
7 regular and on its face discloses a valid basis of exemption
8 if taken in good faith, shall relieve the vendor from the
9 liability imposed by this section.

10 (6) An exemption certificate:

11 (i) accepted by a vendor from a natural person
12 domiciled within this Commonwealth or any association,
13 fiduciary, partnership, corporation or other entity,
14 either authorized to do business within this Commonwealth
15 or having an established place of business within this
16 Commonwealth, in the ordinary course of the vendor's
17 business;

18 (ii) which on its face discloses a valid basis of
19 exemption consistent with the activity of the purchaser
20 and character of the property or service being purchased
21 or which is provided to the vendor by a charitable,
22 religious, educational or volunteer firefighters'
23 organization;

24 (iii) contains the organization's charitable
25 exemption number; and

26 (iv) which, in the case of any purchase costing \$200
27 or more, is accompanied by a sworn declaration on a form
28 to be provided by the department of an intended usage of
29 the property or service which would render it nontaxable,
30 shall be presumed to be taken in good faith and the burden of

1 proving otherwise shall be on the department.

2 (d) Direct payment permits.--

3 (1) The department may authorize a purchaser or lessee
4 who acquires tangible personal property or services under
5 circumstances which make it impossible at the time of
6 acquisition to determine the manner in which the tangible
7 personal property or service will be used, to pay the tax
8 directly to the department, and waive the collection of the
9 tax by the vendor.

10 (2) No such authority shall be granted or exercised,
11 except on application to the department, and the issuance by
12 the department, in its discretion, of a direct payment
13 permit.

14 (3) If a direct payment permit is granted, its use shall
15 be subject to conditions specified by the department, and the
16 payment of tax on all acquisitions pursuant to the permit
17 shall be made directly to the department by the permit
18 holder.

19 Section 738. Collection of tax on motor vehicles, trailers and
20 semitrailers.

21 (a) General rule.--Notwithstanding the provisions of section
22 737(b)(1), tax due on the sale at retail or use of a motor
23 vehicle, trailer or semitrailer, except mobile homes as defined
24 in 75 Pa.C.S. (relating to vehicles), required by law to be
25 registered with the department under the provisions of 75
26 Pa.C.S. shall be paid by the purchaser or user directly to the
27 department on application to the department for an issuance of a
28 certificate of title on the motor vehicle, trailer or
29 semitrailer.

30 (b) No issuance of certificate of title without payment of

1 tax.--

2 (1) The department shall not issue a certificate of
3 title until the tax has been paid, or evidence satisfactory
4 to the department has been given to establish that tax is not
5 due.

6 (2) The department may cancel or suspend any record of
7 certificate of title or registration of a motor vehicle,
8 trailer or semitrailer when the check received in payment of
9 the tax on the vehicle is not paid on demand.

10 (c) First encumbrance.--The tax shall be considered as a
11 first encumbrance against the vehicle and the vehicle may not be
12 transferred without first payment in full of the tax and any
13 interest additions or penalties which shall accrue in accordance
14 with this chapter.

15 Section 739. Precollection of tax.

16 (a) Authorization.--

17 (1) Except as otherwise provided under paragraph (2),
18 the department may, by regulation, authorize or require
19 particular categories of vendors selling tangible personal
20 property for resale to precollect from the purchaser the tax
21 which the purchaser will collect on making a sale at retail
22 of the tangible personal property.

23 (2) The department, pursuant to this section, may not
24 require a vendor to precollect tax from a purchaser who
25 purchases for resale more than \$1,000 worth of tangible
26 personal property from the vendor per year.

27 (b) No license required.--In any case in which a vendor has
28 been authorized to prepay the tax to the person from whom the
29 vendor purchased the tangible personal property for resale, the
30 vendor authorized to prepay the tax may, under the regulations

1 of the department, be relieved from the duty to secure a license
2 if the duty arises only by reason of the vendor's sale of the
3 tangible personal property with respect to which the vendor is,
4 under authorization of the department, to prepay the tax.

5 (c) Reimbursement.--

6 (1) The vendor, on making a sale at retail of tangible
7 personal property with respect to which the vendor has
8 prepaid the tax, must separately state at the time of resale
9 the proper amount of tax on the transaction, and reimburse
10 itself on account of the taxes which the vendor has
11 previously prepaid.

12 (2) If the vendor collects a greater amount of tax in
13 any reporting period than the vendor previously prepaid on
14 purchase of the goods with respect to which the vendor
15 prepaid the tax, the vendor must file a return and remit the
16 balance to the Commonwealth at the time at which a return
17 would otherwise be due with respect to the sales.

18 Section 740. Bulk and auction sales.

19 A person who sells or causes to be sold at auction, or who
20 sells or transfers in bulk, 51% or more of any stock, of goods,
21 wares or merchandise of any kind, fixtures, machinery,
22 equipment, buildings or real estate, involved in a business for
23 which the person is licensed or required to be licensed under
24 this chapter, or is liable for filing use tax returns in
25 accordance with this chapter, shall be subject to the provisions
26 of section 1403 of the Fiscal Code.

27 Section 741. (Reserved).

28 Section 742. Lien for taxes.

29 (a) Nature and effect of lien.--

30 (1) If any person liable to pay any tax neglects or

1 refuses to pay the same after demand, the amount, including
2 any interest, addition or penalty, together with any costs
3 that may accrue in addition, shall be a lien in favor of the
4 Commonwealth on the property, both real and personal, of the
5 person but only after same has been entered and docketed of
6 record by the prothonotary of the county where the property
7 is situated.

8 (2) The department may, at any time, transmit to the
9 prothonotaries of the respective counties certified copies of
10 all liens for taxes imposed by this chapter or the Tax Reform
11 Code of 1971 and penalties and interest.

12 (3) Each prothonotary receiving the lien shall enter and
13 docket the lien of record in the prothonotary's office, which
14 lien shall be indexed as judgments are now indexed.

15 (4) No prothonotary shall require, as a condition
16 precedent to the entry of the liens, the payment of the costs
17 incident thereto.

18 (b) Priority status.--

19 (1) The lien imposed under this section shall have
20 priority from the date of its recording, and shall be fully
21 paid and satisfied out of the proceeds of any judicial sale
22 of property before any other obligation, judgment, claim,
23 lien or estate to which the property may subsequently become
24 subject, except costs of the sale and of the writ on which
25 the sale was made, and real estate taxes and municipal claims
26 against such property, but shall be subordinate to mortgages
27 and other liens existing and duly recorded or entered of
28 record prior to the recording of the tax lien.

29 (2) In the case of a judicial sale of property, subject
30 to a lien imposed under this section, on a lien or claim over

1 which the lien imposed under this section has priority, the
2 sale shall discharge the lien imposed under this section to
3 the extent only that the proceeds are applied to its payment,
4 and the lien shall continue in full force and effect as to
5 the balance remaining unpaid.

6 (3) There shall be no inquisition or condemnation upon
7 any judicial sale of real estate made by the Commonwealth
8 pursuant to the provisions of this section.

9 (4) (i) The lien of the taxes, interest and penalties,
10 shall continue for five years from the date of entry, and
11 may be revived and continued in the manner now or
12 hereafter provided for renewal of judgments, or as may be
13 provided in the Fiscal Code, and a writ of execution may
14 directly issue upon the lien without the issuance and
15 prosecution to judgment of a writ of scire facias.

16 (ii) Not less than 10 days before issuance of any
17 execution on the lien, notice of the filing and the
18 effect of the lien shall be sent by registered mail to
19 the taxpayer at the taxpayer's last known post office
20 address.

21 (iii) The lien shall have no effect on any stock of
22 goods, wares or merchandise regularly sold or leased in
23 the ordinary course of business by the person against
24 whom the lien has been entered, unless and until a writ
25 of execution has been issued and a levy made on the stock
26 of goods, wares and merchandise.

27 (c) Penalty.--Any willful failure of any prothonotary to
28 carry out any duty imposed on the prothonotary under this
29 section shall be a misdemeanor, and, upon conviction, the
30 prothonotary shall be sentenced to pay a fine not more than

1 \$1,000 and costs of prosecution or to a term of imprisonment not
2 exceeding one year, or both.

3 (d) Priority payment from distribution.--

4 (1) Except as otherwise provided under the law, in the
5 distribution, voluntary or compulsory, in receivership,
6 bankruptcy or otherwise, of the property or estate of any
7 person, all taxes imposed by this chapter which are due and
8 unpaid and are not collectible under section 725 shall be
9 paid from the first money available for distribution in
10 priority to all other claims and liens, except insofar as the
11 laws of the United States may give a prior claim to the
12 Federal Government.

13 (2) Any person charged with the administration or
14 distribution of the property or estate, who violates the
15 provisions of this section, shall be personally liable for
16 any taxes imposed by this chapter, which are accrued and
17 unpaid and are chargeable against the person whose property
18 or estate is being administered or distributed.

19 (e) Construction.--Subject to the limitations contained in
20 this chapter as to the assessment of taxes, nothing contained in
21 this section shall be construed to restrict, prohibit or limit
22 the use by the department in collecting taxes finally due and
23 payable of any other remedy or procedure available at law or
24 equity for the collection of debts.

25 Section 743. Suit for taxes.

26 (a) General rule.--At any time within three years after any
27 tax or any amount of tax shall be finally due and payable, the
28 department may commence an action in the courts of this
29 Commonwealth, of any state or of the United States, in the name
30 of the Commonwealth, to collect the amount of tax due together

1 with additions, interest, penalties and costs in the manner
2 provided at law or in equity for the collection of ordinary
3 debts.

4 (b) Prosecution by Attorney General.--The Attorney General
5 shall prosecute the action and, except as provided in this
6 chapter, the provisions of the Rules of Civil Procedure and the
7 provisions of the laws of this Commonwealth relating to civil
8 procedures and remedies shall, to the extent that they are
9 applicable, be available in such proceedings.

10 (c) Construction.--The provisions of this section are in
11 addition to any process, remedy or procedure for the collection
12 of taxes provided by this chapter or by the laws of this
13 Commonwealth, and this section is neither limited by nor
14 intended to limit any such process, remedy or procedure.

15 Section 744. Tax suit comity.

16 The courts of this Commonwealth shall recognize and enforce
17 liabilities for sales and use taxes, lawfully imposed by any
18 other state if the other state extends a like comity to this
19 Commonwealth.

20 Section 745. Service.

21 (a) General rule.--Any person who maintains a place of
22 business in this Commonwealth is deemed to have appointed the
23 Secretary of the Commonwealth as the person's agent for the
24 acceptance of service of process or notice in any proceedings
25 for the enforcement of the civil provisions of this chapter, and
26 any service made upon the Secretary of the Commonwealth as agent
27 shall be of the same legal force and validity as if the service
28 had been personally made on the person.

29 (b) Substitute service.--Where service cannot be made on the
30 person in the manner provided by other laws of this Commonwealth

1 relating to service of process, service may be made on the
2 Secretary of the Commonwealth and, in such case, a copy of the
3 process or notice shall also be personally served on any agent
4 or representative of the person who may be found within this
5 Commonwealth, or where no such agent or representative may be
6 found a copy of the process or notice shall be sent by
7 registered mail to the person at the last known address of the
8 person's principal place of business, home office or residence.

9 Section 746. Collection and payment of tax on credit sales.

10 If any sale subject to tax under this chapter is wholly or
11 partly on credit, the vendor shall require the purchaser to pay
12 in cash at the time the sale is made, or within 30 days
13 thereafter, the total amount of tax due upon the entire purchase
14 price. The vendor shall remit the tax to the department,
15 regardless of whether payment was made by the purchaser to the
16 vendor, with the next return required to be filed under section
17 717.

18 Section 747. Prepayment of tax.

19 (a) General rule.--Whenever a vendor is prohibited by law or
20 governmental regulation to charge and collect the purchase price
21 in advance of or at the time of delivery, the vendor shall
22 prepay the tax as required by this chapter, but in that case, if
23 the purchaser fails to pay to the vendor the total amount of the
24 purchase price and the tax and the amount is written off as
25 uncollectible by the vendor, the vendor shall not be liable for
26 the tax and shall be entitled to a credit or refund of the tax
27 paid.

28 (b) Subsequent collection of tax.--If the purchase price is
29 thereafter collected, in whole or in part, the amount collected
30 shall be first applied to the payment of the entire tax portion

1 of the bill, and shall be remitted to the department by the
2 vendor with the first return filed after such collection.

3 (c) Time period for refund.--Tax prepaid shall be subject to
4 refund on petition to the department under the provisions of
5 section 752, filed within 105 days of the close of the fiscal
6 year in which the accounts are written off.

7 Section 747.1. Refund of sales tax attributed to bad debt.

8 (a) General rule.--A vendor may file a petition for refund
9 of sales tax paid to the department that is attributed to a bad
10 debt if all of the following apply:

11 (1) The purchaser fails to pay the total purchase price.

12 (2) The purchase price is written off, either in whole
13 or in part, as a debt on the books and records of the vendor
14 or an affiliate of the vendor.

15 (3) The bad debt has been deducted for Federal income
16 tax purposes under section 166 of the Internal Revenue Code
17 of 1986.

18 (a.1) Time for filing petition.--A petition for refund,
19 which is authorized by this section, must be filed with the
20 department within the time limitations under section 3003.1(a)
21 of the Tax Reform Code of 1971.

22 (a.2) Private-label credit cards.--In the case of private-
23 label credit card accounts not qualifying under subsection (a),
24 a vendor or lender that makes an election pursuant to subsection
25 (a.3) shall be entitled to file a petition for refund of sales
26 tax that the vendor has previously reported and paid to the
27 department, if all of the following conditions are met:

28 (1) No refund was previously allowed with respect to the
29 portion of the account written off as a bad debt.

30 (2) The account has been found worthless and written

1 off, either in whole or in part, as bad debt on the books and
2 records of the lender or an affiliate of the lender.

3 (3) The account has been deducted for Federal income tax
4 purposes under section 166 of the Internal Revenue Code of
5 1986 by the lender or an affiliate of the lender.

6 (a.3) Joint election.--In order to be eligible for a refund
7 under subsection (a.2), the lender and the vendor must execute
8 and file with the department a joint election, signed by both
9 parties, designating which party is entitled to claim the
10 refund. This election may not be revoked unless a written notice
11 is signed by the party that signed the election being revoked
12 and is filed with the department.

13 (b) Limitation.--

14 (1) The refund authorized by this section shall be
15 limited to the sales tax paid to the department that is
16 attributed to the bad debt, less any discount under section
17 727.

18 (2) Partial payments by the purchaser shall be prorated
19 between the original purchase price and the sales tax due on
20 the sale.

21 (3) Payments made on any transaction which includes both
22 taxable and nontaxable components shall be allocated
23 proportionally between the taxable and nontaxable components.

24 (c) Assignment.--A vendor or lender may assign its right to
25 petition and receive a refund of sales tax attributed to a bad
26 debt to an affiliate.

27 (d) Items not refundable.--No refund shall be granted under
28 this section for interest, finance charges or expenses incurred
29 in attempting to collect any amount receivable.

30 (e) Documentation.--Documentation requirements are as

1 follows:

2 (1) Any person claiming a refund under this section
3 shall, on request, make available adequate books, records or
4 other documentation supporting the claimed refund, including:

5 (i) Date of original sale, name and Pennsylvania
6 sales tax license number of the retailer.

7 (ii) Name and address of purchaser.

8 (iii) Amount that the purchaser paid or agreed to
9 pay.

10 (iv) Taxable and nontaxable charges.

11 (v) Amount on which the retailer reported and paid
12 sales tax.

13 (vi) All payments or other credits applied to the
14 account of the purchaser.

15 (vii) Evidence that the uncollected amount has been
16 designated as a bad debt in the books and records of the
17 vendor or lender, as appropriate, and that the amount has
18 been claimed as a bad debt deduction for Federal income
19 tax purposes.

20 (viii) The county in which any local sales tax was
21 incurred.

22 (ix) The unpaid portion of the sales price.

23 (x) A certification, under penalty of perjury, that
24 no person has collected money on the bad debt for which
25 the refund is claimed.

26 (xi) Any other information required by the
27 department.

28 (2) A person claiming a refund under this section may
29 provide alternative forms of documentation acceptable to the
30 department if appropriate in light of the volume and

1 character of uncollectible accounts. This includes the
2 following:

3 (i) If a vendor remits sales or use tax to the
4 Commonwealth and to another state, the entity claiming a
5 refund under this section may use an apportionment method
6 to substantiate the amount of Pennsylvania tax included
7 in the bad debts to which the refund applies.

8 (ii) The apportionment method must use the vendor's
9 Pennsylvania and non-Pennsylvania sales, the vendor's
10 taxable and nontaxable sales and the amount of tax the
11 vendor remitted to Pennsylvania.

12 (f) Subsequent collection.--

13 (1) If the purchase price that is attributed to a prior
14 bad debt refund is collected in whole or in part by the
15 vendor or lender, or an affiliate of the vendor or lender,
16 the entity claiming the refund shall remit the proportional
17 tax to the department with the first return filed after the
18 collection. If the entity is not required to file periodic
19 returns, the entity shall remit the proportional tax to the
20 department with another return pursuant to section 717(c).

21 (2) Any consideration received for the assignment, sale
22 or other transfer of a bad debt with respect to which a
23 refund has been granted shall be deemed to be a collection of
24 a prior bad debt. This paragraph shall not apply to a
25 transfer to an entity that is part of the same affiliated
26 group, as defined by section 1504(a)(1) of the Internal
27 Revenue Code of 1986.

28 (3) A person that collects, in whole or in part, the
29 purchase price attributed to a prior bad debt refund is
30 required to maintain adequate books, records or other

1 documentation to allow the department to determine whether
2 the purchase price attributed to a prior bad debt refund has
3 been collected. Information under this paragraph includes the
4 pertinent facts required by subsection (e).

5 (4) If it is determined by the department that a prior
6 bad debt has been collected, in whole or in part, and the
7 proportional tax has not been properly reported and paid to
8 the department, the person that claimed the refund on the
9 transaction shall report and pay the proportional tax to the
10 department plus applicable interest and penalty under this
11 chapter.

12 (g) Interest prohibited.--Notwithstanding the provisions of
13 section 806.1 of the Fiscal Code, no interest shall be paid by
14 the Commonwealth on refunds of sales tax attributed to bad debt
15 under this section.

16 (h) Administration.--

17 (1) No refund or credit of sales tax shall be made for
18 any uncollected purchase price or bad debt except as
19 authorized by this section.

20 (2) No deduction or credit for bad debt may be taken on
21 any return filed with the department.

22 (3) This section shall provide the exclusive procedure
23 for claiming a refund or credit of sales tax attributed to
24 uncollected purchase price or bad debt.

25 (i) Definitions.--As used in this section, the following
26 words and phrases shall have the meanings given to them in this
27 subsection unless the context clearly indicates otherwise:

2 definition of "lender" that would be an affiliated entity,
3 under section 1504(a)(1) of the Internal Revenue Code of
4 1986, of a vendor but for the fact the person is not a

25 from persons other than the vendor whose name or logo appears on
26 the card or instrument or that vendor's affiliates. Nothing in
27 this definition shall be construed to authorize a refund with
28 respect to bad debts attributable to sales by unrelated persons
29 referred to in this definition.

30 Section 748. Registration of transient vendors.

1 (a) General rule.--Prior to conducting business or otherwise
2 commencing operations in this Commonwealth, a transient vendor
3 shall register with the department. The application for
4 registration shall be in such form and contain such information

6 forth truthfully and accurately the information desired by the
7 department. This registration shall be renewed and updated
8 annually.

9 (b) Certificate to be issued.--After registration and the
10 posting of the bond required by section 748.1, the department
11 shall issue to the transient vendor a certificate valid for one

29 conduct business.

30 (2) Failure to notify or giving false information to the

1 department may result in suspension or revocation of the
2 transient vendor's certificate.

3 (3) Conducting business in this Commonwealth after a
4 certificate has been suspended or revoked may result in
5 criminal conviction and the imposition of fines or other
6 penalties.

7 Section 748.1. Bond.

8 (a) General rule.--Upon registration with the department, a
9 transient vendor shall also post a bond with the department in
10 the amount of \$500 as surety for compliance with the provisions
11 of this chapter. After a period of demonstrated compliance with
12 these provisions or, if the transient vendor provides the
13 license number of a promoter who has notified the department of
14 a show, in accordance with the provisions of section 748.6(a),
15 the department may reduce the amount of bond required of a
16 transient vendor or may eliminate the bond entirely.

17 (b) Voluntary suspension of certificate.--A transient vendor
18 may file a request for voluntary suspension of certificate with
19 the department. If the department is satisfied that the
20 provisions of this chapter have been complied with and has
21 possession of the transient vendor's certificate, it shall
22 return the bond posted to the transient vendor.

23 Section 748.2. Notification to department.

24 (a) General rule.--Prior to entering this Commonwealth to
25 conduct business, a transient vendor shall notify the department
26 in writing of the location or locations where it intends to
27 conduct business and the date or dates on which it intends to
28 conduct business.

29 (b) Inspection of records.--While conducting business in
30 this Commonwealth, the transient vendor shall permit authorized

1 employees of the department to inspect its sales records,
2 including, but not limited to, sales receipts and inventory or
3 price lists and to permit inspection of the tangible personal
4 property offered for sale at retail.

5 (c) Conditions for suspension or revocation of
6 certificate.--The department may suspend or revoke a certificate
7 issued to a transient vendor if the transient vendor:

8 (1) fails to notify the department as required by
9 subsection (a);

10 (2) provides the department with false information
11 regarding the conduct of business in this Commonwealth;

12 (3) fails to collect sales tax on all tangible personal
13 property or services sold subject to the sales tax; or

14 (4) fails to file with the department a tax return as
15 required by section 717.

16 (d) Regulations.--The department shall promulgate the rules
17 and regulations necessary to implement this section.

18 Section 748.3. Seizure of property.

19 (a) General rule.--If a transient vendor conducting business
20 in this Commonwealth fails to exhibit a valid certificate on
21 demand by authorized employees of the department, those
22 authorized employees shall seize, without warrant, the tangible
23 personal property and the automobile, truck or other means of
24 transportation used to transport or carry that property. All
25 property seized shall be deemed contraband and shall be subject
26 to immediate forfeiture proceedings instituted by the department
27 pursuant to procedures adopted by regulation, except as
28 otherwise provided by this section.

29 (b) Release of seized property.--Property seized pursuant to
30 subsection (a) shall be released on:

1 (1) presentation of a valid certificate to authorized
2 employees of the department; or

3 (2) registration by the transient vendor with the
4 department and the posting of a bond in the amount of \$500,
5 either immediately or within 15 days after the property is
6 seized.

7 Section 748.4. Fines.

8 Any transient vendor conducting business in this Commonwealth
9 while its certificate is suspended or revoked, as provided by
10 sections 748.1(b) and 748.2(c), commits a misdemeanor of the
11 third degree and, upon conviction, shall be sentenced to pay a
12 fine of not more than \$2,500 for each offense.

13 Section 748.5. Transient vendors subject to chapter.

14 Except as otherwise provided, a transient vendor shall be
15 subject to the provisions of this chapter in the same manner as
16 a vendor who maintains a place of business in this Commonwealth.

17 Section 748.6. Promoters.

18 (a) General rule.--A promoter of a show or shows in this
19 Commonwealth may annually file with the department an
20 application for a promoter's license stating the location and
21 dates of such show or shows. The application shall be filed at
22 least 30 days prior to the opening of the first show and shall
23 be in such form as the department may prescribe.

24 (b) License.--

25 (1) Except as otherwise provided in this chapter, the
26 department shall, within 15 days after receipt of an
27 application for a license, issue to the promoter without
28 charge a license to operate such shows.

29 (2) If application for a license under this section has
30 been timely filed and if the license has not been received by

1 the promoter prior to the opening of the show, the
2 authorization contained in this section with respect to the
3 obtaining of a promoter's license shall be deemed to have
4 been complied with, unless or until the promoter receives
5 notice from the department denying the application for a
6 promoter's license.

7 (c) Compliance.--Any promoter who is a vendor under the
8 provisions of section 701 shall comply with all the provisions
9 of this chapter applicable to vendors and with the provisions of
10 this section applicable to promoters.

11 (d) Prohibited conduct.--No licensed promoter shall permit
12 any person to display for sale or to sell tangible personal
13 property or services subject to tax under section 702 at a show
14 unless the person is licensed under section 708 and provides to
15 the promoter the information required under law.

16 (e) Penalties.--

17 (1) Any licensed promoter who:

18 (i) permits any person to display for sale or to
19 sell tangible personal property or service without first
20 having been licensed under section 708;

21 (ii) fails to maintain records of a show as required
22 by law; or

23 (iii) knowingly maintains false records or fails to
24 comply with any provision contained in this section or
25 any regulation promulgated by the department pertaining
26 to shows,

27 shall be subject to denial of a license or the revocation of
28 any existing license issued pursuant to this section.

29 (2) The department may deny the promoter a license
30 certificate to operate a show for a period of not more than

1 six months from the date of such denial. The penalty shall be
2 in addition to any other penalty imposed by this chapter.

3 (3) Within 20 days of notice of denial or revocation of
4 a license by the department, the promoter may petition the
5 department for a hearing pursuant to 2 Pa.C.S. (relating to
6 administrative law and procedure).

7 Section 749. (Reserved).

8 Section 750. (Reserved).

9 Section 751. (Reserved).

10 Section 752. Refunds.

11 (a) General rule.--Subject to the provisions of subsection
12 (b), the department shall, pursuant to the provisions of Article
13 XXVII of the Tax Reform Code of 1971, refund all taxes, interest
14 and penalties paid to the Commonwealth under the provisions of
15 this chapter and to which the Commonwealth is not rightfully
16 entitled. The refunds shall be made to the person, the person's
17 heirs, successors, assigns or other personal representatives,
18 who actually paid the tax.

19 (b) Exception.--No refund shall be made under this section
20 with respect to any payment made by reason of an assessment with
21 respect to which a taxpayer has filed a petition for
22 reassessment pursuant to section 2702 of the Tax Reform Code of
23 1971 to the extent that the petition has been determined
24 adversely to the taxpayer by a decision which is no longer
25 subject to further review or appeal.

26 (c) Construction.--Nothing contained in this section shall
27 be deemed to prohibit a taxpayer who has filed a timely petition
28 for reassessment from amending it to a petition for refund where
29 the petitioner has paid the tax assessed.

30 Section 753. Refund petition.

1 (a) General rule.--Except as provided for in subsection (b)
2 and section 756, the refund or credit of tax, interest or
3 penalty provided for by section 752 shall be made only where the
4 person who has actually paid the tax files a petition for refund
5 with the department under Article XXVII of the Tax Reform Code
6 of 1971, within the limits of section 3003.1 of the Tax Reform
7 Code of 1971.

8 (b) Assessments.--A refund or credit of tax, interest or
9 penalty paid as a result of an assessment made by the department
10 under section 731 shall be made only where the person who has
11 actually paid the tax files with the department a petition for a
12 refund with the department under Article XXVII of the Tax Reform
13 Code of 1971 within the time limits of section 3003.1 of the Tax
14 Reform Code of 1971. The filing of a petition for refund under
15 the provisions of this subsection shall not affect the abatement
16 of interest, additions or penalties to which the person may be
17 entitled by reason of the person's payment of the assessment.

18 Section 754. (Reserved).

19 Section 755. (Reserved).

20 Section 756. Extended time for filing special petition for
21 refund.

22 (a) General rule.--Any party to a transaction who has paid
23 tax by reason of a transaction with respect to which the
24 department is assessing tax against another person may, within
25 six months after the filing by the department of the assessment
26 against the other person, file a special petition for refund,
27 notwithstanding the person's failure to timely file a petition
28 pursuant to section 3003.1 of the Tax Reform Code of 1971. The
29 provisions of Article XXVII of the Tax Reform Code of 1971 shall
30 be applicable to the special petition for refund, except that

1 the department need not act on the petition until there is a
2 final determination as to the propriety of the assessment filed
3 against the other party to the transaction. Where a petition is
4 filed under this provision in order to take advantage of the
5 extended period of limitations, overpayments by the petitioner
6 shall be refunded but only to the extent of the actual tax,
7 without consideration of interest and penalties, paid by the
8 other party to the transaction.

9 (b) Purpose.--The purpose of this section is to avoid
10 duplicate payment of tax where a determination is made by the
11 department that one party to a transaction is subject to tax,
12 and another party to the transaction has previously paid tax
13 with respect to the transaction and, as such, this section shall
14 be construed as extending right beyond that provided for by
15 section 753, and not to limit the other section.

16 Section 757. (Reserved).

17 Section 758. Limitation on assessment and collection.

18 The amount of the tax imposed by this chapter shall be
19 assessed within three years after the date when the return
20 provided for by section 717(a) or (c) is filed or the end of the
21 year in which the tax liability arises, whichever occurs later.
22 Any assessment may be made at any time during the period
23 notwithstanding that the department may have made one or more
24 previous assessments against the taxpayer for the year in
25 question, or for any part of the year. In any case, no credit
26 shall be given for any penalty previously assessed or paid.

27 Section 759. Failure to file return.

28 Where no return is filed, the amount of the tax due may be
29 assessed and collected at any time as to taxable transactions
30 not reported.

1 Section 760. False or fraudulent return.

2 Where the taxpayer willfully files a false or fraudulent
3 return with intent to evade the tax imposed by this chapter, the
4 amount of tax due may be assessed and collected at any time.

5 Section 761. Extension of limitation period.

6 Notwithstanding any other provisions of this subchapter
7 where, before the expiration of the period prescribed in that
8 other provision for the assessment of a tax, a taxpayer has
9 consented in writing that the period be extended, the amount of
10 tax due may be assessed at any time within the extended period.
11 The period so extended may be extended further by subsequent
12 consents in writing made before the expiration of the extended
13 period.

14 Section 762. (Reserved).

15 Section 763. (Reserved).

16 Section 764. (Reserved).

17 Section 765. (Reserved).

18 Section 766. Additions to tax.

19 (a) Failure to file return.--In the case of failure to file
20 any return required by section 715 on the date prescribed for
21 the return, determined with regard to any extension of time for
22 filing, and, in the case in which a return filed understates the
23 true amount due by more than 50%, there shall be added to the
24 amount of tax actually due 5% of the amount of the tax if the
25 failure to file a proper return is for not more than one month,
26 with an additional 5% for each additional month, or fraction
27 thereof, during which such failure continues, not exceeding 25%
28 in the aggregate. In every case at least \$2 shall be added.

29 (b) Addition for understatement.--There shall be added to
30 every assessment under section 731(b) an addition equal to 5% of

1 the amount of the understatement and no addition to the tax
2 shall be paid under section 731(a).

3 Section 767. Penalties.

4 (a) General rule.--The penalties, additions, interest and
5 liabilities provided by this chapter shall be paid on notice and
6 demand by the department, and shall be assessed and collected in
7 the same manner as taxes. Except as otherwise provided, any
8 reference in this chapter to tax imposed by this chapter shall
9 be deemed also to refer to the penalties, additions, interest
10 and liabilities provided by this chapter.

11 (b) Monetary penalty.--Any person who willfully attempts, in
12 any manner, to evade or defeat the tax imposed by this chapter,
13 or the payment thereof, or to assist any other person to evade
14 or defeat the tax imposed by this chapter, or the payment
15 thereof, or to receive a refund improperly shall, in addition to
16 other penalties provided by law, be liable for a penalty equal
17 to one-half of the total amount of the tax evaded.

18 (c) Burden of proof.--In any direct proceeding arising out
19 of a petition for reassessment or refund as provided in this
20 chapter, in which an issue of fact is raised with respect to
21 whether a return is fraudulent or with respect to the propriety
22 of the imposition by the department of the penalty prescribed in
23 subsection (b), the burden of proof with respect to the issue
24 shall be on the department.

25 Section 768. Criminal offenses.

26 (a) False returns.--Any person who with intent to defraud
27 the Commonwealth willfully makes, or causes to be made, any
28 return required by this chapter which is false commits a
29 misdemeanor and, upon conviction, shall be sentenced to pay a
30 fine of not more than \$2,000 or to imprisonment not exceeding

1 three years, or both.

2 (b) Other offenses.--Except as otherwise provided by
3 subsection (a) and subject to the provisions of subsection (c),
4 any person who:

5 (1) advertises or holds out or states to the public or
6 to any purchaser or user, directly or indirectly, that the
7 tax or any part imposed by this chapter will be absorbed by
8 the person, or that it will not be added to the purchase
9 price of the tangible personal property or services described
10 in section 701(k)(2), (3), (4), (11), (12), (13), (14), (15),
11 (16), (17), (18) and (20) sold or, if added, that the tax or
12 any part will be refunded, other than when the person refunds
13 the purchase price because of the property being returned to
14 the vendor;

15 (2) sells or leases tangible personal property or the
16 services, the sale or use of which by the purchaser is
17 subject to tax under this chapter, and willfully fails to
18 collect the tax from the purchaser and timely remit the same
19 to the department;

20 (3) willfully fails or neglects to timely file any
21 return or report required by this chapter or, as a taxpayer,
22 refuses to timely pay any tax, penalty or interest imposed or
23 provided for by this chapter, or willfully fails to preserve
24 the person's books, papers and records as directed by the
25 department;

26 (4) refuses to permit the department or any of its
27 authorized agents to examine the person's books, records or
28 papers, or who knowingly makes any incomplete, false or
29 fraudulent return or report;

30 (5) does or attempts to do anything to prevent the full

1 disclosure of the amount or character of taxable sales
2 purchases or use made by himself or any other person;

3 (6) provides any person with a false statement as to the
4 payment of tax with respect to particular tangible personal
5 property or services; or

6 (7) makes, utters or issues a false or fraudulent
7 exemption certificate;

8 commits a misdemeanor and, upon conviction shall be sentenced to
9 pay a fine of not more than \$1,000 and costs of prosecution or
10 to imprisonment for not more than one year, or both.

11 (c) Exceptions.--

12 (1) Any person who maintains a place of business outside
13 this Commonwealth may absorb the tax with respect to taxable
14 sales made in the normal course of business to customers
15 present at that place of business without being subject to
16 the penalty and fines.

17 (2) Advertising tax-included prices shall be
18 permissible, if the prepaid services are sold by the service
19 provider, for prepaid telecommunications services not
20 evidenced by the transfer of tangible personal property or
21 for prepaid mobile telecommunications services.

22 (d) Penalties are cumulative.--The penalties imposed by this
23 section shall be in addition to any other penalties imposed by
24 any provision of this chapter.

25 Section 769. Abatement of additions or penalties.

26 On the filing of a petition for reassessment or a petition
27 for refund as provided under this chapter by a taxpayer,
28 additions or penalties imposed on the taxpayer by this chapter
29 may be waived or abated, in whole or in part, where the
30 petitioner has established that the petitioner has acted in good

1 faith, without negligence and with no intent to defraud.

2 Section 770. Rules and regulations.

3 (a) General rule.--The department shall enforce the
4 provisions of this chapter and shall prescribe, adopt,
5 promulgate and enforce rules and regulations not inconsistent
6 with the provisions of this chapter, relating to any matter or
7 thing pertaining to the administration and enforcement of the
8 provisions of this chapter, and the collection of taxes,
9 penalties and interest imposed by this chapter. The department
10 may prescribe the extent, if any, to which any of the rules and
11 regulations shall be applied without retroactive effect.

12 (b) Determination of purchase price.--

13 (1) In determining the purchase price of taxable sales
14 where, because of affiliation of interests between the vendor
15 and the purchaser or irrespective of any such affiliation, if
16 for any other reason, the purchase price of the sale is in
17 the opinion of the department not indicative of the true
18 value of the article or the fair price of the article, the
19 department shall, pursuant to uniform and equitable rules,
20 determine the amount of constructive purchase price on the
21 basis of which the tax shall be computed and levied.

22 (2) The rules shall provide for a constructive amount of
23 a purchase price for each sale, which price shall equal a
24 price for the article which would naturally and fairly be
25 charged in an arm's-length transaction in which the element
26 of common interests between vendor and purchaser or, if no
27 common interest exists, any other element causing a
28 distortion of the price or value is absent.

29 (3) For the purpose of this chapter where a taxable sale
30 occurs between a parent corporation and a subsidiary

1 affiliate or controlled corporation of such parent, there
2 shall be a rebuttable presumption that because of such common
3 interest the transaction was not at arm's-length.

4 Section 771. Keeping of records.

5 (a) Persons liable for taxes.--Every person liable for any
6 tax imposed by this chapter, or for the collection of the tax,
7 shall keep the records, render such statements, make the returns
8 and comply with the rules and regulations as the department may,
9 from time to time, prescribe regarding matters pertinent to the
10 person's business. Whenever in the judgment of the department it
11 is necessary, it may require any person, by notice served on the
12 person, or by regulations, to make the returns, render the
13 statements or keep the records as the department deems
14 sufficient to show whether the person is liable to pay or
15 collect tax under this chapter.

16 (b) Persons collecting taxes.--Any person liable to collect
17 tax from another person under the provisions of this chapter
18 shall file reports, keep records, make payments and be subject
19 to interest and penalties as provided for under this chapter, in
20 the same manner as if the person were directly subject to the
21 tax.

22 (c) Nonresidents.--

23 (1) A nonresident who does business in this Commonwealth
24 as a retail dealer shall keep adequate records of the
25 business and of the tax due with respect to the business,
26 which records shall at all times be retained within this
27 Commonwealth unless retention outside this Commonwealth is
28 authorized by the department.

29 (2) No taxes collected from purchasers shall be sent
30 outside this Commonwealth without the written consent of and

1 in accordance with conditions prescribed by the department.

2 (3) The department may require a taxpayer who desires to
3 retain records or tax collections outside this Commonwealth
4 to assume reasonable out-of-State audit expenses.

5 (d) Retail dealers.--

6 (1) Any person doing business as a retail dealer who at
7 the same time is engaged in another business which does not
8 involve the making of sales taxable under this chapter shall
9 keep separate books and records of the person's businesses so
10 as to show the sales taxable under this chapter separately
11 from the sales not taxable under this chapter.

12 (2) If the person fails to keep such separate books and
13 records, the person shall be liable for tax at the rate
14 designated in section 702 on the entire purchase price of
15 sales from both or all of the person's businesses.

16 (e) Segregation of taxes required.--

17 (1) In those instances where a vendor gives no sales
18 memoranda or uses registers showing only total sales, the
19 vendor shall adopt some method of segregating tax from sales
20 receipts and keep records showing the segregation, all in
21 accordance with proper accounting and business practices.

22 (2) A vendor may apply to the department for permission
23 to use a collection and recording procedure which will show
24 the information as the law requires with reasonable accuracy
25 and simplicity. The application must contain a detailed
26 description of the procedure to be adopted.

27 (3) Permission to use the proposed procedure is not to
28 be construed as relieving the vendor from remitting the full
29 amount of tax collected.

30 (4) The department may revoke the permission on 30 days'

1 notice to the vendor.

2 (5) Refusal of the department to grant permission in
3 advance to use the procedure shall not be construed to
4 invalidate a procedure which on examination shows the
5 information as the law requires.

6 Section 771.1. Reports and records of promoters.

7 Every licensed promoter shall keep a record of the date and
8 place of each show and the name, address, sales, use and hotel
9 occupancy license number of every person whom the licensed
10 promoter permits to display for sale or to sell tangible
11 personal property or services subject to tax under section 702
12 at the show. The records shall be open for inspection and
13 examination at any reasonable time by the department or a duly
14 authorized representative, and the records shall, unless the
15 department consents in writing to an earlier destruction, be
16 preserved for three years after the date the report was filed or
17 the date it was due, whichever occurs later, except that the
18 department may by regulation require that they be kept for a
19 longer period of time.

20 Section 772. Examinations.

21 (a) Power of department.--The department or any of its
22 authorized agents may examine the books, papers and records of
23 any taxpayer in order to verify the accuracy and completeness of
24 any return made or if no return was made, to ascertain and
25 assess the tax imposed by this chapter. The department may
26 require the preservation of all such books, papers and records
27 for any period deemed proper by it but not to exceed three years
28 from the end of the calendar year to which the records relate.

29 (b) Duty of taxpayers.--Every taxpayer shall give to the
30 department, or its agent, the means, facilities and opportunity

1 for the examinations and investigation.

2 (c) Other powers of department.--

3 (1) The department is further authorized to examine any
4 person, under oath, concerning taxable sales or use by any
5 taxpayer or concerning any other matter relating to the
6 enforcement or administration of this chapter, and to this
7 end may compel the production of books, papers and records
8 and the attendance of all persons whether as parties or
9 witnesses whom it believes to have knowledge of such matters.

10 (2) The procedure for such hearings or examinations
11 shall be the same as that provided by the Fiscal Code
12 relating to inquisitorial powers of fiscal officers.

13 Section 773. Records and examinations of delivery agents.

14 Every agent for the purpose of delivery of goods shipped into
15 this Commonwealth by a nonresident, including, but not limited
16 to, a common carrier, shall maintain adequate records of such
17 deliveries pursuant to rules and regulations adopted by the
18 department and shall make the records available to the
19 department upon request after due notice.

20 Section 774. Unauthorized disclosure.

21 Any information gained by the department as a result of any
22 return, examination, investigation, hearing or verification
23 required or authorized by this chapter shall be confidential,
24 except for official purposes and except in accordance with
25 proper judicial order or as otherwise provided by law, and any
26 person unlawfully divulging such information commits a
27 misdemeanor and, upon conviction, shall be sentenced to pay a
28 fine of not more than \$1,000 and costs of prosecution or to
29 imprisonment for not more than one year, or both.

30 Section 775. Cooperation with other governments.

1 Notwithstanding the provisions of section 774, the department
2 may permit the Commissioner of Internal Revenue of the United
3 States, or the proper officer of any state, or the authorized
4 representative of either such officer, to inspect the tax
5 returns of any taxpayer, or may furnish to the officer or to the
6 officer's authorized representative an abstract of the return of
7 any taxpayer, or supply the officer or the authorized
8 representative with information concerning any item contained in
9 any return or disclosed by the report of any examination or
10 investigation of the return of any taxpayer. This permission
11 shall be granted only if the statutes of the United States or of
12 such other state, as the case may be, grant substantially
13 similar privileges to the proper officer of the Commonwealth
14 charged with the administration of this chapter.

15 Section 776. Interstate compacts.

16 (a) General rule.--The Governor, or the Governor's
17 authorized representative, may confer with the Governor and the
18 authorized representatives of other states with respect to
19 reciprocal use tax collection between the Commonwealth and such
20 other states.

21 (b) Other powers.--The Governor, or the Governor's
22 authorized representative, may join with the authorities of
23 other states to conduct joint investigations, to exchange
24 information, hold joint hearings and enter into compacts or
25 interstate agreements with such other states to accomplish
26 uniform reciprocal use tax collections between those states who
27 are parties to any compact or interstate agreement and the
28 Commonwealth.

29 Section 777. Bonds.

30 (a) Procedure.--

1 (1) Whenever the department, in its discretion, deems it
2 necessary to protect the revenues to be obtained under the
3 provisions of this chapter, it may require any nonresident
4 natural person or any foreign corporation, association,
5 fiduciary, partnership or other entity, not authorized to do
6 in this Commonwealth or not having an established place of
7 business in this Commonwealth and subject to the tax imposed
8 by section 702, to file a bond issued by a surety company
9 authorized to do business in this Commonwealth and approved
10 by the Insurance Commissioner as to solvency and
11 responsibility, in such amounts as it may fix, to secure the
12 payment of any tax or penalties due, or which may become due,
13 from a natural person or corporation.

14 (2) In order to protect the revenues to be obtained
15 under the provisions of this chapter, the department shall
16 require any nonresident natural person or any foreign
17 corporation, association, fiduciary, partnership or entity,
18 who or which is a building contractor, or who or which is a
19 supplier delivering building materials for work in this
20 Commonwealth and is not authorized to do business in this
21 Commonwealth or does not have an established place of
22 business in this Commonwealth and is subject to the tax
