
THE GENERAL ASSEMBLY OF PENNSYLVANIA

SENATE RESOLUTION

No. 220 Session of
2017

INTRODUCED BY McILHINNEY, DINNIMAN, FONTANA, MARTIN, BREWSTER,
GREENLEAF, FARNESE, SABATINA, SCAVELLO, BROWNE, EICHELBERGER,
AUMENT, WAGNER, HUGHES AND RAFFERTY, OCTOBER 17, 2017

INTRODUCED AND ADOPTED, OCTOBER 17, 2017

A RESOLUTION

1 Designating the month of October 2017 as "Lewy Body Dementia
2 Awareness Month" in Pennsylvania.

3 WHEREAS, Lewy body dementia (LBD) is a chronic, progressive
4 neurological disorder affecting thinking, movement, behavior and
5 sleep; and

6 WHEREAS, More than 1.4 million Americans are affected by LBD,
7 making it the second most common form of progressive dementia,
8 second only to Alzheimer's disease in prevalence; and

9 WHEREAS, The most common symptoms of LBD include problems
10 with memory and thinking, hallucinations, unpredictable changes
11 in concentration and attention, a sleep disorder causing people
12 to seemingly act out their dreams and Parkinson-like symptoms,
13 such as muscle rigidity or stiffness, a shuffling gait, tremors
14 or slowness of movement; and

15 WHEREAS, Unfamiliarity with LBD is widespread even among
16 health care professionals, making LBD the most commonly
17 misdiagnosed form of dementia; and

1 WHEREAS, Early and accurate diagnosis of LBD is essential
2 because some medications prescribed regularly for Alzheimer's or
3 Parkinson's disease can have serious negative effects on people
4 with LBD; and

5 WHEREAS, There is currently no cure, therapy or drug to slow
6 or halt the progression of LBD; therefore be it

7 RESOLVED, That the Senate designate the month of October 2017
8 as "Lewy Body Dementia Awareness Month"; and be it further

9 RESOLVED, That the Senate recognize the importance of
10 increasing public awareness of this disease and its early and
11 accurate diagnosis.
