17 Agreements.--(a) (1) Notwithstanding any other provision of
18 law, the governing body of a municipality within a county of the
19 third class may, by ordinance, enter into an optional
20 alternative tax collection agreement with a tax officer named by
21 the governing body of the municipality to be responsible for the
22 billing and collection of all taxes previously collected by an
23 elected tax collector. The tax officer shall be one of the
24 following:

25 (i) The county treasurer, provided that, prior to adoption
26 of an ordinance under this paragraph, the governing body of the

11 (3) Upon the adoption of an ordinance by the municipality,
12 the office of tax collector is abolished, subject to subsection
13 (c). The municipality shall notify the taxing districts served
14 by the elected tax collector of the tax officer named to replace
15 the elected tax collector.

16 (4) When a tax officer is named under this section, the
17 municipal treasurer shall have the authority to take receipt of
18 payment of taxes if the tax officer is located outside of the
19 municipality.

20 (5) The optional alternative tax collection agreement shall
21 be deemed a professional services contract and not subject to a
22 competitive bidding process.

23 (b) The ordinance to enter into an optional alternative tax
24 collection agreement shall take effect as follows:

25 (1) If the office of tax collector is vacant and the
26 municipality has named a tax officer prior to the effective date
27 of the ordinance, the ordinance shall take effect immediately.

21 (h) A municipality shall provide a copy of an optional
22 alternative tax collection agreement entered into with a tax
23 officer to the county board of elections. After the effective
24 date of the agreement, the board of elections may not place the
25 office of tax collector on the ballot in that municipality.

26 (i) An optional alternative tax collection agreement entered
27 into by a governing body of a municipality is not required to
28 have a fixed duration and may be amended or terminated at any
29 time by the governing body.

30 (j) Prior to terminating an optional alternative tax

1 collection agreement, the municipality shall provide written
2 notice to the tax officer, the taxing district and the county
3 board of elections. Upon receipt of the notification, the county
4 board of elections shall place the office of tax collector on
5 the ballot for the municipality during the next municipal
6 election. The tax officer shall continue to collect taxes until
7 a tax collector has been elected and sworn into office.

8 (k) This section shall not apply to home rule counties of
9 the third class. Any reclassification of counties as a result of
10 a Federal decennial census or of a State statute shall not apply
11 to this section.

12 (l) As used in this section, the term "municipality" shall
13 mean a borough, town or township within a county of the third
14 class.

15 Section 3.3. Collection of School Taxes by School
16 Districts.--(a) Notwithstanding any law, the board of school
17 directors in each school district in a county of the third class
18 may appoint, by resolution, one or more suitable persons as tax
19 collectors in such school districts. The board of school
20 directors in any school district appointing any tax collector or
21 tax collectors may authorize and direct any one tax collector to
22 collect the school taxes in any one or more wards or other
23 proper divisions in such school district.

24 (b) The board of school directors shall provide written
25 notice of the adoption of the resolution to the elected tax
26 collector of the taxing district.

27 (c) The person appointed by the board of school directors as
28 tax collector shall receive such compensation as agreed to
29 between the board of school directors and the appointee.

30 (d) If a board of school directors elects to discontinue the

1 collection by the person appointed by the board of school
2 directors as tax collector, the board of school directors shall
3 provide written notice to the elected tax collector of the
4 taxing district.

5 (e) This section shall not apply to home rule counties of
6 the third class. Any reclassification of counties as a result of
7 a Federal decennial census or of a State statute shall not apply
8 to this section.

10 Section 4. Bonds of Tax Collectors.--* * *

11 (b) In boroughs, towns and townships of the first or second
12 class, the [elected] tax collector shall be the collector of
13 borough, town or township taxes, as the case may be, and of
14 county, county institution district, school district and
15 vocational school district taxes. He shall, before he enters
16 upon the duties of his office, take and subscribe an oath of
17 office and file the same in the office of the clerk of the court
18 of common pleas of the county. He shall enter into one surety
19 bond to the Commonwealth for all taxes to be collected by him,
20 in an amount to be fixed by the court of common pleas of the
21 county, which amount shall never exceed the estimated amount of
22 taxes charged in the duplicates to be delivered to him in one
23 year. Such bond may, at the option of the tax collector, be an
24 annual bond or may cover the full term of office for which the
25 tax collector shall have been elected or appointed. Such bond
26 shall have thereon at least one bonding company, and the
27 sufficiency of the sureties on the bond shall be approved by the
28 court of common pleas at any time prior to the delivery of a tax
29 duplicate to the tax collector. The bond shall be filed in the
30 office of the clerk of the court of common pleas on or before

1 the fifteenth day of March of the year in which the tax
2 collector qualifies for office and annually thereafter, except
3 where the first bond given by the tax collector covers the full
4 term of office for which he was elected or appointed. Should any
5 of the taxing districts be of the opinion, at any time, that the
6 bond given by the tax collector is not sufficient in amount, or
7 as to the surety thereon, the said taxing district may apply to
8 the court by petition to have the tax collector furnish
9 additional bond in the manner provided by this section.
10 Thereupon the tax collector shall furnish such additional bond,
11 if any, as the court of common pleas may prescribe, but not
12 exceeding the limitation as to the amount hereinbefore
13 prescribed: Provided, That where taxes for borough purposes are
14 collected by an appointee of council the bond shall be as may be
15 prescribed by council. The board of commissioners of any county
16 by resolution adopted no later than November 1 of the prior year
17 may authorize and require for the following year the joint
18 bidding by the board of commissioners of bonds for all tax
19 collectors for the county and for boroughs, incorporated towns
20 and townships of the first or second class, and school districts
21 and vocational school districts within the county. The joint
22 bidding of the bonds shall be subject to all provisions of this
23 act not inconsistent with the requirement of joint bidding.

25 Section 4. This act shall take effect in 60 days.
