2009-10 Legislative Session

FISCAL NOTE

HOUSE BILL: 1515

PRINTER'S NO: 2061

PRIME SPONSOR: Ross

| FISCAL IMPACT SUMMARY | FY 2008/09 | FY 2009/10 |
|---|-------------------|-------------------|
| Expenditure Increase/(Decrease): | | |
| First Class Township Funds | \$0 | \$0 |

OVERVIEW:

This bill amends the First Class Township Code (1931 P.L. 1206, No. 331, reenacted 1949 P.L. 1955, No. 569) with respect to police officer and firefighter civil service provisions. According to the Local Government Commission, this bill brings the First Class Township Code into compliance with regulations and court decisions relating to the Americans with Disabilities Act of 1990 (ADA) and the Pennsylvania Human Relations Act (1955 Act 222).

Specifically, the bill clarifies that candidates shall submit to physical and agility tests (§635) as opposed to ADA prohibited pre-offer medical examinations; removes the ability of the township to disqualify someone on the basis of disability due to past or current addiction to alcohol or past addiction to narcotics (§637); specifies when medical examinations may occur in relation to written examinations, how veteran preference points are to be awarded, and how long eligibility lists are in effect (§638); specifies that a newly hired officer or firefighter during the probationary period may not be dismissed solely on the basis of his or her status as an addict (§640); and more clearly defines medical and psychological examinations and the procedure by which they may be administered (§643).

According the Pennsylvania Local Government Fact Sheet, published by the Department of Community and Economic Development (January 7, 2008), there are 92 first class townships.

The effective date is immediate.

ANALYSIS:

This bill brings the First Class Township Code into compliance with Federal law, regulations, and court decisions. It does not impose any administrative procedure or cost other than what is current standard practice. Updating the Code, however, may save a township from the expense of a lawsuit by eliminating the possibility of township officials inadvertently following the Code which is presently out of compliance with Federal standards.
