2009-10 Legislative Session

FISCAL NOTE

HOUSE BILL: 1518

PRINTER'S NO: 4286

PRIME SPONSOR: Millard

FISCAL IMPACT SUMMARY	FY 2010/11	FY 2011/12
Expenditure Increase/(Decrease):		
Town of Bloomsburg Funds	\$0	\$0

OVERVIEW:

This bill amends the Act of June 5, 1941 (P.L. 84, No. 45) dealing with police officer civil service provisions in incorporated towns. According to the Local Government Commission, this law only applies to incorporated towns because other laws regulating local governments have repealed these Act 45 provisions with respect to their application to the other classes of local government, and this bill brings Act 45 into compliance with regulations and court decisions relating to the Americans with Disabilities Act of 1990 (ADA) and the Pennsylvania Human Relations Act (1955 Act 222).

Specifically, the bill clarifies that candidates shall submit to physical and agility tests (§11) as opposed to ADA prohibited pre-offer medical examinations; removes the ability of the town to disqualify someone on the basis of disability due to past or current addiction to alcohol or past addiction to narcotics (§13); specifies when medical examinations may occur in relation to written examinations, how veteran preference points are to be awarded, and how long eligibility lists are in effect (§14); specifies that a newly hired officer during the probationary period may not be dismissed solely on the basis of his or her status as an addict (§16); and more clearly defines medical and psychological examinations and the procedure by which they may be administered (§19).

The Senate amended the bill to specify a process by which promotions in the police force shall be made. Specifically, the appointing officer or body shall select from a list of three candidates with the highest average of the last preceding promotional examination. The Senate also made editorial changes that, according to the Local Government Commission, make no substantive changes.

Bloomsburg, Columbia County, is the only incorporated town in Pennsylvania.

The effective date is immediate.

ANALYSIS:

This bill brings Act 45 into compliance with Federal law, regulations, and court decisions. It does not impose any administrative procedure or cost other than what is current standard practice. Updating Act 45, however, may save the town from the expense of a lawsuit by eliminating the possibility of town officials inadvertently following the Act which is presently out of compliance with Federal standards.

The provision in the bill specifying the promotions process can be accomplished with current resources. It does not, therefore, have any fiscal impact.
