HOUSE BILL: 1764

PRINTER'S NO: 3881

PRIME SPONSOR: Payton

FISCAL IMPACT SUMMARY	FY 2009/10	FY 2010/11
Expenditure Increase/(Decrease):		
General Fund	\$0	\$0

OVERVIEW:

House Bill 1764, Printer's Number 3881 amends the Acupuncture Registration Act to require liability insurance. The acupuncturist must maintain a minimum of \$1,000,000 in coverage per occurrence or claims made. The bill also adds a new subsection to remove a requirement that a patient must have a medical diagnosis if the patient does not present symptoms of a condition.

This bill shall take effect in 90 days.

ANALYSIS:

Requiring acupuncturists to carry insurance will not have any impact upon the operations of the State Board of Medicine or the State Board of Osteopathic Medicine.
