

HOUSE COMMITTEE ON APPROPRIATIONS  
2009-10 Legislative Session

**FISCAL NOTE (revised)**

HOUSE BILL NO. 1897    PRINTER'S NO: 2528    PRIME SPONSOR: Dally

FISCAL IMPACT SUMMARY	FY 2009/10	FY 2010/11
<b>Expenditure Increase/(Decrease):</b>		
Motor License Fund	\$1,000	0

**OVERVIEW:**

This bill designates the bridge located on State Route 1008, known as Henry Road, over Bushkill Creek, Bushkill Township, Northampton County as the *William Henry Atherton Bridge* and requires the Pennsylvania Department of Transportation (PennDOT) to erect and maintain appropriate signs in both directions on the designated bridge.

The effective date is sixty days.

**ANALYSIS:**

According to the Department of Transportation, it costs about \$1,000 to post signs designating a bridge or highway. These signs last typically twelve to fifteen years before they need to be replaced. This cost will be funded out of the Motor License Fund from the appropriation to the department for state highway maintenance. The General Appropriation Act of 2009 (S.B. 850 and Act No. 1A), which the Governor vetoed in part, provides \$764,379,000 for this line item for FY 2009/10. As passed by the General Assembly, S.B. 850 had provided \$775,339,000 for this line item but the Governor used his veto power to reduce the amount.

The cost of this bill is not significant enough to affect adversely PennDOT's maintenance budget.
