**FISCAL NOTE**

HOUSE BILL NO. 2381    PRINTER'S NO: 3474    PRIME SPONSOR: Watson

| FISCAL IMPACT SUMMARY                   | FY 2010/11 | FY 2011/12 |
|---|------------|------------|
| <b>Expenditure Increase/(Decrease):</b> |            |            |
| Motor License Fund                      | \$1,000*   | \$0        |

\*This cost is not significant enough to require an increase in any appropriation to PennDOT.

**OVERVIEW:**

This bill designates a portion of State Route 202 in Doylestown Township, Bucks County, as the *George A. Penglase Memorial Parkway* and requires the Pennsylvania Department of Transportation (PennDOT) to place and maintain appropriate signs in both directions.

The effective date is sixty days.

**ANALYSIS:**

According to the Department of Transportation, it costs about \$1,000 to post signs designating a bridge or highway. These signs last typically twelve to fifteen years before they need to be replaced. This cost will be funded out of the Motor License Fund from the appropriation to the department for state highway maintenance. The General Appropriation Act of 2010 (Act 1A) appropriated \$795,379,000 for this line item.

The cost of this bill is not significant enough to affect adversely PennDOT's maintenance budget.
