

HOUSE COMMITTEE ON APPROPRIATIONS
2009-10 Legislative Session

FISCAL NOTE

HOUSE BILL: 2439

PRINTER'S NO: 3603

PRIME SPONSOR: K. Smith

FISCAL IMPACT SUMMARY	FY 2010/11	FY 2011/12
Motor License Fund	\$0	\$0

OVERVIEW:

This bill amends §1338 of Title 75 (Vehicles), Pa.C.S., to expand the list of health care providers who can provide a certified statement regarding a person's disability when that person is applying for a person-with-disability plate or parking placard from the Department of Transportation. Under current law, physicians, podiatrists, chiropractors, physician assistants or certified registered nurse practitioners may provide such certified statements. This bill would allow also an optometrist to provide a certified statement.

ANALYSIS:

The Department of Transportation already has process in place to issue persons-with-disability plates and parking placards. Allowing optometrists also to provide a certified statement does not alter the process or impose costs on the Department.
