**SUMMARY:** Amends Title 62 (Procurement Code) providing public access to procurement information. This legislation would take effect in 60 days.

**ANALYSIS:** This legislation would require a procurement to be made public, consistent with the Right to Know Act of 2008. The bill would also require an agency that enters into a non-competitive contract under section 513 (relating to competitive sealed proposals), 515 (relating to sole source procurement), 517 (relating to multiple awards), 518 (relating to competitive selection procedures for certain services), 519 (relating to selection procedure for insurance and notary bonds) or 905 (relating to procurement of design professional services) to post the proposed contract online 5 days prior to execution by the contracting official as well as any written determination made by the contracting officer which is related to the contract on its Internet website. These provisions would not apply to Section 516 (relating to emergency procurement).

**FISCAL IMPACT:** This legislation will have no adverse fiscal impact on Commonwealth funds.
