MEMORANDUM

TO: HOUSE MEMBERS

FROM: REP. DAN DEASY

RE: CO-SPONSORSHIP – UNATTENDED MOTOR VEHICLES

I am introducing legislation that would amend Title 75 to further provide for unattended motor vehicles. The legislation would protect vehicle owners from being cited for using their remote control vehicle starting device.

It has come to my attention that constituents using a remote control vehicle starting device are being cited. While many vehicles are equipped with this device, I believe it is only right to clarify the law to allow for the usage of such devices.

The proposed legislation would allow a person with a motor vehicle, equipped with a remote starting device, to run the motor vehicle unattended provided its doors remain locked while unattended.

If you are interested in co-sponsoring this legislation, please contact Louise at 2-8187 or via e-mail at lkoppenh@pahouse.net.
