Re: Comments on Pennsylvania House Bill 1898 of 2017, P.N. 2688

Dear Honorable Chairman Mustio, Honorable Democratic Chair Readshaw, and Honorable Members of the PA House Professional Licensure Committee:

This letter is written by the **Pennsylvania Independent Automobile Dealers Association** (“PIADA”) to provide our comments on Pennsylvania House Bill 1898. The PIADA represents approximately 800 independent dealers of used vehicles and the wholesale vehicle auctions licensed by the Pennsylvania Board of Vehicle Manufacturers, Dealers and Salespersons (“Vehicle Board”).

The PIADA supports this bill in its entirety and agrees with the Pennsylvania Automotive Association regarding the bill’s contents.

Thank you for your time and consideration in reviewing the PIADA’s comments on this legislative bill.

Sincerely,

Reg Evans
