((f) amended Aug. 4, 1991, P.L.97, No.22)

(g) "Purchase price."

(1) The total value of anything paid or delivered, or promised to be paid or delivered, whether it be money or otherwise, in complete performance of a sale at retail or purchase at retail, as herein defined, without any deduction on account of the cost or value of the property sold, cost or value of transportation, cost or value of labor or service, interest or discount paid or allowed after the sale is consummated, any other taxes imposed by the Commonwealth of Pennsylvania or any other expense except that there shall be excluded any gratuity or separately stated deposit charge for returnable containers.

(2) There shall be deducted from the purchase price the value of any tangible personal property actually taken in trade or exchange in lieu of the whole or any part of the purchase price. For the purpose of this clause, the amount allowed by reason of tangible personal property actually taken in trade or exchange shall be considered the value of such property.

(3) In determining the purchase price on the sale or use of taxable tangible personal property or a service where, because of affiliation of interests between the vendor and purchaser, or irrespective of any such affiliation, if for any other reason the purchase price declared by the vendor or taxpayer on the taxable sale or use of such tangible personal property or service is, in the opinion of the department, not indicative of the true value of the article or service or the fair price thereof, the department shall, pursuant to uniform and equitable rules, determine the amount of constructive purchase price upon the basis of which the tax shall be computed and levied. Such rules shall provide for a constructive amount of purchase price for each such sale or use which would naturally and fairly be charged in an arms-length transaction in which the element of common interest between the vendor or purchaser is absent or if no common interest exists, any other element causing a distortion of the price or value is likewise absent. For the purpose of this clause where a taxable sale or purchase at retail transaction occurs between a parent and a subsidiary, affiliate or controlled corporation of such parent corporation, there shall be a rebuttable presumption, that because of such common interest such transaction was not at arms-length.

(4) Where there is a transfer or retention of possession or custody, whether it be termed a rental, lease, service or otherwise, of tangible personal property including, but not limited to linens, aprons, motor vehicles, trailers, tires, industrial office and construction equipment, and business machines the full consideration paid or delivered to the vendor or lessor shall be considered the purchase price, even though such consideration be separately stated and be designated as payment for processing, laundering, service, maintenance, insurance, repairs, depreciation or otherwise. Where the vendor or lessor supplies or provides an employee to operate such tangible personal property, the value of the labor thus supplied may be excluded and shall not be considered as part of the purchase price if separately stated. There shall also be included as part of the purchase price the value of anything paid or delivered, or promised to be paid or delivered by a lessee, whether it be money or otherwise, to any person other than the vendor or lessor by reason of the maintenance, insurance or repair of the tangible personal property which a lessee has the possession or custody of under a rental contract or lease arrangement.

(5) With respect to the tax imposed by subsection (b) of section 202 upon any tangible personal property originally purchased by the user of such property six months or longer prior to the first taxable use of such property within the Commonwealth, such user may elect to pay tax on a substituted base determined by considering the purchase price of such property for tax purposes to be equal to the prevailing market price of similar tangible personal property at the time and place of such first use within the Commonwealth. Such election must be made at the time of filing a tax return with the department and reporting such tax liability and paying the proper tax due plus all accrued penalties and interest, if there be any, within six months of the due date of such report and payment, as provided for by subsections (a) and (c) of section 217 of this article.

(6) The purchase price of employment agency services and help supply services shall be the service fee paid by the purchaser to the vendor or supplying entity. The term "service

fee," as used in this subclause, shall be the total charge or fee of the vendor or supplying entity minus the costs of the supplied employee which costs are wages, salaries, bonuses and commissions, employment benefits, expense reimbursements and payroll and withholding taxes, to the extent that these costs are specifically itemized or that these costs in aggregate are stated in billings from the vendor or supplying entity. To the extent that these costs are not itemized or stated on the billings, then the service fee shall be the total charge or fee of the vendor or supplying entity.

(7) Unless the vendor separately states that portion of the billing which applies to premium cable service as defined in clause (11) of this section, the total bill for the provision of all cable services shall be the purchase price.

(8) The purchase price of prebuilt housing shall be sixty per cent of the manufacturer's selling price: Provided, however, That a manufacturer of prebuilt housing who precollects tax from a prebuilt housing builder at the time of the sale to the prebuilt housing builder shall have the option to collect tax on sixty per cent of the selling price or on one hundred per cent of the actual cost of the supplies and materials used in the manufacture of the prebuilt housing. ((8) added May 24, 2000, P.L.106, No. 23)

(9) The purchase price of "malt or brewed beverages" sold by a "manufacturer of malt or brewed beverages" directly to the ultimate consumer for consumption on or off premises shall be twenty-five per cent of the retail sales price of the "malt or brewed beverages" sold for consumption on or off premises. PART VI PROCEDURE AND ADMINISTRATION

CHAPTER I RETURNS

Section 215. Persons Required to Make Returns.--Every person required to pay tax to the department or collect and remit tax to the department, but not including a marketplace seller who solely makes sales through a marketplace facilitator that is required to collect sales tax on the seller's behalf and receives a certification from the marketplace facilitator that the marketplace facilitator will collect, report and remit the proper sales tax, shall file returns with respect to such tax.

(215 amended June 28, 2019, P.L.50, No.13)

Section 216. Form of Returns.--The returns required by section 215 shall be on forms prescribed by the department, and shall show such information with respect to the taxes imposed by this article as the department may reasonably require.

CHAPTER II TIME AND PLACE FOR FILING RETURNS

Section 217. Time for Filing Returns.--(a) Quarterly and Monthly Returns:

(1) For the year in which this article becomes effective and in each year thereafter a return shall be filed quarterly by every licensee on or before the twentieth day of April, July, October and January for the three months ending the last day of March, June, September and December.

(2) For the year in which this article becomes effective, and in each year thereafter, a return shall be filed monthly with respect to each month by every licensee whose actual tax liability for the third calendar quarter of the preceding year equals or exceeds six hundred dollars (\$600) and is less than twenty-five thousand dollars (\$25,000). Such returns shall be filed on or before the twentieth day of the next succeeding month with respect to which the return is made. Any licensee required to file monthly returns hereunder shall be relieved from filing quarterly returns.

(3) With respect to every licensee whose actual tax liability for the third calendar quarter of the preceding year equals or exceeds twenty-five thousand dollars (\$25,000) and

is less than one hundred thousand dollars (\$100,000), the licensee shall, on or before the twentieth day of each month, file a single return consisting of all of the following:

(i) Either of the following:

(A) An amount equal to fifty per centum of the licensee's actual tax liability for the same month in the preceding calendar year if the licensee was a monthly filer or, if the licensee was a quarterly or semi-annual filer, fifty per centum of the licensee's average actual tax liability for that tax period in the preceding calendar year. The average actual tax liability shall be the actual tax liability for the tax period divided by the number of months in that tax period. For licensees that were not in business during the same month in the preceding calendar year or were in business for only a portion of that month, fifty per centum of the average actual tax liability for each tax period the licensee has been in business. If the licensee is filing a tax liability for the first time with no preceding tax periods, the amount shall be zero.

(B) An amount equal to or greater than fifty per centum of the licensee's actual tax liability for the same month.

(ii) An amount equal to the taxes due for the preceding month, less any amounts paid in the preceding month as required by subclause (i).

(4) With respect to each month by every licensee whose actual tax liability for the third calendar quarter of the preceding year equals or exceeds one hundred thousand dollars (\$100,000), the licensee shall, on or before the twentieth day of each month, file a single return consisting of the amounts under clause (3)(i)(A) and (ii).

(5) The amount due under clause (3)(i) or (4) shall be due the same day as the remainder of the preceding month's tax.

(6) The department shall determine whether the amounts reported under clause (3) or (4) shall be remitted as one combined payment or as two separate payments.

(7) The department may require the filing of the returns and the payments for these types of filers by electronic means approved by the department.

(8) Any licensee filing returns under clause (3) or (4) shall be relieved of filing quarterly returns.

(9) If a licensee required to remit payments under clause (3) or (4) fails to make a timely payment or makes a payment which is less than the required amount, the department may, in addition to any applicable penalties, impose an additional penalty equal to five per centum of the amount due under clause (3) or (4) which was not timely paid. The penalty under this clause shall be determined when the tax return is filed for the tax period.

(b) Annual Returns. For the calendar year 1971, and for each year thereafter, no annual return shall be filed, except as may be required by rules and regulations of the department promulgated and published at least sixty days prior to the end of the year with respect to which the returns are made. Where such annual returns are required licensees shall not be required to file such returns prior to the twentieth day of the year succeeding the year with respect to which the returns are made.

(c) Other Returns. Any person, other than a licensee, liable to pay to the department any tax under this article, shall file a return on or before the twentieth day of the month succeeding the month in which such person becomes liable for the tax.

(d) Small Taxpayers. The department, by regulation, may waive the requirement for the filing of quarterly return in the

case of any licensee whose individual tax collections do not exceed seventy-five dollars (\$75) per calendar quarter and may provide for reporting on a less frequent basis in such cases.

(217 amended July 2, 2012, P.L.751, No.85)

Compiler's Note: Section 30(1) of Act 85 of 2012, which amended section 217, provided that the amendment shall apply to tax returns due after September 30, 2012. See section 29.1 of Act 85 in the appendix to this act for special provisions relating to continuation of prior law.

Section 218. Extension of Time for Filing Returns.--The department may, on written application and for good cause shown, grant a reasonable extension of time for filing any return required under this part. However, the time for making a return shall not be extended for more than three months.

Section 219. Place for Filing Returns.--Returns shall be filed with the department at its main office or at any branch office which it may designate for filing returns.

Section 220. Timely Mailing Treated as Timely Filing and Payment.--Notwithstanding the provisions of any State tax law to the contrary, whenever a report or payment of all or any portion of a State tax is required by law to be received by the Pennsylvania Department of Revenue or other agency of the Commonwealth on or before a day certain, the taxpayer shall be deemed to have complied with such law if the letter transmitting the report or payment of such tax which has been received by the department is postmarked by the United States Postal Service on or prior to the final day on which the payment is to be received.

For the purposes of this article, presentation of a receipt indicating that the report or payment was mailed by registered or certified mail on or before the due date shall be evidence of timely filing and payment.

(220 amended June 27, 1974, P.L.376, No.126)

CHAPTER III PAYMENT OF TAX

Section 221. Payment.--When a return of tax is required under this part, the person required to make the return shall pay the tax to the department.

Section 222. Time of Payment.--(a) Monthly and Quarterly Payments. The tax imposed by this article and incurred or collected by a licensee shall be due and payable by the licensee on the day the return is required to be filed under the provisions of section 217 and such payment must accompany the return.

(b) Annual Payments. If the amount of tax due for the preceding year as shown by the annual return of any taxpayer is greater than the amount already paid by him in connection with his monthly or quarterly returns he shall send with such annual return a remittance for the unpaid amount of tax for the year.

(c) Other Payments. Any person other than a licensee liable to pay any tax under this article shall remit the tax at the time of filing the return required by this article.

(222 amended July 2, 2012, P.L.751, No.85)

Compiler's Note: Section 30(1) of Act 85 of 2012, which amended section 222, provided that the amendment shall apply to tax returns due after September 30, 2012. See

section 29.1 of Act 85 in the appendix to this act for special provisions relating to continuation of prior law.

Section 223. Other Times for Payment.--In the event that the department authorizes a taxpayer to file a return at other times than those specified in section 217, the tax due shall be paid at the time such return is filed.

Section 224. Place for Payment.--The tax imposed by this article shall be paid to the department at the place fixed for filing the return.

Section 225. Tax Held in Trust for the Commonwealth.--All taxes collected by any person from purchasers in accordance with this article and all taxes collected by any person from purchasers under color of this article, including all taxes paid by any person who advertises or holds out or states, directly or indirectly, that such person will pay the tax for the purchaser, which have not been properly refunded by such person to the purchaser shall constitute a trust fund for the Commonwealth, and such trust shall be enforceable against such person, his representatives and any person (other than a purchaser to whom a refund has been made properly) receiving any part of such fund without consideration, or knowing that the taxpayer is committing a breach of trust: Provided, however, That any person receiving payment of a lawful obligation of the taxpayer from such fund shall be presumed to have received the same in good faith and without any knowledge of the breach of trust. Any person, other than a taxpayer, against whom the department makes any claim under this section shall have the same right to petition and appeal as is given taxpayers by any provisions of this part.

(225 amended June 28, 2019, P.L.50, No.13)

Section 226. Local Receivers of Use Tax.--(226 repealed July 9, 2013, P.L.270, No.52)

Section 227. Discount.--If a return is filed by a licensee and the tax shown to be due thereon less any discount is paid all within the time prescribed, the licensee shall be entitled, as compensation for the expense of collecting and remitting the tax and as a consideration of the prompt payment of the tax, to credit and apply against the tax payable by the licensee a discount of the lesser of:

- (1) one per cent of the amount of the tax collected; or
- (2) as follows:
 - (i) twenty-five dollars (\$25) per return for a monthly filer;
 - (ii) seventy-five dollars (\$75) per return for a quarterly filer; or
 - (iii) one hundred fifty dollars (\$150) per return for a semiannual filer.

(227 amended July 13, 2016, P.L.526, No.84)

Compiler's Note: Section 51(1) of Act 84 of 2016, which amended section 227, provided that the amendment of section 227 shall apply to returns due on or after August 1, 2016.

Section 52(1) of Act 84 of 2016 provided that, notwithstanding the provisions of the act of August 5, 1932 (Sp.Sess., P.L.45, No.45), referred to as the Sterling Act, and the act of December 31, 1965 (P.L.1257, No.511), known as The Local Tax Enabling Act, the amendment of section 227 shall not preempt any tax imposed by a unit of local government as of the effective

date of section 52 unless specifically provided for in Act 84.

CHAPTER IV ASSESSMENT AND COLLECTION OF TAX

Section 230. Assessment.--(a) The department is authorized and required to make the inquiries, determinations and assessments of the tax (including interest, additions and penalties) imposed by this article. A notice of assessment and demand for payment shall be mailed to the taxpayer. The notice shall set forth the basis of the assessment.

(b) ((b) deleted by amendment).

(c) A marketplace facilitator is relieved of liability under subsection (a) if the marketplace facilitator can show to the satisfaction of the department that the failure to collect the correct amount of tax was due to incorrect information given to the marketplace facilitator by a marketplace seller. ((c) added June 28, 2019, P.L.50, No.13)

(d) A marketplace seller is relieved of liability under subsection (a) pertaining to those sales made through a marketplace facilitator, when the marketplace facilitator certifies to the seller that the marketplace facilitator will collect, report and remit the proper sales tax, unless the seller gave incorrect information to the marketplace facilitator. ((d) added June 28, 2019, P.L.50, No.13)

(230 amended July 2, 2012, P.L.751, No.85)

Compiler's Note: Section 15 of Act 55 of 2007, which amended section 230, provided that the amendment of section 230 shall apply to assessments issued after December 31, 2007.

Compiler's Note: See section 33 of Act 119 of 2006 in the appendix to this act for special provisions relating to determinations and assessments of tax liability by the Department of Revenue after December 31, 2007, and applicability of Act 119 on proceedings, prosecutions, actions, suits or appeals involving assessments, determinations or settlements of tax liability by the Department of Revenue prior to January 1, 2008.

Section 231. Mode and Time of Assessment.--(a) Underpayment of Tax. Within a reasonable time after any return is filed, the department shall examine it and, if the return shows a greater tax due or collected than the amount of tax remitted with the return, the department shall issue an assessment for the difference, together with an addition of three per cent of such difference, which shall be paid to the department within ten days after a notice of the assessment has been mailed to the taxpayer. If such assessment is not paid within ten days, there shall be added thereto and paid to the department an additional three per cent of such difference for each month thereof during which the assessment remains unpaid, but the total of all additions shall not exceed eighteen per cent of the difference shown on the assessment.

(b) Understatement of Tax. If the department determines that any return or returns of any taxpayer understates the amount of tax due, it shall determine the proper amount and shall ascertain the difference between the amount of tax shown in the return and the amount determined, such difference being hereafter sometimes referred to as the "deficiency." A notice of assessment for the deficiency and the reasons therefor shall then be sent to the taxpayer. The deficiency shall be paid to

the department within thirty days after a notice of the assessment thereof has been mailed to the taxpayer.

(c) Failure to File Return. In the event that any taxpayer fails to file a return required by this article, the department may make an estimated assessment (based on information available) of the proper amount of tax owing by the taxpayer. A notice of assessment in the estimated amount shall be sent to the taxpayer. The tax shall be paid within thirty days after a notice of such estimated assessment has been mailed to the taxpayer.

(d) Authority to Establish Effective Rates by Business Classification. The department is authorized to make the studies necessary to compute effective rates by business classification, based upon the ratio between the tax required to be collected and taxable sales and to use such rates in arriving at the apparent tax liability of a taxpayer.

Any assessment based upon such rates shall be prima facie correct, except that such rate shall not be considered where a taxpayer establishes that such rate is based on a sample inapplicable to him.

Section 232. Reassessment.--Any taxpayer against whom an assessment is made may petition the department for a reassessment pursuant to Article XXVII.

(232 amended Oct. 18, 2006, P.L.1149, No.119)

Section 233. Assessment to Recover Erroneous Refunds.--The department may, within two years of the granting of any refund or credit, or within the period in which an assessment could have been filed by the department with respect to the transaction pertaining to which the refund was granted, whichever period shall last occur, file an assessment to recover any refund or part thereof or credit or part thereof which was erroneously made or allowed.

Section 236. Burden of Proof.--In all cases of petitions for reassessment, review or appeal, the burden of proof shall be upon the petitioner or appellant, as the case may be.

Section 237. Collection of Tax.--(a) Collection by Department. The department shall collect the tax in the manner provided by law for the collection of taxes imposed by the laws of this Commonwealth.

(b) Collection by Persons Maintaining a Place of Business in the Commonwealth. (1) Every person maintaining a place of business in this Commonwealth and selling or leasing tangible personal property or services, with the exception of a marketplace seller who solely makes sales through a marketplace facilitator that is required to collect sales tax on the marketplace seller's behalf and receives a certification from the marketplace facilitator that the marketplace facilitator will collect, report and remit the proper sales tax, the sale or use of which is subject to tax shall collect the tax from

the purchaser or lessee at the time of making the sale or lease, and shall remit the tax to the department, unless such collection and remittance is otherwise provided for in this article. ((1) amended June 28, 2019, P.L.50, No.13)

(1.1) Every person not otherwise required to collect tax that delivers tangible personal property to a location within this Commonwealth and that unpacks, positions, places or assembles the tangible personal property shall collect the tax from the purchaser at the time of delivery and shall remit the tax to the department if the person delivering the tangible personal property is responsible for collecting any portion of the purchase price of the tangible personal property delivered and the purchaser has not provided the person with proof that the tax imposed by this article has been or will be collected by the seller or that the purchaser provided the seller with a valid exemption certificate. Every person required to collect tax under this clause shall be deemed to be selling or leasing tangible personal property or services, the sale or use of which is subject to the tax imposed under section 202. ((1.1) added June 29, 2002, P.L.559, No.89)

(1.2) (i) A vendor maintaining a place of business within this Commonwealth under section 201(b)(3.5) in calendar year 2018 shall collect sales tax from July 1, 2019, through March 31, 2020.

(ii) A vendor maintaining a place of business within this Commonwealth under section 201(b)(3.5) in calendar years after 2018 shall collect sales tax from the second quarter, beginning April 1, of the following calendar year through the first quarter, ending March 31, of the next calendar year.

((1.2) added June 28, 2019, P.L.50, No.13)

(2) Any person required under this article to collect tax from another person, who shall fail to collect the proper amount of such tax, shall be liable for the full amount of the tax which he should have collected.

((b) amended Dec. 28, 1972, P.L.1633, No.340)

(b.1) Collection by Marketplace Facilitators. A marketplace facilitator maintaining a place of business in this Commonwealth must collect and remit the sales tax on all sales, leases and deliveries of tangible personal property, and all sales of services, by marketplace sellers whose sales are facilitated through the marketplace facilitator's forum. ((b.1) added June 28, 2019, P.L.50, No.13)

(c) Exemption Certificates. If the tax does not apply to the sale or lease of tangible personal property or services, the purchaser or lessee shall furnish to the vendor a certificate indicating that the sale is not legally subject to the tax. The certificate shall be in substantially such form as the department may, by regulation, prescribe. Where the tangible personal property or service is of a type which is never subject to the tax imposed or where the sale or lease is in interstate commerce, such certificate need not be furnished. Where a series of transactions are not subject to tax, a purchaser or user may furnish the vendor with a single exemption certificate in substantially such form and valid for such period of time as the department may, by regulation, prescribe. The department shall provide all school districts and intermediate units with a permanent tax exemption number. An exemption certificate, which is complete and regular and on its face discloses a valid basis of exemption if taken in good faith, shall relieve the vendor from the liability imposed by this section. An exemption certificate accepted by a vendor from a natural person domiciled within this Commonwealth or any

association, fiduciary, partnership, corporation or other entity, either authorized to do business within this Commonwealth or having an established place of business within this Commonwealth, in the ordinary course of the vendor's business, which on its face discloses a valid basis of exemption consistent with the activity of the purchaser and character of the property or service being purchased or which is provided to the vendor by a charitable, religious, educational, volunteer firefighters' relief association or volunteer firemen's organization and contains the organization's charitable exemption number and which, in the case of any purchase costing two hundred dollars (\$200) or more, is accompanied by a sworn declaration on a form to be provided by the department of an intended usage of the property or service which would render it nontaxable, shall be presumed to be taken in good faith and the burden of proving otherwise shall be on the Department of Revenue. ((c) amended July 2, 2012, P.L.751, No.85)

(c.1) Authorization to Obtain Information. In lieu of the exemption certificate required under subsection (c), the department may authorize a vendor to obtain similarly specific information from the vendor's purchasers. This information includes, but is not limited to, the name and address of the purchaser and a valid basis for exemption. The purchases made pursuant to this subsection must be made with a verifiable source of payment connected to the specific purchaser. The information regarding each purchase shall be available at the time the return is filed for the period covering the purchase. The information shall be retained in accordance with section 271. No such authority shall be granted or exercised, except upon application to and acceptance by the department, in the department's discretion. If authority is granted, it shall be subject to conditions specified by the department. ((c.1) added June 28, 2019, P.L.50, No.13)

(d) Direct Payment Permits. The department may authorize a purchaser or lessee who acquires tangible personal property or services under circumstances which make it impossible at the time of acquisition to determine the manner in which the tangible personal property or service will be used, to pay the tax directly to the department, and waive the collection of the tax by the vendor. No such authority shall be granted or exercised, except upon application to the department, and the issuance by the department, in its discretion, of a direct payment permit. If a direct payment permit is granted, its use shall be subject to conditions specified by the department, and the payment of tax on all acquisitions pursuant to the permit shall be made directly to the department by the permit holder.

Compiler's Note: See section 33 of Act 13 of 2019 for special provisions relating to applicability.

Compiler's Note: Section 19(1)(iv) of Act 23 of 2000, which amended subsection (b)(1), provided that the amendment shall apply to transactions for which purchase agreements are executed after June 30, 2000.

Section 238. Collection of Tax on Motor Vehicles, Trailers and Semi-Trailers.--Notwithstanding the provisions of clause (1) of subsection (b) of section 237 of this article, tax due on the sale at retail or use of a motor vehicle, trailer or semi-trailer, except mobilehomes as defined in "The Vehicle Code," required by law to be registered with the department under the provisions of "The Vehicle Code" shall be paid by the purchaser or user directly to the department upon application to the department for an issuance of a certificate of title

upon such motor vehicle, trailer or semi-trailer. The department shall not issue a certificate of title until the tax has been paid, or evidence satisfactory to the department has been given to establish that tax is not due. The department may cancel or suspend any record of certificate of title or registration of a motor vehicle, trailer or semi-trailer when the check received in payment of the tax on such vehicle is not paid upon demand. Such tax shall be considered as a first encumbrance against such vehicle and the vehicle may not be transferred without first payment in full of such tax and any interest additions or penalties which shall accrue thereon in accordance with this article.

(238 amended Dec. 28, 1972, P.L.1633, No.340)

Section 239. Precollection of Tax.--The department may, by regulation, authorize or require particular categories of vendors selling tangible personal property for resale to precollect from the purchaser the tax which such purchaser will collect upon making a sale at retail of such tangible personal property: Provided, however, That the department, pursuant to this section, may not require a vendor to precollect tax from a purchaser who purchases for resale more than one thousand dollars (\$1,000) worth of tangible personal property from such vendor per year. In any case in which a vendor has been authorized to prepay the tax to the person from whom he purchased the tangible personal property for resale such vendor so authorized to prepay the tax may, under the regulations of the department, be relieved from his duty to secure a license if such duty shall arise only by reason of his sale of the tangible personal property with respect to which he is, under authorization of the department, to prepay the tax. The vendor, on making a sale at retail of tangible personal property with respect to which he has prepaid the tax, must separately state at the time of resale the proper amount of tax on the transaction, and reimburse himself on account of the taxes which he has previously prepaid. Should such vendor collect a greater amount of tax in any reporting period than he had previously prepaid upon purchase of the goods with respect to which he prepaid the tax, he must file a return and remit the balance to the Commonwealth at the time at which a return would otherwise be due with respect to such sales.

Section 240. Bulk and Auction Sales.--A person that sells or causes to be sold at auction, or that sells or transfers in bulk, fifty-one per centum or more of any stock of goods, wares or merchandise of any kind, fixtures, machinery, equipment, buildings or real estate, involved in a business for which the person is licensed or required to be licensed under the provisions of this article, or is liable for filing use tax returns in accordance with the provisions of this article, shall be subject to the provisions of section 1403 of "The Fiscal Code."

(240 amended June 29, 2002, P.L.559, No.89)

Section 241. Collection upon Failure to Request Reassessment, Review or Appeal.--The department may collect any tax:

(1) If an assessment of tax is not paid within ten days or thirty days as the case may be after notice thereof to the taxpayer, and no petition for reassessment has been filed;

(2) Within sixty days from the date of reassessment, if no petition for review has been filed;

(3) Within thirty days from the date of the decision of the Board of Finance and Revenue upon a petition for review, or of the expiration of the board's time for acting upon such

petition, if no appeal has been made; and ((3) amended Dec. 3, 1975, P.L.476, No.140)

(4) In all cases of judicial sales, receiverships, assignments or bankruptcies.

In any such case in a proceeding for the collection of such taxes, the person against whom they were assessed shall not be permitted to set up any ground of defense that might have been determined by the department, the Board of Finance and Revenue or the courts: Provided, That the defense of failure of the department to mail notice of assessment or reassessment to the taxpayer and the defense of payment of assessment or reassessment may be raised in proceedings for collection by a motion to stay the proceedings.

Section 242. Lien for Taxes.--(a) Lien Imposed. If any person liable to pay any tax neglects or refuses to pay the same after demand, the amount (including any interest, addition or penalty, together with any costs that may accrue in addition thereto) shall be a lien in favor of the Commonwealth upon the property, both real and personal, of such person but only after same has been entered and docketed of record by the prothonotary of the county where such property is situated. The department may, at any time, transmit, to the prothonotaries of the respective counties, certified copies of all liens for taxes imposed by this act and penalties and interest. It shall be the duty of each prothonotary receiving the lien to enter and docket the same of record in his office, which lien shall be indexed as judgments are now indexed. No prothonotary shall require, as a condition precedent to the entry of such liens, the payment of the costs incident thereto.

(b) Priority of Lien and Effect on Judicial Sale; No Discharge by Sale on Junior Lien. The lien imposed hereunder shall have priority from the date of its recording as aforesaid, and shall be fully paid and satisfied out of the proceeds of any judicial sale of property subject thereto before any other obligation, judgment, claim, lien or estate to which said property may subsequently become subject, except costs of the sale and of the writ upon which the sale was made, and real estate taxes and municipal claims against such property, but shall be subordinate to mortgages and other liens existing and duly recorded or entered of record prior to the recording of the tax lien. In the case of a judicial sale of property, subject to a lien imposed hereunder, upon a lien or claim over which the lien imposed hereunder has priority as aforesaid, such sale shall discharge the lien imposed hereunder to the extent only that the proceeds are applied to its payment, and such lien shall continue in full force and effect as to the balance remaining unpaid. There shall be no inquisition or condemnation upon any judicial sale of real estate made by the Commonwealth pursuant to the provisions hereof. The lien of the taxes, interest and penalties, shall continue for five years from the date of entry, and may be revived and continued in the manner now or hereafter provided for renewal of judgments, or as may be provided in "The Fiscal Code," and a writ of execution may directly issue upon such lien without the issuance and prosecution to judgment of a writ of scire facias: Provided, That not less than ten days before issuance of any execution on the lien, notice of the filing and the effect of the lien shall be sent by registered mail to the taxpayer at his last known post office address: And provided further, That the said lien shall have no effect upon any stock of goods, wares or merchandise regularly sold or leased in the ordinary course of business by the person against whom said lien has been entered,

unless and until a writ of execution has been issued and a levy made upon said stock of goods, wares and merchandise.

(c) Duty of Prothonotary. Any wilful failure of any prothonotary to carry out any duty imposed upon him by this section shall be a misdemeanor, and, upon conviction, he shall be sentenced to pay a fine not exceeding one thousand dollars (\$1,000) and costs of prosecution, or to undergo imprisonment not exceeding one year, or both.

(d) Priority of Tax. Except as hereinbefore provided in the distribution, voluntary or compulsory, in receivership, bankruptcy or otherwise, of the property or estate of any person, all taxes imposed by this article which are due and unpaid and are not collectible under the provisions of section 225 hereof, shall be paid from the first money available for distribution in priority to all other claims and liens, except in so far as the laws of the United States may give a prior claim to the Federal Government. Any person charged with the administration or distribution of any such property or estate, who shall violate the provisions of this section, shall be personally liable for any taxes imposed by this article, which are accrued and unpaid and are chargeable against the person whose property or estate is being administered or distributed.

(e) Other Remedies. Subject to the limitations contained in this article as to the assessment of taxes, nothing contained in this section shall be construed to restrict, prohibit or limit the use by the department in collecting taxes finally due and payable of any other remedy or procedure available at law or equity for the collection of debts.

Section 243. Suit for Taxes.--(a) Commencement. At any time within three years after any tax or any amount of tax shall be finally due and payable, the department may commence an action in the courts of this Commonwealth, of any state or of the United States, in the name of the Commonwealth of Pennsylvania, to collect the amount of tax due together with additions, interest, penalties and costs in the manner provided at law or in equity for the collection of ordinary debts.

(b) Procedure. The Attorney General shall prosecute the action and, except as provided herein, the provisions of the Rules of Civil Procedure and the provisions of the laws of this Commonwealth relating to civil procedures and remedies shall, to the extent that they are applicable, be available in such proceedings.

(c) Other Remedies. The provisions of this section are in addition to any process, remedy or procedure for the collection of taxes provided by this article or by the laws of this Commonwealth, and this section is neither limited by nor intended to limit any such process, remedy or procedure.

Section 244. Tax Suit Comity.--The courts of this Commonwealth shall recognize and enforce liabilities for sales and use taxes, lawfully imposed by any other state: Provided, That such other state extends a like comity to this Commonwealth.

Section 245. Service.--Any person maintaining a place of business within this Commonwealth is deemed to have appointed the Secretary of the Commonwealth his agent for the acceptance of service of process or notice in any proceedings for the enforcement of the civil provisions of this article, and any service made upon the Secretary of the Commonwealth as such agent shall be of the same legal force and validity as if such service had been personally made upon such person. Where service cannot be made upon such person in the manner provided by other laws of this Commonwealth relating to service of process,

service may be made upon the Secretary of the Commonwealth and, in such case, a copy of the process or notice shall also be personally served upon any agent or representative of such person who may be found within this Commonwealth, or where no such agent or representative may be found a copy of the process or notice shall forthwith be sent by registered mail to such person at the last known address of his principal place of business, home office or residence.

Section 246. Collection and Payment of Tax on Credit Sales.--If any sale subject to tax hereunder is wholly or partly on credit, the vendor shall require the purchaser to pay in cash at the time the sale is made, or within thirty days thereafter, the total amount of tax due upon the entire purchase price. The vendor shall remit the tax to the department, regardless of whether payment was made by the purchaser to the vendor, with the next return required to be filed under section 217 of this act.

(246 amended May 12, 1999, P.L.26, No.4)

Compiler's Note: Section 32(3) of Act 4 of 1999, which amended section 246, provided that the amendment shall apply to amounts deducted as bad debt on Federal income tax returns required to be filed after January 1, 1999.

Section 247. Prepayment of Tax.--Whenever a vendor is forbidden by law or governmental regulation to charge and collect the purchase price in advance of or at the time of delivery, the vendor shall prepay the tax as required by section 222 of this article, but in such case if the purchaser shall fail to pay to the vendor the total amount of the purchase price and the tax, and such amount is written off as uncollectible by the vendor, the vendor shall not be liable for such tax and shall be entitled to a credit or refund of such tax paid. If the purchase price is thereafter collected, in whole or in part, the amount collected shall be first applied to the payment of the entire tax portion of the bill, and shall be remitted to the department by the vendor with the first return filed after such collection. For any tax prepaid prior to the effective date of this article, credit may be claimed on any returns filed for the periods prior to the effective date of this article. Tax prepaid after the effective date of this article shall be subject to refund upon petition to the department under the provisions of section 252 of this article, filed within one hundred five days of the close of the fiscal year in which such accounts are written off.

Section 247.1. Refund of Sales Tax Attributed to Bad Debt.--(a) A vendor may file a petition for refund of sales tax paid to the department that is attributed to a bad debt if all of the following apply:

- (1) The purchaser fails to pay the total purchase price.
- (2) The purchase price is written off, either in whole or in part, as a bad debt on the books and records of the vendor or an affiliate of the vendor.
- (3) The debt has been deducted for Federal income tax purposes under section 166 of the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 166).

(a.1) A petition for refund, which is authorized by this section, must be filed with the department within the time limitations prescribed by section 3003.1(a).

(a.2) In the case of private-label credit card accounts not qualifying under subsection (a), a vendor or lender that makes an election pursuant to subsection (a.3) shall be entitled to file a petition for refund of sales tax that the vendor has

previously reported and paid to the department if all of the following conditions are met:

(1) No refund was previously allowed with respect to the portion of the account written off as a bad debt.

(2) The account has been found worthless and written off, either in whole or in part, as bad debt on the books and records of the lender or an affiliate of the lender.

(3) The account has been deducted for Federal income tax purposes under section 166 of the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 166) by the lender or an affiliate of the lender.

(a.3) In order to be eligible for a refund under subsection (a.2), the lender and the vendor must execute and file with the department a joint election, signed by both parties, designating which party is entitled to claim the refund. This election may not be revoked unless a written notice is signed by the party that signed the election being revoked and is filed with the department.

(b) The refund authorized by this section shall be limited to the sales tax paid to the department that is attributed to the bad debt, less any discount under section 227 of this act. Partial payments by the purchaser shall be prorated between the original purchase price and the sales tax due on the sale. Payments made on any transaction which includes both taxable and nontaxable components shall be allocated proportionally between the taxable and nontaxable components.

(c) A vendor or a lender may assign its right to petition and receive a refund of sales tax attributed to a bad debt to an affiliate.

(d) No refund shall be granted under this section for any of the following:

(i) Interest.

(ii) Finance charges.

(iii) Expenses incurred in attempting to collect any amount receivable.

(e) Documentation requirements are as follows:

(1) Any person claiming a refund under this section shall, on request, make available adequate books, records or other documentation supporting the claimed refund, including:

(i) Date of original sale and name and Pennsylvania sales tax license number of the retailer.

(ii) Name and address of purchaser.

(iii) Amount that the purchaser paid or agreed to pay.

(iv) Taxable and nontaxable charges.

(v) Amount on which the retailer reported and paid sales tax.

(vi) All payments or other credits applied to the account of the purchaser.

(vii) Evidence that the uncollected amount has been designated as a bad debt in the books and records of the vendor or lender, as appropriate, and that the amount has been claimed as a bad debt deduction for Federal income tax purposes.

(viii) The county in which any local sales tax was incurred.

(ix) The unpaid portion of the sales price.

(x) A certification, under penalty of perjury, that no person has collected money on the bad debt for which the refund is claimed.

(xi) Any other information required by the department.

(2) A person claiming a refund under this section may provide alternative forms of documentation acceptable to the department if appropriate in light of the volume and character of uncollectible accounts. This includes the following:

(i) If a vendor remits sales or use tax to the Commonwealth and to another state, the entity claiming a refund under this section may use an apportionment method to substantiate the amount of Pennsylvania tax included in the bad debts to which the refund applies.

(ii) The apportionment method must use the vendor's Pennsylvania and non-Pennsylvania sales, the vendor's taxable and nontaxable sales and the amount of tax the vendor remitted to Pennsylvania.

(f) The following apply:

(1) If the purchase price that is attributed to a prior bad debt refund is thereafter collected, in whole or in part by the vendor or lender, or an affiliate of the vendor or lender, the entity claiming the refund shall remit the proportional tax to the department with the first return filed after the collection. If the entity is not required to file periodic returns, the entity shall remit the proportional tax to the department with another return pursuant to section 217(c).

(2) Any consideration received for the assignment, sale or other transfer of a bad debt with respect to which a refund has been granted shall be deemed to be a collection of a prior bad debt. This paragraph shall not apply to a transfer to an entity that is part of the same affiliated group, as defined by section 1504 of the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 1504).

(3) A person that collects, in whole or in part, the purchase price attributed to a prior bad debt refund is required to maintain adequate books, records or other documentation to allow the department to determine whether the purchase price attributed to a prior bad debt refund has been collected. Information under this paragraph includes the pertinent facts required by subsection (e).

(4) If it is determined by the department that a prior bad debt has been collected, in whole or in part, and the proportional tax has not been properly reported and paid to the department, the person that claimed the refund on the transaction shall report and pay the proportional tax to the department plus applicable interest and penalty under this article.

(g) Notwithstanding the provisions of section 806.1 of the act of April 9, 1929 (P.L.343, No.176), known as "The Fiscal Code," no interest shall be paid by the Commonwealth on refunds of sales tax attributed to bad debt under this section.

(h) No refund or credit of sales tax shall be made for any uncollected purchase price or bad debt except as authorized by this section. No deduction or credit for bad debt may be taken on any return filed with the department. This section shall provide the exclusive procedure for claiming a refund or credit of sales tax attributed to uncollected purchase price or bad debt.

(i) As used in this section, the following words and phrases shall have the meanings given to them in this subsection:

(1) "Affiliate." A person that is:

(i) an affiliated entity, under section 1504 of the Internal Revenue Code of 1986, of a vendor; or

(ii) a person described in paragraph (2)(i) or (ii) that would be an affiliated entity, under section 1504 of the Internal Revenue Code of 1986, of a vendor but for the fact the person is not a corporation, an assignee or another transferee of a person described in paragraph (2)(i) or (ii).

(2) "Lender." Any of the following:

(i) A person that owns or has owned a private-label credit card account purchased directly from a vendor that reported the tax under this article.

(ii) A person that owns or has owned a private-label credit card account pursuant to a contract directly with the vendor that reported the tax under this article.

(iii) A person that is:

(A) an affiliate of a person described in subparagraph (i) or (ii); or

(B) an assignee or other transferee of a person described in subparagraph (i) or (ii).

(3) "Private-label credit card." Any charge card, credit card or other instrument serving similar purpose which carries, refers to or is branded with the name or logo of a vendor and which can be used for purchases from the vendor. The term does not include a card or instrument which may also be used to make purchases from persons other than the vendor whose name or logo appears on the card or instrument or that vendor's affiliates. Nothing in this paragraph authorizes a refund with respect to bad debts attributable to sales by unrelated persons referred to in this paragraph.

The application for registration shall be in such form and contain such information as the department, by regulation, shall prescribe and shall set forth truthfully and accurately the information desired by the department. This registration shall be renewed and updated annually.

(b) Upon registration and the posting of the bond required by section 248.1, the department shall issue to the transient vendor a certificate, valid for one year. Upon renewal of registration, the department shall issue a new certificate, valid for one year, providing the department is satisfied that

(248 added Dec. 22, 1983, P.L.300, No.82)

Bond.--(a) Upon registration with the department, a transient vendor shall also post a bond with the department in the amount of five hundred dollars (\$500) as surety for compliance with the provisions of this article. (b) A transient vendor may file a request for voluntary suspension of certificate with the department. If the department is satisfied that the provisions of this article have been complied with and has possession of the transient vendor's certificate, it shall return the bond posted to the transient vendor.

(c) The department may suspend or revoke a certificate issued to a transient vendor if the transient vendor:

(1) Fails to notify the department as required by subsection (a);

(2) Provides the department with false information regarding the conduct of business within the Commonwealth;

(3) Fails to collect sales tax on all tangible personal property or services sold subject to the sales tax; or

(d) The department shall promulgate the rules and regulations necessary to implement this section.

(248.2 added Dec. 22, 1983, P.L.300, No.82)

Section 248.3. Seizure of Property.--(a) If a transient vendor conducting business within the Commonwealth fails to exhibit a valid certificate upon demand by authorized employees of the department, those authorized employees shall have the authority to seize, without warrant, the tangible personal property and the automobile, truck or other means of transportation used to transport or carry that property. All property seized shall be deemed contraband and shall be subject to immediate forfeiture proceedings instituted by the department pursuant to procedures adopted by regulation, except as otherwise provided by this section.

The application shall be filed at least thirty days prior to the opening of the first show and shall be in such form as the department may prescribe.

(b) Except as herein provided, the department shall, within fifteen days after receipt of an application for a license, issue to the promoter without charge a license to operate such shows. If application for a license under this section has been timely filed and if the license has not been received by the promoter prior to the opening of the show, the authorization contained in this section with respect to the obtaining of a promoter's license shall be deemed to have been complied with, unless or until the promoter receives notice from the department denying the application for a promoter's license.

(c) Any promoter who is a vendor under the provisions of section 201 of this article shall comply with all the provisions of this article applicable to vendors and with the provisions of this section applicable to promoters.

(d) No licensed promoter shall permit any person to display for sale or to sell tangible personal property or services subject to tax under section 202 of this article at a show unless such person is licensed under section 208 and provides to the promoter the information required under section 271.1.

(e) Any licensed promoter who permits any person to display for sale or to sell tangible personal property or service without first having been licensed under section 208 of this article, fails to maintain records of a show under section 271.1, knowingly maintains false records or fails to comply with any provision contained in this section or any regulation promulgated by the department pertaining to shows shall be subject to denial of a license or the revocation of any existing license issued pursuant to this section. In addition, the department may deny such promoter a license certificate to operate a show for a period of not more than six months from the date of such denial. Such penalty shall be in addition to any other penalty imposed by this article. Within twenty days of notice of denial or revocation of a license by the department, the promoter may petition the department for a hearing, pursuant to Title 2 of the Pennsylvania Consolidated Statutes (relating to administrative law and procedure).

Such refunds shall be made to the person, his heirs, successors, assigns or other personal representatives, who actually paid the tax: Provided, That no refund shall be made under this section with respect to any payment made by reason of an assessment with respect to which a taxpayer has filed a petition for reassessment pursuant to section 2702 of Article XXVII to the extent that said petition has been determined adversely to the taxpayer by a decision which is no longer subject to further review or appeal: Provided further, That nothing contained herein shall be deemed to prohibit a taxpayer who has filed a timely petition for reassessment from amending it to a petition for refund where the petitioner has paid the tax assessed.

Compiler's Note: See section 33 of Act 119 of 2006 in the appendix to this act for special provisions relating to determinations and assessments of tax liability by the Department of Revenue after December 31, 2007, and applicability of Act 119 on proceedings, prosecutions, actions, suits or appeals involving assessments, determinations or settlements of tax liability by the Department of Revenue prior to January 1, 2008.

The provisions of Article XXVII shall be applicable to such special petition for refund, except that the department need not act on such petition until there is a final determination as to the propriety of the assessment filed against the other party to the transaction. Where a petition is filed under this provision in order to take advantage of the extended period of limitations, overpayments by the petitioner shall be refunded but only to the extent of the actual tax (without consideration of interest and penalties) paid by the other party to the transaction. The purpose of this section is to avoid duplicate payment of tax where a determination is made by the department that one party to a transaction is subject to tax, and another party to the transaction has previously paid tax with respect to such transaction and, as such, this section shall be construed as extending right beyond that provided for by section 253, and not to limit such other section.

(256 amended Oct. 18, 2006, P.L.1149, No.119)

Compiler's Note: See section 33 of Act 119 of 2006 in the appendix to this act for special provisions relating to determinations and assessments of tax liability by the Department of Revenue after December 31, 2007, and applicability of Act 119 on proceedings, prosecutions, actions, suits or appeals involving assessments, determinations or settlements of tax liability by the Department of Revenue prior to January 1, 2008.

CHAPTER VI LIMITATIONS

Section 258. Limitation on Assessment and Collection.--The amount of the tax imposed by this act shall be assessed within three years after the date when the return provided for by subsection (a) or (c) of section 217 is filed or the end of the year in which the tax liability arises whichever shall last occur. Any such assessment may be made at any time during such period notwithstanding that the department may have made one or more previous assessments against the taxpayer for the year in question, or for any part of such year. In any such case, no credit shall be given for any penalty previously assessed or paid.

(258 amended Sept. 9, 1971, P.L.437, No.105)

Section 259. Failure to File Return.--Where no return is filed, the amount of the tax due may be assessed and collected at any time as to taxable transactions not reported.

Section 260. False or Fraudulent Return.--Where the taxpayer wilfully files a false or fraudulent return with intent to evade the tax imposed by this article, the amount of tax due may be assessed and collected at any time.

Section 261. Extension of Limitation Period.--Notwithstanding any of the foregoing provisions of this part, where, before the expiration of the period prescribed therein for the assessment of a tax, a taxpayer has consented, in writing, that such period be extended, the amount of tax due may be assessed at any time within such extended period. The period so extended may be extended further by subsequent consents, in writing, made before the expiration of the extended period.

CHAPTER VII INTEREST, ADDITIONS, PENALTIES AND CRIMES

Section 265. Interest.--If any amount of tax imposed by this article is not paid to the department on or before the last date prescribed for payment, interest on such amount at the rate of three-fourths of one per cent per month for each month, or fraction thereof, from such date, shall be paid for the period from such last date to the date paid. The last date prescribed for payment shall be determined under subsection (a) or (c) of section 222 without regard to any extension of time for payment. In the case of any amount assessed as a deficiency or as an estimated assessment, the date prescribed for payment shall be thirty days after notice of such assessment.

(265 amended Apr. 14, 1976, P.L.111, No.48)

Section 266. Additions to Tax.--(a) Failure to File Return. In the case of failure to file any return required by section 215 on the date prescribed therefor (determined with regard to any extension of time for filing), and in the case in which a return filed understates the true amount due by more than fifty per cent, there shall be added to the amount of tax actually due five per cent of the amount of such tax if the failure to file a proper return is for not more than one month, with an additional five per cent for each additional month, or fraction thereof, during which such failure continues, not exceeding twenty-five per cent in the aggregate. In every such case at least two dollars (\$2) shall be added.

(b) Addition for Understatement. There shall be added to every assessment under subsection (b) of section 231 an addition equal to five per cent of the amount of the understatement and no addition to the tax shall be paid under subsection (a) of section 231.

(c) Interest. If the department assesses a tax according to subsection (a), (b) or (c) of section 231, there shall be added to the amount of the deficiency interest at the rate of three-fourths of one per cent per month for each month, or fraction thereof, from the date prescribed by subsection (a) or (c) of section 222 of this article for the payment of the tax to the date of notice of the assessment. ((c) amended Apr. 14, 1976, P.L.112, No.49)

(d) ((d) deleted by amendment May 7, 1997, P.L.85, No.7)

Section 267. Penalties.--(a) Penalty Assessed as Tax. The penalties, additions, interest and liabilities provided by this article shall be paid upon notice and demand by the department, and shall be assessed and collected in the same manner as taxes. Except as otherwise provided, any reference in this article to "tax" imposed by this article shall be deemed also to refer to the penalties, additions, interest and liabilities provided by this part.

(b) Attempt to Evade or Defeat Tax. Any person who wilfully attempts, in any manner, to evade or defeat the tax imposed by this article, or the payment thereof, or to assist any other person to evade or defeat the tax imposed by this article, or the payment thereof, or to receive a refund improperly, shall, in addition to other penalties provided by law, be liable for a penalty equal to one-half of the total amount of the tax evaded.

In any direct proceeding arising out of a petition for reassessment or refund as provided in this article, in which an issue of fact is raised with respect to whether a return is fraudulent or with respect to the propriety of the imposition by the department of the penalty prescribed in this subsection (b), the burden of proof with respect to such issue shall be upon the department.

Section 268. Crimes.--(a) Fraudulent Return. Any person who with intent to defraud the Commonwealth shall wilfully make, or cause to be made, any return required by this article, which is false, shall be guilty of a misdemeanor, and, upon conviction thereof, shall be sentenced to pay a fine not exceeding two thousand dollars (\$2000), or undergo imprisonment not exceeding three years, or both.

(b) Other Crimes. (1) Except as otherwise provided by subsection (a) of this section, any person who advertises or holds out or states to the public or to any purchaser or user, directly or indirectly, that the tax or any part thereof imposed by this article will not be added to the purchase price of the tangible personal property or services described in subclauses (2), (3), (4) and (11) through (18) of clause (k) of section 201 of this article or that the tax or any part thereof will be refunded, other than when such person refunds the purchase price because of such property being returned to the vendor, and any person selling or leasing tangible personal property or said services the sale or use of which by the purchaser is subject to tax hereunder, who, except as otherwise provided, shall wilfully fail to collect the tax from the purchaser and timely remit the same to the department, and any person who shall wilfully fail or neglect to timely file any return or report required by this article or any taxpayer who shall refuse to timely pay any tax, penalty or interest imposed or provided for by this article, or who shall wilfully fail to preserve his books, papers and records as directed by the department, or any person who shall refuse to permit the department or any of its authorized agents to examine his books, records or papers, or who shall knowingly make any incomplete, false or fraudulent

return or report, or who shall do, or attempt to do, anything whatever to prevent the full disclosure of the amount or character of taxable sales purchases or use made by himself or any other person, or shall provide any person with a false statement as to the payment of tax with respect to particular tangible personal property or said services, or shall make, utter or issue a false or fraudulent exemption certificate, shall be guilty of a misdemeanor, and, upon conviction thereof, shall be sentenced to pay a fine not exceeding one thousand dollars (\$1000) and costs of prosecution, or undergo imprisonment not exceeding one year, or both: Provided, however, That any person may advertise or hold out or state to the public or to any purchaser or user, directly or indirectly, that the tax or any part thereof imposed by this article will be absorbed and paid by such person subject to the following conditions:

(i) Such person shall expressly state on any receipt, invoice, sales slip or other similar document evidencing such sale given to the purchaser that such person will pay the tax imposed by this article on behalf of such purchaser and shall not indicate or imply that the transaction is exempt or excluded from any tax imposed by this article.

(ii) Any receipt, invoice, sales slip or other similar document evidencing a sale given to the purchaser shall separately state the amount of tax.

(iii) Such person, when recording the sale in the person's books and records, shall separately state the purchase price and the tax.

(iv) The amount of tax shall be calculated by multiplying the total purchase price by the rate of tax imposed by section 202.

(2) ((2) deleted by amendment)

(3) If any person advertises or holds out or states to the public or to any purchaser or user, directly or indirectly, that such person will absorb and pay the tax, subject to the conditions of this subsection, such person shall be solely responsible and liable for any tax imposed by this article, notwithstanding any provisions of this article to the contrary, and shall not be entitled to a refund of such tax.

((b) amended June 28, 2019, P.L.50, No.13)

(c) (1) Notwithstanding any other provision of this part, any person who purchases, installs or uses in this Commonwealth an automated sales suppression device or zapper or phantomware with the intent to defeat or evade the determination of an amount due under this part commits a misdemeanor.

(i) Any person who, for commercial gain, sells, purchases, installs, transfers or possesses in this Commonwealth an automated sales suppression device or zapper or phantomware with the knowledge that the sole purpose of the device is to defeat or evade the determination of an amount due under this part commits an offense which shall be punishable by a fine specified under subparagraph (ii) or by imprisonment for not more than one year, or both. A person who uses an automated sales suppression device or zapper or phantomware shall be liable for all taxes, interest and penalties due as a result of the use of that device.

(ii) If a person is guilty of an offense under this paragraph and the person sold, installed, transferred or possessed not more than three automated sales suppression devices or zappers or phantomware, the person commits an offense punishable by a fine of not more than five thousand dollars (\$5,000).

(iii) If a person commits an offense under this paragraph and the person sold, installed, transferred or possessed more than three automated sales suppression devices or zappers or phantomware, the person commits an offense punishable by a fine of not more than ten thousand dollars (\$10,000).

(2) This subsection shall not apply to a corporation that possesses an automated sales suppression device or zapper or phantomware for the sole purpose of developing hardware or software to combat the evasion of taxes by use of automated sales suppression devices or zappers or phantomware.

(3) For purposes of this subsection:

"Automated sales suppression device" or "zapper" means a software program carried on a memory stick or removable compact disc, accessed through an Internet link or through any other means, that falsifies the electronic records of electronic cash registers and other point-of-sale systems, including, but not limited to, transaction data and transaction reports.

"Electronic cash register" means a device that keeps a register or supporting document through the means of an electronic device or computer system designed to record transaction data for the purpose of computing, compiling or processing retail sales transaction data in whatever manner.

"Phantomware" means a hidden programming option, which is either preinstalled or installed at a later time, embedded in the operating system of an electronic cash register or hardwired into the electronic cash register that can be used to create a virtual second till or may eliminate or manipulate a transaction record that may or may not be preserved in digital formats to represent the true or manipulated record of transactions in the electronic cash register.

"Transaction data" includes information regarding items purchased by a customer, the price for each item, a taxability determination for each item, a segregated tax amount for each of the taxed items, the amount of cash or credit tendered, the net amount returned to the customer in change, the date and time of the purchase, the name, address and identification number of the vendor and the receipt or invoice number of the transaction.

((c) added July 13, 2016, P.L.526, No.84)

(d) This section shall not preclude prosecution under any other law. ((d) added July 13, 2016, P.L.526, No.84)

(e) The penalties imposed by this section shall be in addition to any other penalties imposed by any provision of this article. ((e) added July 13, 2016, P.L.526, No.84)

Compiler's Note: Section 52(1) of Act 84 of 2016, which amended subsection (b) and added subsections (c), (d) and (e), provided that, notwithstanding the provisions of the act of August 5, 1932 (Sp.Sess., P.L.45, No.45), referred to as the Sterling Act, and the act of December 31, 1965 (P.L.1257, No.511), known as The Local Tax Enabling Act, the amendment or addition of subsections (b) and (c) shall not preempt any tax imposed by a unit of local government as of the effective date of section 52 unless specifically provided for in Act 84.

Section 269. Abatement of Additions or Penalties.--Upon the filing of a petition for reassessment or a petition for refund as provided under this article by a taxpayer, additions or penalties imposed upon such taxpayer by this act may be waived or abated, in whole or in part, where the petitioner has established that he has acted in good faith, without negligence and with no intent to defraud.

CHAPTER VIII
ENFORCEMENT AND EXAMINATIONS

Section 270. Rules and Regulations.--(a) General Provision. The department is hereby charged with the enforcement of the provisions of this article, and is hereby authorized and empowered to prescribe, adopt, promulgate and enforce, rules and regulations not inconsistent with the provisions of this article, relating to any matter or thing pertaining to the administration and enforcement of the provisions of this article, and the collection of taxes, penalties and interest imposed by this article. The department may prescribe the extent, if any, to which any of such rules and regulations shall be applied without retroactive effect.

(b) Sales between Affiliated Interests. In determining the purchase price of taxable sales where, because of affiliation of interests between the vendor and the purchaser or irrespective of any such affiliation, if for any other reason, the purchase price of such sale is in the opinion of the department not indicative of the true value of the article or the fair price thereof, the department shall, pursuant to uniform and equitable rules, determine the amount of constructive purchase price upon the basis of which the tax shall be computed and levied. Such rules shall provide for a constructive amount of a purchase price for each such sale, which price shall equal a price for such article which would naturally and fairly be charged in an arm's-length transaction in which the element of common interests between vendor and purchaser, or, if no common interest exists, any other element causing a distortion of the price or value is absent. For the purpose of this article where a taxable sale occurs between a parent corporation and a subsidiary affiliate or controlled corporation of such parent, there shall be a rebuttable presumption that because of such common interest such transaction was not at arm's-length.

Section 271. Keeping of Records.--(a) General Provision. Every person liable for any tax imposed by this article, or for the collection thereof, shall keep the records, render such statements, make the returns and comply with such rules and regulations as the department may, from time to time, prescribe regarding matters pertinent to his business. Whenever in the judgment of the department it is necessary, it may require any person, by notice served upon such person, or by regulations, to make such returns, render such statements or keep such records as the department deems sufficient to show whether or not such person is liable to pay or collect tax under this article.

(b) Persons Collecting Tax from Others. Any person liable to collect tax from another person under the provisions of this article shall file reports, keep records, make payments and be subject to interest and penalties as provided for under this article, in the same manner as if he were directly subject to the tax.

(c) Records of Nonresidents. A nonresident who does business in this Commonwealth as a retail dealer shall keep adequate records of such business or businesses and of the tax due with respect thereto, which records shall at all times be retained within this Commonwealth unless retention outside the Commonwealth is authorized by the department. No taxes collected from purchasers shall be sent outside the Commonwealth without the written consent of, and in accordance with conditions

prescribed by the department. The department may require a taxpayer who desires to retain records or tax collections outside the Commonwealth to assume reasonable out-of-state audit expenses.

(d) Keeping of Separate Records. Any person doing business as a retail dealer who at the same time is engaged in another business or businesses which do not involve the making of sales taxable under this article, shall keep separate books and records of his businesses so as to show the sales taxable under this article separately from his sales not taxable hereunder. If any such person fails to keep such separate books and records, he shall be liable for tax at the rate designated in section 202 of this article upon the entire purchase price of sales from both or all of his businesses.

(e) Other Methods. In those instances where a vendor gives no sales memoranda or uses registers showing only total sales, the vendor must adopt some method of segregating tax from sales receipts and keep records showing such segregation, all in accordance with proper accounting and business practices.

A vendor may apply to the department for permission to use a collection and recording procedure which will show such information as the law requires with reasonable accuracy and simplicity. Such application must contain a detailed description of the procedure to be adopted. Permission to use the proposed procedure is not to be construed as relieving the vendor from remitting the full amount of tax collected. The department may revoke such permission upon thirty days' notice to the vendor. Refusal of the department to grant permission in advance to use such procedure shall not be construed to invalidate a procedure which upon examination shows such information as the law requires.

Section 271.1. Reports and Records of Promoters.--Every licensed promoter shall keep a record of the date and place of each show and the name, address, sales, use and hotel occupancy license number of every person whom he permits to display for sale or to sell tangible personal property or services subject to tax under section 202 at such show. Such records shall be open for inspection and examination at any reasonable time by the department or a duly authorized representative, and such records shall, unless the department consents in writing to an earlier destruction, be preserved for three years after the date the report was filed or the date it was due, whichever occurs later, except that the department may by regulation require that they be kept for a longer period of time.

(271.1 added May 2, 1985, P.L.28, No.13)

Section 272. Examinations.--The department or any of its authorized agents is hereby authorized to examine the books, papers and records of any taxpayer in order to verify the accuracy and completeness of any return made or, if no return was made, to ascertain and assess the tax imposed by this article. The department may require the preservation of all such books, papers and records for any period deemed proper by it but not to exceed three years from the end of the calendar year to which the records relate. Every such taxpayer is hereby required to give to the department, or its agent, the means, facilities and opportunity for such examinations and investigation. The department is further authorized to examine any person, under oath, concerning taxable sales or use by any taxpayer or concerning any other matter relating to the enforcement or administration of this article, and to this end may compel the production of books, papers and records and the attendance of all persons whether as parties or witnesses whom

it believes to have knowledge of such matters. The procedure for such hearings or examinations shall be the same as that provided by The Fiscal Code relating to inquisitorial powers of fiscal officers.

Section 273. Records and Examinations of Delivery Agents.--Every agent for the purpose of delivery of goods shipped into the Commonwealth by a nonresident including, but not limited to, common carriers shall maintain adequate records of such deliveries pursuant to rules and regulations adopted by the department and shall make such records available to the department upon request after due notice.

Section 274. Unauthorized Disclosure.--Any information gained by the department as a result of any return, examination, investigation, hearing or verification, required or authorized by this article, shall be confidential, except for official purposes and except in accordance with proper judicial order or as otherwise provided by law, and any person unlawfully divulging such information shall be guilty of a misdemeanor, and, upon conviction thereof, shall be sentenced to pay a fine not in excess of one thousand dollars (\$1000) and costs of prosecution, or to undergo imprisonment for not more than one year, or both.

Section 275. Cooperation with Other Governments.--Notwithstanding the provisions of section 274, the department may permit the Commissioner of Internal Revenue of the United States, or the proper officer of any state, or the authorized representative of either such officer, to inspect the tax returns of any taxpayer, or may furnish to such officer or to his authorized representative an abstract of the return of any taxpayer, or supply him with information concerning any item contained in any return or disclosed by the report of any examination or investigation of the return of any taxpayer. This permission shall be granted only if the statutes of the United States or of such other state, as the case may be, grant substantially similar privileges to the proper officer of the Commonwealth charged with the administration of this article.

Section 276. Interstate Compacts.--The Governor, or his authorized representative, is hereby vested with authority to confer with the Governor and the authorized representatives of other states with respect to reciprocal use tax collection between Pennsylvania and such other states.

The Governor, or his representative, is authorized to join with such authorities of other states to conduct joint investigations, to exchange information, hold joint hearings and enter into compacts or interstate agreements with such other states to accomplish uniform reciprocal use tax collections between those states who are parties to any compact or interstate agreement and the Commonwealth of Pennsylvania.

Section 277. Bonds.--(a) Taxpayer to File Bond. Whenever the department in its discretion, deems it necessary to protect the revenues to be obtained under the provisions of this article, it may require any nonresident natural person or any foreign corporation, association, fiduciary, partnership or other entity, not authorized to do business within this Commonwealth or not having an established place of business therein and subject to the tax imposed by section 202 of this article, to file a bond issued by a surety company authorized to do business in this Commonwealth and approved by the Insurance Commissioner as to solvency and responsibility, in such amounts as it may fix, to secure the payment of any tax or penalties due, or which may become due, from such natural person or corporation. In order to protect the revenues to be

obtained under the provisions of this article, the department shall require any nonresident natural person or any foreign corporation, association, fiduciary, partnership or entity, who or which is a building contractor, or who or which is a supplier delivering building materials for work in this Commonwealth and is not authorized to do business within this Commonwealth or does not have an established place of business therein and is subject to the tax imposed by section 202 of this article, to file a bond issued by a surety company authorized to do business in this Commonwealth and approved by the Insurance Commissioner as to solvency and responsibility, in such amounts as it may fix, to secure the payments of any tax or penalties due, or which may become due, from such natural person, corporation or other entity. The department may also require such a bond of any person petitioning the department for reassessment, in the case of any assessment over five hundred dollars (\$500) or where it is of the opinion that the ultimate collection is in jeopardy. The department may, for a period of three years, require such a bond of any person who has on three or more occasions within a twelve month period either filed a return or made payment to the department more than thirty days late. In the event that the department determines that a taxpayer is to file such a bond, it shall give notice to such taxpayer to that effect, specifying the amount of the bond required. The taxpayer shall file such bond within five days after the giving of such notice by the department unless, within such five days, the taxpayer shall request, in writing, a hearing before the Secretary of Revenue or his representative at which hearing the necessity, propriety and amount of the bond shall be determined by the secretary or such representative. Such determination shall be final and shall be complied with within fifteen days after notice thereof is mailed to the taxpayer.

(b) Securities in Lieu of Bond. In lieu of the bond required by this section, securities approved by the department, or cash in such amount as it may prescribe, may be deposited. Such securities or cash shall be kept in the custody of the department, who may, at any time, without notice to the depositor, apply them to any tax and/or interest or penalties due, and for that purpose the securities may be sold by the department, at public or private sale, upon five days written notice to the depositor.

(c) Failure to File Bond. The department may file a lien pursuant to section 242 against any taxpayer who fails to file a bond when required to do so under this section. All funds received upon execution of the judgment on such lien shall be refunded to the taxpayer with three per cent interest should a final determination be made that he does not owe any payment to the department.

Section 278. Remote Sales Reports.--(a) Within ninety days of the publication of the notice under subsection (b), the Independent Fiscal Office, in conjunction with the Department of Revenue, shall submit a detailed report to the chairman and minority chairman of the Appropriations Committee of the Senate, the chairman and minority chairman of the Finance Committee of the Senate, the chairman and minority chairman of the Appropriations Committee of the House of Representatives and the chairman and minority chairman of the Finance Committee of the House of Representatives outlining the plans concerning the implementation of the legislation referenced in subsection (b) or other substantially similar Federal legislation, which would grant the Commonwealth the authority to impose and collect the

tax under this article due on sales from remote sellers. The report shall include all of the following:

(1) The amount of State funds necessary to implement the legislation referenced in subsection (b) or other substantially similar legislation. The amount needed shall be itemized, and all costs, including personnel, office expenses and other related costs, shall be included.

(2) The amount of State tax revenue expected to result from the implementation of the legislation referenced in subsection (b) or other substantially similar legislation for the fiscal year and for five fiscal years thereafter.

(3) The source of funds which will be utilized to pay for the legislation referenced in subsection (b) or other substantially similar legislation implementation program.

(4) The legal and practical issues concerning the propriety of collecting and enforcing the tax imposed under this article from remote sellers.

(5) The number of other states which have a similar law in effect and the success or deficiencies of the law.

(6) Proposed draft legislation concerning the implementation of the legislation referenced in subsection (b) or other substantially similar legislation.

(7) A detailed timetable on when separate tasks must be completed for full implementation on an estimated start date.

(b) The Secretary of Revenue shall publish notice in the Pennsylvania Bulletin that Federal legislation relating to remote sellers has been enacted.

(c) ((c) repealed June 22, 2018, P.L.281, No.42)

(d) As used in this section, the term "remote seller" shall have the same meaning as defined in section 213. ((d) added Oct. 30, 2017, P.L.672, No.43)

(278 added July 9, 2013, P.L.270, No.52)

Section 279. Class Actions.--A class action may not be brought against a marketplace facilitator on behalf of purchasers arising from or in any way related to an overpayment of sales or use tax collected by the marketplace facilitator, regardless of whether such action is characterized as a tax refund claim. Nothing in this section shall affect a purchaser's right to seek a refund from the department under other provisions of this article.

(ii) ((ii) deleted by amendment Apr. 23, 1998, P.L.239, No.45)

(iii) The term "net gains or income" and "net losses" shall not include gains or income or loss derived from obligations which are statutorily free from State or local taxation under the act of August 31, 1971 (P.L.395, No.94), entitled "An act exempting from taxation for State and local purposes within the Commonwealth certain obligations, their transfer and the income therefrom (including any profits made on the sale thereof), issued by the Commonwealth, any public authority, commission, board or other agency created by the Commonwealth, any political subdivision of the Commonwealth or any public authority created by any such political subdivision," or under the laws of the United States.

(iv) The term "sale, exchange or other disposition" shall not include the exchange of stock or securities in a corporation a party to a reorganization in pursuance of a plan of reorganization, solely for stock or securities in such corporation or in another corporation a party to the reorganization and the transfer of property to a corporation by one or more persons solely in exchange for stock or securities in such corporation if immediately after the exchange such person or persons are in control of the corporation. The following shall apply:

(A) For purposes of this subparagraph (iv), stock or securities issued for services shall not be considered as issued in return for property.

(B) For purposes of this subparagraph (iv), the term "reorganization" means any of the following:

(I) A statutory merger or consolidation.

(II) The acquisition by one corporation, in exchange solely for all or a part of its voting stock (or in exchange solely for all or a part of the voting stock of a corporation which is in control of the acquiring corporation) of stock of another corporation if, immediately after the acquisition, the acquiring corporation has control of such other corporation (whether or not such acquiring corporation had control immediately before the acquisition).

(III) The acquisition by one corporation, in exchange solely for all or a part of its voting stock (or in exchange solely for all or a part of the voting stock of a corporation which is in control of the acquiring corporation), of substantially all of the properties of another corporation, but in determining whether the exchange is solely for stock the assumption by the acquiring corporation of a liability of the other, or the fact that property acquired is subject to a liability, shall be disregarded.

(IV) A transfer by a corporation of all or a part of its assets to another corporation if immediately after the transfer the transferor, or one or more of its shareholders (including persons who were shareholders immediately before the transfer), or any combination thereof, is in control of the corporation to which the assets are transferred.

(V) A recapitalization.

(VI) A mere change in identity, form, or place of organization however effected.

(C) The acquisition by one corporation, in exchange for stock of a corporation (referred to in this clause (C) as "controlling corporation") which is in control of the acquiring corporation, of substantially all of the properties of another corporation which in the transaction is merged into the acquiring corporation shall not disqualify a transaction under clause (B)(I) if such transaction would have qualified under clause (B)(I) if the merger had been into the controlling corporation, and no stock of the acquiring corporation is used in the transaction.

(D) A transaction otherwise qualifying under clause (B)(I) shall not be disqualified by reason of the fact that stock of a corporation (referred to in this clause (D) as the "controlling corporation") which before the merger was in control of the merged corporation is used in the transaction, if after the transaction, the corporation surviving the merger holds substantially all of its properties and of the properties of the merged corporation (other than stock of the controlling corporation distributed in the transaction); and in the transaction, former shareholders of the surviving corporation exchanged, for an amount of voting stock of the controlling corporation, an amount of stock in the surviving corporation which constitutes control of such corporation.

(E) For purposes of this subparagraph (iv):

(I) The term "control" means the ownership of stock possessing at least eighty per cent of the total combined voting power of all classes of stock entitled to vote and at least eighty per cent of the total number of shares of all other classes of stock of the corporation.

(II) The term "a party to a reorganization" includes a corporation resulting from a reorganization, and both corporations, in the case of a reorganization resulting from the acquisition by one corporation of stock or properties of another. In the case of a reorganization qualifying under clause (B)(I) by reason of clause (C) the term "a party to a reorganization" includes the controlling corporation referred to in clause (C).

(F) Notwithstanding any provisions hereof, upon every such exchange or conversion, the taxpayer's base for the stock or securities received shall be the same as the taxpayer's actual or attributed base for the stock, securities or property surrendered in exchange therefor.

(v) The term "sale, exchange or other disposition" shall not include a transfer by a common trust fund described in section 584 of the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 584) of all or substantially all of its assets to one or more companies described in section 851 of the Internal Revenue Code of 1986 (26 U.S.C. § 851) in exchange for stock or units of beneficial interest in the company or companies to which such assets are transferred and the distribution of such stock or units by the fund to its participants in exchange for their interest in the fund, if no gain or loss is recognized on the transfer or distribution for

Federal income tax purposes. Upon every such exchange, the taxpayer's base for the stock or units or assets received shall be the same as the taxpayer's actual or attributed base for the assets, stock, units or interest surrendered in exchange therefor.

(vi) The term "sale, exchange or other disposition" shall not include a transfer of an interest in an enterprise treated as a partnership for purposes of this article in exchange for an interest in any other enterprise treated as a partnership for purposes of this article, a liquidation made in connection therewith or an exchange made pursuant to a statutory merger, consolidation or division of enterprises so treated unless taxable income or gain is recognized for Federal income tax purposes. Upon every such exchange, the taxpayer's base for the interest received shall be the same as the taxpayer's actual or attributed base for the interest surrendered in exchange therefor.

(vii) The term "net gains or net income, less net losses," shall not include any gain or loss from the sale, exchange or other disposition of the taxpayer's principal residence.

(A) For purposes of this subparagraph, the term "principal residence" shall mean the property that has been owned and used by the taxpayer as the taxpayer's principal residence for periods aggregating two years or more during the five-year period ending on the date of the sale, exchange or disposition: Provided, however, That the following shall apply:

(I) In the case of property only a portion of which, during the five-year period ending on the date of the sale, exchange or disposition, has been owned or used by the taxpayer as the taxpayer's principal residence for periods aggregating two years or more, this subparagraph shall apply with respect to so much of the gain from the sale, exchange or disposition of such property as is determined under regulations prescribed by the department to be attributable to that portion.

(II) In the case of a principal residence only a portion of which has never been subject to the allowance for depreciation, this subparagraph shall apply with respect to so much of the gain from the sale, exchange or disposition of such property as is determined under regulations prescribed by the department to be attributable to that portion.

(B) The provisions of this subparagraph shall not apply to a sale, exchange or disposition if, during the two-year period ending upon the date of the sale, exchange or disposition, there was a prior sale, exchange or disposition by the taxpayer of a principal residence unless the sale, exchange or disposition is by reason of a change in employment, health or, to the extent provided in regulations, unforeseen circumstances.

(C) The provisions of this subparagraph shall not apply to any sale, exchange or disposition made prior to January 1, 1998.

((vii) added Apr. 23, 1998, P.L.239, No.45)

The deduction must be reasonable and shall be computed in accordance with the property's adjusted basis at the time placed in service, reasonably estimated useful life and net salvage value at the end of its reasonably estimated useful economic life under the straight-line method or other method prescribed by the department, except a taxpayer may use any depreciation method, recovery method or convention that is also used by the taxpayer in determining Federal net taxable income if, when placed in service, the property has the same adjusted basis for Federal income tax purposes and the method or convention is allowable for Federal income tax purposes at the time the property is placed in service or under the Internal Revenue Code of 1986, whichever is earlier. For purposes of this subsection, a claimant shall not be considered to be married if:

(i) The claimant and the claimant's spouse file separate returns; and

(ii) The claimant and the claimant's spouse live apart at all times during the last six months of the taxable year or are separated pursuant to a written separation agreement.

(i) Ninety per cent if not in excess of two hundred fifty dollars (\$250).

In the case of taxes imposed pursuant to section 1374 of the Internal Revenue Code of 1986, as amended to January 1, 1997, or Article IV, the character of such loss shall be determined by allocating the loss proportionately among the recognized built-in gains giving rise to such tax.

(c) If a Pennsylvania S corporation makes a distribution of property, other than an obligation of such corporation, with respect to its stock and the fair market value of such property exceeds its adjusted basis in the hands of the corporation, then gain shall be recognized on the distribution as if the property had been sold to the distributee at its fair market value.

(b) Each shareholder's pro rata share of any item for any taxable year shall be the sum of the amounts determined with respect to the shareholder by assigning an equal portion of all items to each day of the taxable year and then by dividing that portion pro rata among the shares outstanding on such day.

(c) The character of any item included in the shareholder's pro rata share shall be determined as if such item were realized directly by the shareholder from the source from which it was realized by the corporation or incurred in the same manner as incurred by the corporation.

(d) With respect to any deduction allowed pursuant to section 307.8(e), any nonresident shareholder shall be allowed such deduction only to the extent that the previously disallowed deduction would have been considered a deduction related to income from sources within this Commonwealth, within the meaning of section 301(k), during the taxable year when the deduction was disallowed.

(e) For all purposes of this article, a qualified Subchapter S subsidiary owned by a Pennsylvania S corporation shall not be treated as a separate corporation, and all assets, liabilities and items of income, deduction and credit of such qualified Subchapter S subsidiary shall be treated as assets, liabilities and items of income, deduction and credit of the parent Pennsylvania S corporation.

(b) The basis of any shareholder's stock in a Pennsylvania S corporation shall be decreased for any period, but not below zero, by any distribution by the corporation to the shareholder which was not included in the income of the shareholder pursuant to section 307.12 and by his share of the corporation's losses as determined under section 307.9 to the extent that the loss reduced the shareholder's income subject to the tax imposed under this article or a tax measured by net income, imposed on the shareholder by any other state.

(c) If for any taxable year any shareholder's basis in the stock of a Pennsylvania S corporation is reduced to zero, any excess losses will reduce the shareholder's basis, but not below zero, in any indebtedness of the Pennsylvania S corporation to the shareholder.

(d) If a shareholder's basis in any indebtedness is reduced under subsection (c) of this section, then such reduction shall be restored before the shareholder's basis in the Pennsylvania S corporation's stock is increased.

(b) A distribution of property by a Pennsylvania S corporation which has accumulated earnings and profits shall be treated in the same manner as a distribution by a

Pennsylvania S corporation without earnings and profits to the extent of the corporation's accumulated adjustment account. That portion of the distribution in excess of the accumulated adjustment account will be treated as a dividend to the extent of the accumulated earnings and profits of the corporation. Any portion of the distribution in excess of the accumulated earnings and profits of the corporation shall be treated in the same manner as a distribution from a Pennsylvania S corporation without accumulated earnings and profits.

(c) Accumulated adjustment account means an account of the Pennsylvania S corporation which is cumulatively adjusted for the most recent continuous period during which the corporation has been a Pennsylvania S corporation by increasing the account for corporate income and decreasing the account for corporate losses and all distributions of property by the corporation to the shareholders which were not included in the income of the shareholders: Provided, That no adjustment shall be made for any income or loss not in any of the classes of income enumerated in section 303 or for any non-deductible expense.

(d) In the case of a non-pro rata distribution of property, the adjustment shall be limited to an amount which bears the same ratio to the balance in such account as the number of shares sold, exchanged or otherwise disposed of bears to the number of shares in the corporation outstanding immediately before such sale, exchange or disposition.

Section 325. Declarations of Estimated Tax.--(a) (1) Every resident and nonresident individual, trust and estate shall at the time hereinafter prescribed make a declaration of his or its estimated tax for the taxable year, containing such information as the department may prescribe by regulations, if his or its income, other than from income on which tax is withheld under this article, can reasonably be expected to exceed the following dollar amount for the applicable taxable year:

((a) amended Nov. 3, 2022, P.L.1695, No.108)

(b) For the purposes of this article, the term "estimated tax" means the amount which an individual, trust or estate estimates to be his or its tax due under this article for the taxable year, less the amount which he or it estimates to be the sum of any credits allowable against the tax under this article.

(c) A husband and wife may make a joint declaration of estimated tax hereunder as if they were one taxpayer, in which case the liability with respect to the estimated tax shall be joint and several. If a joint declaration is made but husband and wife elect to determine their taxes separately, the estimated tax for such year may be treated as the estimated tax of either husband or wife, or may be divided between them, as they may elect.

(d) Except as hereinafter provided, the date for filing a declaration of estimated tax shall depend upon when the resident or nonresident individual, trust or estate determines that his or its income on which no tax has been withheld under this article can reasonably be expected to exceed the dollar amount under subsection (a), as follows: (Intro. par. amended Nov. 3, 2022, P.L.1695, No.108)

(1) If the determination is made on or before April 1 of the taxable year, a declaration of estimated tax shall be filed no later than April 15 of the taxable year.

(e) Notwithstanding subsection (d) of this section, a declaration of estimated tax of an individual having an estimated gross income from farming for the taxable year which is at least two-thirds of his total estimated gross income for the taxable year may be filed at any time on or before January 15 of the succeeding year, but if the farmer files a final return and pays the entire tax by March 1, the return may be considered as his declaration due on or before January 15.

(f) A declaration of estimated tax of an individual, trust or estate having a total estimated tax for the taxable year of one hundred dollars (\$100) or less may be filed at any time on or before January 15 of the succeeding year under regulations of the department.

(g) An individual, trust or estate may amend a declaration under regulations of the department.

(h) If on or before January 31 of the year succeeding a taxable year, an individual, trust or estate files his or its return for the entire taxable year for which a declaration was required to be filed within the time prescribed by subsection (d)(4) of this section and pays therewith the full amount of the tax shown to be due on the return:

(1) Such return shall be considered as his or its declaration which was required to be filed no later than January 15.

(2) Such return shall be considered as the amendment permitted by subsection (g) to be filed on or before January 15 provided the amount of the tax shown on the return is greater than the amount of the estimated tax shown in a declaration previously made.

(i) This article shall apply to a taxable year other than a calendar year by the substitution of the months of such fiscal year for the corresponding months specified in this section.

(j) This article shall apply to an individual, trust or estate having a taxable year of less than twelve months in accordance with procedures prescribed in regulations of the department.

(1) If the declaration is filed on or before April 15 of the taxable year, the estimated tax shall be paid in four equal installments. The first installment shall be paid at the time of the filing of the declaration, and the second, third and fourth installments shall be paid on or before the succeeding June 15, September 15, and January 15, respectively.

(2) If the declaration is not required to be filed on or before April 15 of the taxable year and is filed after April 15, but before June 16 of the taxable year, the estimated tax shall be paid in three equal installments. The first installment shall be paid at the time of the filing of the declaration, and the second shall be paid on the succeeding January 15.

(4) If the declaration is not required to be filed on or before September 15 of the taxable year and is filed after September 15 of the taxable year, the estimated tax shall be paid in full at the time of the filing of the declaration.

(5) If the declaration is not filed within the time prescribed therefor, or after the expiration of any extension of time therefor, clauses (2), (3) and (4) of this subsection shall not apply, and there shall be paid at the time of such filing the amount of all installments of estimated tax which were due and payable on or before the date the declaration was filed, and the remaining installments shall be paid at such times and in such amounts as they would have been payable if the declaration had been filed when due.

(b) If an individual described in subsection (e) of section 325 (relating to farmers) makes a declaration of estimated tax after September 15 of the taxable year, but before the following March 1, the estimated tax shall be paid in full at the time of the filing of the declaration.

(c) If any amendment of a declaration is filed, the remaining unpaid installments, if any, shall be ratably increased or decreased, as the case may be, to reflect any increase or decrease in the estimated tax by reason of such amendment, and if any amendment is made after September 15 of the taxable year, any increase in the estimated tax by reason thereof shall be paid at the time of making such amendment.

Section 331. Returns of Married Individuals, Deceased or Disabled Individuals and Fiduciaries.--(a) If the income tax liability of husband or wife is determined on a separate return, their income tax liabilities under this article shall be separate.

(b) If the income tax liabilities of husband and wife are determined on a joint return, their tax liabilities shall be joint and several.

(c) If either husband or wife is a resident and the other is a nonresident, they shall file separate tax returns under this article on such single or separate forms as may be required by the department, in which event their tax liabilities shall be separate except as provided in subsection (d) unless both elect to determine their joint taxable income as if both were residents, in which event their tax liabilities shall be joint and several.

(d) If husband and wife file separate tax returns under this article on a single form pursuant to subsections (b) or (c) and:

(1) If the sum of the payments by either spouse, including withheld and estimated taxes, exceeds the amount of the tax for which such spouse is separately liable, the excess may be applied by the department to the credit of the other spouse if the sum of the payments by such other spouse, including withheld and estimated taxes, is less than the amount of the tax for which such other spouse is separately liable.

(2) If the sum of the payments made by both spouses with respect to the taxes for which they are separately liable, including withheld and estimated taxes, exceeds the total of the taxes due, refund of the excess may be made payable to both spouses, or if either is deceased, to the survivor.

Provided, however, That the provisions of this subsection (d) shall not apply if the return of either spouse includes a demand that any overpayment made by him or her shall be applied only on account of his or her separate liability.

(e) Except as provided under subsections (e.1) and (e.2), the final return for any deceased individual shall be made, signed and filed by his executor, administrator, or other personal representative charged with his property. ((e) amended July 2, 2012, P.L.751, No.85)

(e.1) (1) During the year in which a spouse dies, a surviving spouse may file his or her return for the year jointly with the final return of his or her deceased spouse if the joint return could have been filed if both spouses were living for the entire taxable year. If a personal representative, executor or administrator or other fiduciary is appointed on behalf of the deceased spouse before the deceased spouse's tax return is filed, the surviving spouse may not file a joint return without

the consent of the fiduciary. If a joint return is filed, both the fiduciary of the deceased spouse's estate and the surviving spouse must sign the joint return.

(2) A surviving spouse may make, sign and file the final tax return of his or her deceased spouse if the deceased spouse did not previously file a return for that taxable year and if a personal representative, executor or administrator has not been appointed by the time the return is made, signed and filed. If the surviving spouse properly files a final return for the deceased spouse under this paragraph, a fiduciary who is later appointed for the deceased spouse may supersede the final return filed by the surviving spouse by filing a separate return for the deceased spouse. Any joint return improperly filed by the surviving spouse or superseded by the fiduciary shall be treated as void. If the surviving spouse files his or her own tax return jointly with the deceased spouse's return under this paragraph and the return is superseded by the filing of a return by the deceased spouse's fiduciary, the surviving spouse shall be required to file a separate return within 90 days of the filing of the fiduciary's return. The surviving spouse's separate return shall be deemed to be filed:

(i) on the day the joint return was filed if it is filed within such time; or

(ii) the date the department receives it.

((e.1) added July 2, 2012, P.L.751, No.85)

(e.2) If both taxpayers die during the same tax year, a final return for each deceased spouse may be jointly filed if a joint return could have been filed had both spouses lived for the entire taxable year and with the consent of the personal representatives, executors or administrators of both deceased spouses under subsection (e.1) by the due date, including extensions, of the joint tax return. Both fiduciaries must sign the joint return. ((e.2) added July 2, 2012, P.L.751, No.85)

(f) The return for an individual who is unable to make a return by reason of minority or other disability shall be made and filed by his guardian, committee, fiduciary or other person charged with the care of his person or property, or by his duly authorized agent.

(g) The return for an estate or trust shall be made and filed by the fiduciary. If two or more fiduciaries are acting jointly, the return may be made by any one of them. If the executor of the estate and trustee of the trust make an election under section 645 of the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 645), as amended, to treat the income of the trust as part of the estate, the fiduciary may make and file a joint tax return for the estate and trust under this subsection for the taxable years when the trust income is reported as part of the estate income in accordance with section 645 of the Internal Revenue Code of 1986, as amended. If the income tax liabilities of the estate and trust are filed on a joint tax return under this subsection, the tax liabilities of the estate and trust shall be joint and several. The provisions of subsection (d) shall be applicable to a joint tax return filed under this subsection. ((g) amended June 28, 2019, P.L.50, No.13)

Section 332. Time and Place for Filing Returns and Paying Tax.--A person required to make and file a return under this article shall, without assessment, notice or demand, pay any tax due thereon to the department on or before the date fixed for filing such return (determined without regard to any extension of time for filing the return). The department shall prescribe by regulation the place for filing and return, declaration, statement, or other document required pursuant to this article and for payment of any tax.

(b) Any return, statement, or other document required of a partnership shall be signed by one or more partners. The fact that a partner's name is signed to a return, statement, or other document, shall be prima facie evidence for all purposes that such partner is authorized to sign on behalf of the partnership.

(c) The making or filing of any return, declaration, statement or other document or copy thereof required to be made or filed pursuant to this article shall constitute a certification by the person making or filing such return, declaration, statement or other document or copy thereof that the statements contained therein are true and that any copy filed is a true copy.

(333 amended June 30, 1995, P.L.139, No.21)

Section 334. Extension of Time.--The department may, upon application, grant a reasonable extension of time for filing any return, declaration, statement, or other document required pursuant to this article, on such terms and conditions as it may require. Except for a taxpayer who is outside the United States, no such extension for filing any return, declaration, statement or other document, shall exceed six months.

(334 added Aug. 31, 1971, P.L.362, No.93)

Section 335. Requirements Concerning Returns, Notices, Records and Statements.--(a) The department may prescribe by regulation for the keeping of records, the content and form of returns, declarations, statements and other documents and the filing of copies of Federal income tax returns and determinations. The department may require any person, by regulation or notice served upon such person, to make such returns, render such statements, or keep such records, as the department may deem sufficient to show whether or not such person is liable for tax under this article.

(b) (1) When required by regulations prescribed by the department:

(i) Any person required under the authority of this article to make a return, declaration, statement, or other document shall include in such return, declaration, statement or other document such identifying number as may be prescribed for securing proper identification of such person.

(ii) Any person with respect to whom a return, declaration, statement, or other document is required under the authority of this article to make a return, declaration, statement, or other document with respect to another person, shall request from such other person, and shall include in any such return, declaration, statement, or other document, such identifying number as may be prescribed for securing proper identification of such other person.

(2) For purposes of this section, the department is authorized to require such information as may be necessary to assign an identifying number to any person.

(c) (1) Every partnership, estate or trust having a resident partner or a resident beneficiary or every partnership, estate or trust having any income derived from sources within this Commonwealth shall make a return for the taxable year setting forth all items of income, loss and deduction, and such other pertinent information as the department may require. Such return shall be filed on or before the fifteenth day of the fourth month following the close of each taxable year. For purposes of this subsection, "taxable year" means year or period which would be a taxable year of the partnership if it were subject to tax under this article.

(2) Every partnership, estate or trust required to file a return under paragraph (1) shall also file with the department a true copy of the income tax return filed with the Federal Government at the time the return required under paragraph (1) is filed.

(3) Every partnership, estate or trust required to file a return under paragraph (1) for any taxable year shall, on or before the day the return is filed, furnish to each partner or nominee for another person or to each beneficiary to whom the income or gains of the estate or trust is taxable a written statement of the partner's pro rata share of each item on the partnership return or the beneficiary's pro rata share of income on the estate or trust return in a form required by the department.

(4) A partnership required to file a return under paragraph (1) for a taxable year shall, on or before the day the return is filed, furnish to each partner classified as a corporation, partnership or disregarded entity for Federal income tax purposes a copy of the Pennsylvania income tax form reporting corporate partner apportioned business income or loss. A reporting partnership shall not be required to provide a partner who is either a partnership or disregarded entity a copy of this form if the reporting partnership is able to determine that an entity classified as a corporation for Federal income tax purposes is not an indirect owner of the reporting partnership.

(d) The department may prescribe regulations requiring returns of information to be made and filed on or before February 28 of each year as to the payment or crediting in any calendar year of amounts of ten dollars (\$10) or more to any taxpayer. Such returns may be required of any person, including lessees or mortgagors of real or personal property, fiduciaries, employers and all officers and employees of this Commonwealth,

or of any municipal corporation or political subdivision of this Commonwealth having the control, receipt, custody, disposal or payment of interest, rents, salaries, wages, premiums, annuities, compensations, remunerations, emoluments or other fixed or determinable gains, profits or income, except interest coupons payable to bearer. A duplicate of the statement as to tax withheld on compensation required to be furnished by an employer to an employee, shall constitute the return of information required to be made under this section with respect to such compensation.

(e) Any person who is required to make a form W-2G return to the Secretary of the Treasury of the United States in regard to taxable gambling or lottery winnings from sources within this Commonwealth shall file a copy of the form with the department by March 1 of each year or, if filed electronically, by March 31 of each year.

If the form 1099-MISC or 1099-NEC filed by a payor with the Secretary of the Treasury of the United States does not include the State income and State tax withheld as required under section 316.2, the payor shall update the copies of form 1099-MISC or 1099-NEC to be provided pursuant to this section to reflect such information prior to filing it with the department and sending it to the payee.

((1) amended June 30, 2021, P.L.124, No.25)

(2) If the payor is required to perform electronic filing for Pennsylvania employer withholding purposes, the form 1099-MISC or 1099-NEC shall be filed electronically with the department. ((2) amended June 30, 2021, P.L.124, No.25)

(1) The claimant may claim the special tax provisions upon the expiration of his taxable year in connection with his filing of an annual return under the provisions of this article. Notwithstanding any other provisions of this article to the contrary, the department shall have the power to promulgate such rules or regulations as it may deem necessary to fairly and reasonably implement the provisions of this section.

(2) If the claimant receives income as defined in this article, other than compensation from an employer, he may claim the special tax provisions in connection with his filing of estimated tax returns.

PART X
PROCEDURE AND ADMINISTRATION

Section 337. Payment on Notice and Demand.--Upon receipt of notice and demand from the department, there shall be paid the amount of any tax due under the provisions of this article stated in such notice and demand.

(337 added Aug. 31, 1971, P.L.362, No.93)

Section 338. Assessment.--(a) The department is authorized and required to make the inquiries, determinations and assessments of all taxes imposed by this article.

(b) If the mode or time for the assessment of any tax is not otherwise provided for, the department may establish the same by regulations.

(c) In the event that any taxpayer fails to file a return required by this article, the department may make an estimated assessment (based on information available) of the proper amount of tax owing by the taxpayer. A notice of assessment in the estimated amount shall be sent to the taxpayer. The tax shall be paid within ninety days after a notice of such estimated assessment has been mailed to the taxpayer, unless within such period the taxpayer has filed a petition for reassessment in the manner prescribed by Article XXVII.

(d) A notice of assessment issued by the department pursuant to this article shall be mailed to the taxpayer. The notice shall set forth the basis of the assessment.

(e) (Deleted by amendment).

(338 amended July 2, 2012, P.L.751, No.85)

Compiler's Note: Section 15 of Act 55 of 2007, which amended section 338, provided that the amendment of section 338 shall apply to assessments issued after December 31, 2007.

Compiler's Note: See section 33 of Act 119 of 2006 in the appendix to this act for special provisions relating to determinations and assessments of tax liability by the Department of Revenue after December 31, 2007, and applicability of Act 119 on proceedings, prosecutions, actions, suits or appeals involving assessments,

determinations or settlements of tax liability by the Department of Revenue prior to January 1, 2008.

Section 339. Jeopardy Assessments.--(a) Jeopardy Assessments, Filing and Notice. If the department believes that the assessment or the collection of a deficiency will be jeopardized in whole or in part by delay, it may mail or issue notice of its finding to the taxpayer, together with a demand for immediate payment of the tax or the deficiency declared to be in jeopardy including interest and penalties and additions thereto, if any.

(b) Closing of Taxable Year. If the department believes that a taxpayer designs quickly to depart from the State or to remove his property therefrom or to conceal himself or his property therein, or to do any other act tending to prejudice or to render wholly or partly ineffectual proceedings to collect the tax for the taxable year then last past or the taxable year then current unless such proceedings be brought without delay, the department shall declare the taxable period for such taxpayer immediately terminated and shall cause notice of such finding and declaration to be given the taxpayer, together with a demand for immediate payment of the tax for the taxable period so declared terminated and of the tax for the preceding taxable year or so much of such tax as is unpaid, whether or not the time otherwise allowed by law for filing return and paying the tax has expired; and such taxes shall thereupon become immediately due and payable.

(c) Jeopardy Assessments, Collection. A jeopardy assessment is immediately due and payable, and proceedings for collection may be commenced at once. The taxpayer, however, may stay collection and prevent the jeopardy assessment from becoming final by filing, within ten days after the date of the notice of jeopardy assessment, a petition for reassessment, notwithstanding the provisions of section 2702 to the contrary, accompanied by a bond or other security in such amounts as the department may deem necessary, not exceeding double the amount (including interest and penalties and additions thereto) as to which the stay is desired.

(d) Jeopardy Assessment, When Final. If a petition for reassessment, accompanied by bond or other security is not filed within the ten-day period, the assessment becomes final.

(e) Jeopardy Assessments, Hearing. If the taxpayer has so requested in his petition, the department shall grant him or his authorized representative an oral hearing.

(f) Jeopardy Assessments, Action on Petition for Reassessment. The department shall consider the petition for reassessment and notify the taxpayer of its decision thereon. Its decision as to the validity of the jeopardy assessment shall be final, unless the taxpayer within ninety days after notification of the department's decision files a petition for review authorized under section 2704.

(g) Jeopardy Assessments, Presumptive Evidence of Jeopardy. In any proceeding brought to enforce payment of taxes made due and payable by this section, the belief of the department under subsection (a) whether made after notice to the taxpayer or not, is for all purposes presumptive evidence that the assessment or collection of the tax or the deficiency was in jeopardy. A certificate of the department of the mailing or issuing of the notices specified in this section is presumptive evidence that the notices were mailed or issued.

Section 341. Review by Board of Finance and Revenue.--(341 deleted by amendment Oct. 18, 2006, P.L.1149, No.119)

Section 342. Appeal to the Commonwealth Court.--(342 deleted by amendment Oct. 18, 2006, P.L.1149, No.119)

Section 343. Collection of Tax.--The department shall collect the taxes imposed by this article in the manner provided by law for the collection of taxes imposed by the laws of this Commonwealth.

(343 added Aug. 31, 1971, P.L.362, No.93)

Section 344. Collection upon Failure to Request Reassessment, Review or Appeal.--The department may collect any tax:

(1) After ninety days from the date of mailing of a copy of the notice of assessment, if no petition for reassessment has been filed;

(2) After ninety days from the date of mailing of notice of the department's action thereon, if no petition for review has been filed;

(3) Within thirty days from the date of mailing of notice of the decision of the Board of Finance and Revenue upon a petition for review or from the expiration of the board's time for acting upon such petition, if no decision has been made; or

(4) Immediately, in all cases of judicial sales, receiverships, assignments or bankruptcies.

In any such proceeding for the collection of the tax imposed by this article, the person against whom the assessment was made shall not be permitted to set up any ground of defense that might have been presented to the department, the Board of Finance and Revenue or the Commonwealth Court if such person had properly pursued his administrative remedies under this article.

(344 amended Dec. 3, 1975, P.L.476, No.140)

Section 345. Lien for Tax.--(a) If any person liable to pay any tax neglects or refuses to pay the same on the date the tax becomes collectible, the amount of such tax, together with any costs that may accrue in addition thereto, shall be a lien in favor of the Commonwealth against the real and personal property of such person but only after such lien has been duly entered and docketed of record by the prothonotary of the county where such property is situated. No prothonotary shall require,

as a condition precedent to the entry of such lien, the payment of costs incident thereto.

(b) The department may, at any time, transmit to the prothonotaries of the respective counties certified copies of all liens for taxes imposed by this article. It shall be the duty of each prothonotary receiving such lien to enter and docket the same of record in his office, which lien shall be indexed as judgments are now indexed. All such liens shall have priority to, and be fully paid before, any other obligation, judgment, claim, lien or estate paid and satisfied out of the judicial sale of said real and personal property with which said property may subsequently become charged, or for which it may subsequently become liable, subject, however, to mortgage or other liens existing and duly recorded at the time such tax lien is recorded, save and except the cost of sale and of the writ upon which it is made and real estate taxes imposed or assessed upon said property. A writ of execution may directly issue upon such lien without the issuance and prosecution to judgment of a writ of scire facias: Provided, That not less than ten days before issuance of any execution on the lien, notice of the filing and effect of the lien shall be sent by certified mail to the taxpayer at his last known post office address: And provided further, That the said lien shall have no effect upon any stock of goods, ware or merchandise regularly sold or leased in the ordinary course of business by the person against whom said lien had been entered, unless and until a writ of execution has been issued and a levy made upon said stock of goods, wares and merchandise. ((b) amended Aug. 4, 1991, P.L.97, No.22)

(c) Any wilful failure of any prothonotary to carry out any duty imposed upon him by this section shall be a misdemeanor and, upon conviction, he shall be sentenced to pay a fine not exceeding one thousand dollars (\$1,000) and cost of prosecution, or to undergo imprisonment not exceeding one year, or both.

(345 amended July 1, 1978, P.L.594, No.114)

Section 346. Refund or Credit of Overpayment.--(a) In the case of any payment of tax not due under this article, the department may credit the amount of such overpayment against any liability in respect of the tax imposed by this article on the part of the person who made the overpayment and shall refund any balance to such person. ((a) amended July 1, 1985, P.L.78, No.29)

(b) The department is authorized to prescribe regulations providing for the crediting against the estimated tax for any taxable year of the amount determined to be an overpayment of the tax for a preceding taxable year.

(c) If the taxpayer has paid as an installment of estimated tax more than the correct amount of such installment, the overpayment shall be credited against the unpaid installments, if any. If the amount paid, whether or not on the basis of installments, exceeds the amount determined to be the correct amount of the tax, the overpayment shall be credited or refunded as provided in subsection (a) or (b).

(346 added Aug. 31, 1971, P.L.362, No.93)

Compiler's Note: Section 42(b) of Act 48 of 1994 provided that section 346 is repealed to the extent that it conflicts with the provisions of Act 48 for filing with the Board of Finance and Revenue of petitions for the refund of taxes and other moneys collected by the Department of Revenue.

Compiler's Note: Section 42(b) of Act 48 of 1994 provided that section 347 is repealed to the extent that it conflicts with the provisions of Act 48 for filing with the Board of Finance and Revenue of petitions for the refund of taxes and other moneys collected by the Department of Revenue.

Section 348. Limitations on Assessment and Collection.--(a) The amount of any tax imposed by this article shall be assessed within three years after the return is filed. For the purposes of this subsection and subsection (b), a return filed before the last day prescribed for the filing thereof, or before the last day of any extension of time for the filing thereof, shall be considered as filed on such last day.

(b) If the taxpayer omits from income an amount properly includable therein which is in excess of twenty-five per cent of the amount of income stated in the return, the tax may be assessed at any time within six years after the return was filed.

(c) Where no return is filed, or if a taxpayer shall fail, when required, to file an amended return, the amount of the tax due may be assessed at any time.

(d) Where the taxpayer files a false or fraudulent return with intent to evade the tax imposed by this article, the amount of tax due may be assessed at any time.

(e) The department may, within three years of the granting of any refund or credit or within the period in which an assessment or reassessment could have been filed by the department with respect to the taxable period for which the refund was granted, whichever period shall last occur, file an assessment to recover any refund or part thereof or credit or part thereof which was erroneously made or allowed. Section 349. Extension of Limitation Period.--Notwithstanding section 348, where, before the expiration of the period prescribed therein a taxpayer has consented in writing that such period be extended, the amount of tax due may be assessed at any time within such extended period. The period so extended may be further extended by subsequent consents in writing made before the expiration of the extended period.

(349 added Aug. 31, 1971, P.L.362, No.93)

Section 351. Interest.--(a) If any amount of tax imposed by Part II of this article is not paid on or before the last date prescribed for payment, interest on such amount at the rate established pursuant to section 806 of the act of April 9, 1929 (P.L.343, No.176), known as "The Fiscal Code," shall be paid for the period from such last date to the date paid. The last date prescribed for payment shall be determined without regard to any extension of time for filing the return. This section shall not apply to any failure to pay estimated tax.

(b) If any amount of tax required to be withheld by an employer and paid to the department under Part VII of this article is not paid by the due date prescribed under section 319, interest on the amount at the rate established under section 806 of "The Fiscal Code" shall be paid from that date for the period of underpayment.

(351 amended June 29, 1984, P.L.445, No.94)

Section 352. Additions, Penalties and Fees.--(a) In case of failure to file any return required under this article on the date prescribed therefor, determined with regard to any extension of time for filing, unless it is shown that such failure is due to reasonable cause and not due to wilful neglect, there shall be added to the amount required to be shown as tax on such return five per cent of the amount of such tax if the failure is for not more than one month, with an additional five per cent for each additional month or fraction thereof during which such failure continues, not exceeding twenty-five per cent, in the aggregate, but in no case shall the amount added be less than five dollars (\$5). The amount of tax required to be shown on the return shall, for purposes of computing the additions for the first month, be reduced by the amount of any part of the tax which is paid on or before the date prescribed for payment of the tax and by the amount of any credit against the tax which may be claimed on the return. The amount of tax required to be shown on the return shall, for purposes of computing the addition for any subsequent month, be reduced by the amount of any part of the tax which is paid by the beginning of the subsequent month and by the amount of any credit against the tax which may be claimed on the return.

(b) (1) If any part of any underpayment of any tax imposed by Part II of this article is due to negligence or intentional disregard of rules and regulations, but without intent to defraud, there shall be added to the tax an amount equal to five per cent of the underpayment.

(2) If any part of any underpayment of any tax imposed by Part II of this article is due to negligence or intentional disregard of rules and regulations, but without intent to defraud, and the underpayment is from a taxpayer omitting from income an amount properly includable therein which is in excess of twenty-five per cent of the amount of income stated on the

taxpayer's return, there shall be added to the tax an amount equal to twenty-five per cent of the underpayment.

((b) amended Aug. 4, 1991, P.L.97, No.22)

(c) If any part of any underpayment of tax required under this article to be shown on a return is due to fraud, there shall be added to the tax an amount equal to fifty per cent of the underpayment. This amount shall be in lieu of any amount determined under subsection (b) or (h).

(d) (1) If any taxpayer fails to pay all or any part of an installment of estimated tax, he shall be deemed to have made an underpayment of estimated tax. There shall be added to the tax for the taxable year an amount at the rate established pursuant to section 806 of the act of April 9, 1929 (P.L.343, No.176), known as "The Fiscal Code," upon the amount of the underpayment for the period of the underpayment but not beyond the fifteenth day of the fourth month following the close of the taxable year. The amount of the underpayment shall be the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to ninety per cent of the tax (two-thirds in the case of an individual described in subsection (e) of section 325) shown on the return for the taxable year (or if no return was filed, of the tax for such year) over the amount, if any, of the installments paid on or before the last day prescribed for such payment. No underpayment shall be deemed to exist with respect to an installment otherwise due on or after the taxpayer's death or, in the case of a decedent's estate or a trust created by the decedent to receive the residue of the decedent's estate, for a period of two years after the decedent's death.

(2) No addition to tax shall be imposed if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the lesser of:

(A) The amount which would have been required to be paid on or before such date if the estimated tax were an amount equal to the tax computed after consideration of the special tax provisions for poverty, at the rates applicable to the taxable year, but otherwise on the basis of the facts shown on his return for, and the law applicable to, the preceding taxable year; or

(B) An amount equal to ninety per cent of the tax computed, at the rates applicable to the taxable year, on the basis of the actual income for the months in the taxable year ending before the month in which the installment is required to be paid, or, in the case of a trust or estate, an amount equal to ninety per cent of the applicable percentage of the tax for the taxable year as determined pursuant to section 6654(d)(2)(C)(ii) of the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 6654), as amended, at rates applicable to the taxable year, computed on an annualized basis in accordance with United States Treasury regulations, based upon the actual income for the months of the taxable year ending with the last day of the second preceding month prior to the month in which the installment is required to be paid.

fraction thereof from the due date, for the period from the due date to the date paid; but the underpayment shall, for purposes of computing the addition for any month, be reduced by the amount of any part of the tax which is paid by the beginning of that month. The penalty imposed by this subsection shall be in addition to any other penalty provided by law. ((i) added Aug. 4, 1991, P.L.97, No.22)

PART XI

MISCELLANEOUS PROVISIONS

(XI added Aug. 31, 1971, P.L.362, No.93)

Section 358. Constitutional Construction.--In addition to the provisions relating to legislative intent contained in subsection (b) of section 303 of this article, if any word, phrase, clause, sentence, sections or provision of this article is for any reason held to be unconstitutional, the decision of the court shall not affect or impair any of the remaining provisions of this article. It is hereby declared as the legislative intent that this article would have been adopted had such unconstitutional word, phrase, clause, sentence, section or provision thereof not been included herein.

(358 added Aug. 31, 1971, P.L.362, No.93)

Section 359. Saving Clause and Limitations.--(a) Notwithstanding anything contained in any law to the contrary, including but not limited to the provisions of the act of August 5, 1932 (Sp.Sess., P.L.45, No.45), referred to as the Sterling Act, the validity of any ordinance or part of any ordinance or any resolution or part of any resolution, and any amendments or supplements thereto now or hereafter enacted or adopted by any political subdivision of this Commonwealth for or relating to the imposition, levy or collection of any tax, shall not be affected or impaired by anything contained in this article, except as hereinafter provided in subsection (b) of this section.

(b) (1) Notwithstanding the provisions of subsection (a) of this section to the contrary, any rate of tax imposed by ordinance of a city of the first class pursuant to the above cited Sterling Act on salaries, wages, commissions, compensation or other income received or to be received for work done or services performed within such city by persons who are not legal residents of such city, shall not, except as hereinafter provided, exceed the tax imposition rate of four and five-sixteenths per cent for the tax year 1977 or for any tax year thereafter.

(2) In the event such city by ordinance imposes a tax rate on residents or nonresidents in excess of the aforesaid tax rate on the income categories enumerated herein, the provisions of the ordinance imposing such tax rate increase on income of persons who are legal residents of such city, shall be deemed valid and legally effective within the meaning and application of subsection (a) herein. But the provisions of such ordinance imposing a tax rate in excess of four and five-sixteenths per cent with respect to persons who are not legal residents of such city shall be deemed suspended and without any validity to the extent that such tax rate exceeds the tax rate of four

and five-sixteenths per cent on income of such nonresidents. And, such excess tax rate provisions shall remain suspended and without any validity until such date as the city of the first class, by ordinance, imposes a rate of tax on income of both legal residents or nonresidents of such city in excess of the tax rate imposition of five and three-fourths per cent per year. In such case the Legislature hereby declares such suspension to be removed and the tax rate valid as to nonresidents, provided, however, that such suspension is removed and the rate deemed valid only to the extent the tax rate imposed on income of such nonresidents does not exceed seventy-five per cent of the tax rate imposed by ordinance per year on the income of legal residents of such city. It is the intention of the Legislature by this subsection to impose certain terms and conditions with respect to the validity and legal effectiveness of the Sterling Act or of any ordinance of the city of the first class enacted pursuant thereto which imposes a tax on the income of nonresidents of such city.

(3) Notwithstanding the suspension provisions set forth heretofore, each city of the first class which imposes a tax pursuant to the above cited Sterling Act shall, by ordinance direct every employer maintaining an office or transacting business within such city and making payment of compensation (i) to a resident individual, or (ii) to a nonresident individual taxpayer performing services on behalf of such employer within such city, shall deduct and withhold from such compensation for each payroll period a tax computed in such manner as to result, so far as practicable, in withholding from the employee's compensation during each calendar year an amount substantially equivalent to the tax reasonably estimated to be due for such year with respect to such compensation. The method of determining the amount to be withheld shall be to withhold the highest amount of tax imposed with provision in such ordinance to provide refunds of the excess tax withheld to qualified nonresident taxpayers within four months of the end of each calendar year.

(4) In the event that all or any part of the provisions of subsection (b) of this section are declared by a court to be unconstitutional, it shall be the duty of the court to construe the remaining amendatory provisions to Article III in accordance with section 358.

(c) (1) Every employer having a place of business within this Commonwealth who employs one or more persons who are residents of a city of the first class shall, within thirty days after becoming such an employer, register with the revenue commissioner of a city of the first class the employer's name and address and such other information as the revenue commissioner may require.

(2) Every employer having a place of business within this Commonwealth who employs one or more persons who are residents of a city of the first class shall deduct from the salary, wages, commissions or compensation due that person, at the time of payment thereof, the tax imposed by the city of the first class on any salary, wage, commission or other compensation due that employee.

(3) Employers required to withhold taxes under the provisions of this subsection shall calculate the amount of salary, wages, commissions and compensation of employees as determined under the classes of income set forth in section 303 of this article.

(4) Every employer employing one or more persons who are residents of a city of the first class who pay any tax imposed

under this article shall file a return and pay to the revenue commissioner the amount of taxes deducted as provided under clause (3) of this subsection. The return shall be on a form or forms furnished by the revenue commissioner and shall set forth the names and residences of each employee of that employer during all or any part of the period covered by the return, the amounts of salaries, wages, commissions or other compensation earned during such period by each employee, together with such other information as the revenue commissioner may require.

(5) The employer shall remit the return and the total tax deducted in accordance with time frames established by section 319 of this article.

(6) Annually, on or before the twenty-eighth day of February, every employer who has filed returns of tax withheld and remitted the tax through the year shall be required to file an Employer's Annual Reconciliation of Wage Tax Withheld, along with a copy of Form W-2 of the Internal Revenue Service for each employee, other listings or electronic data processing tapes, setting forth the following information: (i) name and address of employer; (ii) employer's Federal identification number; (iii) full name and residence address of each employee; (iv) employee's Social Security number; (v) total wages paid during the year before any deductions; and (vi) employer's city account number.

(7) Employers or their designated agents required to file with the revenue commissioner under this subsection shall not be required by the revenue commissioner to be bonded. Employer liability for taxes withheld under this subsection shall be the same as provided in sections 320 and 321 of this article.

(8) If an employer fails to deduct and withhold tax as prescribed in this subsection, it shall not relieve the employee from payment of such tax where payment cannot, for any reason, be obtained from the employer.

(359 amended June 16, 1994, P.L.279, No.48)

Section 360. Transfer of Funds.--(360 deleted by amendment May 12, 1999, P.L.26, No.4)

Compiler's Note: Section 32(9) of Act 4 of 1999, which amended section 360, provided that the amendment shall apply to prizes won after June 30, 1999.

Section 361. Effective Date.--Except as hereinafter provided this article shall take effect immediately, except the tax shall first apply and be imposed upon income received by or accrued to a taxpayer on and after June 1, 1971: Provided, however, That a taxpayer who filed returns on the basis of a fiscal year or who is the beneficiary of an estate or trust or member of a partnership which files its returns under this article on the basis of a fiscal year, shall be subject to tax for his first taxable period on the portion of his fiscal year or of the fiscal year of the estate, trust or partnership which postdates May 31, 1971, as prescribed by the department by regulations. Section 1016 which provides for additions or penalties to the tax shall not take effect until thirty days after the date on which the department has promulgated and issued regulations relating to the duties and liabilities imposed on taxpayers under this article.

In calculating taxable income under this paragraph, when the taxpayer is engaged in one or more transactions with an affiliated entity that was subject to tax in this Commonwealth or another state or possession of the United States on a tax base that included the intangible expense or cost, or the interest expense or cost, paid, accrued or incurred by the taxpayer, the taxpayer shall receive a credit against tax due in this Commonwealth in an amount equal to the apportionment factor of the taxpayer in this Commonwealth multiplied by the greater of the following:

The credit issued under this paragraph shall not exceed the taxpayer's liability in this Commonwealth attributable to the net income taxed as a result of the adjustment required by this paragraph.

(2) The adjustment required by paragraph (1) shall not apply to a transaction that did not have as the principal purpose the avoidance of tax due under this article and was done at arm's length rates and terms.

(3) The adjustment required by paragraph (1) shall not apply to a transaction between a taxpayer and an affiliated entity domiciled in a foreign nation which has in force a comprehensive income tax treaty with the United States providing for the allocation of all categories of income subject to taxation, or the withholding of tax, on royalties, licenses, fees and interest for the prevention of double taxation of the respective nations' residents and the sharing of information.

(4) The adjustment required by paragraph (1) shall not apply to a transaction where an affiliated entity directly or indirectly paid, accrued or incurred a payment to a person who is not an affiliated entity, if the payment is paid, accrued or incurred on the intangible expense or cost, or interest expense or cost, and is equal to or less than the taxpayer's proportional share of the transaction. The taxpayer's proportional share shall be based on relative sales, assets, liabilities or another reasonable method.

Every partnership exercising, whether in its own name or through any person, association, business trust, corporation, joint venture, limited liability company, limited partnership, partnership or other entity, any of the privileges specified in section 402(a)(1) through (4) shall make a return for the taxable year of its net nonfiling corporate partners' shares of income and deductions.

(b) A partnership required to file a report under subsection (a) shall withhold and pay to the department a tax on behalf of its nonfiling corporate partners in an amount equal to its net nonfiling corporate partners' shares of income and deductions as reported to the Federal Government multiplied by the tax rate applicable to the taxable year being reported. Any amount withheld and paid to the department on behalf of a nonfiling corporate partner shall be considered a tax payment by that partner and credited to its account as if it was directly paid by the partner.

(c) If an amount of tax required to be withheld and paid under this section is not paid on or before the date prescribed, a penalty of five per cent of the underpayment for each month or fraction of a month from the due date to the date paid shall be added to the tax and paid to the department. The underpayment shall, for purposes of computing the addition for any month, be reduced by the amount of the part of the tax which is paid by the beginning of that month. The total of the additions shall not exceed fifty per cent of the amount of the tax.

(d) The report required by subsection (a) shall be filed with the department in a form prescribed by the department, and the payment required by subsection (b) shall be paid to the department on or before the fifteenth day of the fourth month following the end of the taxable year.

(e) The following words, terms and phrases when used in this section shall have the meaning ascribed to them in this section, except where the context clearly indicates a different meaning:

"Net nonfiling corporate partners' shares of income and deductions as reported to the Federal Government." That portion of the income, less the deductions:

(1) reported on Schedule K of the Federal Form 1065, Return of Partnership Income, filed with the Federal Government for the taxable year; and

(2) allocated on Federal Schedule K-1 to nonfiling corporate partners.

If the entire business of the partnership is not transacted in this Commonwealth, the amount computed under this definition shall be apportioned to this Commonwealth as provided in section 401(3)2 as if the partnership were a corporation subject to tax under this article.

"Nonfiling corporate partner." A partner which:

(1) is a corporation as defined in section 401; and

(2) has not filed a tax report and paid the tax required by sections 402 and 403 for the previous taxable year.

Section 404. Consolidated Reports.--The department shall not permit any corporation owning or controlling, directly or indirectly, any of the voting capital stock of another corporation or of other corporations, subject to the provisions of this article, to make a consolidated report, showing the combined net income.

Section 405. Extension of Time to File Reports.--The department may, upon application made to it, in such form as it shall prescribe, on or prior to the last day for filing any annual report, and upon proper cause shown, grant to the corporation, required to file such report, an extension of not more than sixty days within which such report may be filed. If the Federal income tax authorities grant an extension of time for filing the reports with the Federal Government, the department shall automatically grant an extension of time for filing the annual report under this article until the fifteenth day of the month following the termination of the Federal extension, but the amount of tax due shall, in such cases, nevertheless, be subject to interest from the due dates and at the rates fixed by this article.

Section 406. Changes Made by Federal Government.--(a) If the amount of the taxable income, as returned by any corporation to the Federal Government, is finally changed or corrected by the Commission of Internal Revenue or by any other agency or court of the United States, such corporation, within six months after the receipt of such final change or correction, shall make a report of change, under oath or affirmation, to the department showing such finally changed or corrected taxable income, upon which the tax is required to be paid to the United States. In case a corporation fails to file a report of change, which results in an increase in taxable income within the time prescribed, there shall be added to the tax, a penalty of five dollars (\$5) for every day during which such corporation is in default, but the department may abate any such penalty in whole or in part.

(b) If, as a result of such final change or correction, a corporation should report any change in the amount of the taxable income of any corporation upon which tax is imposed by this article, the department shall adjust the corporation's tax on the department's records to conform to the revised tax as

reported and shall credit the taxpayer's account to the extent of any overpayment resulting from the adjustment. The department shall then have the power, and its duty shall be, to determine and assess the taxpayer's unpaid and unreported liability for tax, interest or penalty due the Commonwealth, or to credit the taxpayer's account.

(c) Where a report of change, of Federal income, or Federal tax, has been filed after an administrative or judicial appeal has been taken, the report shall be deemed a part of the original annual report upon petition of the taxpayer at any subsequent proceeding as though it had been filed with the original report, and no separate appeal from an assessment resulting from the report of change, correction, or redetermination shall be necessary to the extent the identical issues for the taxable year have been raised in the appeal.

(d) The provisions of this section shall not be construed so as to permit an assessment based upon the allowance of any deduction on account of net operating losses, sustained in other fiscal or calendar years, that are not allowed as deductions under the definition of "taxable income" as contained in this article.

(e) The provisions of this section shall apply to every corporation which was doing business in Pennsylvania in the year for which the Federal income has been changed, irrespective of whether or not such corporation has thereafter merged, consolidated, withdrawn or dissolved. Any clearance certificate issued by the department shall be conditioned upon the requirement that in the event of a change in Federal income for any year for which taxes have been paid to the Commonwealth, the corporation or its successor or its officers or its directors shall file with the department a report of change and pay any additional State tax resulting therefrom.

Section 406.1. Amended Reports.--(a) (1) Except as provided under subsection (b) or section 406, a taxpayer may, within three years after the due date of the original report, including extensions, file an amended report on a form prescribed by the department, under oath or affirmation, to bring to the attention of the department a correction to the original report and provide additional information that the taxpayer requests the department to consider. An amended report shall satisfy all the requirements of an original report.

(2) A taxpayer may file an amended report if a petition raising other issues is pending at the administrative or judicial appeal level.

(b) A taxpayer may not file an amended report:

(1) instead of a timely appeal of an assessment, except if a taxpayer would be entitled to an adjustment of the taxpayer's tax liability as defined by regulations of the department;

(2) if an administrative appeal board or court has previously addressed an issue raised in an amended report on its merits for that particular tax year; or

(3) that takes a position that is contrary to law or published department policy.

(c) (1) Notwithstanding section 407.3, the filing of an amended report shall extend the department's authority to adjust a taxpayer's tax liability, including the assessment of additional tax for the tax year to one year from the date of the filing of the amended report or three years from the filing of the original report, whichever period expires later.

(2) At any time before the expiration of the applicable statute of limitations, a taxpayer may consent to extend the period for the department to consider an amended report.

(3) A taxpayer shall maintain records until the end of the extended assessment period.

(d) An amended report filed with the department must contain the following:

(1) The calculation of the amended tax liability.

(2) Revised Pennsylvania supporting schedules, if applicable.

(3) An explanation of the changes being made and the reason for the changes.

(4) Other information that the department may request to support the calculation of the amended tax liability.

(e) Where an amended report involving a tax year under appeal has been filed after an administrative or judicial appeal has been taken, the report shall be deemed a part of the original annual report upon petition of the taxpayer at any subsequent proceeding as though it had been filed with the original report, and no separate appeal from an assessment resulting from the report of change, correction or redetermination shall be necessary to the extent the identical issues for the taxable year have been raised in the appeal.

(f) (1) Unless the taxpayer has requested or consented to an extension, the department shall review an amended report and advise the taxpayer in writing within one year of the filing date of the amended report whether the department accepts the amended report. The notice shall provide an explanation of the department's action.

PART IV
ASSESSMENT AND COLLECTION OF TAX
(Hdg. amended Oct. 18, 2006, P.L.1149, No.119)

Compiler's Note: See section 33 of Act 119 of 2006 in the appendix to this act for special provisions relating to determinations and assessments of tax liability by the Department of Revenue after December 31, 2007, and applicability of Act 119 on proceedings, prosecutions, actions, suits or appeals involving assessments, determinations or settlements of tax liability by the Department of Revenue prior to January 1, 2008.

Section 407. Settlement and Resettlement.--(a) All taxes due under this article shall be settled by the department, and such settlement shall be subject to audit and approval by the Department of the Auditor General, and shall, so far as possible, be made so that notice thereof may reach the taxpayer within eighteen months after the tax report was required to be made. The Secretary of Revenue, after consultation with the Auditor General, may develop and implement procedures for the settlement of taxes employing, among other means, automatic data processing, statistical analysis, computer analysis, mechanical handling and issuance of settlement documents, including documents without original signatures, such that will facilitate what he determines to be the most efficient and productive use of the resources within his control required to adequately and reasonably ensure the proper collection of taxes. The Secretary of Revenue shall provide documentation of such procedures to the chairmen of the Appropriations Committee and the Finance Committee of the Senate and of the House of Representatives.

(b) If, within a period of three years after the date of any settlement, the department is not satisfied with such settlement, or if at any time the net income as returned by any corporation to the Federal Government is finally changed or corrected by the Commissioner of Internal Revenue or by any other agency or court of the United States with the result that tax, in addition to the amount paid, is due under this article, the department is hereby authorized and empowered to make a resettlement of the tax due by such corporation, based upon the facts contained in the report, or upon any information within its possession or that shall come into its possession.

Whenever a resettlement shall have been made hereunder, the department shall resettle the account according to law and shall credit or charge, as the case may be, the amount resulting from such resettlement upon the current accounts of the corporation with which it is made.

The resettlement shall be subject to audit and approval by the Department of the Auditor General as in the case of original settlement, and in case of the failure of the two departments to agree, the resettlement shall be submitted to the Board of Finance and Revenue as in the case of original settlements.

(c) Promptly after the date of any such settlement, the department shall send, by mail or otherwise, a copy thereof to such corporation. The tax, interest, and penalty imposed by this article shall be subject to the right of resettlement, review, and refund within the time and in the manner now or hereafter provided for by law for petitions for resettlement, review and refund and to the right of appeal in the manner now or hereafter provided for by law for appeals in the case of tax settlements.

(d) If any corporation shall neglect or refuse to make any report and payment of tax required by this article, the department shall estimate the tax due by such corporation and subject to audit and approval by the Department of the Auditor General, settle the amount due by it for taxes, penalties, and interest thereon as prescribed herein, from which settlement there shall be no right of review or appeal, but the department, with the approval of the Department of the Auditor General, may require a report to be filed, and thereupon make a settlement based upon such report and cancel the estimated settlement.

(e) ((e) repealed June 22, 2001, P.L.353, No.23)

(e.1) This section applies to settlements mailed by the department prior to January 1, 2008. ((e.1) added Oct. 18, 2006, P.L.1149, No.119)

(407 amended Aug. 4, 1991, P.L.97, No.22)

Compiler's Note: See section 33 of Act 119 of 2006 in the appendix to this act for special provisions relating to determinations and assessments of tax liability by the Department of Revenue after December 31, 2007, and applicability of Act 119 on proceedings, prosecutions, actions, suits or appeals involving assessments, determinations or settlements of tax liability by the Department of Revenue prior to January 1, 2008.

Compiler's Note: Section 26(4)(viii) of Act 23 of 2001, which repealed subsection (e), provided that the repeal shall apply to taxable years beginning after December 31, 2000.

Section 407.1. Assessments.--(a) If the department determines that unpaid or unreported tax is due the Commonwealth, the department shall issue an assessment under this section and sections 407.2, 407.3, 407.4 and 407.5. Such an assessment is not subject to the settlement procedure in the act of April 9, 1929 (P.L.343, No.176), known as The Fiscal Code.

(b) A notice of assessment and demand for payment shall be mailed to the taxpayer. The notice shall set forth the basis of the assessment. The assessment shall be paid to the department upon receipt of the notice of assessment. Payment of the assessment shall be without prejudice to the right of the taxpayer to file a petition for reassessment in the manner prescribed by Article XXVII.

(c) In the event that a taxpayer fails to file a report for a tax governed by this article, the department may issue an estimated assessment based upon the records and information available or that may come into the department's possession. If prior to the filing of a report the department estimates that additional unpaid or unreported tax is due the Commonwealth, the department may issue additional estimated assessments.

(d) A notice of estimated assessment and demand for payment shall be mailed to the taxpayer. The assessment shall be paid

to the department upon receipt of the notice of assessment. Payment of the estimated assessment does not eliminate the taxpayer's obligation to file a report.

(e) A taxpayer shall have no right to petition for reassessment, petition for refund or otherwise appeal a notice of estimated assessment except as provided in subsection (f).

(f) The department shall remove an estimated assessment within ninety days of the filing of a report and other information required to determine the tax due the Commonwealth, whereupon the department may issue an assessment as provided in subsection (a). Any tax due the Commonwealth that is included in an estimated assessment shall retain its lien priority as of the date of the estimated assessment to the extent such amount is included with an assessment issued upon the review of the filed report.

(g) (Deleted by amendment).

Compiler's Note: Section 15 of Act 55 of 2007, which amended section 407.1, provided that the amendment of section 407.1 shall apply to assessments issued after December 31, 2007.

Compiler's Note: See section 33 of Act 119 of 2006 in the appendix to this act for special provisions relating to determinations and assessments of tax liability by the Department of Revenue after December 31, 2007, and applicability of Act 119 on proceedings, prosecutions, actions, suits or appeals involving assessments, determinations or settlements of tax liability by the Department of Revenue prior to January 1, 2008.

Section 407.2. Jeopardy Assessments.--(a) If the department believes that the assessment or the collection of unpaid or unreported tax will be jeopardized in whole or in part by delay, it shall issue a jeopardy assessment.

(b) If the department believes that a taxpayer intends to depart from the Commonwealth, remove the taxpayer's property from the Commonwealth, conceal himself or property of the taxpayer from the Commonwealth, or to do any other act that may prejudice or render wholly or partly ineffectual any action to collect any tax for the prior or current tax periods unless the action is brought without delay, the department shall declare the current tax period of the taxpayer immediately terminated. In this case, the department shall issue a jeopardy assessment for the tax period declared terminated and for all prior tax periods, whether or not the time otherwise allowed by law for filing a report or paying the tax has expired.

(c) A notice of jeopardy assessment and demand for payment shall be mailed by certified mail to the taxpayer. The notice of jeopardy assessment shall include the amount of the bond or other security required to stay collection of the assessment.

(d) The jeopardy assessment shall be paid to the department upon receipt of the notice of jeopardy assessment. Payment of the jeopardy assessment does not eliminate the taxpayer's obligation to file a report. If prior to the filing of a report the department estimates that additional unpaid tax is due the Commonwealth, the department may issue additional jeopardy assessments or estimated assessments pursuant to section 407.1.

(e) A jeopardy assessment is immediately due and payable, and proceedings for collection may be commenced at once. The following apply:

(1) The collection of the whole or any amount of a jeopardy assessment may be stayed, at any time before the assessment

becomes final, by filing with the department a bond or other security in such amounts as the department may deem necessary, not exceeding one hundred twenty per cent of the tax for which the stay is desired.

(2) Upon the filing of the bond or other security, the collection of the amount assessed that is covered by the bond or other security shall be stayed. The taxpayer shall have the right to waive the stay at any time in respect to the whole or any part of the amount covered by the bond or other security. If the taxpayer waives any part of the amount covered by the bond or other security, then the bond or other security shall be proportionately reduced upon payment of the amount waived. If any portion of the jeopardy assessment is abated, the bond or other security shall be proportionately reduced at the request of the taxpayer.

(f) (1) A taxpayer may prevent a jeopardy assessment from becoming final by filing a petition for reassessment with the department within thirty days after the mailing date of the notice of jeopardy assessment. The issues to be addressed in the review of the petition shall include:

(i) Whether the making of the jeopardy assessment is reasonable under the circumstances.

(ii) Whether the amount assessed as a result of the jeopardy assessment is appropriate under the circumstances.

(2) The department shall issue a decision and order disposing of a petition filed under paragraph (1) within sixty days after receipt of the petition. Notice of the department's decision and order disposing of the petition shall be mailed to the petitioner.

(3) A taxpayer may file a petition for review of the department's decision and order under paragraph (2) in Commonwealth Court within 30 days after the following:

(i) The mailing date of the department's notice of decision and order on a petition for reassessment of a jeopardy assessment.

(ii) If the petition is not disposed of by the department within sixty days after receipt, the sixtieth day following the date the petition was received by the department.

(4) If it is determined that the making of the jeopardy assessment is unreasonable or that the amount assessed is inappropriate, the assessment may be abated, the assessment may be redetermined in whole or in part, or the department or the taxpayer may be directed to take such other actions as may be appropriate.

(g) Any determination made pursuant to a petition for reassessment under this section shall be final and conclusive upon exhaustion of the appeal rights provided in this section and shall not be reviewed in any other proceeding.

(h) (1) In an action under this section involving the issue of whether the making of a jeopardy assessment is reasonable under the circumstances, the burden of proof in respect to such issue shall be upon the department.

(2) In an action under this section involving the issue of whether an amount assessed as a result of jeopardy assessment is appropriate under the circumstances, the burden of proof in respect to such issue shall be upon the taxpayer.

Section 407.3. Limitations on Assessments.--(a) Tax may be assessed within three years after the date the report is filed.

(b) Tax may be assessed at any time if a taxpayer fails to file a report required by law.

(c) Tax may be assessed at any time if the taxpayer files a false or fraudulent report with intent to evade tax imposed by the tax laws of this Commonwealth.

(d) If at any time within the time limitations specified in this section the department is not satisfied with its determination of the taxpayer's liability, the department may strike all, or any part of, a previously issued assessment or may issue additional assessments of tax.

(e) The department may, within three years of the granting of any refund or credit or within the period in which an assessment could have been filed by the department with respect to the taxable period for which the refund was granted, whichever period shall last occur, file an assessment to recover any refund or part thereof or credit or part thereof which was erroneously made or allowed.

(f) For purposes of this section, a report filed before the last day prescribed for filing shall be deemed to have been filed on the last day.

Section 407.4. Extension of Limitation Period.--Notwithstanding section 407.3, where, before the expiration of the period prescribed in section 407.3, a taxpayer has consented in writing that such period be extended, the amount of tax due may be assessed at any time within the extended period. The period so extended may be further extended by subsequent consents in writing made before the expiration of the extended period.

(c) In case of the failure of the department and the Department of the Auditor General to agree on a determination of tax liability under subsection (a)(1) or (2) within four months, the matter shall be submitted to the Board of Finance and Revenue for decision. If the board fails to reach a decision within three months, the determination of the Department of Revenue shall automatically become valid. The decision of the Board of Finance and Revenue shall be implemented by the issuance of an assessment under this article, a refund or a credit, under section 1108 of "The Fiscal Code," or other appropriate action.

(d) The Secretary of Revenue and the Auditor General shall agree on the development and implementation of procedures for the automated determination of taxes that will facilitate the most efficient and productive use of the resources of their respective agencies required to adequately and reasonably ensure the proper collection of taxes.

(e) Nothing in this part shall limit any powers and duties conferred upon the Department of the Auditor General by statute, including the Constitution of Pennsylvania and Article IV of "The Fiscal Code."

"Average net income." The sum of the net income or loss for each of the current and immediately preceding four years, divided by five. If the entity has not been in existence for a period of five years, the average net income shall be the average net income for the number of years that the entity has actually been in existence. In computing average net income, losses shall be entered as computed, but in no case shall average net income be less than zero. The net income or loss of the entity for any taxable year shall be the amount set forth as income per books on the income tax return filed by the entity with the Federal Government for such taxable year, or if no such return is made, as would have been set forth had such a return been made, subject, however, in either case to any correction thereof, for fraud, evasion or error. In the case of any entity which has an investment in another corporation, the net income or loss shall be computed on an unconsolidated basis exclusive of the net income or loss of such other corporation without regard to how the corporation is treated for Federal income tax purposes. In the case of a limited liability company or business trust that is not taxable as a corporation for Federal income tax purposes, the net income or loss of the limited liability company or business trust for any given year shall be reduced by the amount of distributions made by such limited liability company or business trust to any member of such limited liability company or business trust to

In the case of a limited liability company or business trust that for Federal income tax purposes is a disregarded entity of a natural person, the net income or loss of the limited liability company or business trust for any given year shall be reduced by the amount of distributions made by the limited liability company or business trust to a natural person. For this purpose, distributions which are made to a member of a limited liability company or business trust within thirty (30) days of the end of a given year may be treated as having been made in the preceding year and not in the year in which such distribution is actually made. If a company in a taxable year has both current income and income accumulated from a prior year, distributions during the year shall be deemed to have been made first from current income.

(C) Undistributed personal income tax income shall be apportioned to Pennsylvania by a fraction, the numerator of which is all income distributed during the taxable period to shareholders who are resident individuals, estates or trusts and the denominator of which is all income distributed during the taxable period. (g) In the event that a domestic or foreign entity is required to file a report pursuant to section 601(b) on other than an annual basis, the tax imposed by this section shall be prorated to reflect the portion of a taxable year for which the report is filed by multiplying the tax liability by a fraction equal to the number of days in the taxable year divided by three hundred sixty-five days. ((g) amended May 24, 2000, P.L.106, No.23)

Section 701. Imposition of Tax.--(a) Every institution doing business in this Commonwealth shall, on or before March 15 in each and every year, make to the Department of Revenue a report in writing, verified as required by law, setting forth the full number of shares of the capital stock subscribed for or issued, as of the preceding January 1, by such institution, and the taxable amount of such shares of capital stock determined pursuant to section 701.1.

(b) It shall be the duty of the Department of Revenue to assess such shares for the calendar years beginning January 1, 1971 through January 1, 1983, at the rate of fifteen mills and for the calendar years beginning January 1, 1984 through January 1, 1988, at the rate of one and seventy-five one thousandths per cent and for the calendar year beginning January 1, 1989, at the rate of 10.77 per cent and for the calendar years beginning January 1, 1990, through January 1, 2013, at the rate of 1.25 per cent and for the calendar years beginning January 1, 2014 through January 1, 2016, at the rate of 0.89 per cent and for the calendar year beginning January 1, 2017, and each calendar year thereafter at the rate of 0.95 per cent upon each dollar of taxable amount thereof, the taxable amount of each share of stock to be ascertained and fixed pursuant to section 701.1, and dividing this amount by the number of shares.

(c) It shall be the duty of every institution doing business in this Commonwealth, at the time of making every report required by this section, to compute the tax and to pay the amount of said tax to the State Treasurer, through the Department of Revenue either from its general fund, or from the amount of said tax collected from its shareholders. Provided, That in case any institution shall collect, annually, from the shareholders thereof said tax, according to the provisions of this article, that have been subscribed for or issued, and pay the same into the State Treasury, through the Department of Revenue, the shares, and so much of the capital and profits of such institution as shall not be invested in real estate, shall be exempt from local taxation under the laws of this Commonwealth; and such institution shall not be required to make any report to the local assessor or county commissioners of its personal property owned by it in its own right for purposes of taxation and shall not be required to pay any tax thereon.

(701 amended July 13, 2016, P.L.526, No.84)

52 in the appendix to this act for special provisions relating to applicability.

Section 701.1. Ascertainment of Taxable Amount; Exclusion of United States Obligations.--(a) (1) The taxable amount of shares shall be ascertained and fixed by the book value of total bank equity capital as determined by the Reports of Condition at the end of the preceding calendar year in accordance with the requirements of the Board of Governors of the Federal Reserve System, the Comptroller of the Currency, the Federal Deposit Insurance Corporation or other applicable regulatory authority.

(2) If an institution does not file the Reports of Condition, book values shall be determined by generally accepted accounting principles as of the end of the preceding calendar year.

(3) For institutions which file Reports of Condition on a consolidated basis with subsidiaries formed pursuant to 12 U.S.C. § 611 (relating to formation authorized; fiscal agents; depositaries in insular possessions), total bank equity capital shall exclude the book value of total equity capital of the subsidiaries in accordance with the following schedule:

(i) For the calendar year beginning January 1, 2018, the exclusion for the book value of total equity capital of the subsidiaries shall be limited to twenty per cent of the book value of total equity capital of the subsidiaries.

(iii) For the calendar year beginning January 1, 2020, the exclusion for the book value of total equity capital of the subsidiaries shall be limited to sixty per cent of the book value of total equity capital of the subsidiaries.

(iv) For the calendar year beginning January 1, 2021, the exclusion for the book value of total equity capital of the subsidiaries shall be limited to eighty per cent of the book value of total equity capital of the subsidiaries.

(v) For the calendar year beginning January 1, 2022, and each calendar year thereafter, the exclusion for the book value of total equity capital of the subsidiaries shall be one hundred per cent of the book value of total equity capital of the subsidiaries.

(b) A deduction for the value of United States obligations shall be provided from the taxable amount of shares in an amount equal to the same percentage of total bank equity capital as the book value of obligations of the United States bears to the book value of the total assets. In computing the deduction for United States obligations, any goodwill recorded as a result of the use of purchase accounting for an acquisition or combination as described in this section and occurring after June 30, 2001, shall be subtracted from the book value of total bank equity capital and disregarded in determining the deduction provided for obligations of the United States. For purposes of this article, United States obligations shall be obligations coming within the scope of 31 U.S.C. § 3124 (relating to exemption from taxation).

(b.1) A deduction for goodwill shall be provided from the taxable amount of shares in an amount equal to the value of any goodwill recorded as a result of the use of purchase accounting for an acquisition or combination as described in this section and occurring after June 30, 2001.

(c) For purposes of this section:

(1) a mere change in identity, form or place of organization of one institution, however effected, shall be treated as if a single institution had been in existence prior to as well as after such change; and

(2) if there is a combination of two or more institutions into one, the book values and deductions for United States obligations from the Reports of Condition of the constituent institutions shall be combined. For purposes of this section, a combination shall include any acquisition required to be accounted for by using the purchase method in accordance with generally accepted accounting principles or a statutory merger or consolidation.

(701.3 added July 1, 1989, P.L.95, No.21)

Section 701.4. Apportionment.--An institution may apportion its taxable amount of shares determined under section 701.1 in accordance with this subsection if the institution is subject to tax in another state based on or measured by net worth, gross receipts, net income or some similar base of taxation, or if it could be subject to such tax, whether or not such a tax has in fact been enacted. The following shall apply:

(1) (i) For calendar years beginning prior to January 1, 2014, the taxable amount of shares shall be apportioned in accordance with a fraction, the numerator of which is the sum of the payroll factor, the receipts factor and the deposits factor, and the denominator of which is three. If one of the factors is inapplicable, the denominator is two. If two of the factors are inapplicable, the denominator is one.

(ii) For the calendar year beginning January 1, 2014, and each calendar year thereafter, the taxable amount of shares shall be apportioned based upon the receipts factor, and the payroll and deposits factors shall be disregarded.

(2) The payroll factor is a fraction, the numerator of which is the total wages paid in this Commonwealth and the denominator of which is the total wages paid in all states. Wages are paid in a state if paid to an employee having a regular presence therein.

(3) The receipts factor is a fraction, the numerator of which is total receipts located in this Commonwealth and the denominator of which is the total receipts located in all states. The method of calculating receipts for purposes of the denominator shall be the same as the method used in determining receipts for purposes of the numerator. The location of receipts shall be determined as follows:

(i) The numerator of the receipts factor shall include receipts from the lease or rental of real property owned by the institution if the property is located within this Commonwealth or receipts from the sublease of real property if the property is located within this Commonwealth.

(ii) The following shall apply to receipts from the lease or rental of tangible personal property owned by the institution:

(A) Except as provided under clause (B), the numerator of the receipts factor shall include receipts from the lease or rental of tangible personal property owned by the institution if the property is located within this Commonwealth when it is first placed in service by the lessee.

(B) The following shall apply:

(I) Receipts from the lease or rental of transportation property owned by the institution shall be included in the numerator of the receipts factor to the extent that the property is used in this Commonwealth.

(II) The extent an aircraft shall be deemed to be used in this Commonwealth and the amount of receipts that shall be included in the numerator of this Commonwealth's receipts factor shall be determined by multiplying all the receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this Commonwealth and the denominator of which is the total number of landings of the aircraft.

(III) A motor vehicle shall be deemed to be used wholly in the state in which it is registered.

(IV) If the extent of the use of transportation property within this Commonwealth cannot be determined, the property shall be deemed to be used wholly in the state in which the property has its principal base of operations.

(iii) The following shall apply to interest, fees and penalties in connection with loans secured by real property:

(A) The following shall apply to a calculation under this subparagraph:

(I) The numerator of the receipts factor shall include interest, fees and penalties imposed in connection with loans

secured by real property if the property is located within this Commonwealth.

(II) If the real property under subclause (I) is located both within this Commonwealth and one or more other states, the receipts under this subsection shall be included in the numerator of the receipts factor if more than fifty per cent of the fair market value of the real property is located within this Commonwealth.

(III) If more than fifty per cent of the fair market value of real property under subclause (I) is not located within any single state, the receipts under this subsection shall be included in the numerator of the receipts factor if the borrower is located in this Commonwealth.

(B) The determination of whether real property securing a loan is located within this Commonwealth shall be made as of the time the original agreement was made, and all subsequent substitutions of collateral shall be disregarded.

(iv) The numerator of the receipts factor shall include interest, fees and penalties imposed in connection with loans not secured by real property if the borrower is located in this Commonwealth.

(v) The numerator of the receipts factor shall include net gains from the sale of loans. Net gains from the sale of a loan shall include income recorded under the coupon stripping rules of section 1286 of the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 1286). The following shall apply:

(A) The amount of net gains, equal to zero or above, from the sale of loans secured by real property included in the numerator shall be determined by multiplying the net gains by a fraction, the numerator of which is the amount included in the numerator of the receipts factor under subparagraph (iii) and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

(B) The amount of net gains, equal to zero or above, from the sale of loans not secured by real property included in the numerator shall be determined by multiplying the net gains by a fraction, the numerator of which is the amount included in the numerator of the receipts factor under subparagraph (iv) and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

(vi) The numerator of the receipts factor shall include interest, fees and penalties charged to credit, debit or similar cardholders, including annual fees and overdraft fees, if the billing address of the cardholder is in this Commonwealth.

(vii) The numerator of the receipts factor shall include net gains, equal to zero or above, from the sale of credit card receivables multiplied by a fraction, the numerator of which is the amount included in the numerator of the receipts factor under subparagraph (vi) and the denominator of which is the institution's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to cardholders.

(viii) For card issuer's reimbursement fees, the numerator of the receipts factor shall include:

(A) All credit card issuer's reimbursement fees multiplied by a fraction, the numerator of which is the amount of fees, interest and penalties charged to credit cardholders included in the numerator of the receipts factor under subparagraph (vi) and the denominator of which is the institution's total amount of fees, interest and penalties charged to credit cardholders.

(B) All card issuer's reimbursement fees, except as provided under clause (A), multiplied by a fraction, the numerator of which is the amount of the fees, interest and penalties charged to all other cardholders included in the numerator of the receipts factor under subparagraph (vi) and the denominator of which is the institution's total amount of fees, interest and penalties charged to all other cardholders.

(ix) The following shall apply to receipts from merchant's discounts:

(A) If the institution can readily determine the location of the merchant and if the merchant is in this Commonwealth, the numerator of the receipts factor shall include receipts from merchant discount.

(B) If the institution cannot readily determine the location of the merchant, the numerator of the receipts factor shall include the receipts from the merchant discount multiplied by a fraction:

(I) For a merchant discount related to the use of a credit card, the numerator of which shall be the amount of fees, interest and penalties charged to credit cardholders that is included in the numerator of the receipts factor under subparagraph (vi) and the denominator of which is the institution's total amount of fees, interest and penalties charged to credit cardholders.

(II) For a merchant discount related to the use of a debit card, the numerator of which shall be the amount of fees, interest and penalties charged to debit cardholders that is included in the numerator of the receipts factor under subparagraph (vi) and the denominator of which is the institution's total amount of fees, interest and penalties charged to debit cardholders.

(III) For a merchant discount related to the use of cards, except as provided under subclauses (I) and (II), the numerator of which shall be the amount of fees, interest and penalties charged to all other cardholders that is included in the numerator of the receipts factors under subparagraph (vi) and the denominator of which is the institution's total amount of fees, interest and penalties charged to all other cardholders.

(x) The receipts factor shall include automated teller machine fees that are not forwarded directly to another bank. The following shall apply:

(A) The numerator of the receipts factor shall include fees charged to a cardholder for the use at an automated teller machine of a card issued by the institution if the cardholder's billing address is in this Commonwealth.

(B) The numerator of the receipts factor shall include fees charged to a cardholder, other than the institution's cardholder, for the use of the card at an automated teller machine owned or rented by the institution, if the automated teller machine is in this Commonwealth.

(xi) The following shall apply to loan servicing fees:

(A) (I) The numerator of the receipts factor shall include loan servicing fees derived from loans secured by real property multiplied by a fraction, the numerator of which is the amount included in the numerator of the receipts factor under subparagraph (iii) and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

(II) The numerator of the receipts factor shall include loan servicing fees derived from loans not secured by real property multiplied by a fraction, the numerator of which is the amount included in the numerator of the receipts factor

under subparagraph (iv) and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

(B) If the institution receives loan servicing fees for servicing the secured or the unsecured loans of another institution, the numerator of the receipts factor shall include loan servicing fees if the borrower is located in this Commonwealth.

(xii) The numerator of the receipts factor shall include receipts from services not otherwise apportioned under this section if the recipient of the services receives all of the benefit of the services in this Commonwealth. If the recipient of the services receives some of the benefit of the services in this Commonwealth, the receipts shall be included in the numerator of the apportionment factor in proportion to the extent that the recipient receives benefit of the services in this Commonwealth.

(xiii) The following shall apply to receipts from an institution's investment assets and activity and trading assets and activity:

(A) Interest, dividends, net gains equal to zero or above, and other income from investment assets and activities and from trading assets and activities shall be included in the receipts factor. Investment assets and activities and trading assets and activities shall include investment securities, trading account assets, Federal funds, securities purchased and sold under agreements to resell or repurchase, options, futures contracts, forward contracts and notional principal contracts such as swaps, equities and foreign currency transactions. For the investment and trading assets and activities under subclauses (I) and (II), the receipts factor shall include the amounts under subclauses (I) and (II). The following shall apply:

(I) The receipts factor shall include the amount by which interest from Federal funds sold and securities purchased under resale agreements exceeds interest expense on Federal funds purchased and securities sold under repurchase agreements.

(II) The receipts factor shall include the amount by which interest, dividends, gains and other income from investment and trading assets and activities, including assets and activities in the matched book, in the arbitrage book and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends and losses from the assets and activities.

(B) The numerator of the receipts factor shall include the receipts under clause (A) that are attributable to this Commonwealth using one of the following alternative methods:

(I) Method 1. The numerator shall be determined by multiplying the total amount of receipts under clause (A) by a fraction, the numerator of which is the total amount of all other receipts attributable to this Commonwealth and the denominator of which is the total amount of all other receipts.

(II) Method 2. The numerator shall be determined by multiplying the total amount of receipts under clause (A) by a fraction, the numerator of which is the average value of the assets which generate the receipts which are properly assigned to a regular place of business of the institution within this Commonwealth and the denominator of which is the average value of all such assets.

(C) Upon the election by the institution to use one of the methods under clause (B) for tax imposed for a taxable year beginning after December 31, 2016, the institution shall use the method on all subsequent returns unless the institution

receives prior permission from the Department of Revenue to use a different method.

(D) The following shall apply:

(I) An institution electing to use Method 2 shall have the burden of proving that an investment asset or activity or trading asset or activity was properly assigned to a regular place of business outside of this Commonwealth by demonstrating that the day-to-day decisions regarding the asset or activity occurred at a regular place of business outside this Commonwealth.

(II) If the day-to-day decisions regarding an investment asset or activity or trading asset or activity occur at more than one regular place of business and one regular place of business is in this Commonwealth and one regular place of business is outside this Commonwealth, the asset or activity shall be considered to be located at the regular place of business of the institution where the investment or trading policies or guidelines with respect to the asset or activity are established.

(III) Unless the institution demonstrates to the contrary, the investment or trading policies and guidelines under subclause (II) shall be presumed to be established at the commercial domicile of the institution.

(E) (E) deleted by amendment)

((xiii) amended July 13, 2016, P.L.526, No.84)

(xiv) The following shall apply to receipts from the sale or disposition of property:

(A) The numerator of the receipts factor shall include receipts from the sale or disposition of tangible personal property if the property is delivered or shipped to a purchaser within this Commonwealth regardless of the f.o.b. point or other conditions of the sale.

(B) The numerator of the receipts factor shall include all receipts from the sale or disposition of real property if the property is located in this Commonwealth.

(C) The numerator of the receipts factor shall include all receipts from the sale or disposition of intangible property if:

(I) the commercial domicile of the purchaser or recipient of the property is located in this Commonwealth; or

(II) the purchaser or recipient does not have a commercial domicile, and the billing address of the purchaser or recipient is located in this Commonwealth.

(xv) The following shall apply to receipts not provided for under this paragraph:

(A) The numerator of the receipts factor for receipts not otherwise apportioned under this section shall include receipts if:

(I) the benefit to the customer is received in this Commonwealth; or

(II) the billing address of the customer is located within this Commonwealth; and:

(a) the location where the benefit to the customer is received cannot be determined;

(b) the commercial domicile of the customer is in this Commonwealth; or

(c) the customer does not have a commercial domicile.

(B) If receipts subject to this paragraph are not received from a customer, the receipts shall be excluded from both the numerator and denominator of the receipts factor.

(xvi) For purposes of determining the location where benefits are received from under subparagraphs (xii) and (xv),

if a service or other activity generating the receipts provides benefits to two or more recipients located in different states or provides benefits to a recipient in more than one state, the location where benefits are received may be estimated using reasonable procedures to estimate the locations in which benefits are received.

(xvii) Receipts which would be assigned under this section to a state in which the institution is not subject to a business privilege tax, a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business or a corporate stock tax or shares tax of the type imposed under this article shall be included in the numerator of the receipts factor if the institution's commercial domicile is in this Commonwealth.

(4) The deposits factor is a fraction, the numerator of which is the average value of deposits located in this Commonwealth during the taxable year and the denominator of which is the average value of the total deposits during the taxable year. The average value of deposits is to be computed on a quarterly basis. Deposits are located in the state in which the institution maintains an office which properly treats the deposits as a liability on its books or records. A deposit is considered to be properly treated as a liability on the books or records of the office with which it has a greater portion of contact. In determining whether a deposit has a greater portion of contact with a particular office, consideration is given to:

(i) Whether the deposit account was opened at or transferred to that office by or at the direction of the depositor, regardless of where subsequent deposits or withdrawals are made.

(ii) Whether employees regularly connected with that office are primarily responsible for servicing the depositor's general banking and other financial needs.

(iii) Whether the deposit was solicited by an employee regularly connected with that office, regardless of where such deposit was actually solicited.

(iv) Whether the terms governing the deposit were negotiated by employees regularly connected with that office, regardless of where the negotiations were actually conducted.

(v) Whether essential records relating to the deposit are kept at that office and whether the deposit is serviced at that office.

Imposition of Tax.--(a) Every company incorporated under the provisions of section 29 of an act, entitled "An act to provide for the incorporation and regulation of certain corporations," approved April 29, 1874, and its supplements, or any other act of Assembly heretofore or hereafter approved, for the insurance of owners of real estate, mortgages, and others interested in real estate, from loss by reason of defective titles, liens, and encumbrances, commonly known as title insurance companies, except any such companies, all of the shares of capital stock of which (other than shares necessary to qualify directors) are owned by a company which is liable to pay to the Commonwealth a tax on shares, shall, on or before March 15 in each and every year, make to the Department of Revenue a report in writing, setting forth the full number of shares of the capital stock subscribed for or issued by such company, and the taxable amount of such shares of capital stock determined pursuant to section 801.1. It shall be the duty of the Department of Revenue, to assess such shares for taxation for calendar years beginning January 1, 1971 through January 1, 1983, at the rate of fifteen mills and for the calendar years beginning January 1, 1984, through January 1, 1988, at the rate of one and seventy-five one thousandths per cent and for the calendar year beginning January 1, 1989, at the rate of 10.77 per cent and for the calendar year beginning January 1, 1990, and each calendar year thereafter at the rate of 1.25 per cent upon each dollar of the taxable amount thereof, the taxable amount of each share of stock to be ascertained and fixed pursuant to section 801.1, and dividing this amount by the number of shares.

(b) It shall be the duty of every such company, at the time of making every report required by this section, to compute the tax and to pay the amount of said tax to the State Treasurer, through the Department of Revenue, either from its general fund, or from the amount of said tax collected from its shareholders: Provided, That for the calendar years beginning January 1, 1971 through January 1, 1991, every such company shall, at the time of making its report for the calendar years beginning January 1, 1971 through January 1, 1991, compute the tax and pay to the State Treasurer, through the Department of Revenue, either from its general fund, or from the amount of said tax collected from its shareholders, not less than eighty per cent of the tax due to the Commonwealth by it for such calendar year and the remaining tax due shall be paid at the time when the report herein required for the year next succeeding is made: Provided, That upon the payment of the tax fixed by this act into the State Treasury, through the Department of Revenue, the shares

and so much of the capital stock, surplus, profits, and deposits of such company as shall not be invested in real estate, shall be exempt from all other taxation under the laws of this Commonwealth. The procedure, in case the Department of Revenue be not satisfied with the report made by any title insurance company, and the penalties for failing to make such report and pay the tax, shall be as provided by law.

Section 801.1. For any year in which a bank or bank and trust company does not file four quarterly Reports of Condition, book values and deductions for United States obligations shall be determined by adding together the book values and deductions for United States obligations from each quarterly Reports of Condition filed for such year and dividing the resulting sums by the number of such Reports of Condition. For any year in which a title insurance company is not in existence for the full year, book values and deductions for United States obligations shall be determined by adding together the book values and deductions for United States obligations as of the end of each calendar quarter in which the company was in existence at the end of such calendar quarter and dividing the resulting sums by the number of such calendar quarters. For purposes of this section, a partial year shall be treated as a full year.

(2) the combination of two or more companies into one shall be treated as if the constituent companies had been a single company in existence prior to as well as after the combination and the book values and deductions for United States obligations as determined by generally accepted accounting principles as of the end of each calendar quarter of the constituent companies shall be combined. For purposes of the preceding sentence, a combination shall include any acquisition required to be

accounted for by the surviving company under the pooling of interest method in accordance with generally accepted accounting principles or a statutory merger or consolidation.

In any case where the works of any corporation, company, copartnership, association, joint-stock association, limited partnership, person or persons are operated by another corporation, company, copartnership, association, joint-stock association, limited partnership, person or persons, the taxes imposed under subsections (a) and (b) shall be apportioned between the corporations, companies, copartnerships, associations, joint-stock associations, limited partnerships, person or persons in accordance with the terms of their respective leases or agreements, but for the payment of the said taxes the Commonwealth shall first look to the corporation, company, copartnership, association, joint-stock association,

(g) Certain Gross Receipts not Taxed.--The tax otherwise imposed pursuant to this section upon gross receipts derived from the sale of electricity shall not however be imposed upon those portions of the gross receipts of an electric light company attributable to the following sources:

(1) the net increase in its gross receipts resulting from recovery from its customers of the costs of purchases of additional energy necessitated by the physical or legal inability to operate a nuclear generating facility as a result of an accident or natural disaster causing material damage to that facility or to a similar associated facility located immediately adjacent, whereupon either the damaged facility, another located immediately adjacent, or both, have been removed from the company's rate base for a period exceeding twenty-five months. The Department of Revenue shall request the Public Utility Commission to determine, for each such facility, the net increase in the gross receipts of its electric company owner for the immediate prior twelve-month period. This determination shall reflect the difference between the increased gross receipts of the company attributable to recovery of costs for purchase of replacement energy which otherwise would have been normally generated by the inoperative facility in such twelve-month period less the reduction in the company's gross receipts attributable to removal of the capital costs of the facility from the company's rate base and less the reduction in the company's gross receipts attributable to reduction in operating expenses that would have otherwise been incurred by normal operation of the facility in such twelve-month period. The Public Utility Commission shall, immediately after supplying the requested data, proceed to make the appropriate revision in the State tax adjustment charge of the electric company;

(2) recovery from its customers of costs incurred in connection with the clean-up and decontamination of a nuclear generating facility which has experienced a major accident or natural disaster and had been removed from the electric light company's rate base; and

(3) recovery from its customers of costs for the amortization of investments in a nuclear generating facility whose removal from the rate base of an electric light company has been approved by the Public Utility Commission on account of a major accident or natural disaster.

(h) Benefits to Consumer.--For purposes of this article, the reduction in the taxes imposed under subsections (a) and (b) shall derive to the benefit of the consumer purchasing services from said utilities. Said benefit shall be provided in the form of a reduction in the State tax surcharge. Failure to pass through the reduction to the consumer shall subject the public utility to a civil penalty of at least one thousand dollars (\$1,000), but not more than five thousand dollars (\$5,000), and such additional relief as the court may deem appropriate. ((h) added July 13, 1987, P.L.317, No.58)

(3) As used in this subsection, the term "interexchange telecommunications carrier" has the meaning as defined in 66 Pa.C.S. § 3002 (relating to definitions).

Section 1102-A. Imposition of Tax; Report; Interest and Penalties; Tentative Tax.--(a) A tax is hereby imposed on the State taxable value of utility realty at a millage rate calculated under subsection (b).

(b) On or before November 1, 1999, for taxable year 1998, and on or before August 1, 2000, for taxable year 1999, and every year thereafter, the department shall calculate the

millage rate for the taxable year and notify the public utility of the millage rate and the State taxable value of its utility realty. If an error in addition, subtraction, multiplication or division is present in a report or if an entry on a report is inconsistent with another entry and it is apparent which entry is correct, the millage rate shall be calculated using the correct mathematical result or entry. The public utility shall pay to the State Treasurer through the department a tax equal to the product of the millage rate and the State taxable value within forty-five days after the mailing date of the notice of determination.

(c) On or before May 1, 2000, for taxable year 2000, and every year thereafter, a public utility shall pay tentative tax equal to the lesser of:

(1) The tax imposed by this article for the second preceding taxable year.

(2) An amount equal to the tax computed under the law applicable to the taxable year and the estimated State taxable value of the public utility's utility realty for the taxable year at the rate applicable to the second preceding taxable year, except that the estimated tentative tax shall not be less than ninety per cent of the amount determined by the department to be due for the taxable year.

(d) Any amounts paid for taxable years 1998 and 1999 shall be deemed to be payment on account of tentative tax for those taxable years.

(e) If the tax hereby imposed is not paid by the date herein prescribed, or within any extension granted by the department, the unpaid tax shall bear interest at the rate set forth in section 806 of the act of April 9, 1929 (P.L.343, No.176), known as "The Fiscal Code," and shall in addition be subject to a penalty of five per cent of the amount of the tax, which penalty may be waived or abated, in whole or in part, by the department unless the public utility has acted in bad faith, negligently, or with intent to defraud. If tentative tax is not paid by the date required under this section, the unpaid tentative tax shall bear interest at the rate set forth in section 806 of "The Fiscal Code" for the period of underpayment but not beyond September 15 of the year following the close of the taxable year.

(f) A payment of tax under subsection (c) shall include a report of the amount and manner of computation of the State taxable value of all utility realty and adjustments for the immediate preceding year. The report shall be made as prescribed by the department under oath or affirmation of the owner or responsible officer of the public utility. The report shall include:

(1102-A amended May 12, 1999, P.L.26, No.4)

Section 1103-A. Assessment; Collection.--(a) The department shall make all inquiries, determinations and assessments of tax, interest, additions and penalties necessary to enforce this article.

(b) The provisions of sections 337 through 345 shall apply to the assessment and collection of public utility realty tax

under this article. A public utility shall not raise a defense or objection in a proceeding that could have been presented as part of an administrative or judicial remedy under section 1105-A or 1109-A.

(c) The amount of any tax or penalty imposed under this article shall be assessed within three years after the close of the taxable year or within one year of a final determination resulting from the public utility's appeal under section 1105-A, whichever is later.

(1103-A amended May 12, 1999, P.L.26, No.4)

Section 1104-A. Effect of Payment; Additional Assessment; Refunds; Rebates.--(a) Payment of, or any exemption from the tax imposed by this article and the distribution to local taxing authorities prescribed by section 1107-A, shall be in lieu of local taxes upon utility realty, as contemplated by Article VIII, section 4, of the Constitution of Pennsylvania.

(b) The department may annually determine for every assessable taxable year whether the total amount of tax due under section 1102-A(a) exceeds the total amount of tax collected and the ratio that the amount of the excess bears to the total State taxable value of all utility realty reported under section 1102-A. The ratio shall be calculated to four decimal places. The department shall notify a reporting public utility of the ratio. Within forty-five days of the mailing date of the notice, the public utility shall pay to the State Treasurer, through the department, an additional amount of tax equal to the product of the ratio and the State taxable value shown in the public utility's report under section 1102-A.

Section 1103-A shall apply to the additional amount of tax.

(c) If for a taxable year the amount due on notice of determination is less than the amount paid by the public utility to the department on account of that amount and the public utility is satisfied with the amount due, the department shall enter the amount of the difference as a credit to the account of the public utility.

(d) If for a taxable year the total amount of tax collected under section 1102-A is finally determined to exceed the amount determined by the department under section 1107-A(a)(2) or if for taxable year 1998 the total amount of tax collected under section 1102-A is finally determined to exceed the greater of the total State taxable value of all utility realty reported to the department pursuant to section 1102-A or one hundred thirty-three million two hundred thousand dollars (\$133,200,000), the department shall compute the ratio, to four decimal places, that the amount of the excess bears to the total State taxable value of all utility realty under 1102-A. The department shall notify the reporting public utility of the ratio, and the State Treasurer shall rebate the excess to the public utility as a credit in an amount equal to the product of the ratio and the State taxable value of its utility realty. For purposes of section 806.1 of the act of April 9, 1929 (P.L.343, No.176), known as "The Fiscal Code," any amount rebated shall be deemed to have been overpaid seventy-five days following the date of notice.

(c) Except as provided in subsection (d), a public utility may appeal from the assessment of its utility realty, including the initial assessment, in the manner provided by law for appeals from assessment of real estate. If appeals are pending at the time a local taxing authority prepares its report for submission to the department as prescribed by section 1106-A, the report shall include as the assessment for the utility realty appealed the amount which the public utility has stipulated or alleged as the proper assessment.

(d) Notwithstanding any other provision of law, for taxable years 1998 and 1999, a public utility may file an appeal from the assessment of its utility realty on or before July 30, 1999.

(d) A report filed by a local taxing authority shall be deemed to be prima facie correct unless rebutted by a preponderance of the evidence.

(e) If an amount reported under section 1102-A or this section is finally changed or corrected under section 1105-A or 1109-A, the local taxing authority and the public utility shall make a compensating adjustment on the first report filed following the change or corrections as an adjustment to the taxable year's total realty tax equivalent and total State taxable value so that amounts raised under this article shall not be less than the gross amount of real estate taxes which a

local taxing authority could have imposed on real property but for the exemption provided under this article.

(f) A report required by this section for taxable year 1998 shall be submitted on or before September 1, 1999.

(1) A transfer to the Commonwealth or to any of its instrumentalities, agencies or political subdivisions by gift, dedication or deed in lieu of condemnation or deed of confirmation in connection with condemnation proceedings, or a reconveyance by the condemning body of the property condemned to the owner of record at the time of condemnation, which reconveyance may include property line adjustments provided said reconveyance is made within one year from the date of condemnation.

(2) A document which the Commonwealth is prohibited from taxing under the Constitution or statutes of the United States.

(3) A conveyance to a municipality, township, school district or county pursuant to acquisition by the municipality, township, school district or county of a tax delinquent property at sheriff sale or tax claim bureau sale.

(4) A transfer for no or nominal actual consideration which corrects or confirms a transfer previously recorded, but which does not extend or limit existing record legal title or interest.

(5) A transfer of division in kind for no or nominal actual consideration of property passed by testate or intestate succession and held by cotenants; however, if any of the parties take shares greater in value than their undivided interest, tax is due on the excess.

(6) A transfer between husband and wife, between persons who were previously husband and wife who have since been divorced, provided the property or interest therein subject to such transfer was acquired by the husband and wife or husband or wife prior to the granting of the final decree in divorce, between parent and child or the spouse of such child, between a stepparent and a stepchild or the spouse of the stepchild, between brother or sister or spouse of a brother or sister and brother or sister or the spouse of a brother or sister and between a grandparent and grandchild or the spouse of such grandchild, except that a subsequent transfer by the grantee

within one year shall be subject to tax as if the grantor were making such transfer. ((6) amended July 2, 2012, P.L.751, No.85)

(7) A transfer for no or nominal actual consideration of property passing by testate or intestate succession from a personal representative of a decedent to the decedent's devisee or heir.

(8) A transfer for no or nominal actual consideration to a trustee of an ordinary trust where the transfer of the same property would be exempt if the transfer was made directly from the grantor to all of the possible beneficiaries that are entitled to receive the property or proceeds from the sale of the property under the trust, whether or not such beneficiaries are contingent or specifically named. A trust clause which identifies the contingent beneficiaries by reference to the heirs of the trust settlor as determined by the laws of the intestate succession shall not disqualify a transfer from the exclusion provided by this clause. No such exemption shall be granted unless the recorder of deeds is presented with a copy of the trust instrument that clearly identifies the grantor and all possible beneficiaries. ((8) amended May 7, 1997, P.L.85, No.7)

(8.1) A transfer for no or nominal actual consideration to a trustee of a living trust from the settlor of the living trust. No such exemption shall be granted unless the recorder of deeds is presented with a copy of the living trust instrument. ((8.1) added May 7, 1997, P.L.85, No.7)

(9) A transfer for no or nominal actual consideration from a trustee of an ordinary trust to a specifically named beneficiary that is entitled to receive the property under the recorded trust instrument or to a contingent beneficiary where the transfer of the same property would be exempt if the transfer was made by the grantor of the property into the trust to that beneficiary. However, any transfer of real estate from a living trust during the settlor's lifetime shall be considered for the purposes of this article as if such transfer were made directly from the settlor to the grantee. ((9) amended May 7, 1997, P.L.85, No.7)

(9.1) A transfer for no or nominal actual consideration from a trustee of a living trust after the death of the settlor of the trust or from a trustee of a trust created pursuant to the will of a decedent to a beneficiary to whom the property is devised or bequeathed. ((9.1) added May 7, 1997, P.L.85, No.7)

(9.2) A transfer for no or nominal actual consideration from the trustee of a living trust to the settlor of the living trust if such property was originally conveyed to the trustee by the settlor. ((9.2) added May 7, 1997, P.L.85, No.7)

(10) A transfer for no or nominal actual consideration from trustee to successor trustee.

(11) A transfer:

(i) for no or nominal actual consideration between principal and agent or straw party; or

(ii) from or to an agent or straw party where, if the agent or straw party were his principal, no tax would be imposed under this article.

Where the document by which title is acquired by a grantee or statement of value fails to set forth that the property was acquired by the grantee from, or for the benefit of, his principal, there is a rebuttable presumption that the property is the property of the grantee in his individual capacity if the grantee claims an exemption from taxation under this clause.

(12) A transfer made pursuant to the statutory merger or consolidation of a corporation or statutory division of a nonprofit corporation, except where the department reasonably determines that the primary intent for such merger, consolidation or division is avoidance of the tax imposed by this article.

(13) A transfer from a corporation or association of real estate held of record in the name of the corporation or association where the grantee owns stock of the corporation or an interest in the association in the same proportion as his interest in or ownership of the real estate being conveyed and where the stock of the corporation or the interest in the association has been held by the grantee for more than two years.

(i) the grantee shall directly use such real estate for the primary purpose of manufacturing, fabricating, compounding, processing, publishing, research and development, transportation, energy conversion, energy production, pollution control, warehousing or agriculture; and

(ii) the agency or authority has the full ownership interest in the real estate transferred.

(16) A transfer by a mortgagor to the holder of a bona fide mortgage in default in lieu of a foreclosure or a transfer pursuant to a judicial sale in which the successful bidder is the bona fide holder of a mortgage, unless the holder assigns the bid to another person.

(21) A transaction wherein the tax due is one dollar (\$1) or less.

In order to exercise any exclusion provided in this section, the true, full and complete value of the transfer shall be shown on the statement of value. METHOD OF PAYMENT OF TAX

(III added Dec. 21, 1981, P.L.482, No.141)

Section 1215. Stamp to Evidence the Tax.--(a) The department shall by regulation require every cigarette stamping agency or ultimate consumer, to use cigarette tax stamps to evidence the payment of the tax imposed by this article unless such stamps have been affixed to the packs of unstamped cigarettes and properly cancelled before such cigarette stamping agency or ultimate consumer received them or unless otherwise provided in subsection (g).

(b) The department shall by regulation authorize the sale of cigarette tax stamps at such places and at such times as it deems necessary and the department shall prescribe the manner, time and conditions under which the payment of tax shall be made.

(c) The department shall also prescribe the type of cigarette tax stamps which shall be used, to evidence payment of the tax. Nothing in this provision shall be construed as a limitation upon the department to prescribe various methods of affixing cigarette tax stamps and said department shall have the authority to prescribe one or more of several types of tax stamps which shall be used by a particular cigarette stamping agency whenever, in the reasonable exercise of its powers, it shall be deemed necessary for the protection of the revenue.

(d) Under no circumstances shall any cigarette stamping agency be permitted to sell, transfer or deliver to any person any unstamped cigarettes, or any unused cigarette tax stamps unless specifically permitted by the provisions of this article.

(e) The department shall by regulation permit a cigarette stamping agency to pay for purchases on a deferred basis, upon

the filing of a surety bond, of the type approved by the department, with the department, in an amount deemed sufficient by the department to protect the revenue, said bond to be executed by the cigarette stamping agency as principal and by a corporate surety company, duly authorized to engage in such business in the Commonwealth of Pennsylvania, as surety. In lieu of the bond required by this subsection, the department shall accept other forms of security, such as a line of credit, if the department deems the security sufficient to protect the revenue. The department shall deny deferred purchase plans to any stamping agency in any state where such state denies stamping agencies in Pennsylvania the right to use deferred purchase plans. The department may deny any cigarette stamping agent the right to purchase cigarette tax stamps if the cigarette stamping agent is delinquent in remitting cigarette taxes or fines owed the Commonwealth.

(f) The department shall, upon application, permit a cigarette stamping agency to post a surety bond with the department for fifty per cent of the amount of the tax stamp purchase, provided that the agency has a record of timely payments of the tax for a three-year period prior to application and further provided that the agency files with the department a financial statement that demonstrates assets sufficient to protect the revenues. To preserve the discounted bond arrangement an agency may be required to provide an updated financial statement at the request of the department. If the department determines the cigarette stamping agency's financial condition and the type and amount of security posted by the cigarette stamping agency is insufficient to protect the revenue, the department may require additional security in the type and amount necessary to protect the revenue. If the cigarette stamping agency fails to post the type and amount of security requested within ten days of the mailing date of the request, the department may revoke the cigarette stamping agency's license.

(g) Stamps shall be affixed to all individual packages containing from twenty to twenty-five cigarettes. Individual packages containing less than twenty or more than twenty-five cigarettes shall have stamps affixed unless the department determines the affixing of stamps is physically impractical due to the size or nature of the package or determines that the cost of affixing the stamps is unreasonably disproportionate to the tax to be collected. Stamps shall not be required to be affixed to containers of roll-your-own tobacco. ((g) amended July 13, 2016, P.L.526, No.84)

(h) Where the department has determined that a cigarette package is not required to be stamped under subsection (g), the tax shall be collected on the sale of the cigarette from the wholesaler to the retailer. To verify the payment of this tax, the following shall be required:

(2) The wholesaler must maintain a copy of a paid manufacturer's or other wholesaler's dated invoices to substantiate the total number of cigarettes purchased by the wholesaler. The invoices must list the total quantities of every different brand name purchased, the total number of each type of package of each brand name, the number of cigarettes in each package, the purchase price and any other information the department may require.

(3) Every invoice to a retailer must list all the information required in paragraph (2) along with the amount of tax charged on each package of cigarettes sold to the retailer.

(i) For purposes of determining the weight of little cigars, a person shipping little cigars within or into this Commonwealth shall provide the department with the weight per thousand shipped, segregated by brand name, package type, number per package and any other information required by the department. This information shall be reported on a form prescribed by the department and shall be filed with the department within fourteen days of shipment or on a schedule determined by the department by regulation. If the person shipping the little cigars into this Commonwealth is not the manufacturer, the person shall obtain the information as to the weight of the little cigars from the manufacturer and report the weight on the form and by the date referred to in this subsection.

Compiler's Note: Section 53(5)(i) of Act 84 of 2016, which amended subsection (g), provided that the amendment shall take effect 60 days after the Office of Attorney General publishes the notice of the consents under section 53(3)(ii) of Act 84.

Section 1216. Commissions on Sales.--A cigarette stamping agent shall be entitled to a commission for the agent's services and expenses in affixing cigarette tax stamps. The commission shall be equal to five hundred eighty-six thousandths per cent of the total value of Pennsylvania cigarette tax stamps purchased by the agent from the department or its authorized agents to be used in the stamping of unstamped cigarettes for sale within this Commonwealth. The cigarette stamping agent may deduct from the moneys to be paid to the department or its authorized agents for the stamps an amount equal to five hundred eighty-six thousandths per cent of the value of the stamps purchased. This section shall not apply to purchases of stamps by a cigarette stamping agent in an amount less than one hundred dollars (\$100).

MUTUAL THRIFT INSTITUTIONS TAX

(Art. added Dec. 1, 1983, P.L.228, No.66)

Section 1501. Definitions.--The following words, terms and phrases when used in this article shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

"Deposits."

(1) The unpaid balance of money or its equivalent which is received or held by an institution in the usual course of business and for which it has given or is obligated to give credit, either conditionally or unconditionally, to a commercial, checking, savings, time or thrift account, or which is evidenced by its certificate of deposit, thrift certificate, investment certificate, certificate of indebtedness or other similar name, or a check or draft drawn against a deposit

account and certified by the institution or a letter of credit or a traveler's check on which the institution is primarily liable: Provided, That, without limiting the generality of the term "money or its equivalent," any such account or instrument must be regarded as evidencing the receipt of the equivalent of money when credited or issued in exchange for checks or drafts or for a promissory note upon which the person obtaining any such credit or instrument is primarily or secondarily liable, or for a charge against a deposit account, or in settlement of checks, drafts or other instruments forwarded to such institution for collection.

(2) Trust funds received or held by an institution, whether held in the trust department or held or deposited in any other department of the institution.

(3) Money received or held by an institution, or the credit given for money or its equivalent received or held by an institution in the usual course of business for a special or specific purpose, regardless of the legal relationship thereby established, including, without being limited to, escrow funds, funds held as security for an obligation due to the institution or others (including funds held as dealers reserves) or for securities loaned by the institution, funds deposited by a debtor to meet maturing obligations, funds deposited as advance payment on subscriptions to United States Government securities, funds held for distribution or purchase of securities, funds held to meet its acceptances or letters of credit, and withheld taxes: Provided, That there shall not be included funds which are received by the institution for immediate application to the reduction of an indebtedness to the receiving institution or under condition that the receipt thereof immediately reduces or extinguishes such an indebtedness.

(4) Outstanding drafts (including advice or authorization to charge an institution's balance in another institution or bank), cashier's checks, money orders, or other officer's checks issued in the usual course of business for any purpose, but not including those issued in payment for services, dividends, or purchases or other costs or expenses of the institution itself.

(5) Deposits do not include deposits made by the Federal Government, its agencies and instrumentalities.

"Employee." Any individual to whom wages are paid within the meaning of 26 U.S.C. § 3401.

"Lease." Any leasing transaction in which the lessor would be treated as owner of the leased property under generally accepted accounting principles. All other transactions purporting to be leases shall be treated as loans for purposes of this article.

For purposes of this regulation, mere processing or transfer through financial intermediaries of checks, credit card receivables, commercial

paper and the like does not create a debtor/creditor relationship. A financial institution is engaged in regular solicitation within this Commonwealth if it has entered into any of the relationships listed in this clause with twenty or more residents of this Commonwealth during any tax period or if it has five million dollars (\$5,000,000) or more of assets attributable to sources within this Commonwealth at any time during the tax period.

- (2) building and loan association;
- (3) savings and loan association; and
- (4) savings institution having capital stock;

whether the institution is incorporated under any law of this Commonwealth or under the law of the United States, or is incorporated under the law of any other jurisdiction and is located within this Commonwealth.

"Origination of loans." A loan is deemed to have originated in the state in which the office is located which properly treats the loan as an asset on its books or records. However, if an institution maintains an office in a state, the following rules will apply:

(1) Loans secured primarily by real property are deemed to have originated at an office within the state in which the predominant part of the security real property is or will be located, if at least one of the following activities occurs at an office in the state:

- (i) Application for the loan.
- (ii) Negotiation for the loan.
- (iii) Approval of the loan.
- (iv) Administrative responsibility for the loan.

(2) All other loans made to borrowers residing or having their commercial domicile within the state are deemed to have originated at an office within the state, if at least one of the following activities occurs at an office in the state:

- (i) Application for the loan.
- (ii) Negotiation for the loan.
- (iii) Approval of the loan.
- (iv) Administrative responsibility for the loan.

"Property located in a state."

(1) Except as otherwise provided in this definition, tangible property, including leased property, shall be deemed to be located in the state in which the property is physically situated.

(2) Tangible personal property which is characteristically moving property, such as motor vehicles, rolling stock, aircraft, vessels, mobile equipment and the like, shall be deemed to be located in a state if:

(i) the operation of the property is entirely within the state, or the operation without the state is occasional or incidental to its operation within the state;

(ii) the operation of the property is in two or more states, but the principal base of operations from which the property is sent out is in the state; or

(iii) the state is the residence or commercial domicile of the lessee or other user of the property, where there is no principal base of operations and the operation of the property is in two or more states.

"Regular presence of employees." An employee shall be deemed to have a regular presence in a state if:

(1) a majority of the employee's service is performed within the state; or

(2) the office from which his activities are directed or controlled is located in the state, where a majority of the employee's service is not performed in any one state.

"Taxable year." The taxable year which the institution, or any consolidated group with which the institution participates in the filing of consolidated returns, actually uses in reporting taxable income to the Federal Government. For purposes of this article, the terms "year," "annual year," "fiscal year," "annual or fiscal year," "tax year" and "tax period" shall be the same as the institution's taxable year, as defined in this paragraph.

(1501 amended Oct. 14, 1988, P.L.737, No.106)

Section 1502. Imposition; Report and Payment of Tax; Exemptions.--(a) Every institution shall annually, by April 15 of each year beginning in the year 1984, make a report to the Department of Revenue, setting forth the entire amount of taxable net income received or accrued by said institution from all sources during the preceding year, and such other information as the department may require, and upon such taxable net income the said institution shall pay into the State Treasury, through the Department of Revenue, for the use of the Commonwealth, a State excise tax at the rate of eleven and one-half per cent for the calendar years 1983, 1984, 1985 and 1986 and fiscal years beginning in 1983, 1984, 1985 and 1986, at the rate of twenty per cent for calendar years 1987, 1988, 1989 and 1990 and fiscal years beginning in 1987, 1988, 1989 and 1990 and at the rate of twelve and one-half per cent for calendar year 1991 and fiscal years beginning in 1991 and at the rate of eleven and one-half per cent for calendar year 1992 and each calendar year thereafter and fiscal years beginning in 1992 and each fiscal year thereafter upon such annual taxable net income, for the privilege of doing business in the Commonwealth. Every institution shall be required to make payment of estimated tax pursuant to the provisions of sections 3003.2, 3003.3 and 3003.4 of Article XXX for taxable years beginning after December 31, 1991. For taxable years beginning before January 1, 1992, every institution shall be required to make payment of tentative tax pursuant to the provisions of Article XXX. The remaining portion of the tax due shall be paid at the time the report prescribed herein is required to be made. ((a) amended July 1, 1989, P.L.95, No.21)

(b) If, however, any such institution closes its fiscal year, not upon December 31 but upon some other date, the tax shall be imposed upon such taxable net income received or accrued during its fiscal year beginning in the year 1983 and during each fiscal year thereafter, and the annual report of taxable net income received or accrued during each fiscal year shall be made, and the remaining tax due thereon shall be paid

within one hundred five days after the close of such fiscal year. Each such institution shall be required to make payment of estimated tax pursuant to the provisions of sections 3003.2, 3003.3 and 3003.4 of Article XXX for taxable years beginning after December 31, 1991. For taxable years beginning before January 1, 1992, every institution shall be required to make payment of tentative tax pursuant to the provision of Article XXX.

(c) Net income or net loss shall be determined in accordance with generally accepted accounting principles, except that:

(1) Net income or net loss shall be determined on a separate company unconsolidated basis, using cost in lieu of equity accounting for investments in a subsidiary.

(2) The accounting method may be on a cash, combined cash and accrual, or accrual basis, depending on the method of bookkeeping employed by the institution.

(3) In the case of a business combination entered into after December 31, 1986, which is treated as a reorganization for purposes of section 368 of the Internal Revenue Code of 1986, or a similar successor provision, and accounted for under the purchase accounting method, net income or net loss shall be determined as though the acquisition had been accounted for under the pooling of interest method.

(4) Net income or net loss shall exclude amounts credited or paid as interest to holders of accounts or depositors or as dividends to shareholders, except that no deduction shall be permitted for dividends paid by an institution having capital stock to its stockholders with regard to their stock.

(5) Net income or net loss shall exclude income or loss derived from obligations of the United States which, by Federal law, are exempt from local and state taxation and from obligations of the Commonwealth which, by Pennsylvania law, are exempt from taxation by the Commonwealth. For purposes of this article, United States obligations shall be obligations coming within the scope of 31 U.S.C. § 3124, and Commonwealth obligations shall be obligations of the Commonwealth, any public authority, commission, board or other agency created by the Commonwealth, any political subdivision of the Commonwealth or any public authority created by such political subdivision which, by Pennsylvania law, are exempt from taxation by the Commonwealth.

(6) No deduction shall be allowed for that portion of the institution's interest expense which is allocable to tax-exempt income derived from United States obligations and Commonwealth obligations. An institution's interest expense shall include amounts credited or paid as interest to holders of accounts or depositors or as dividends to shareholders except dividends paid by an institution having capital stock to its shareholders with regard to their stock. For purposes of this clause, the portion of the institution's interest expense which is allocable to tax-exempt income derived from United States obligations and Commonwealth obligations is an amount which bears the same ratio to such interest expense as the institution's interest income from United States obligations and Commonwealth obligations bears to the total interest income of the institution.

(d) (1) In determining taxable net income, there shall be allowed a net loss carryover deduction as provided by this subsection.

(2) The net loss carryover deduction for a taxable year shall be that amount which is the sum of any net losses for the preceding three taxable years, beginning with the earliest year, to the extent that any such net loss has not previously been

allowed as a deduction in a prior taxable year, except that the deduction shall not exceed the amount of the net income for the current year determined after apportionment.

(3) A net loss for a preceding taxable year shall be an amount determined as a negative amount for the year in accordance with subsection (c), after any apportionment applicable to the preceding year, except that, for taxable years beginning before 1987, any net loss shall be determined without regard to clause (6) of subsection (c).

(e) Institutions subject to the provisions of this article shall be exempt from all other corporate taxes imposed by the Commonwealth for State purposes. Such institutions, any shares of stock in such institutions and the property of such institutions shall be exempt from all local taxation imposed by political subdivisions of this Commonwealth under the authority of the laws of this Commonwealth, except taxes on real estate or transfers thereof.

(e.1) In the case of a change in ownership by purchase, liquidation, acquisition of stock or reorganization of an institution in the manner described in section 381 or 382 of the Internal Revenue Code of 1954, as amended, certain limitations provided in the Internal Revenue Code with respect to net operating losses shall apply for the purpose of computing the portion of a net loss carryover recognized pursuant to this article. The applicable limitations shall include all those limitations imposed solely on account of a change in ownership, including, but not limited to, sections 269, 318 (insofar as it defines the scope of section 382), 381 and 382. The carryover of tax losses shall not be limited by the Federal consolidated return regulations or section 338, providing for the deemed termination of corporate existence upon the making of certain elections for Federal income tax purposes. When any acquiring institution or a transferor institution participated in the filing of consolidated returns to the Federal Government, the entitlement of the acquiring institution to the Pennsylvania net loss carryover of the acquiring institution or the transferor institution will be determined as if separate returns to the Federal Government had been filed prior to the change in ownership by purchase, liquidation, acquisition of stock or reorganization.

(f) If any institution shall neglect or refuse to make any report required by this article, such institution shall be liable to a penalty of five thousand dollars (\$5,000), which shall be assessed in the same manner as the tax imposed by this article is assessed. ((f) amended Oct. 18, 2006, P.L.1149, No.119)

(1502 amended Oct. 14, 1988, P.L.737, No.106)

Compiler's Note: See section 33 of Act 119 of 2006, which amended subsec. (f), in the appendix to this act for special provisions relating to determinations and assessments of tax liability by the Department of Revenue after December 31, 2007, and applicability of Act 119 on proceedings, prosecutions, actions, suits or appeals involving assessments, determinations or settlements of tax liability by the Department of Revenue prior to January 1, 2008.

Section 1502.1. Apportionment.--Net income or net loss shall be apportioned in accordance with this section. An institution may apportion its net income or net loss if the institution is subject to tax in another state based on or measured by net worth, gross receipts, net income or some similar base of

taxation, or if it could be subject to such a tax, whether or not such a tax has in fact been enacted.

(b) Income or loss shall be apportioned in accordance with a fraction, the numerator of which is the sum of the payroll factor, the receipts factor and the deposits factor, and the denominator of which is three.

(c) The payroll factor is a fraction, the numerator of which is the total wages paid in this State and the denominator of which is the total wages paid in all states. Wages are paid in a state if paid to an employee having a regular presence therein.

(d) The receipts factor is a fraction, the numerator of which is total receipts located in this State and the denominator of which is the total receipts located in all states. Receipts do not include principal repayments on loans or credit, travel and entertainment cards. Receipts from sale or disposition of intangible and tangible property include only the net gain therefrom. The location of receipts shall be determined as follows:

(1) Receipts from loans are located at the place of origination.

(2) All receipts from performance of services are located in a state to the extent the services are performed in the state. If services are performed partly within two or more states, the receipts located in each state shall be measured by the ratio which the time spent in performing such services in the state bears to the total time spent in performing such services in all states. Time spent in performing services in a state is the time spent by employees having a regular presence in the state in performing such services.

(3) Receipts from lease transactions are located in the state in which the leased property is deemed located.

(4) Interest or service charges (excluding merchant discounts) from credit, travel and entertainment card receivables and credit card holders' fees are located in the state in which the credit card holder resides in the case of an individual or, if a corporation, in the state of the cardholder's commercial domicile if, in either case, the institution maintains an office in such state. Otherwise, the receipts are located in the state in which the institution maintains an office which treats such receivables as assets on its books or records.

(5) Interest, dividends and net gains from the sale or disposition of intangibles, exclusive of those receipts described elsewhere in this section, are located in the state in which the depository maintains an office which treats such intangibles as assets on its books or records.

(6) Fees or charges from the issuance of traveler's checks and money orders are located in the state in which such traveler's checks or money orders are issued.

(7) Receipts from sales of tangible property are located in the state in which the property is delivered or shipped to a purchaser, regardless of the f.o.b. point or other conditions of the sale.

(8) All receipts not specifically treated under this subsection are located in the state where the greatest portion of the income-producing activities are performed, based on costs of performance.

(e) The deposits factor is a fraction, the numerator of which is the average value of deposits located in this State during the taxable year and the denominator of which is the average value of total deposits during the taxable year. The

average value of deposits is to be computed on a quarterly basis. The location of deposits shall be determined as follows:

(1) Deposits received from individuals are located in the state in which the individual resides, if the institution maintains an office in that state.

(2) Deposits received from a corporation are located in the state of the corporation's commercial domicile, if the institution maintains an office in that state.

(3) Deposits received from a state government, its political subdivisions, agencies and instrumentalities are located in such state, if the institution maintains an office in that state.

(4) In all other cases, deposits are located in the state in which the institution maintains an office which treats the deposits as liabilities on its books or records.

(1502.1 added Oct. 14, 1988, P.L.737, No.106)

Section 1502.2. Credits.--(a) For taxable years beginning in 1987 through taxable years beginning in 1991, an institution may elect to take a credit for taxes based on or measured by income or taxes imposed in lieu thereof paid to other states against its tax liability determined under this article.

(b) The amount of the credit shall be determined as follows:

For each state in which the institution is subject to tax, the amount of the credit shall be the lesser of:

(1) the applicable tax actually paid to such state; or

(2) the total tax due under this article without regard to apportionment multiplied by a fraction the numerator of which is the amount of the institution's income (or other applicable basis of taxation) subject to tax by such state and the denominator of which is the amount of the institution's entire income (or other applicable basis of taxation) to which a system of apportionment or allocation is applied by such state; except that, if a state does not apply a system of allocation or apportionment, the numerator of such fraction is the amount of the institution's income (or other applicable basis of taxation) which would be subject to taxation in such state if the apportionment fraction were computed in accordance with the provisions of this article.

(c) If exercised, this election shall be in lieu of any other apportionment to which the institution would otherwise be entitled.

(1502.2 added Oct. 14, 1988, P.L.737, No.106)

Section 1502.3. Additional Reporting Requirements.--(a)

For the calendar years 1987, 1988, 1989, 1990 and 1991 and fiscal years beginning in 1987, 1988, 1989, 1990 and 1991, every institution shall report to the Department of Revenue upon a form prescribed, prepared and furnished by the Department of Revenue the information necessary to determine the income or loss that would otherwise be apportioned in accordance with this section:

(1) Income or loss shall be apportioned in accordance with a fraction, the numerator of which is the sum of the payroll factor and the receipts factor, and the denominator of which is two.

(2) The payroll factor is a fraction, the numerator of which is the total wages paid in this State and the denominator of which is the total wages paid in all states. Wages are paid in a state to the extent of the time spent by the employee in the state.

(3) The receipts factor is a fraction, the numerator of which is total receipts located in this State and the denominator of which is the total receipts located in all

states. Receipts do not include principal repayments on loans or credit, travel and entertainment cards. Receipts from sale or disposition of intangible and tangible property include only the net gain therefrom. The location of receipts shall be determined as follows:

(i) Receipts from loans are located at the residence or commercial domicile of the debtor, except that receipts from loans secured by real or tangible personal property are located at the location of the property.

(ii) All receipts from performance of services are located in a state to the extent the services are performed in the state. If services are performed partly within two or more states, the receipts located in each state shall be measured by the ratio which the time spent in performing such services in the state bears to the total time spent in performing such services in all states.

(iii) Receipts from lease transactions are located in the state in which the leased property is deemed located.

(iv) Interest or service charges (excluding merchant discounts) from credit, travel and entertainment card receivables and credit card holders' fees are located in the state in which the credit card holder resides in the case of an individual or, if a corporation, in the state of the cardholder's commercial domicile. Otherwise, the receipts are located in the state in which the credit card holder receives billing notices.

(v) Interest, dividends and net gains from the sale or disposition of intangibles, exclusive of those receipts described elsewhere in this section, are located in the state in which the depository maintains an office which treats such intangibles as assets on its books or records.

(vi) Fees or charges from the issuance of traveler's checks and money orders are located in the state in which such traveler's checks or money orders are issued.

(vii) Receipts from sales of tangible property are located in the state in which the property is delivered or shipped to a purchaser, regardless of the f.o.b. point or other conditions of the sale.

(4) All receipts not specifically treated under clause (3) of this subsection are located in the state where the greatest portion of the income-producing activities are performed, based on costs of performance.

(b) Such reports shall set forth such other information as the Department of Revenue may require, including, but not limited to, information relative to the situs of its payroll and receipts.

(1502.3 added Oct. 14, 1988, P.L.737, No.106)

Section 1502.4. Restrictions on Lawsuits.--No institution which is subject to the tax imposed by this article and which fails to file the annual report required by section 1502 shall be permitted to initiate any action in any court of this Commonwealth until the institution files with the Department of Revenue the required report. The failure of an institution to file the annual report required by section 1502 shall not impair the validity of any contract or act of the institution and shall not prevent the institution from defending any action in any court of this Commonwealth.

(1502.4 added Oct. 14, 1988, P.L.737, No.106)

Section 1502.5. Sunset.--(1502.5 deleted by amendment Dec. 13, 1991 P.L.373, No.40)

Section 1503. Procedure; Enforcement; Penalties.--(a) Except as set forth in subsection (b), Parts III, IV, V, VI and VII

of Article IV are incorporated by reference into this article insofar as they are applicable to the tax imposed under this article.

(b) The Department of Revenue may, upon application made by the last day for filing and in a form prescribed by the department, grant an extension of not more than six months for filing the annual report required by section 1502.

(1503 amended June 22, 2001, P.L.353, No.23)

Compiler's Note: Section 26(4)(xi) of Act 23 of 2001, which amended section 1503, provided that the amendment shall apply to taxable years beginning after December 31, 2000.

Section 1504. Timely Mailing Treated as Timely Filing and Payment.--Notwithstanding the provisions of any State law to the contrary, whenever a report or payment of all or any portion of a State tax is required by law to be received by the Department of Revenue or other agency of the Commonwealth on or before a day certain, the institution shall be deemed to have complied with such law if the letter transmitting the report or payment of such tax which has been received by the department is postmarked by the United States Postal Service on or prior to the final day on which the payment is to be received. For the purposes of this article, presentation of a receipt indicating that the report or payment was mailed by registered or certified mail on or before the due date shall be evidence of timely filing and payment.

(1504 added Dec. 1, 1983, P.L.228, No.66)

Section 1505. Tax Credits; Legislative Intent.--Any tax paid by any mutual thrift institution under the provisions of the act of June 22, 1964 (P.L.16, No.2), known as "The Mutual Thrift Institutions Tax Act," as amended, the act of June 25, 1982 (P.L.652, No.184), entitled "An act amending the act of June 22, 1964 (P.L.16, No.2), entitled 'An act imposing a State excise tax on net earnings or income of mutual thrift institutions; requiring the filing of reports and payment of the tax; providing certain exemptions from the tax and repealing part of an act imposing other taxes,' providing for the deduction and carryover of net operating losses in determining net earnings for the tax on mutual thrift institutions," for taxable years beginning during 1983 shall be credited to and applied against the tax imposed by this article without the necessity for the filing of any petition or request by the taxpayer with the Department of Revenue, it being the intention of the General Assembly that this article be a reenactment of such act, although amending such act to include "savings institutions with capital stock" within the definition of "mutual thrift institution." Any institution which would have been entitled to a net operating loss carryforward under the provisions of the act of June 22, 1964 (P.L.16, No.2), known as "The Mutual Thrift Institutions Tax Act," as amended, to calendar year 1983 and fiscal years beginning after January 1, 1983 shall remain entitled to such loss carryforward.

(1505 added Dec. 1, 1983, P.L.228, No.66)

Section 1506. Measurement of Tax.--(a) The Department of Revenue shall ascertain the total amount of revenue, realized or unrealized, that was lost for all taxable years beginning before January 1, 1987, as a result of the decision of the Supreme Court of Pennsylvania in First Federal Savings and Loan Association of Philadelphia vs Commonwealth, 515 Pa. 369 (1987). In ascertaining this amount, the department shall consider any refunds, including interest paid, granted to institutions as well as any reductions in settled or resettled taxes or other

reductions which arose or are supported by the First Federal decision. The department shall also ascertain the difference in the revenue produced by the tax imposed by this article for taxable years beginning in 1987, 1988, 1989 and 1990 at the rate of twenty per cent and the revenue which would have been received if the tax rate was set at twelve and one-half per cent for such taxable years. After such information has been compiled and determined, the department shall reduce the rate of the tax imposed by this article for taxable years beginning in 1987, 1988, 1989 and 1990 to the nearest one-tenth of a per cent in order that the revenue resulting from the rate of tax in excess of twelve and one-half per cent equals the foregone tax revenues due to the First Federal decision as ascertained pursuant to this section. If such adjustment is made, the department shall reduce and recalculate the tax of each institution for taxable years beginning in 1987, 1988, 1989 and 1990 and shall notify each institution of its reduced tax liability. Each institution shall then be entitled to apply for a cash refund or credit in the manner provided by law, except that no interest shall accrue on the refund or credit granted pursuant to this subsection.

(b) The department shall also submit to the General Assembly the information required to be ascertained by subsection (a) of this section.

(1) Thirty percent of the dollar amount of film production tax credits available to be awarded in the next succeeding fiscal year.

(2) Twenty percent of the dollar amount of film production tax credits available to be awarded in the second successive fiscal year.

(3) Ten percent of the dollar amount of film production tax credits available to be awarded in the third successive fiscal year.

((a) amended June 28, 2019, P.L.50, No.13)

(a.1) Advance award of credits.--The advance award of film tax credits under subsection (a) shall:

(1) count against the total dollar amount of credits that the department may award in that next succeeding fiscal year; and

(2) reduce the dollar amount of credits that the department may award in that next succeeding fiscal year. The individual limitations on the awarding of film production tax credits apply to an advance award of film production tax credits under subsection (a) and to a combination of film production tax credits awarded against the current fiscal year cap and against the next succeeding fiscal year's cap.

(b) Individual limitations.--The following shall apply:

(1) Except as set forth in paragraph (1.1) or (1.2), the aggregate amount of film production tax credits awarded by the department under section 1712-D(d) to a taxpayer for a film may not exceed 25% of the qualified film production expenses to be incurred.

(d) Waiver.--The department may make a determination that the financial benefit to this Commonwealth resulting from the direct investment in or payments made to Pennsylvania facilities outweighs the benefit of maintaining the 60% requirement contained in the definition of "qualified film production expense." If such determination is made, the department may waive the requirement that 60% of a film's total production or postproduction expenses be comprised of Pennsylvania production expenses for a film, television film or television series that is intended as programming for a national audience and is filmed or produced in a qualified production facility or qualified postproduction facility if the taxpayer who has Pennsylvania production expenses of at least \$30,000,000 per production meets the minimum stage filming requirements.

(e) Pennsylvania film producer reserve.--The department shall annually reserve and allocate \$5,000,000 of the tax credits authorized under this subarticle in support of projects produced by a Pennsylvania film producer. A Pennsylvania film producer shall not be limited in eligibility for a tax credit solely to the Pennsylvania film producer reserve in any fiscal year. ((e) added July 8, 2022, P.L.513, No.53)

If the number calculated is less than zero, the number shall be reported as zero. The monthly average of full-time equivalent employee positions for a year is calculated by adding together the number of full-time equivalent employee positions existing on the last day of each month of the year and dividing by 12.

The monthly average of full-time equivalent employee positions for a year is calculated by adding together the number of full-time equivalent employee positions existing on the last day of each month of the year and dividing by 12. The reported number of jobs retained for a year may not exceed the number reported on the annual report under this subsection. The rural growth fund shall reduce the number of jobs retained for a year if employment at the rural business drops below the number reported on the annual report.

(1832-G added July 13, 2016, P.L.526, No.84)
Section 1833-G. Revocation of tax credit certificates.

(a) Revocation.--The department shall revoke a tax credit certificate awarded under section 1829-G if any of the following occur with respect to a rural growth fund before the rural growth fund exits the program under section 1834-G:

(1) The rural growth fund in which the credit-eligible capital contribution was made does not invest all of its investment authority in rural growth investments in this Commonwealth within three years of the closing date with at least 25% of its investment authority initially invested in rural businesses engaged in manufacturing.

(2) The rural growth fund, after satisfying the conditions of paragraph (1), fails to maintain rural growth investments equal to 100% of its investment authority until the seventh anniversary of the closing date. For the purposes of this paragraph, a rural growth investment is "maintained" even if the rural growth investment is sold or repaid so long as the rural growth fund reinvests an amount equal to the capital returned or recovered by the rural growth fund

from the original rural growth investment, exclusive of any profits realized, in other rural growth investments in this Commonwealth within 12 months of the receipt of the capital. Amounts received periodically by a rural growth fund shall be treated as continually invested in rural growth investments if the amounts are reinvested in one or more rural growth investments by the end of the following calendar year. A rural growth fund is not required to reinvest capital returned from rural growth investments after the sixth anniversary of the closing date, and the rural growth investments shall be considered held continuously by the rural growth fund through the seventh anniversary of the closing date.

(3) The rural growth fund, before exiting the program in accordance with section 1834-G, makes a distribution or payment that results in the rural growth fund having less than 100% of its investment authority invested in rural growth investments in this Commonwealth or available for investment in rural growth investments and held in cash and other marketable securities.

(4) The rural growth fund invests more than 20% of its investment authority, exclusive of receipts or redeemed rural growth investments, in the same rural business, including amounts invested in affiliates of the rural business.

(5) The rural growth fund makes a rural growth investment in a rural business that directly or indirectly through an affiliate owns, has the right to acquire an ownership interest, makes a loan to or makes an investment in the rural growth fund, an affiliate of the rural growth fund or an investor in the rural growth fund. This paragraph does not apply to investments in publicly traded securities by a rural business or an owner or affiliate of a rural business. For purposes of this paragraph, a rural growth fund shall not be considered an affiliate of a rural business solely as a result of its rural growth investment.

((a) amended July 23, 2020, P.L.665, No.68)

(b) Notification.--Before revoking one or more tax credit certificates under this section, the department shall notify the rural growth fund of the reasons for the pending revocation. The rural growth fund shall have 90 days from the date the notice was made to correct any violation outlined in the notice to the satisfaction of the department and avoid revocation of a tax credit certificate.

(c) Reallocation.--If a tax credit certificate is revoked under this section, the associated investment authority and credit-eligible capital contributions may not count toward the limit on total investment authority and credit-eligible capital contributions allowed under this part. The department shall first reallocate investment authority on a pro rata basis to each rural growth fund that was allocated less than the requested investment authority under section 1824-G. The department may then allocate any remaining investment authority to new applicants.

(1833-G added July 13, 2016, P.L.526, No.84)

Section 1834-G. Exit.

(a) Application for exit.--On or after the seventh anniversary of the closing date, a rural growth fund may apply to the department to exit the Rural Jobs and Investment Tax Credit Program and no longer be subject to regulation under this part. A rural growth fund shall calculate the State repayment amount in its application for exit and if the product is greater than the rural growth fund's credit-eligible capital

contributions, the State repayment amount shall equal zero. The department shall respond to the application within 30 days after receipt and confirm the State repayment amount. In evaluating the application, the fact that no tax credit certificates have been revoked and that the rural growth fund has not received a notice of revocation that has not been cured under section 1833-G(b) shall be sufficient evidence to show that the rural growth fund is eligible for exit. The department may not deny an application submitted under this subsection without reasonable cause. If the application is denied, the department shall issue a notice which shall include the reasons for the denial. If the rural growth fund owes a State repayment amount, the rural growth fund may not be permitted to make distributions or payments in excess of the investment authority until the rural growth fund first remits the State repayment amount to the department. All amounts received by the department under this section shall be credited to the General Fund. ((a) amended June 28, 2019, P.L.50, No.13)

(b) Exit.--The department may not revoke a tax credit certificate after a rural growth fund exits from the Rural Jobs and Investment Tax Credit Program under this section.

The department's report shall include all business firms approved for a tax credit certificate and the amount of tax credit certificates approved for each business firm.

(c) Confidentiality.--Notwithstanding any law providing for the confidentiality of tax records, the information in the report under subsection (b) shall be public information, and all report information shall be posted on the department's publicly accessible Internet website.

(b) Promptly after the date of such assessment, the department shall send a copy of the assessment, including the basis of the assessment, to the person against whom it was made. Within ninety days after the date upon which the copy of any such assessment was mailed, such person may file with the department a petition for reassessment of such taxes. Every petition for reassessment shall state specifically the reasons which the petitioner believes entitle him to such reassessment, and it shall be supported by affidavit that it is not made for the purpose of delay, and that the facts set forth therein are true. It shall be the duty of the department, within six months after the date of any assessment, to dispose of any petition for reassessment. Notice of the action taken upon any petition for reassessment shall be given to the petitioner promptly after the date of reassessment by the department.

(b.1) (Deleted by amendment).

(c) Within ninety days after the date of mailing of notice by the department of the action taken on any petition for reassessment filed with it, the person against whom such assessment was made, may, by petition, request the Board of Finance and Revenue to review such action. Every petition for review filed hereunder shall state specifically the reason upon which the petitioner relies, or shall incorporate by reference the petition for reassessment in which such reasons shall have been stated. The petition shall be supported by affidavit that it is not made for the purpose of delay, and that the facts therein set forth are true. If the petitioner be a corporation, joint-stock association or limited partnership, the affidavit must be made by one of the principal officers thereof. A petition for review may be amended by the petitioner at any time prior to the hearing, as hereinafter provided. The Board of Finance and Revenue shall act finally in disposition of such petitions filed with it within six months after they have been received, and, in the event of the failure of said board to dispose of any such petition within six months, the action taken by the department upon the petition for reassessment shall be deemed sustained. The Board of Finance and Revenue may sustain the action taken on the petition for reassessment, or it may reassess the tax due upon such basis as it shall deem according

to law and equity. Notice of the action of the Board of Finance and Revenue shall be given by mail, or otherwise, to the department and to the petitioner.

(d) In all cases of petitions for reassessment, review or appeal, the burden of proof shall be upon the petitioner or appellant, as the case may be.

(e) Whenever any assessment of additional tax is not paid within ninety days after the date of the assessment, if no petition for reassessment has been filed, or within ninety days from the date of reassessment, if no petition for review has been filed, or within thirty days from the date of the decision of the Board of Finance and Revenue upon a petition for review, or the expiration of the board's time for acting upon such petition, if no appeal has been made, and in all cases of judicial sales, receiverships, assignments or bankruptcies, the department may call upon the Office of Attorney General to collect such assessment. In such event, in a proceeding for the collection of such taxes, the person against whom they were assessed shall not be permitted to set up any ground of defense that might have been determined by the department, the Board of Finance and Revenue or the courts. The department may also certify to the Liquor Control Board, for such action as the board may deem proper, the fact that any person has failed to pay or duly appeal from such assessment of additional tax. The department may also provide, adopt, promulgate and enforce such rules and regulations, as may be appropriate, to prevent further shipment or transportation of malt or brewed beverages into this Commonwealth by any person against whom such unpaid assessment shall have been made.

Section 2006. Bond or Surety Required.--(a) No malt or brewed beverages shall be sold in or imported into the Commonwealth until and unless the manufacturer of such malt or brewed beverage has on file with the department and in full force and effect an approved bond, duly executed, payable to the Commonwealth, together with a warrant of attorney to confess judgment in a sum equal to the amount of his highest two month average tax liability during the last year prior to the time of giving bond, but in no event less than five thousand dollars (\$5,000). All such bonds shall be conditioned upon the payment of the tax imposed by this article and shall have as surety a duly authorized surety company, or shall have deposited therewith, as collateral security, cash or negotiable obligations of the United States of America or the Commonwealth of Pennsylvania in the same amount as herein provided for the penal sum of such bonds.

(b) In all cases where cash or securities in lieu of other surety have been deposited with the department, the depositor shall be permitted to continue the same deposit from year to

year, but in no event shall he be permitted to withdraw his deposit during the time he holds a license, or until six months after the expiration of the license, if any, held by him, or while revocation proceedings are pending against such licensee, or while forfeiture proceedings are pending against the depositor's bond.

(c) All cash or securities received by the department in lieu of other surety shall be turned over by the department to the State Treasurer and held by him. The State Treasurer shall repay or return money or securities deposited with him to the respective depositors only on the order of the department.

(d) After notice from the department that such a bond has been forfeited, the State Treasurer shall immediately pay into the General Fund all cash deposited as collateral with such bond, and when securities have been deposited with such a bond, the State Treasurer shall sell at private sale, at not less than the prevailing market price, any such securities so deposited as collateral with any such forfeited bond. The State Treasurer shall thereafter deposit in the General Fund the net amount realized from the sale of such securities, except that if the amount so realized, after deducting proper costs and expenses, is in excess of the penal amount of the bond, such excess shall be paid over by him to the obligor on such forfeited bond.

(e) Every such bond shall be turned over to the Department of Justice to be collected if and when the depositor shall have been held liable for the unlawful nonpayment of taxes imposed by this article.

(2006 added Dec. 22, 1989, P.L.775, No.110)

Such report shall show the number of barrels, or standard fraction thereof, imported, transported or stored during the period for which it is made, and such further information as the department shall prescribe.

(b) Each manufacturer, transporter for hire, bailee for hire, warehouseman, distributor and retail licensee shall maintain and keep, for a period of two years, such record or records of malt or brewed beverages manufactured, sold by a manufacturer or distributor, transported from a point outside of the Commonwealth to a point within the Commonwealth, imported, or substantiating the other information required on his report, together with invoices, bills of lading and other pertinent papers, as may be required by the department.

Any person in possession of such malt or brewed beverages is hereby directed and required to give the Secretary

of Revenue, or his duly authorized representative, the means, facilities and opportunities for such examination. The department, or any of its duly authorized agents, is hereby authorized to confiscate any malt or brewed beverages stored, sold or transported in violation of the provisions of this article.

Section 2009. Refund of Tax.--(a) In case any malt or brewed beverages upon which the tax has been paid by a manufacturer have been sold or shipped by him to a licensed or regular dealer in such malt or brewed beverages in another state, such manufacturer in this Commonwealth shall be entitled to a refund of the actual amount of tax paid by him, upon condition that the seller in this Commonwealth shall make affidavit that the malt or brewed beverages were so sold and shipped, and that he shall furnish from the purchaser an affidavit, or in cases where the total purchase price is five dollars (\$5) or less, a written certificate in lieu of an affidavit from the purchaser, or, upon satisfactory proof that such affidavit or certificate cannot be obtained, other evidence satisfactory to the department that he has received such malt or brewed beverages for sale or consumption outside this Commonwealth, together with the name and address of the purchaser.

(b) In case any malt or brewed beverages upon which the tax has been paid by a manufacturer have been sold to commissaries, ship's stores or voluntary unincorporated organizations of the armed forces personnel operating under regulations promulgated by the Secretary of Defense, such manufacturer shall be entitled to a refund of the actual amount of tax paid by him, upon condition that he shall make affidavit and furnish proof that the malt or brewed beverages were so sold.

(e) In case any malt or brewed beverages upon which the tax has been paid by a manufacturer have been sold and delivered to a public service licensee who is obligated to pay the tax thereon, such manufacturer shall be entitled to a refund of the actual amount of tax paid by him, upon condition that he shall make affidavit and furnish proof satisfactory to the department of such facts.

(f) In each of the above cases the department shall pay or issue to the manufacturer credits of sufficient value to cover the refund. Such credits may be used by the manufacturer for the payment of any taxes due by him to the Commonwealth. The procedure for refund in any case shall be completed by the department within sixty days after the proper affidavits have been filed with the department under section 3003.1.

Compiler's Note: Section 42(b) of Act 48 of 1994 provided that section 2009 is repealed to the extent that it conflicts with the provisions of Act 48 for filing with the Board of Finance and Revenue of petitions for the refund of taxes and other moneys collected by the Department of Revenue.

(d) A taxpayer desiring to claim a tax credit or credits under this section shall, within one year of the date of the original purchase of the qualifying capital expenditures, in accordance with regulations promulgated by the secretary, report annually to the secretary the nature, amounts and dates of qualifying capital expenditures made by him and such other information as the secretary shall require. If satisfied as to the correctness of such a report, the secretary shall issue to the taxpayer a certificate establishing the amount of qualifying capital expenditures made by the taxpayer and included within said report. The taxpayer shall also provide to the secretary the number of employees, total production of malt or brewed beverages and the amount of capital expenditures made by the taxpayer at each location operated by the taxpayer or a parent corporation, subsidiary, joint venture or affiliate. Also, the taxpayer shall notify the secretary of any contract for production held with another manufacturer. The secretary shall file a report annually with the Chief Clerk of the House of Representatives and with the Secretary of the Senate outlining

(1) Divide:

(i) the tax credit granted for the taxpayer; by

(ii) the total of all tax credits granted for all taxpayers.

(2) Multiply:

(i) the amount under subsection (f); by

(ii) the quotient under paragraph (1).

(3) The algebraic form of the calculation under this subsection is:

Taxpayer's tax credit = amount allocated for those tax credits X (tax credit granted to the taxpayer/total of all tax credits granted to all taxpayers).

TRANSFERS SUBJECT TO TAX
(II added Aug. 4, 1991, P.L.97, No.22)

Section 2106. Imposition of Tax.--An inheritance tax for the use of the Commonwealth is imposed upon every transfer subject to tax under this article at the rates specified in section 2116.

(2106 added Aug. 4, 1991, P.L.97, No.22)

Section 2107. Transfers Subject to Tax.--(a) The transfers enumerated in this section are subject to the tax imposed by section 2106.

(b) All transfers of property by will, by the intestate laws of this Commonwealth or, in the case of a transfer from a nonresident, by the laws of succession of another jurisdiction are subject to tax. The transfer of property of a person determined by decree of a court of competent jurisdiction to be a presumed decedent is subject to tax within the meaning of this section and section 2108.

(c) (1) All transfers of property specified in subclauses (3) through (7) which are made by a resident or a nonresident during his lifetime are subject to tax to the extent that they are made without valuable and adequate consideration in money or money's worth at the time of transfer.

(2) When the decedent retained or reserved an interest or power with respect to only a part of the property transferred, in consequence of which a tax is imposed under subclauses (4) through (7), the amount of the taxable transfer is only the value of that portion of the property transferred which is subject to the retained or reserved interest or power.

(3) A transfer conforming to subclause (1) and made within one year of the death of the transferor is subject to tax only to the extent that the value at the time of the transfer or transfers in the aggregate to or for the benefit of the transferee exceeds three thousand dollars (\$3,000) during any calendar year.

(4) A transfer conforming to subclause (1) which takes effect in possession or enjoyment at or after the death of the transferor and under which the transferor has retained a reversionary interest in the property, the value of which interest immediately before the death of the transferor exceeds five per cent of the value of the property transferred, is subject to tax. The term "reversionary interest" includes a possibility that property transferred may return to the transferor or his estate or may be subject to a power of disposition by him, but the term does not include a possibility that the income alone from the property may return to him or become subject to a power of disposition by him.

(5) A transfer conforming to subclause (1), and under which the transferor expressly or impliedly reserves for his life or any period which does not in fact end before his death, the possession or enjoyment of, or the right to the income from, the property transferred, or the right, either alone or in conjunction with any person not having an adverse interest, to designate the persons who shall possess or enjoy the property transferred or the income from the property, is subject to tax.

(6) A transfer conforming to subclause (1), and under which the transferee promises to make payments to, or for the benefit of, the transferor or to care for the transferor during the remainder of the transferor's life, is subject to tax.

(7) A transfer conforming to subclause (1), and under which the transferor has at his death, either in himself alone or in

conjunction with any person not having an adverse interest, a power to alter, amend or revoke the interest of the beneficiary, is subject to tax. Similarly, the relinquishment of such a power within one year of the death of the transferor is a transfer subject to tax except as otherwise provided in subclause (3).

(d) All succeeding interests which follow the interest of a surviving spouse in a trust or similar arrangement, to the extent specified in section 2113, are transfers subject to tax as if the surviving spouse were the transferor. ((d) reenacted June 30, 1995, P.L.139, No.21)

Compiler's Note: Section 24 of Act 21 of 1995, which reenacted subsection (d), provided that section 43(4)(ii) of Act 48 of 1994 is repealed insofar as it limits the amendment or addition of Article XXI from applying to the estates of decedents dying on or after January 1, 1995.

Section 2108. Joint Tenancy.--(a) When any property is held in the names of two or more persons or is deposited in a financial institution in the names of two or more persons so that, upon the death of one of them, the survivor or survivors have a right to the immediate ownership or possession and enjoyment of the whole property, the accrual of such right, upon the death of one of them, shall be deemed a transfer subject to tax of a fractional portion of such property to be determined by dividing the value of the whole property by the number of joint tenants in existence immediately preceding the death of the deceased joint tenant.

(b) Except as provided in subsection (c), this section shall not apply to property or interests in property passing by right of survivorship to the survivor of husband and wife. ((b) amended June 30, 1995, P.L.139, No.21)

(c) If the co-ownership was created within one year prior to the death of the co-tenant, the entire interest transferred shall be subject to tax only under, and to the extent stated in, subsection (c)(3) of section 2107 as though a part of the estate of the person who created the co-ownership.

(2108 added Aug. 4, 1991, P.L.97, No.22)

Compiler's Note: Section 24 of Act 21 of 1995, which amended subsection (b), provided that section 43(4)(ii) of Act 48 of 1994 is repealed insofar as it limits the amendment or addition of Article XXI from applying to the estates of decedents dying on or after January 1, 1995.

(1.3) Inheritance tax upon the transfer of property passing to or for the use of a sibling shall be at the rate of twelve per cent.

(1.4) Inheritance tax upon the transfer of property to or for the use of a child twenty-one years of age or younger from a natural parent, an adoptive parent or a stepparent of the child shall be at the rate of zero per cent. ((1.4) added June 28, 2019, P.L.50, No.13)

(2) Inheritance tax upon the transfer of property passing to or for the use of all persons other than those designated in subclause (1), (1.1), (1.2), (1.3) or (1.4) or exempt under section 2111(m) shall be at the rate of fifteen per cent. ((2) amended June 28, 2019, P.L.50, No.13)

(3) When property passes to or for the use of a husband and wife with right of survivorship, one of whom is taxable at a rate lower than the other, the lower rate of tax shall be applied to the entire interest.

((a) amended May 24, 2000, P.L.106, No.23)

(b) (1) When the decedent was a resident, the tax shall be computed upon the value of the property, in excess of the deductions specified in Part VI, at the rates in effect at the transferor's death.

(2) When the decedent was a nonresident, the tax shall be computed upon the value of real property and tangible personal property having its situs in this Commonwealth, in excess of unpaid property taxes assessed on the property and any indebtedness for which it is liened, mortgaged or pledged, at the rates in effect at the transferor's death. The person liable to make the return under section 2136 may elect to have the tax computed as if the decedent was a resident and his entire estate was property having its situs in this Commonwealth, and the tax due shall be the amount which bears the same ratio to the tax thus computed as the real property and tangible personal property located in this Commonwealth bears to the entire estate of the decedent.

(b.1) The inheritance tax due upon the transfer of property passing to or for the use of a husband or wife shall be the lesser of the tax imposed under subsection (a)(1.1) or the tax due after the allowance of the credit provided for under section 2112. ((b.1) added June 16, 1994, P.L.279, No.48)

(c) When any person entitled to a distributive share of an estate, whether under an inter vivos trust, a will or the intestate law, renounces his right to receive the distributive share receiving therefor no consideration, or exercises his elective rights under 20 Pa.C.S. Ch. 22 (relating to elective share of surviving spouse) receiving therefor no consideration other than the interest in assets passing to him as the electing spouse, the tax shall be computed as though the persons who benefit by such renunciation or election were originally designated to be the distributees, conditioned upon an adjudication or decree of distribution expressly confirming distribution to such distributees. The renunciation shall be made within nine months after the death of the decedent. In the case of a surviving spouse taking his elective share of an estate, the renunciation shall be made within the time for election and any extension thereof under 20 Pa.C.S. § 2210(b) (relating to procedure for election; time limit). Notice of the filing of the account and of its call for audit or confirmation shall include notice of the renunciation or election to the department. When an unconditional vesting of a future interest does not occur at the decedent's death, the renunciation specified in this subsection of the future interest may be made within three months after the occurrence of the event or contingency which resolves the vesting of the interest in possession and enjoyment. ((c) amended May 24, 2000, P.L.106, No.23)

(d) In case of a compromise of a dispute regarding rights and interests of transferees, made in good faith, the tax shall be computed as though the persons so receiving distribution were originally entitled to it as transferees of the property received in the compromise, conditioned upon an adjudication or decree of distribution expressly confirming distribution to such distributees. Notice of the filing of the account and of its call for audit or confirmation shall include notice to the department.

(e) If the rate of tax which will be applicable when an interest vests in possession and enjoyment cannot be established with certainty, the department, after consideration of relevant actuarial factors, valuations and other pertinent circumstances, may enter into an agreement with the person responsible for

payment to establish a specified amount of tax which, when paid within sixty days after the agreement, shall constitute full payment of all tax otherwise due upon such transfer. Rights of withdrawal of a surviving spouse not exercised within nine months of the transferor's death shall be ignored in making such calculations. ((e) amended June 16, 1994, P.L.279, No.48)

(f) Property subject to a power of appointment, whether or not the power is exercised and notwithstanding any blending of the property with the property of the donee, shall be taxed only as part of the estate of the donor.

(2116 added Aug. 4, 1991, P.L.97, No.22)

Compiler's Note: Section 32 of Act 13 of 2019 provided that the amendment or addition of section 2116(a)(1.4) and (2) of this act shall apply to property transferred by a natural parent, an adoptive parent or a stepparent who dies after December 31, 2019.

Compiler's Note: Section 19(8)(ii) of Act 23 of 2000, which amended subsections (a) and (c), provided that the amendment shall apply to the estates of decedents dying after June 30, 2000. Section 19(8)(ii) provided that the amendment shall apply to inter vivos transfers made by decedents dying after June 30, 2000, regardless of the date of the transfer.

Section 2117. Estate Tax.--(a) In the event that a Federal estate tax is payable to the Federal Government on the transfer of the taxable estate of a decedent who was a resident of this Commonwealth at the time of his death, and the inheritance tax, if any, actually paid to the Commonwealth by reason of the death of the decedent (disregarding interest or the amount of any discount allowed under section 2142) is less than the maximum credit for State death taxes allowable under section 2011 of the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 2011), a tax equal to the difference is imposed. If a resident decedent owned or had an interest in real property or tangible personal property having a situs in another state, the tax so imposed shall be reduced by the greater of:

(1) the amount of death taxes actually paid to the other state with respect to the estate of the decedent, excluding any death tax expressly imposed to receive the benefit of the credit for state death taxes allowed under section 2011 of the Internal Revenue Code of 1986 (26 U.S.C. § 2011); or

(2) an amount computed by multiplying the maximum credit for state death taxes allowable under section 2011 of the Internal Revenue Code of 1986 (26 U.S.C. § 2011) by a fraction, the numerator of which is the value of the real property and tangible personal property to the extent included in the decedent's gross estate for Federal estate tax purposes and having a situs in the other state and the denominator of which is the value of the decedent's gross estate for Federal estate tax purposes.

(b) In the event that a Federal estate tax is payable to the Federal Government on the transfer of the taxable estate of a decedent who was not a resident of this Commonwealth at the time of his death but who owned or had an interest in real property or tangible personal property having a situs in this Commonwealth, a tax is imposed in an amount computed by multiplying the maximum credit for State death taxes allowable under section 2011 of the Internal Revenue Code of 1986 (26 U.S.C. § 2011) by a fraction, the numerator of which is the value of the real property and tangible personal property to the extent included in the decedent's gross estate for Federal

estate tax purposes having a situs in this Commonwealth and the denominator of which is the value of the decedent's gross estate for Federal estate tax purposes, and deducting from that amount the inheritance tax, if any, actually paid to the Commonwealth (disregarding interest or the amount of any discount allowed under section 2142).

(c) When an inheritance tax is imposed after an estate tax imposed under subsection (a) or (b) has been paid, the estate tax paid shall be credited against any inheritance tax later imposed.

(2117 amended Dec. 23, 2003, P.L.250, No.46)

Compiler's Note: Section 33(17) of Act 46 of 2003, which amended section 2117, provided that the amendment shall apply to the estates of decedents who die after June 30, 2002.

PART V VALUATION

(V added Aug. 4, 1991, P.L.97, No.22)

Section 2121. Valuation.--(a) Except as otherwise provided in this part, the valuation date shall be the date of the transferor's death. When the transfer was made during lifetime and was not in trust, the property transferred shall be valued at the transferor's death. When the transfer was to an inter vivos trust, the property to be valued shall be that comprising the portion of the trust, if any, which exists at the transferor's death and which portion is traceable from property the transfer of which is subject to tax under this article.

(b) The value of a life interest shall be determined in accordance with rules and regulations promulgated by the department. Until the promulgation of rules and regulations to the contrary, the regulations in effect for Federal estate tax purposes shall apply.

(c) The value of an interest for a term certain shall be determined in accordance with rules and regulations promulgated by the department. Until the promulgation of rules and regulations to the contrary, the regulations in effect for Federal estate tax purposes shall apply.

(d) If an annuity or a life estate is terminated by the death of the annuitant or life tenant or by the happening of a contingency within nine months after the death of the transferor, the value of the annuity or estate shall be the value, at the date of the transferor's death, of the amount of the annuity or income actually paid or payable to the annuitant or life tenant during the period he was entitled to the annuity or was in possession of the estate. If an appraisal of an annuity or life estate has been filed before the termination, the appraisal and any assessment based on the appraisal shall be revised in accordance with this section upon request of any party in interest, including the Commonwealth and the personal representative, insofar as the appraisal and any assessment based on the appraisal relates to the valuation of the terminated annuity or life estate, without the necessity of the party in interest following any procedure described in Part XI.

(e) The value of a future interest shall be determined in accordance with rules and regulations promulgated by the department. Until the promulgation of rules and regulations to the contrary, the regulations in effect for Federal estate tax purposes shall apply.

(f) When a decedent's property is subject, during his lifetime and at the time of his death, to a binding option or agreement to sell, the appraised value of the property shall not exceed the amount of the established price payable for it provided the option or agreement is a bona fide arrangement and not a device to transfer the property for less than an adequate and full consideration in money or money's worth. If the option or agreement is not exercised and consummated, the value at which the property is appraised shall not be limited to the established price payable for the property, and it shall not exceed the value of the property on the date of the transferor's death. When tax has been assessed on the basis of an established price and the option or agreement is not exercised and consummated or an amount greater than the established price is received for the property, the fiduciary or transferee shall file a supplemental return reporting the facts.

(2121 added Aug. 4, 1991, P.L.97, No.22)

Section 2122. Valuation of Certain Farmland.--(a) The following words and phrases, when used in this section, shall have the meaning ascribed to them in this section, except where the context clearly indicates a different meaning:

"Agricultural commodity." Any and all plant and animal products, including Christmas trees produced in this Commonwealth for commercial purposes.

"Agricultural conservation easement." As defined in section 3 of the act of June 30, 1981 (P.L.128, No.43), known as the "Agricultural Area Security Law." (Def. added July 6, 2006, P.L.319, No.67)

"Agricultural reserve." Noncommercial open space lands used for outdoor recreation or the enjoyment of scenic or natural beauty and open to the public for such use, without charge or fee, on a nondiscriminatory basis.

"Agricultural use." Use of the land for the purpose of producing an agricultural commodity or when devoted to and meeting the requirements and qualifications for payments or other compensation pursuant to a soil conservation program under an agreement with an agency of the Federal Government.

"Forest reserve." Land, ten acres or more, stocked by forest trees of any size and capable of producing timber or other wood products.

"Separation." A division, by conveyance or other action of the owner, of lands devoted to agricultural use, agricultural reserve or forest reserve and preferentially assessed under the provisions of this section into two or more tracts of land which continue to be agricultural use, agricultural reserve or forest reserve and all tracts so formed meet the requirements of section 3 of the act of December 19, 1974 (P.L.973, No.319), known as the "Pennsylvania Farmland and Forest Land Assessment Act of 1974."

"Split-off." A division, by conveyance or other action of the owner, of lands devoted to agricultural use, agricultural reserve or forest reserve and preferentially assessed under the provisions of this section into two or more tracts of land, the use of which on one or more of such tracts does not meet the requirements of section 3 of the act of December 19, 1974 (P.L.973, No.319), known as the "Pennsylvania Farmland and Forest Land Assessment Act of 1974."

(b) (1) The value for transfer inheritance tax purposes of land or an interest in land which is owned by a decedent and devoted to agricultural use, agricultural reserve or forest reserve shall be that value which such land has for its particular use if it also meets the following conditions:

(i) in the case of land devoted to agricultural use, the land was devoted to such agricultural use for the three years preceding the death of such decedent and is not less than ten contiguous acres in area or has an anticipated yearly gross income derived from agricultural use of two thousand dollars (\$2,000);

(ii) in the case of land devoted to agricultural reserve, the land is not less than ten contiguous acres in area;

(iii) in the case of land presently devoted to forest reserve, the land is not less than ten contiguous acres in area; or

(iv) the contiguous tract of land for which application is made is not less than the entire contiguous area of the owner used for agricultural use, agricultural reserve or forest reserve purposes.

(2) In determining the value of land in agricultural use, agricultural reserve or forest reserve for its particular use, consideration shall be given to available evidence of such land's capability for its particular use as derived from the soil survey at The Pennsylvania State University, the National Cooperative Soil Survey, the United States Census of Agricultural Categories of land use classes and other evidence of the capability of the land devoted to such use and also, if the land is assessed under the provisions of the "Pennsylvania Farmland and Forest Land Assessment Act of 1974," to the valuation determined by the local county assessor thereunder.

(c) (1) If any tract of land in agricultural use, agricultural reserve or forest reserve, which is valued for inheritance tax purposes under the provisions of this part, is applied to a use other than agricultural use, agricultural reserve or forest reserve or for any other reason, except condemnation thereof, is removed from the category of land preferentially valued under this part within seven years following the death of such decedent, the owner at such time the land is so removed shall be subject and liable to tax due the Commonwealth in an amount equal to the difference, if any, between the taxes paid or payable on the basis of the valuation authorized under this section and the taxes that would have been paid or payable had that land been valued and taxed on the basis of its market value at the death of the decedent, plus interest thereon for the period from the date of death to the change of use at the rate established in section 2143.

(2) The tax shall be a lien upon the property in favor of the Commonwealth, collectible in the manner provided by law for the collection of delinquent real estate taxes, as well as the personal obligation of the owner at the time of such change of use. The tax shall become due on the date of change of use.

(3) Every owner of land preferentially valued under this section shall notify the register of wills of the county or counties in which the land is located of any change or proposed change in the use of the land. Any owner failing to make notification commits a misdemeanor of the third degree.

(d) (1) The split-off of a part of the land which has been valued, assessed and taxed under this article for a use other than agricultural use, agricultural reserve or forest reserve within the seven-year period provided for by subsection (c) shall, except when the split-off occurs through condemnation, subject the land divided and the entire parcel from which the land was divided to liability for taxes as otherwise set forth in this article except as provided in subclause (2).

(2) The owner of property subject to a preferential tax assessment may split off land covered by the preferential tax

assessment within the seven-year period. The tract of land so split-off shall not exceed two acres annually and may only be used for residential use, agricultural use, agricultural reserve or forest reserve and the construction of a residential dwelling to be occupied by the person to whom the land is transferred. The total parcel or parcels of land split-off under the provisions of this subsection shall not exceed ten per cent or ten acres, whichever is less, of the entire tract subject to the preferential tax assessment. The split-off of a parcel of land which meets the requirements of this subsection shall not invalidate the preferential tax assessment if it continues to meet the requirements of subsection (b).

(3) The owner of property subject to a preferential use assessment may separate land covered by the preferential use assessment. The separation shall not invalidate the preferential tax assessment unless a subsequent abandonment of preferential use occurs within seven years of the separation. The abandonment shall subject the entire tract of land separated to liability for taxes, which are to be paid by the person changing the use, as set forth in this article.

(4) When property subject to preferential tax assessment is separated among the beneficiaries taxed under subsection (a)(1) of section 2116, a subsequent change within the seven-year period provided for in subsection (b) in the use of one beneficiary's portion of the property shall subject only that tract held by the beneficiary who changes the use to liability under this article.

(e) The value for transfer inheritance tax purposes of land or an interest in land which is part of an agricultural conservation easement shall be at fifty per cent of the value otherwise determined under this section. ((e) added July 6, 2006, P.L.319, No.67)

(2122 added Aug. 4, 1991, P.L.97, No.22)

(VI added Aug. 4, 1991, P.L.97, No.22)

Section 2126. Deductions Generally.--The only deductions from the value of the property transferred shall be those set forth in this part. Except as otherwise provided in this article, they shall be deductible regardless of whether or not assets comprising the decedent's taxable estate are employed in the payment or discharge of the deductible items. When a tax is imposed upon a transfer described in subsection (c) of section 2107 and section 2108, the deductions shall be allowed to the transferee only to the extent that the transferee has actually paid the deductible items and either the transferee was legally obligated to pay the deductible items or the estate subject to administration by a personal representative is insufficient to pay the deductible items.

(2126 added Aug. 4, 1991, P.L.97, No.22)

Section 2127. Expenses.--The following expenses may be deducted from the value of the property transferred:

(1) Administration expenses. All reasonable expenses of administration of the decedent's estate and of the assets includable in the decedent's taxable estate are deductible.

(2) Bequest to fiduciary or attorney in lieu of fees. A transfer to an executor, trustee or attorney in lieu of compensation for services is deductible to the extent it does not exceed reasonable compensation for the services to be performed.

(3) Family exemption. The family exemption is deductible.

(4) Funeral and burial expenses. Reasonable and customary funeral expenses, including the cost of a family burial lot or other resting place, are deductible.

(5) Tombstones and gravemarkers. Reasonable and customary expenses for the purchase and erection of a monument, gravestone or marker on decedent's burial lot or final resting place are deductible.

(6) Burial trusts or contracts. Bequests or devises in trust, or funds placed in trust after decedent's death or funds paid under a contract after decedent's death, in reasonable amounts, to the extent that the funds or income from the funds is to be applied to the care and preservation of the family burial lot or other final resting place in which the decedent is buried or the remains of the decedent repose and the structure on the burial lot or other final resting place, are deductible.

(7) Bequests for religious services. Bequests in reasonable amounts for the performance or celebration of religious rites, rituals, services or ceremonies, in consequence of the death of the decedent, shall be deductible.

(2127 added Aug. 4, 1991, P.L.97, No.22)

Section 2128. Taxes.--The following taxes may be deducted from the value of the property transferred:

(1) Property taxes. Taxes imposed against the decedent or against any property constituting a part of decedent's gross taxable estate and which are owing prior to decedent's death are deductible. However, taxes for which decedent is not personally liable shall not be deductible in an amount exceeding the value of the property against which the taxes are lien.

(2) State and foreign death taxes. Death taxes other than the Federal estate tax, disregarding interest and penalty, paid to other states and territories of the United States and to taxing jurisdictions outside the United States and its territories on assets, the transfer of which is subject to tax under this article, if the taxes are required to be paid to bring the assets into this Commonwealth, or to transfer them to the new owner, are deductible.

(2128 added Aug. 4, 1991, P.L.97, No.22)

Section 2129. Liabilities.--(a) Except as set forth in section 2130(5), all liabilities of the decedent shall be deductible subject to the limitations set forth in this section.

(b) Except as otherwise provided in subsections (h) and (i), the deductions for indebtedness of the decedent, when founded upon a promise or agreement, shall be limited to the extent that it was contracted bona fide and for an adequate and full consideration in money or money's worth.

(c) Except as provided by subclause (4) of section 2130, indebtedness owing by the decedent upon a secured loan is deductible whether or not the security is a part of the gross taxable estate.

(d) Except as provided by subclause (4) of section 2130, the decedent's liability (net of all collectible contribution) on a joint obligation is deductible whether or not payment of the obligation is secured by entireties property or property which passes to another under the right of survivorship.

(e) Indebtedness arising from a contract for the support of the decedent is deductible.

(f) Decedent's obligation is deductible whether or not discharged by testamentary gift.

(g) Decedent's debt, which is unenforceable because of any statute of limitations, is deductible if paid by the estate.

(h) A pledge to a transferee exempt under the provisions of subsection (c) of section 2111 is deductible if paid by the estate, whether or not it is legally enforceable.

(i) Liabilities arising from the decedent's tort or from decedent's status as an accommodation endorser, guarantor or surety are deductible, except to the extent that it can be reasonably anticipated that decedent's estate will be exonerated or reimbursed by others primarily liable or subject to contribution.

(j) The fact that a surviving spouse is legally liable and financially able to pay any item which, if the deceased spouse were unmarried, would qualify as a deduction under this part shall not result in the disallowance of such item as a deduction.

(k) Obligations for decedent's medical expenses are not deductible to the extent decedent's estate will be exonerated or reimbursed for such expenses from other sources.

(2129 amended July 9, 2013, P.L.270, No.52)

(5) Expenses, debts, obligations and liabilities incurred in connection with a qualified family-owned business interest exempted from inheritance under section 2111(t) and any property exempted from inheritance tax under section 2111(s) or (s.1).

(2130 amended July 13, 2016, P.L.526, No.84)

Compiler's Note: Section 24 of Act 21 of 1995, which reenacted and amended section 2130, provided that section 43(4)(ii) of Act 48 of 1994 is repealed insofar as it limits the amendment or addition of Article XXI from applying to the estates of decedents dying on or after January 1, 1995.

PART VII

PAYMENT OF TAX

(VII added Aug. 4, 1991, P.L.97, No.22)

Section 2136. Returns.--(a) The following persons shall make a return:

(1) The personal representative of the estate of the decedent as to property of the decedent administered by him and additional property which is or may be subject to inheritance tax of which he shall have or acquire knowledge.

(2) The transferee of property upon the transfer of which inheritance tax is or may be imposed by this article, including a trustee of property transferred in trust. No separate return need be made by the transferee of property included in the return of a personal representative.

(b) The inclusion of property in the return shall not constitute an admission that its transfer is taxable.

(c) Any person required to file a return under subsection (a) shall promptly file a supplemental return with respect to

additional assets and transfers which come to his knowledge after the original return has been filed.

(d) The returns required by subsection (a) shall be filed within nine months after the death of the decedent. At any time prior to the expiration of the nine-month period, the department, in its discretion, may grant an extension of the time for filing a return for an additional period of six months.

(e) The returns required by subsections (a) and (c) shall be made in the form prescribed by the department.

(f) When the decedent was a resident, the returns shall be filed with the register. When the decedent was a nonresident, the returns shall be filed with the register who issued letters, if any, in this Commonwealth; otherwise, the returns shall be filed with the department.

(2136 added Aug. 4, 1991, P.L.97, No.22)

Section 2137. Appraisement.--The department shall have supervision over, and make or cause to be made, fair and conscionable appraisements of property the transfer of which is subject to tax under this article. The appraisement, unless suspended until audit, shall be made within six months after the return has been filed and, if not so made, shall be made within an additional period as the court, upon application of any party in interest, including the personal representative, shall fix.

(2137 added Aug. 4, 1991, P.L.97, No.22)

Section 2138. Deductions.--The official with whom the return is required by subsection (f) of section 2136 to be filed shall determine the allowance or disallowance of all deductions claimed. The determination, unless suspended until audit, shall be made within six months after the claim for allowance has been filed and, if not so made, shall be made within such further period as the court, upon application by any party in interest, including the personal representative, shall fix. However, the court, at the request of the fiduciary at the audit of his account, may determine and allow, as deductions, all properly deductible credits claimed in the account or allowed at the audit without requiring the filing of a separate claim for them, and the court may then fix the amount of the tax and decree payment of the tax. Deductions exceeding one hundred dollars (\$100) in the aggregate shall not be allowed by the court unless the Commonwealth is represented at the audit by counsel or unless there is proof that the register has had at least thirty days notice of the claim.

(2138 added Aug. 4, 1991, P.L.97, No.22)

Section 2139. Assessment of Tax.--After the appraisement has been made and the allowance or disallowance of deductions determined, the inheritance tax, as affected by the court's determination of the allowance or disallowance of deductions as provided in section 2138, shall be assessed by the official with whom the return is required to be filed under subsection (f) of section 2136. The assessment, unless suspended until audit, shall be made within one month after the filing of the appraisement or determination of deductions, whichever occurs later, and, if not so made, shall be made within an additional period as the court, upon application by any party in interest, including the personal representative, shall fix.

(2139 added Aug. 4, 1991, P.L.97, No.22)

Section 2140. Notice.--The department shall give, or cause to be given, notice of the filing of the appraisement, the determination of the allowance or disallowance of deductions and the amount of tax assessed, and all supplements, to the

personal representative and to any transferee who filed a tax return or to their respective attorneys.

(2140 added Aug. 4, 1991, P.L.97, No.22)

Section 2141. Failure to File Returns Not a Bar to Assessment of Tax.--Failure to file a return of a taxable transfer shall not bar the making of an appraisement or supplemental appraisement or assessment of tax or supplemental assessment of tax based upon taxable transfers not returned under the provisions of this article.

(2141 added Aug. 4, 1991, P.L.97, No.22)

Section 2142. Payment Date and Discount.--Inheritance tax is due at the date of the decedent's death and shall become delinquent at the expiration of nine months after the decedent's death. To the extent that the inheritance tax is paid within three months after the death of the decedent, a discount of five per cent shall be allowed.

(2142 added Aug. 4, 1991, P.L.97, No.22)

Section 2143. Interest.--If the inheritance tax is not paid before the date it becomes delinquent, interest on the unpaid tax shall be charged after the date of delinquency at the rate established pursuant to section 806 of the act of April 9, 1929 (P.L.343, No.176), known as "The Fiscal Code." When payment of inheritance tax is not made because of litigation or other unavoidable cause of delay and the property on which the tax has been calculated has remained in the hands of a fiduciary and has not produced a net income equal to the rate of interest provided in this section annually, interest for such period shall be calculated at the rate of the net income produced by the property. Any payment on delinquent inheritance tax shall be applied first to any interest due on the tax at the date of payment and then, if there is any balance, to the tax itself.

(2143 added Aug. 4, 1991, P.L.97, No.22)

Section 2144. Source of Payment.--(a) In the absence of a contrary intent appearing in the will, the inheritance tax, including interest, on the transfer of property which passes by will absolutely and in fee, and which is not part of the residuary estate, shall be paid out of the residuary estate and charged in the same manner as a general administration expense of the estate. The payments shall be made by the personal representative and, if not so paid, shall be made by the transferee of the residuary estate.

(b) In the absence of a contrary intent appearing in the inter vivos trust, the inheritance tax, including interest, on the transfer of property which passes absolutely and in fee by inter vivos trust, and which is not part of the residue of the inter vivos trust, shall be paid out of the residue of the trust and charged in the same manner as a general administration expense of the trust. The payment shall be made by the trustee and, if not so paid, shall be made by the transferee of the residue of the trust.

(c) In the absence of a contrary intent appearing in the will, the inheritance tax, including interest, on the transfer of property which passes by will other than absolutely and in fee, and which is not part of the residuary estate, shall be paid out of the residuary estate and charged in the same manner as a general administration expense of the estate. The payment shall be made by the personal representative and, if not so paid, shall be made by the transferee of the residuary estate.

(d) In the absence of a contrary intent appearing in the inter vivos trust, the inheritance tax, including interest, on the transfer of property which passes other than absolutely and in fee by inter vivos trust, and which is not part of the

residue of the inter vivos trust, shall be paid out of the residue of the trust and charged in the same manner as a general administration expense of the trust. The payment shall be made by the trustee and, if not so paid, shall be made by the transferee of the residue of the trust.

(e) In the absence of a contrary intent appearing in the will or other instrument of transfer, the inheritance tax, in the case of a transfer of any estate, income or interest for a term of years, for life or for other limited period, shall be paid out of the principal of the property by which the estate, income or interest is supported, except as otherwise provided in subsection (c) or (d). The payment shall be made by the personal representative or trustee and, if not so paid, shall be made by the transferee of such principal.

(e.1) In the absence of a contrary intent appearing in the will or other instrument of transfer creating the trust or similar arrangement, and in the absence of a contrary intent appearing in the will or other instrument of transfer of the surviving spouse which expressly refers to the trust or similar arrangement, the inheritance tax, including interest, due at the death of a surviving spouse with respect to a trust or similar arrangement to which section 2113(b) is applicable shall be paid out of the residue of the principal of the trust or similar arrangement and charged as a general administration expense of the trust or similar arrangement. The payment shall be made by the trustee or other fiduciary in possession of the property and, if not so paid, shall be made by the transferee of the residue of the trust or similar arrangement. ((e.1) reenacted and amended June 30, 1995, P.L.139, No.21)

(f) In the absence of a contrary intent appearing in the will or other instrument of transfer and except as otherwise provided in this section, the ultimate liability for the inheritance tax, including interest, shall be upon each transferee.

(2144 added Aug. 4, 1991, P.L.97, No.22)

Compiler's Note: Section 24 of Act 21 of 1995, which reenacted and amended subsection (e.1), provided that section 43(4)(ii) of Act 48 of 1994 is repealed insofar as it limits the amendment or addition of Article XXI from applying to the estates of decedents dying on or after January 1, 1995.

Section 2145. Estate Tax Return.--(a) The person or persons required by section 2136 to make the inheritance tax return shall be initially liable for payment of the estate tax.

(b) The personal representative of every decedent or, if there is no personal representative, any other fiduciary charged by law with the duty of filing a Federal estate tax return, within one month of the filing or receipt of the return shall file with the register or, if the decedent was a nonresident, with the register who issued letters, if any, in this Commonwealth, or otherwise with the department, a copy of the decedent's Federal estate tax return and of any communication from the Federal Government making any final change in the return or of the tax due. The assessment of estate tax shall be made by the register or department within three months after the filing of the documents required to be filed and, if not so made, shall be made within an additional period as the court, upon application of any party in interest, including the personal representative, shall fix.

(c) The estate tax is due at the date of the decedent's death but shall not become delinquent until the expiration of

nine months after decedent's death. Any estate tax occasioned by a final change in the Federal return or of the tax due shall not become delinquent until the expiration of one month after the person or persons liable to pay the tax have received final notice of the increase in the Federal estate tax.

(d) No discount shall be allowed in paying the estate tax.

(e) If the estate tax is not paid before the date it becomes delinquent under subsection (c), interest on the unpaid tax shall be charged after the date of delinquency at the rate established in section 2143.

(f) The estate tax shall be apportioned and ultimately borne in accordance with the provisions of 20 Pa.C.S. Ch. 37 (relating to apportionment of death taxes) unless otherwise provided by this article or in the instrument of transfer.

(g) When the decedent was a resident, the estate tax shall be paid to the register. When the decedent was a nonresident, the estate tax shall be paid to the register who issued letters, if any, in this Commonwealth; otherwise, it shall be paid to the department.

(2145 amended Dec. 23, 2003, P.L.250, No.46)

Compiler's Note: Section 33(17) of Act 46 of 2003, which amended section 2145, provided that the amendment shall apply to the estates of decedents who die after June 30, 2002.

Section 2146. Deduction and Collection of Tax by Personal Representative or Other Fiduciary.--Subject to the provisions of sections 2144 and 2154, every personal representative or other fiduciary (other than a trustee of a pension, stock-bonus, profit-sharing, retirement annuity, deferred compensation, disability, death benefit, or other employee benefit plan) in charge of or in possession of any property, or instrument evidencing ownership of property, the transfer of which is subject to a tax imposed by this article other than a tax on a future interest not yet delinquent, shall deduct the tax from the property, if money, or shall collect the tax from the transferee. Any delivery of property or instrument by the fiduciary to a transferee, except in accordance with a decree of distribution of the court or pursuant to a duly executed notice of election filed under section 2154, shall not relieve him of personal liability for a tax imposed by this article. No personal representative or other fiduciary in charge of or in possession of any property subject to this article shall be compelled to pay or deliver it to the transferee except upon payment to him of the tax due other than tax on a future interest not yet delinquent. If the transferee neglects or refuses to pay the tax, the personal representative or other fiduciary may sell the property subject to the tax, or so much of the property as is necessary, under direction of the court. All money retained by the personal representative or other fiduciary, or paid to him on account of the taxes imposed by this article, shall be remitted by him before the tax becomes delinquent or, if received after the tax becomes delinquent, shall be remitted by him promptly upon its receipt.

(2146 added Aug. 4, 1991, P.L.97, No.22)

Section 2147. Duties of Depositories.--When money is deposited or invested in a financial institution located in this Commonwealth in the names of two or more persons, other than husband and wife, or in the name of a person or persons in trust for another or others, and one of the parties to the deposit or investment dies, it shall be the duty of the financial institution, within ten days after knowledge of the

death, to notify the department, giving the name of the deceased person, the date of the creation of the joint or trust deposit or investment, the amount invested or on deposit at the date of death with the financial institution and the name and address of the survivor or survivors to the account. No notification shall be required in regard to the account when the deposit at the time of death does not exceed three hundred dollars (\$300).

(2147 added Aug. 4, 1991, P.L.97, No.22)

Section 2148. Compromise by Department.--The department, with the approval of the Attorney General, may compromise in writing, with the person liable, the tax, including interest on the tax, payable on any transfer of property included in the estate of any decedent who it is alleged was a nonresident at the time of his death. A copy of the compromise agreement shall be filed with the register who issued letters, if any, in this Commonwealth; otherwise, it shall be filed with the department. The compromise agreement shall constitute a final determination of the matters covered by it and the payment of the tax, as fixed by the agreement, shall discharge all persons and property from liability with respect to the tax.

(2148 added Aug. 4, 1991, P.L.97, No.22)

Section 2149. Interstate Compromise and Arbitration of Inheritance Taxes.--When the register or the department alleges that a decedent was a resident of this Commonwealth at the time of his death, and the taxing authorities of another state or territory make a like claim on behalf of their state or territory, a written agreement of compromise or a written agreement to submit the controversy to a board of arbitrators may be made under Part VIII.

(2149 added Aug. 4, 1991, P.L.97, No.22)

Section 2150. Extension of Time for Payment.--The department may, for reasonable cause, extend the time for payment of any part of the inheritance tax and may, if deemed necessary for the protection of the interest of this Commonwealth, require the transferee in present possession or, if a trust is involved, the trustee to file a bond in the name of the Commonwealth with sufficient surety, in an amount not exceeding twice the tax computed when the bond is given at the highest rate possible in the specific contingencies involved (reduced by the amount of any partial payment made) and conditioned for the payment of the tax at such postponed due date, together with interest from the due date to the payment date. No bond shall be required under this section if the trustee or one of the trustees is a bank and trust company or a trust company incorporated in this Commonwealth or a national banking association having its principal office in this Commonwealth. The bond required shall be filed in the office of the register.

(2150 added Aug. 4, 1991, P.L.97, No.22)

Section 2151. Bond for Delinquent Tax.--The court, in its discretion, at any time after a tax imposed by this article becomes delinquent, upon application of the department, may require any person liable for a tax imposed by this article to give a bond for its payment. The bond shall be in the name of the Commonwealth, in such amount and with such surety as the court approves and conditioned for the payment of the tax, plus interest at the same rate as the interest rate on deficiencies provided for in section 2143, commencing on the date the tax became delinquent, within a time certain to be fixed by the court and specified in the bond. The bond required shall be filed in the office of the register.

(2151 added Aug. 4, 1991, P.L.97, No.22)

Section 2152. Evidence of Payment of Tax for Real Estate in Another County.--When any tax is imposed and paid under this article on real estate located in a county other than that of the register who received payment, the register shall, upon request, immediately forward to the register of the county where the real estate is located a certificate of the payment of the tax on the real estate which shall be entered of record in his office. The register of the county where the real estate is located shall be entitled to a fee of two dollars (\$2) for entering the record of payment to be paid as a part of the administration expenses of the decedent's estate.

(2152 amended Apr. 23, 1998, P.L.239, No.45)

Section 2153. Penalties.--(a) Any person who willfully fails to file a return or other report required of him under the provisions of sections 2136 and 2145 shall be personally liable, in addition to any liability imposed elsewhere in this article, to a penalty of twenty-five per cent of the tax ultimately found to be due or one thousand dollars (\$1,000), whichever is less, to be recovered by the department as debts of like amount are recoverable by law.

(b) Any financial institution which fails to give the notice required by section 2147 shall be liable to a penalty of one hundred dollars (\$100) to be recovered by the department as debts of like amount are recoverable by law.

(c) Any person who willfully makes a false return or report required of him under the provisions of this article, in addition to any liability imposed elsewhere in this article, commits a misdemeanor of the third degree.

(2153 added Aug. 4, 1991, P.L.97, No.22)

Section 2154. Payment of Tax for Small Business Transfers.--(a) Notwithstanding the provisions of section 2142, the inheritance tax due under this article on the transfer of a small business interest may be paid by the qualified transferee in consecutive quarterly installments beginning immediately following the expiration of nine months after the decedent's death. The tax may be paid in twenty consecutive quarterly installments.

(b) The tax shall be paid in consecutive quarterly installments due on March 31, June 30, September 30 and December 31 of each year, provided the return required by section 2136 is timely filed, along with a notice of election executed by the qualified transferee and joined in by the personal representative which shall relieve the personal representative or other fiduciary of liability for the collection and payment of tax under section 2146. The notice of election shall be completed on a form prescribed by the department containing at least the following information:

(1) The name of the decedent and date of death.

(2) The name or names of the personal representative or other fiduciary.

(3) The name or names of the qualified transferees filing the election.

(4) A description and estimated valuation of the business interest on which tax is due.

(5) A statement that the qualified transferees assume full personal responsibility for the tax.

Each notice of election shall be affirmed before an officer empowered to administer oaths. The installment payment of tax shall bear interest at the rate of nine per cent per annum.

(c) In the event any portion of a small business interest on which the installment payment of tax has been elected is sold, exchanged or otherwise disposed of prior to the expiration

of five years following the date of death and that portion equals or exceeds fifty per cent of the total value of the small business interest received by the qualified transferee, the transferee shall immediately provide written notice of the sale, exchange or disposition to the department, and the full amount of the tax then outstanding on that portion shall become due and payable at the expiration of sixty days following the date of sale, exchange or other disposition.

(d) For purposes of this section, the term "small business interest" means an interest in an operating trade or business entity the principal purpose of which is not the management of investments or income producing assets owned by the entity which has employed an average of less than fifty full-time employees during the twelve months immediately preceding the date of death and which meets one of the following criteria:

(1) An interest as a proprietor in a trade or business carried on as a proprietorship.

PART VIII

UNIFORM ACT ON INTERSTATE COMPROMISE AND ARBITRATION OF INHERITANCE TAXES

(VIII added Aug. 4, 1991, P.L.97, No.22)

Section 2156. Short Title.--This part shall be known and may be cited as the "Uniform Act on Interstate Compromise and Arbitration of Inheritance Taxes."

(2156 added Aug. 4, 1991, P.L.97, No.22)

Section 2157. Compromise Agreement and Filing, Interest or Penalty for Nonpayment of Taxes.--When the department or the register claims a decedent was domiciled in this Commonwealth at the time of his death and the taxing authority of another state makes a like claim on behalf of its state, the department may, with the approval of the Attorney General, make a written agreement of compromise with the other taxing authority and the executor or administrator of the decedent that a certain sum shall be accepted in full satisfaction of any and all inheritance taxes imposed by this Commonwealth, including any interest or penalties to the date of signing the agreement. The

agreement shall also fix the amount to be accepted by the other state in full satisfaction of inheritance taxes. The executor or administrator of the decedent is authorized to make the agreement. The agreement shall conclusively fix the amount of tax payable to the Commonwealth without regard to any other provision of the laws of this Commonwealth. Unless the tax agreed upon is paid within sixty days after the signing of the agreement, interest or penalties shall accrue upon the amount fixed in the agreement, but the time between the decedent's death and the signing of the agreement shall not be included in computing the interest or penalties. In the event the aggregate amount payable under the agreement to the states involved is less than the maximum credit allowable to the estate against the Federal estate tax imposed with respect to the estate, the personal representatives shall also pay to the department so much of the difference between the aggregate amount and the amount of such credit as the amount payable to the department under the agreement bears to the aggregate amount. A copy of the agreement shall be filed in the office of the proper register, and any existing appraisement shall be deemed modified according to the agreement. In the event no appraisement has been made and filed prior to the agreement, the department shall direct an appraisement to be made and filed in the office of the proper register in accordance with the agreement.

(2157 added Aug. 4, 1991, P.L.97, No.22)

Section 2158. Arbitration Agreement.--When the department or the register claims that a decedent was domiciled in this Commonwealth at the time of his death and the taxing authority of another state makes a like claim on behalf of its state, the department may, with the approval of the Attorney General, make a written agreement with the other taxing authority and with the executor or administrator of the decedent to submit the controversy to the decision of a board consisting of one or any uneven number of arbitrators. The executor or administrator of the decedent is authorized to make the agreement. The parties to the agreement shall select the arbitrator or arbitrators.

(2158 added Aug. 4, 1991, P.L.97, No.22)

Section 2159. Arbitration Board.--(a) The board shall have the power to administer oaths, take testimony, subpoena and require the attendance of witnesses and the production of books, papers and documents and issue commissions to take testimony. Subpoenas may be signed by any member of the board. In case of failure to obey a subpoena, any judge of a court of record of this Commonwealth, upon application by the board, may make an order requiring compliance with the subpoena, and the court may punish failure to obey the order as a contempt.

(b) The board shall hold hearings at a time and place it may determine, upon reasonable notice to the parties to the agreement, all of whom shall be entitled to be heard, to present evidence and to examine and cross-examine witnesses.

(c) Except as provided in subsection (a) in respect to the issuance of subpoenas, all questions arising in the course of the proceedings shall be determined by a majority vote of the board.

(d) The board shall, by a majority vote, determine the domicile of the decedent at the time of his death. This determination shall be final for the purpose of imposing and collecting inheritance taxes but for no other purpose.

(e) The compensation and expenses of the members of the board and its employes may be agreed upon among the members and the executor or administrator and, if they cannot agree, shall

be fixed by any court having jurisdiction over probate matters of the State determined by the board to be the domicile of the decedent. The amounts so agreed upon or fixed shall be deemed an administration expense and shall be payable by the executor or administrator.

(2159 added Aug. 4, 1991, P.L.97, No.22)

Section 2160. Filing of Determination of Domicile and Other Documents.--The department, register or board, or the executor or administrator of the decedent, shall file the determination of the board as to domicile, the record of the board's proceedings and the agreement, or a duplicate, made pursuant to section 2158 with the authority having jurisdiction to assess or determine the inheritance taxes in the State determined by the board to be the domicile of the decedent and shall file copies of the documents with the authorities that would have been empowered to assess or determine the inheritance taxes in each of the other states involved.

(2160 added Aug. 4, 1991, P.L.97, No.22)

Section 2161. Interest or Penalties for Nonpayment of Taxes.--In any case where it is determined by the board that the decedent died domiciled in this Commonwealth, interest or penalties, if otherwise imposed by law, for nonpayment of inheritance taxes between the date of the agreement and of filing of the determination of the board as to domicile shall not exceed the rate provided for in section 2143.

(2161 added Aug. 4, 1991, P.L.97, No.22)

Section 2162. Compromise by Parties to Arbitration Agreement.--The provisions of this part shall not prevent at any time a written compromise, if otherwise lawful, by all parties to the agreement made pursuant to section 2157, fixing the amounts to be accepted by this Commonwealth and any other state involved in full satisfaction of inheritance taxes.

(2162 added Aug. 4, 1991, P.L.97, No.22)

Section 2163. Reciprocal Application.--The provisions of this part relative to arbitration shall apply only to cases in which and so far as each of the states involved has a law identical or substantially similar to this part.

(2163 added Aug. 4, 1991, P.L.97, No.22)

PART IX

COLLECTION OF TAX

(IX added Aug. 4, 1991, P.L.97, No.22)

Section 2166. Timely Mailing Treated as Timely Filing and Payment.--Notwithstanding the provisions of any State tax law to the contrary, whenever a report or payment of all or any portion of a State tax is required by law to be received by the department or other agency of the Commonwealth on or before a day certain, the taxpayer shall be deemed to have complied with the law if the letter transmitting the report or payment of the tax which has been received by the department is postmarked by the United States Postal Service on or prior to the final day on which the payment is to be received. For the purposes of this article, presentation of a receipt indicating that the report or payment was mailed by registered or certified mail on or before the due date shall be evidence of timely filing and payment. Any inheritance tax return filed after July 1, 2012, under section 2136 that reports transfers of property that are exempt from the inheritance tax under section 2111(s), (s.1) and (t) shall be considered timely filed if filed within one year of the tax return due date, including an extended due date.

(2166 amended Oct. 30, 2017, P.L.672, No.43)

Section 2167. Lien and Duration of Lien.--The taxes imposed by this article, together with any interest on the taxes, shall be a lien upon the real property included in the transfer on which the taxes are imposed. Except as otherwise provided in this part, the lien shall remain until the taxes and interest are paid in full.

(2167 added Aug. 4, 1991, P.L.97, No.22)

Section 2168. Limited and Future Interests.--In the case of a transfer of any estate, income or interest for a term of years, for life or for other limited period, or constituting a future interest, the taxes imposed by this article, together with any interest on the tax, shall remain a lien until paid upon the entire real property by which the estate, income or interest is supported, or of which it is a part, and the lien shall be limited to the real property so transferred.

(2168 added Aug. 4, 1991, P.L.97, No.22)

Section 2169. Purchaser, Mortgagee or Lessee.--Unless suit for collection of the taxes imposed by this article is instituted within twenty years after any tax becomes delinquent, the lien shall cease as to any purchaser, mortgagee or lessee of a devisee or heir of, or a beneficiary under a deed of trust of, the real property subject to the lien. Any time within the twenty-year period, if any tax on the real property is not paid, the department shall have power to file a certificate, under its seal, certifying to nonpayment which, when filed in the office of the clerk of the county where the real property is situated, shall continue the lien against decedent's real property for an additional period of five years from the date of the filing and the lien shall be indexed in the office of the clerk. If the taxes on the real property are not paid within the additional period of five years, the department shall have power to extend the lien for additional periods of five years by filing a certificate in the manner provided in this section.

(2169 added Aug. 4, 1991, P.L.97, No.22)

Section 2170. Sale by Fiduciary.--If real property subject to the lien of taxes imposed by this article is sold or exchanged by a fiduciary who is subject to the jurisdiction of the court and who has given bond as required by 20 Pa.C.S. (relating to decedents, estates and fiduciaries), or is a corporate fiduciary which need not file bond under 20 Pa.C.S., the lien on the property sold shall cease.

(2170 added Aug. 4, 1991, P.L.97, No.22)

Section 2171. Sale by Heir, Devisee or Fiduciary.--If real property subject to the lien of taxes imposed by this article is sold or exchanged or otherwise disposed of by an heir, devisee or fiduciary, and if the inheritance tax, together with interest, is paid on all property reported in the tax return, including the property sold, which property has been appraised and tax assessed, the lien of any unpaid tax imposed by this article shall cease as to the property sold.

(2171 added Aug. 4, 1991, P.L.97, No.22)

Section 2172. Sale of Property Transferred Inter Vivos.--When real property or any income or interest in the real property or income has been transferred within the meaning of subsection (c) of section 2107 and the transferee has sold, mortgaged or leased the property or any income or interest in the property, the interest of a bona fide purchaser, mortgagee or lessee in the property shall not be subject to any lien for the taxes imposed by this article.

(2172 added Aug. 4, 1991, P.L.97, No.22)

Section 2173. Subordination of Lien.--If real property subject to the lien is mortgaged or leased by a fiduciary who

is subject to the jurisdiction of the court and who has given a bond as required by 20 Pa.C.S. (relating to decedents, estates and fiduciaries), or is a corporate fiduciary which need not file bond under 20 Pa.C.S., the lien shall become subject and subordinate to the rights and interests of the mortgagee, lessee or other person so secured.

(2173 added Aug. 4, 1991, P.L.97, No.22)

Section 2174. Cessation Upon Approval of Bond.--Upon approval of a bond for the payment of taxes imposed upon a transfer, the lien upon the real property shall cease. The amount of the bond shall not exceed the value of the real property transferred.

(2174 added Aug. 4, 1991, P.L.97, No.22)

Section 2175. (b) The department may, at any time, release all or any portion of the real property subject to any lien imposed by this article from such lien or subordinate such lien to other liens and encumbrances if it determines that the taxes are sufficiently secured by a lien on other property of the decedent or that the release or subordination of the lien will not endanger or jeopardize the collection of the taxes.

(c) When inheritance tax in respect to the transfer of particular real property is paid on the value of the property without diminution for any deductions authorized by this article, other than a mortgage on the property existing at the date of the decedent's death, the department, upon request of a party in interest, shall issue a certificate evidencing the release of the property from the lien of tax.

(d) A certificate by the department to the effect that any real property or interest in real property subject to any lien imposed by this article has been released from the lien, or that the lien has been subordinated to other liens and encumbrances, shall be conclusive evidence as to any bona fide purchaser, encumbrancer or lessee that the lien has been released or subordinated.

(2175 added Aug. 4, 1991, P.L.97, No.22)

Section 2176. Enforcement Procedure.--(a) The court, at the request of the register, department or Office of Attorney General, shall issue a citation, directed to those liable for the payment of the taxes or subject to any other duty imposed by this article, commanding the person or persons to appear and show cause why the requirements of this article should not be met.

(b) The court may issue any decree warranted by the facts, according to equity.

(c) A citation to enforce payment of taxes due under this article or compliance with the duties required by this article shall be issued by the court upon application of the register, department or Office of Attorney General whenever any of the following occurs:

(1) A tax return is not filed within the time required by this article.

(2) Any tax due under this article remains delinquent.

(3) A Federal estate tax return has been filed but a copy of the return or a communication making a final change on the return has not been filed as required by section 2145.

(4) Any other duty imposed by this article remains unperformed.

(d) The register or department may issue subpoenas to compel the production of documents and the attendance of witnesses necessary for the administration of this article.

(e) Execution may be issued by the court against any real property in the decedent's estate on which a lien for the payment of the taxes imposed by this article exists or against any property belonging to a transferee liable for the tax.

(f) The department may bring suits in the courts of other states to collect death taxes (including interest and penalties on the taxes) imposed by this article. An official of another state which extends a like comity to the Commonwealth may sue for the collection of death taxes (including interest and penalties on the taxes) in the courts of this Commonwealth. A certificate by the Secretary of State of another state, under the seal of that state, that an official has authority to collect its death taxes shall be conclusive evidence of the authority of the official in any suit for the collection of the taxes in any court of this Commonwealth.

PART X

REFUND OF TAX

(X added Aug. 4, 1991, P.L.97, No.22)

Section 2181. Refund of Tax.--(a) A refund shall be made of any tax to which the Commonwealth is not rightfully or equitably entitled provided the Commonwealth determines the refund is due or application for refund is made within the appropriate time limit as set forth in subsection (d).

(b) Interest shall be paid on refundable tax at the same rate as the interest rate on deficiencies provided for in section 2143.

(c) Refund shall be made in cash to the party who paid the tax or to his assignee or as directed by the court.

(d) Application for refund of tax shall be made within three years after:

(1) the court has rescinded its order and adjudication of presumed death when the refund is claimed for tax paid on the transfer of the estate of a presumed decedent who is later determined to be alive;

(2) termination of litigation establishing a right to a refund; no application for refund shall be necessary when the litigation has been with the Commonwealth over liability for the tax or the amount of tax due;

(3) it has been finally determined that the whole or any part of an alleged deficiency tax, asserted by the Federal Government beyond that admitted to be payable, and in consequence of which an estate tax was paid under section 2117 was not payable;

(4) a final judgment holding that a provision of this article under which tax has been paid is unconstitutional or that the interpretation of a provision of this article under which tax has been paid was erroneous; or

(5) the date of payment, or the date of the notice of the assessment of the tax, or the date the tax becomes delinquent, whichever occurs later, in all other cases.

(e) An application for refund of tax shall be made to the department.

(a) Declaration of policy.--The General Assembly finds and declares that:

(1) The Commonwealth experienced a revenue deficit of \$1,106,700,308 in General Fund revenue collections for fiscal year 2016-2017.

(2) The Commonwealth's General Fund continues to experience a structural deficit where annual expenditures exceed recurring revenue collections.

(3) The General Fund for fiscal year 2016-2017 revenue shortfall in combination with the structural deficit, increased expenditure needs and increased tax refunds resulted in a significant negative ending balance in the General Fund of approximately \$1,539,000,000 for fiscal year 2016-2017.

(4) A significant portion of the Commonwealth's General Fund annual expenditures are dedicated to the protection of the health, safety and general welfare of the people of this Commonwealth and the furtherance of economic development and efficiency within this Commonwealth by providing basic services and facilities.

(5) The ability of the Commonwealth to provide for the protection of the health, safety and general welfare of the people of this Commonwealth and the provision of basic services and facilities is jeopardized by the General Fund for fiscal year 2016-2017 revenue deficit and the continuing structural deficit.

(6) The provisions of 64 Pa.C.S. Ch. 15 (relating to Commonwealth Financing Authority) are entitled to liberal construction in order to effect legislative and public purposes.

(9) Utilizing a portion of annual payments received through the Master Settlement Agreement and deposited in the fund to leverage funding to offset the effect of the fiscal year 2016-2017 revenue deficit and the structural deficit is in the best interest of the Commonwealth to provide General Fund budgetary relief necessary for the protection of the health, safety and general welfare of the people of this Commonwealth and the provision of basic services and facilities.

(b) Authority.--Notwithstanding any other law, the authority is authorized to enter into a sales agreement on behalf of the Commonwealth or to issue bonds, the proceeds of either of which shall be deposited in the General Fund to provide General Fund budgetary relief necessary for the protection of the health, safety and general welfare of the people of this Commonwealth and the furtherance of economic development and efficiency within this Commonwealth by providing basic services and facilities.

The provisions of 64 Pa.C.S. § 1512(d)(1) (relating to board) shall apply to a decision to award under this paragraph. If terms cannot be agreed upon with the best-qualified, responsible offeror, negotiations will be

formally terminated with the offeror. If proposals were submitted by one or more other responsible offerors, negotiations may be conducted with the other responsible offeror or responsible offerors in the order of their respective qualification ranking. The sales agreement may be entered into with the responsible offeror then ranked as best qualified if the amount of compensation is determined to be fair and reasonable.

Section 3003.3. Underpayment of Estimated Tax.--(a) In case of any underpayment of an installment of estimated tax by a taxpayer, there shall be imposed interest for the taxable year in an amount determined at the annual rate as provided by law upon the amount of the underpayment for the period of the underpayment, except that, in case of any substantial underpayment of estimated tax by a taxpayer, such interest for the taxable year shall be imposed in an amount determined at one hundred twenty per cent of the annual rate as provided by law upon the entire underpayment for the period of the substantial underpayment. For the purpose of this subsection, a substantial underpayment shall be deemed to exist for any period during which the amount of the underpayment equals or exceeds twenty-five per cent of the cumulative amount of installments of estimated tax which would be required to be

paid if the estimated tax were equal to the amount as determined in subsection (b)(1).

(b) (1) For purposes of this section, the amount of the underpayment, if any, shall be the excess of:

(i) the cumulative amount of installments which would be required to be paid as of each installment date as defined in section 3003.2(c) if the estimated tax were equal to ninety per cent of the tax shown on the report for the taxable year, except that, if the total tax exceeds the tax shown on the report by ten per cent or more, the amount of the underpayment shall be based on ninety per cent of the amount of the total tax; over

(ii) the cumulative amount of installments paid on or before the last date prescribed for payment.

(2) If the total tax is revised, the amount of underpayment shall be calculated without the necessity of the filing of any petition by the department or by the taxpayer.

((b) amended Oct. 18, 2006, P.L.1149, No.119)

(c) The period of the underpayment shall run from the date the installment was required to be paid to whichever of the following dates is the earlier:

(1) The fifteenth day of the fourth month following the close of the taxable year.

(2) With respect to any portion of the underpayment, the date on which such portion is paid.

(d) Notwithstanding the provisions of the preceding subsections, interest with respect to any underpayment of any installment of estimated tax shall not be imposed if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were an amount equal to the tax computed at the rates applicable to the taxable year, including any minimum tax imposed, but otherwise on the basis of the facts shown on the report of the taxpayer for, and the law applicable to, the safe harbor base year, adjusted for any changes to sections 401, 601, 602 and 1101 enacted for the taxable year, if a report showing a liability for tax was filed by the taxpayer for the safe harbor base year. If the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment does not equal or exceed the amount required to be paid per the preceding sentence, but such amount is paid after the date the installment was required to be paid, then the period of underpayment shall run from the date the installment was required to be paid to the date the amount required to be paid per the preceding sentence is paid. Provided, that if the total tax for the safe harbor base year exceeds the tax shown on such report by ten per cent or more, the total tax adjusted to reflect the current tax rate shall be used for purposes of this subsection. In the event that the total tax for the safe harbor base year exceeds the tax shown on the report by ten per cent or more, interest resulting from the utilization of such total tax in the application of the provisions of this subsection shall not be imposed if, within forty-five days of the mailing date of each assessment, payments are made such that the total amount of all payments of estimated tax equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were an amount equal to the total tax adjusted to reflect the current tax rate. In any case in which the taxable year for which an underpayment of estimated tax may exist is a short taxable year, in determining the tax shown on the report or the total tax for the safe harbor base

year, the tax will be reduced by multiplying it by the ratio of the number of installment payments made in the short taxable year to the number of installment payments required to be made for the full taxable year. ((d) amended Oct. 18, 2006, P.L.1149, No.119)

Also effective January 1, 1995, the Board of Finance and Revenue shall no longer have the power and duty to hear and determine any petition for refund of taxes, penalties, fines, additions or other moneys collected by the Department of Revenue, except that thereafter the board may either hear and determine any such petitions filed with it prior to January 1, 1995, or it may transfer such petitions to the Department of Revenue.

(b) Appeals.--The decision of the Department of Revenue on a petition for refund under this section may, in the first instance, be appealed to the Board of Finance and Revenue in the manner provided by section 1103 of "The Fiscal Code" except that the Board of Finance and Revenue shall act finally in disposition of such petitions within twelve months after they have been received.

APPENDIX

Supplementary Provisions of Amendatory Statutes

1982, DECEMBER 17, P.L.1385, NO.317

Section 1. The General Assembly finds and declares as follows:

(a) Article VII of the "Tax Reform Code of 1971," the Bank Shares Tax, was derived from the act of July 15, 1897 (P.L.292, No.227), as amended, and Article VIII, the Title Insurance and Trust Companies Shares Tax, was derived from the act of June 13, 1907 (P.L.640, No.512). Both these taxes were enacted in conformity with the authority of section 548 of Title 12, U.S.C.

(b) At the time of enactment of the "Tax Reform Code of 1971," the aforesaid taxes could have been enacted either in the form of privilege taxes or in the form of property taxes.

(c) Although the constitutionality and legality of taxing financial institutions in Pennsylvania using the value of capital stock in the hands of shareholders as the measure of taxing, and including Federal obligations in the ascertainment of said value, appears to be well settled, a recent decision of the Supreme Court of the State of Montana has, by a three-to-two decision, cast doubt upon the propriety of including obligations of the United States in the tax base of a property tax based upon the value of bank stock.

(d) If the rationale of the decision of the Montana Court were to be applied to Articles VII and VIII of the "Tax Reform Code of 1971" by a decision of a court of competent jurisdiction in Pennsylvania, the Commonwealth of Pennsylvania would suffer a financial crisis. Approximately \$400,000,000 would have to be refunded to the financial institutions as an undeserved windfall, and current revenues based upon Articles VII and VIII of the "Tax Reform Code of 1971" effectually would be terminated.

(e) Until the Montana decision in 1978, Pennsylvania financial institutions voluntarily have paid the taxes in question, and the moneys have been collected, appropriated to public use and expended in good faith, and for the common weal. Payment of the aforesaid refunds and termination of existing revenues derived from said taxes would require the enactment of new and onerous taxes, to the detriment of the general public.

(f) The General Assembly finds it essential to the public welfare that the taxes voluntarily paid heretofore under the provisions of Articles VII and VIII of the "Tax Reform Code of 1971" not be refunded, and that present and prospective revenues therefrom not be prejudiced.

Compiler's Note: Act 317 added sections 701.1, 701.2, and 801.1 of Act 2.

Section 3. The provisions of section 2, adding sections 701.1 and 801.1, shall have retroactive effect to March 4, 1971, being deemed a part of the act of March 4, 1971 (P.L.6, No.2), known as the "Tax Reform Code of 1971," and shall be construed as a part of, and read together with, the original statute as if originally enacted on March 4, 1971. Acts done and taxes collected under the said act from said date and prior to this amendment are hereby ratified. If, however, it should be finally determined by a court of competent jurisdiction that such retroactive effect and construction may not be so applied to the said act as hereby amended, the provisions of section 2 shall be construed to have retroactive effect to the earliest date to which such retroactive effect may be given.

Section 4. Notwithstanding any provision of any law to the contrary, including but not limited to the provisions of the act of April 9, 1929 (P.L.343, No.176), known as "The Fiscal Code," from and after the effective date of this act, no cash refund shall be made and no tax credit shall be allowed arising from any voluntary payment of tax under any provision of Article VII or VIII of the "Tax Reform Code of 1971," upon the basis that the inclusion of United States obligations in the tax base was or is unconstitutional or illegal or in the case of taxes due prior to the effective date of this act upon the basis of the inclusion in the law of section 701.2, nor shall any action or proceeding be commenced or further prosecuted for the attainment, directly or indirectly, of any such cash refund or tax credit, without regard to the legal or equitable entitlement of the Commonwealth to such taxes voluntarily paid. Nor shall any suit, proceeding, or action, whether brought before or after the effective date hereof, be maintained in any administrative board, tribunal, or court of record for the recovery, recoupment, setoff, refund, credit or counterclaim for any such tax payment upon any such basis. For the purpose of this section, every tax payment shall be presumed to be a voluntary payment and the payment of tax under mere protest shall be deemed to constitute a voluntary payment. Only the payment of these taxes under actual and direct duress, coercion or compulsion against the individual payor shall not be deemed to be a voluntary payment.

1986, JULY 2, P.L.318, NO.77

Section 21. Notwithstanding anything contained in any law to the contrary, the validity of any ordinance or part of any ordinance, or any resolution or part of any resolution, and any amendments or supplements thereto, now or hereafter enacted or adopted by any political subdivision, providing for or relating to the imposition, levy or collection of any tax, shall not be affected or impaired by anything contained in this act.

Section 22. If any word, phrase, clause, sentence, section or provision of Article XI-C or XI-D of the act is for any reason held to be unconstitutional, the decision of the court shall not affect or impair any of the remaining provisions of this act. It is hereby declared as the legislative intent that this act would have been adopted had such unconstitutional word, phrase, clause,

1991, AUGUST 4, P.L.97, NO.22

Section 44. The Department of Revenue shall provide notice to employers, either in the Pennsylvania Bulletin under 1 Pa. Code § 3.27 or by other means, of the withholding rate equivalent to the rate of tax in effect prior to the effective date of the amendments of Article III of the act plus the additional rate necessary to equalize withholding over the remainder of the taxable year to account for the revised annual rate provided by the amendments to Article III of the act, to be effective from the first pay period of the employer ending after the 14th day following the effective date of section 302 of the act and ending December 31, 1991. The withholding rate during periods in calendar year 1992 shall correspond to the rate imposed by section 302 of the act for identical periods in calendar year 1992.

Section 46. The provisions of this act are severable. If any provision of this act or its application to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this act which can be given effect without the invalid provision or application.

1999, MAY 12, P.L.26, NO.4

Section 29. Nothing contained in section 1101-A, 1102-A, 1103-A, 1104-A, 1105-A, 1106-A, 1106.1-A, 1106.2-A, 1107-A, 1109-A, 2301(f) or 3003.2(h) of the act shall be construed to relieve any person, corporation or other entity from the filing of reports or from any tax, tentative tax, penalty or interest imposed by the provisions of any laws which were in effect prior to being amended or repealed by this act, or affect or terminate any petitions, investigations, prosecutions, legal or otherwise, or other proceedings by the proper authorities of the Commonwealth for violation of any such laws or for the assessment, settlement, collection or recovery of any tax, tentative tax, penalty or interest due to the Commonwealth under any of the laws which were in effect prior to being amended or repealed by this act

XVIII-A and sections 2010, 2301, 3003.2, 3003.12 and 3003.13 of Act 2.

Section 30. Nothing in the amendment of section 2301(f) of the act shall constitute a change in a rate of a tax requiring an adjustment in the 1995-1996 fiscal tax revenue base under 66 Pa.C.S. § 2810(c)(4) or a rate change under 74 Pa.C.S. § 1765.

Section 32. This act shall apply as follows:

(1) Notwithstanding the time limitations of section 307.1(b) of the act, a small corporation which is subject to the tax imposed under Article IV of the act or which owns a qualified Subchapter S corporation subsidiary which is subject to the tax under Article IV of the act may elect to be taxed as a Pennsylvania S corporation for taxable years beginning after December 31, 1998, if the limitations of section 307.6 of the act do not apply. Preamble

The General Assembly finds as follows:

(1) Each year an estimated 137,000 Americans contract leukemia, lymphoma anemia or other fatal blood diseases.

(2) If a matched bone marrow donor can be found, many of these victims can be cured.

(3) There is now a National Marrow Donor Program, and the United States is working with 30 other countries to establish a worldwide registry.

(4) Marrow donation does not involve considerable risk to the donor.

(5) There are approximately 110,500 patients in the United States and approximately 8,000 patients in this Commonwealth awaiting lifesaving organ transplants.

(6) Many patients awaiting organ transplants could benefit from living organ donation, including approximately 93,000 kidney patients, 16,900 liver patients and 2,000 lung patients.

(7) Of the more than 1,700 organ transplants performed in this Commonwealth in 2010, approximately 300 were from living donors.

(8) There continues to be a great need for bone marrow and organ donors among the African-American, Asian, Native American and Hispanic communities.

(9) Potential living bone marrow and organ donors should be able to perform their lifesaving service without risk of loss of income or employment.
