No. 1996-9

SB 238

AN ACT

Amending the act of July 3, 1986 (P.L.388, No.84), entitled "An act requiring public agencies to hold certain meetings and hearings open to the public; and providing penalties," further providing for executive sessions.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Section 8(a) of the act of July 3, 1986 (P.L.388, No.84), known as the Sunshine Act, is amended to read:

Section 8. Executive sessions.

(a) Purpose.--An agency may hold an executive session for one or more of the following reasons:

(1) To discuss any matter involving the employment, appointment, termination of employment, terms and conditions of employment, evaluation of performance, promotion or disciplining of any specific prospective public officer or employee or current public officer or employee employed or appointed by the agency, or former public officer or employee, provided, however, that the individual employees or appointees whose rights could be adversely affected may request, in writing, that the matter or matters be discussed at an open meeting. The agency's decision to discuss such matters in executive session shall not serve to adversely affect the due process rights granted by law, including those granted by Title 2 of the Pennsylvania Consolidated Statutes (relating to administrative law and procedure). **The provisions of this paragraph shall not apply to any meeting involving the appointment or selection of any person to fill a vacancy in any elected office.**

(2) To hold information, strategy and negotiation sessions related to the negotiation or arbitration of a collective bargaining agreement or, in the absence of a collective bargaining unit, related to labor relations and arbitration.

(3) To consider the purchase or lease of real property up to the time an option to purchase or lease the real property is obtained or up to the time an agreement to purchase or lease such property is obtained if the agreement is obtained directly without an option.

(4) To consult with its attorney or other professional advisor regarding information or strategy in connection with litigation or with issues on which identifiable complaints are expected to be filed.

(5) To review and discuss agency business which, if conducted in public, would violate a lawful privilege or lead to the disclosure of information or confidentiality protected by law, including matters related to the initiation and conduct of investigations of possible or certain violations of the law and quasi-judicial deliberations.

(6) For duly constituted committees of a board or council of trustees of a State-owned, State-aided or

State-related college or university or community college or
of the Board of Governors of the State System of Higher
Education to discuss matters of academic admission or
standings.
