(7) For the Richard J. Fox Bio-Medical Center.....	451,000

Section 2. Payments to Temple University on account of the appropriations for all items as provided in section 1 shall be made on the basis of costs during the fiscal year.

Section 3. If necessary, Temple University may transfer funds among the appropriations listed in section 1(1) and (2), provided, that the aggregate amount transferred into or out of each appropriation during the fiscal year shall not exceed 5% of the amount specifically appropriated for that purpose.

Section 4. (a) Payment to Temple University of the appropriations provided in section 1 shall be made monthly during the fiscal year.

(b) Such monthly payments shall be made in accordance with the provisions of section 2 on the basis of estimated costs. The estimate of costs shall be submitted by Temple University to the Secretary of Education, the General Assembly and the State Treasurer not later than 30 days prior to the date on which such payment is to be made.

Section 5. (a) Temple University shall apply the moneys appropriated by this act only for such purposes as are permitted in this act and shall at all times maintain proper records showing the application of such moneys. Not later than 120 days after the close of the fiscal year to which this act relates, Temple University shall file, with the Secretary of Education, the General Assembly and the Auditor General of the Commonwealth, a statement setting forth the amounts and purposes of all expenditures made from moneys appropriated by this act and other university accounts during said fiscal year, as provided in section 2, used as a basis for receipt of any appropriation during said fiscal year.

(b) Such statement of expenditures and costs shall be reviewed by the Auditor General of the Commonwealth, and he shall have the right, in respect to the moneys appropriated by this act, to audit and disallow expenditures made for purposes not permitted by this act and to cause such sums to be recovered and paid by Temple University to the State Treasurer. In respect to expenditures made by the university from moneys other than those appropriated by this act, the Auditor General shall have the right to review only, and he shall file annually with the General Assembly such information concerning said expenditures as the General Assembly or any of its committees may require.

Section 6. A report shall be submitted to the Governor and the Appropriations and Education Committees of the Senate and House of Representatives and shall include data for all programs except the Doctor of Medicine program. The report, to be submitted prior to September 1, 2004, shall cover the 12-month period beginning with the summer term 2003 and shall include:

(1) The following counts and distributions for each term during the period:

(i) The definitions and numbers of faculty members employed full time, of faculty members employed part time, of full-time students enrolled in graduate courses, of full-time students enrolled in undergraduate courses, of part-time students enrolled in graduate courses and of part-time students enrolled in undergraduate courses.

(iii) The number of different courses scheduled by level of instruction and the number of sections of individual instruction scheduled by level of instruction, each further subdivided by two-digit Classification of Instructional Program (CIP) categories of instructional programs of higher education as defined by the National Center for Education Statistics, United States Department of Education.

(iv) The number of terms scheduled and the dates thereof.

(2) For the summer term and the following academic year in total and for each two-digit CIP program category, a classification of faculty members or other professional employees by title, including: professor, associate professor, assistant professor, instructor, lecturer, research associate, librarian and academic administrator; faculty members or other professional employees under each title to be subdivided by type of assignment: teaching and nonteaching; and each such set of faculty members or other professional employees to be further subdivided by type of employment: full-time or part-time; and the following aggregates for each such subdivided classification:

(i) The number of faculty and other professional employees and their full-time equivalence in instructional and noninstructional functions.

(ii) The sum of credits assigned to undergraduate classroom courses and the sum of credits assigned to graduate classroom courses taught, divided into lower division, upper division, master's, first professional and doctoral course levels.

(iii) The sum of credits assigned to undergraduate individual instruction courses and the sum of credits assigned to graduate individual instruction courses taught, divided into lower division, upper division, master's, first professional and doctoral course levels.

(iv) The sum of undergraduate classroom student credit hours and the sum of graduate classroom student credit hours generated, divided into lower division, upper division, master's, first professional and doctoral course levels.

(v) The sum of undergraduate individual instruction student credit hours and the sum of graduate individual instruction student credit hours generated, divided into lower division, upper division, master's, first professional and doctoral course levels.

(vi) The total salary paid for instructional functions and for noninstructional functions and the amount of this salary paid for each of these functions from university funds, Federal funds and other funds.

(3) For each term of the period covered for each faculty member employed full time identified by two-digit CIP program category and title, the report shall contain an analysis of the average hours per week spent in university-related activities, stating specifically hours spent in undergraduate classroom contact and graduate classroom contact, hours spent in preparation, hours spent in research and hours spent in public service.

Section 7. In addition to the requirements in section 6 relative to this appropriation, each report covering the 12-month period beginning with the summer term 2003 shall include for all programs of the university:

(1) Minimum number of credits required for a baccalaureate degree and for a master's degree.

(2) Number of bachelor's degrees, master's degrees, first professional degrees and doctoral degrees awarded in 1999, 2000, 2001, 2002, 2003 and estimated 2004.

Section 8. (a) The following words and phrases when used in this section shall have the meanings given to them in this subsection unless the context clearly indicates otherwise:

"Academic and administrative support units." Any organizational entity, as defined in the organizational manual of the university, that reports directly to the president of the university, chief academic officer or vice president, including the office of the president, chief academic officer and vice president.

"Expenditures." Disbursements or payments of State appropriations, tuition and fees supporting operational, educational or other general categories of expenses as defined in: the generally accepted accounting principles as prescribed by the National Association of College and University Business Officers, the American Institute of Certified Public Accountants, or by their successors, or by any other recognized authoritative body; the "Commonwealth of Pennsylvania Budget Instructions for the State System of Higher Education, State-Related Universities and Non-State-Related Colleges and Universities"; and the financial reporting policies and

standards promulgated by the Commonwealth of Pennsylvania and by the Federal Government that apply to Temple University.

"Revenue." All State appropriations and tuition and fees.

(b) Temple University shall disclose the following:

(1) Revenue and expenditure budgets of the university's academic and administrative support units for the current fiscal year.

(2) The actual revenue and expenditures for the prior year in the same format as the information reported under paragraph (1).

(3) For any defined project or program which is the subject of a specific line item appropriation from the General Fund, the university shall disclose the following:

(i) Revenue and expenditure budgets of the defined program or project for the current fiscal year.

(ii) The actual revenue and expenditures of the defined program or project for the prior year in the same format as the information reported under paragraph (1).

(4) The revenue and expenditures of any auxiliary enterprise which is directly funded in whole or in part by tuition or a State appropriation for the current fiscal year.

(c) The university shall provide the following additional information for the prior fiscal year for each academic or administrative support unit, for each defined project or program and for any auxiliary enterprise:

(1) The number of employees by academic rank and by classification the number of administrators, staff, clerical and technical service employees.

(2) Median and mean salary by academic rank and by classification the median and mean salaries of administrators, staff, clerical and technical service employees.

(3) Nonsalary compensation as a percentage of salary. Nonsalary compensation shall include, but not be limited to, medical benefits, life insurance benefits, pension benefits, leave benefits, employer Social Security payments and workers' compensation benefits.

(6) A list of purchase of service contracts which exceed \$1,000 by category of service, including, but not limited to, legal, instructional, management, accounting, architecture, public relations and maintenance. The list shall contain the name and address of the contractor, a statement of the nature of the duties of the contractor and the academic and administrative support unit for which the duties are performed. If a purchase of service contract exceeds 10% of the total aggregate expenditure of the contract category per academic or administrative support unit, then the contracted amount shall also be listed.

(7) A list of purchase of goods contracts which exceed \$1,000. The list shall contain the name and address of the contractor and a list of the goods purchased and the academic or administrative support unit for which such goods were contracted. If a purchase of goods contract exceeds 10% of the total aggregate expenditure per academic or administrative support unit, then the contracted amount shall also be listed.

(8) A list by academic or administrative support unit in the aggregate, of the expenses of travel, subsistence and lodging, whether provided or reimbursed.

(d) The university shall submit a report of the information under subsections (b) and (c) to the Education Committee of the

Senate and the Appropriations Committee of the Senate and the Education Committee of the House of Representatives and the Appropriations Committee of the House of Representatives. In addition, the university shall submit a copy of the report to each of the following:

- (1) Governor's Office.
- (2) Secretary of Education.
- (3) State Treasurer.
- (4) Auditor General.
- (5) Joint State Government Commission.

Each such institution shall maintain a copy of the report in the institution's library and shall submit a copy to each of the four State regional library resource centers.

(e) A university's report required to be submitted under this section shall be submitted within 180 days of the close of the university's current fiscal year.

(f) The Joint State Government Commission shall develop a statistical comparison analysis recognizing differences in missions from the reports made under this section. A majority of the members of the commission may request additional documentation, except for salary or identity of individuals, necessary to complete the comparative analysis. The comparison shall be provided to the Education Committee of the Senate and the Appropriations Committee of the Senate and the Education Committee of the House of Representatives and the Appropriations Committee of the House of Representatives and the four State regional libraries.

(g) The university shall make a copy of the minutes of each public meeting of the institution's board of trustees, as well as a copy of the institution's integrated postsecondary education data systems report, available for public inspection in the institution's library.

Section 9. Temple University shall provide full, complete and accurate information as may be required by the Department of Education or the chairman or the minority chairman of the Appropriations Committee of the Senate or the chairman or the minority chairman of the Appropriations Committee of the House of Representatives.

Section 10. Temple University shall present and report its financial statements required under the provisions of this act in accordance with: the generally accepted accounting principles as prescribed by the National Association of College and University Business Officers, the American Institute of Certified Public Accountants, or their successors, or by any other recognized authoritative body; the "Commonwealth of Pennsylvania Budget Instructions for the State System of Higher Education, State-Related Universities and Non-State-Related Colleges and Universities"; and the financial reporting policies and standards promulgated by the Commonwealth of Pennsylvania and by the Federal Government that apply to Temple University.

Section 11. Temple University shall make all articulation agreements with other higher education institutions available on the Internet.

Section 12. This act shall take effect immediately.
