INTRODUCED BY GEESEY, DININNI, BRANDT, DORR, ANDERSON,

JUNE 13, 1979

REFERRED TO COMMITTEE ON RULES, JUNE 13, 1979

In the House of Representatives, June 13, 1979

1 The March 28, 1979 incident at the Three Mile Island Nuclear
2 Facility poses significant questions and threatens substantial
3 impact on the electric utility consumers served by Metropolitan
4 Edison Company and Pennsylvania Electric Company; and

5 The present accelerated timetable of the Pennsylvania Public
6 Utility Commission for hearings, argument and the apparent
7 granting of rate increases in the immediate future prevent the
8 General Assembly from adequate deliberation of the need for
9 legislative relief to the affected electric utility consumers;
10 therefore be it

11 RESOLVED (the Senate concurring), That the Pennsylvania
12 Public Utility Commission be directed to delay the granting of
13 any rate increases to the Metropolitan Edison Company and/or
14 Pennsylvania Electric Company for causes in any way occasioned
15 by the Three Mile Island incident for a period of 30 days from
16 the due adoption of this resolution.
