1 (a) Contracts.--As a condition of the Commonwealth's initial
2 and continued participation in the capital construction projects
3 authorized under section 3(13)(vii) for the Philadelphia Port
4 Corporation the policies of the Port Corporation must provide
5 that no member of the board or management level employee of the
6 board or a member of his immediate family or any business or
7 professional services firm in which the person or a member of
8 the person's immediate family is a director, officer, owner,
9 partner, or holder of stock exceeding 5% of the equity at fair
10 market value of the business shall enter into any contract
11 valued at \$500 or more to provide goods or services to the Port
12 Corporation or its subsidiaries unless the contract has been
13 awarded to the lowest responsible bidder through an open and
14 public process, including prior public notice and subsequent
15 public disclosure of all proposals considered and contracts
16 awarded.

17 (b) Employees.--As a condition of the Commonwealth's initial
18 and continued participation in the capital construction projects
19 authorized under section 3(13)(vii) for the Philadelphia Port
20 Corporation the policies of the Port Corporation must provide
21 that no management level Port Corporation employee is a party
22 officer, public official, public employee or a member of the
23 immediate family of a party officer, public officer or public
24 official.

25 (c) Definitions.--Management level employees shall mean the
26 President and Chief Executive Officer of the Port Corporation,
27 the Counsel of the corporation and any corporation employee with
28 discretionary powers which may affect the outcome of the
29 corporation's decisions in relation to a private corporation or
30 business or any employee who by virtue of his job function could

1 influence the outcome of such a decision. Party officer, public
2 officer, public official, public employee and immediate family
3 shall have the meanings given to them in section 16(e) of the
4 act of June 27, 1986 (P.L.267, No.70), known as the Pennsylvania
5 Convention Center Authority Act.

6 Section 8. Use of existing funds.

7 Of the \$14,580,000 which is authorized for the purchase of
8 the furniture and equipment for the projects which are included
9 in section 4, the sum of \$1,251,000, shall be provided from
10 excess funds available in the unallocated reserve of the Capital
11 Facilities Fund from previous furniture and equipment
12 appropriations.

13 Section 9. Heating systems.

14 (a) Coal requirement.--Except as provided in subsection (b),
15 any heating system or heating unit installed as part of any of
16 the public improvement projects itemized in this act shall be
17 fueled by coal.

18 (b) Exception.--Whenever it appears that it might be
19 feasible to use natural gas from wells located in Pennsylvania
20 or wood from forests located in Pennsylvania, the Secretary of
21 General Services shall compare the cost effectiveness of using
22 that fuel to the cost effectiveness of using coal and shall use
23 the fuel which he determines to be the most cost effective.

24 (c) Exemption.--Any heating system or heating unit shall be
25 exempt from the requirement of subsection (a) if the Department
26 of General Services determines that:

27 (1) the application of subsection (a) to that heating
28 system or heating unit would violate existing or reasonably
29 anticipated environmental laws or regulations;

30 (2) using coal as the fuel for that heating system or

1 heating unit would ~~be relatively less~~ NOT BE cost effective <—
2 when compared to using other forms of energy; ~~considering~~ <—
3 ~~the social and economic policy of promoting the use of coal;~~

4 (3) using natural gas from wells located in Pennsylvania
5 or wood from forests located in Pennsylvania as the fuel for
6 that heating system or heating unit would be cost effective
7 when compared to using coal; or

8 (4) the heating system or heating unit would be part of
9 a cogeneration system which would use natural gas and which
10 was in or beyond the design stage prior to the effective date
11 of this act.

12 (d) Reports to the General Assembly.--The Department of
13 General Services shall report to the House and Senate
14 Appropriations Committees the basis for any determination that a
15 heating system or heating unit shall be exempt from the
16 requirement of subsection (a).

17 (e) Section not applicable.--This section shall not apply to
18 any public improvement project itemized in this act if the fuel
19 to be used in that project is specified in this act.

20 (f) Mixture with natural gas.--For the purposes of this
21 section the phrase "mixture derived, in whole or in part, from
22 coal" includes, but is not limited to, both the intermittent and
23 the simultaneous burning of natural gas with coal or a coal
24 derivative if the intermittent or simultaneous burning of
25 natural gas would:

26 (1) lower the cost of using coal or a coal derivative
27 produced from mines in Pennsylvania; or

28 (2) enable coal or a coal derivative produced from mines
29 in Pennsylvania to be burned in compliance with present and
30 reasonably anticipated environmental laws and regulations.

1 (g) Definition.--For the purposes of this section, "coal"
2 includes coal, a synthetic derived, in whole or in part, from
