JANUARY 4, 1994

REFERRED TO COMMITTEE ON TRANSPORTATION, JANUARY 4, 1994

AN ACT

1 Amending Title 75 (Vehicles) of the Pennsylvania Consolidated  
2 Statutes, further providing for revocation of certain route  
3 approvals for combinations and hazardous material vehicles  
4 and for erection of traffic-control devices.

5 The General Assembly of the Commonwealth of Pennsylvania  
6 hereby enacts as follows:

7 Section 1. Section 4908 of Title 75 of the Pennsylvania  
8 Consolidated Statutes is amended by adding a subsection to read:

9 § 4908. Operation of certain combinations on interstate and  
10 certain primary highways.

11 \* \* \*

12 (g) Construction zone route revocations.--Whenever any  
13 interstate or other highway is designated as a construction zone  
14 alternate route, the department, on its own motion to assure  
15 public safety or at the request of an approving municipality,  
16 may revoke any approvals for placarded hazardous material  
17 vehicles or combinations to operate over that portion of the

1 highway designated as a construction zone alternate route. The  
2 department shall provide an alternate route for any banned  
3 vehicles.

4 Section 2. Section 6122(b) of Title 75 is amended to read:  
5 § 6122. Authority to erect traffic-control devices.

6 \* \* \*

7 (b) Standards for department approval.--

8 (1) The department shall promulgate rules and  
9 regulations setting forth minimum standards and factors to be  
10 considered in determining whether approval shall be given by  
11 the department for the installation and maintenance of  
12 official traffic-control devices. The factors shall include,  
13 but not be limited to, the volume of traffic and the number  
14 of accidents that occurred in each of the three preceding  
15 years.

16 (2) Whenever the department designates a construction  
17 zone alternate route, the department may immediately erect  
18 such traffic devices as may be necessary to protect the  
19 safety of motorists and residents. The traffic devices may  
20 include speed restrictions, traffic-control signals and signs  
21 and any other necessary devices.

22 \* \* \*

23 Section 3. This act shall take effect in 60 days.
