13 Section 2. J. Barry Stout Expressway.

14 (a) Declaration of policy.--

15 (1) Adequate transportation systems are crucial to the
16 public health, safety and economic integrity of a community.

17 (2) Southwestern Pennsylvania has for many years endured
18 congestion of traffic and poor feeder routes in the general
19 north-south pattern between the Monongahela Valley and the
20 City of Pittsburgh which have threatened the safety of the
21 public and thwarted economic development.

22 (3) The construction of a limited access road artery for
23 the north-south pattern in southwestern Pennsylvania from
24 Interstate 68 in West Virginia to the City of Pittsburgh will
25 relieve such congestion, promote economic vitality, reduce
26 the threat of catastrophe from the transportation of highly
27 combustible and toxic materials in densely populated areas,
28 and promote the general safety, health and welfare of the
29 public.

30 (4) Since his election to the General Assembly in 1971,
31 J. Barry Stout of Bentleyville, Washington County, has

1 advocated an expanded State road network, including a
2 Mon/Fayette Expressway and a Southern Beltway connector which
3 would link to the Greater Pittsburgh International Airport.

4 (5) Senator J. Barry Stout has tirelessly and
5 relentlessly pursued construction of a north-south road
6 artery and its connections in furtherance of the public
7 safety, welfare and economic development in all of
8 southwestern Pennsylvania. It is a fitting tribute that a
9 portion of this north-south road artery be designated in his
10 honor.

11 (6) In 1985 the General Assembly passed Senate Bill
12 No.441, which was signed into law as the act of September 30,
13 1985 (P.L.240, No.61), known as the Turnpike Organization,
