8 privileges, immunities, duties or obligations of any person or
9 group of persons: Provided, That the term "public records" shall
10 not mean any report, communication or other paper, the
11 publication of which would disclose the institution, progress or

13 performance of its official duties, except those reports filed
14 by agencies pertaining to safety and health in industrial
15 plants; it shall not include any record, document, material,

20 reputation or personal security, or which would result in the
21 loss by the Commonwealth or any of its political subdivisions or
22 commissions or State or municipal authorities of Federal funds,
23 excepting therefrom however the record of any conviction for any
24 criminal act[.]; nor shall it include records, the disclosure of
25 which would compromise the protection of any public utility,

29 including, but not limited to, the following:
