22 Section 1102-B. Program.

23 (a) Establishment.--A program to help defray the cost to
24 teachers of becoming certified by the National Board for
25 Professional Teaching Standards is established.

26 (b) Goal.--It is the goal of the Commonwealth to provide
27 opportunities and incentives for excellent teachers and to
28 retain them in the teaching profession. To attain this goal, the
29 Commonwealth shall support the efforts of teachers to achieve
30 national certification by providing reimbursement for approved

1 paid leave time for teachers participating in the certification
2 process and paying the assessment fee for teachers who seek to
3 attain national certification from the National Board for
4 Professional Teaching Standards.

5 Section 1103-B. Payment of fees and paid leave.

6 Eligible teachers who participate in NBPTS certification
7 shall be entitled to do so without loss of pay or time. To the
8 extent funds are available, the Commonwealth shall do all of the
9 following:

10 (1) Pay the cost of NBPTS assessment fees on behalf of
11 an eligible teacher to become NBPTS certified.

12 (2) Reimburse school districts for the eligible
13 teacher's paid leave for each day the eligible teacher

17 (a) Schools in school improvement or corrective action.--
18 Eligible teachers who teach in schools identified as in school

23 assessment fee. A candidate who completes the certification
24 process but is denied NBPTS certification shall not be subject
25 to repayment pursuant to this subsection.

26 (b) Failure to continue teaching.--When an eligible teacher
27 for whom the Commonwealth has paid the assessment fee fails to
28 teach in a Pennsylvania school for three consecutive years after
29 completing the certification process, the teacher shall
30 reimburse the Commonwealth for the amount of the assessment fee.

1 The teacher shall certify to the department each year that the
2 teacher is in compliance with section 1105-B(b).

3 (c) Waiver of repayment.--Upon the application of the
4 eligible teacher, the department shall waive the repayment
5 requirement if the department finds that the teacher was unable
6 to complete the process or continue teaching in a priority class
7 or school identified as in school improvement or corrective
8 action due to administrative action on the part of the school
9 district or area vocational-technical school for other than
10 causes enumerated in section 1122, or continue teaching due to
11 illness of the teacher, the death or catastrophic illness of a

14 repayment requirement due to other extraordinary circumstances.

15 Section 1107-B. Applicability.
