JOSEPHS, APRIL 18, 2007

REFERRED TO COMMITTEE ON EDUCATION, APRIL 18, 2007

AN ACT

1 Amending the act of March 10, 1949 (P.L.30, No.14), entitled "An
2 act relating to the public school system, including certain
3 provisions applicable as well to private and parochial
4 schools; amending, revising, consolidating and changing the
5 laws relating thereto," further providing for the use of
6 Pennsylvania accountability grants.

7 The General Assembly of the Commonwealth of Pennsylvania
8 hereby enacts as follows:

9 Section 1. Section 2599.2 of the act of March 10, 1949
10 (P.L.30, No.14), known as the Public School Code of 1949,
11 amended or added December 23, 2003 (P.L.304, No.48), July 4,
12 2004 (P.L.536, No.70), July 13, 2005 (P.L.226, No.46) and July
13 11, 2006 (P.L.1092, No.114), is amended to read:

14 Section 2599.2. Pennsylvania Accountability Grants.--(a)
15 Beginning with the 2004-2005 fiscal year, the department shall
16 establish a program of annual accountability grants for the
17 benefit of students enrolled in each of the Commonwealth's

1 school districts.

2 (a.1) Beginning with the 2007-2008 fiscal year, the
3 department shall establish a program of annual accountability
4 grants for the benefit of children who are younger than the
5 entry age for kindergarten.

6 (b) The grant shall be used by a school district to attain
7 or maintain academic performance targets[. Funds] if awarded
8 under subsection (d.2) or by an approved provider of pre-
9 kindergarten to provide a pre-kindergarten program to ensure
10 school readiness and improve future academic performance under
11 subsection (d.3). In accordance with the provisions of
12 subsection (b.2), funds obtained under [this section] subsection
13 (d.2) may be used for any of the following:

14 (1) Establishing, maintaining or expanding a quality pre-
15 kindergarten program aligned with the current academic standards
16 contained in 22 Pa. Code Ch. 4 (relating to academic standards
17 and assessment).

18 (2) Establishing, maintaining or expanding a quality full-
19 day kindergarten program aligned with the current academic
20 standards contained in 22 Pa. Code Ch. 4. Such programs shall be
21 kept open for five hours each day for the full school term as
22 provided in section 1501. The board of school directors of a
23 school district may offer a full-day kindergarten program to
24 children who are between four and six years old.

25 (3) Establishing, maintaining or expanding a class size
26 reduction program. Such class size reduction program shall
27 appoint and assign a minimum of one teacher for every 17
28 students or two teachers for every 35 students enrolled in a
29 kindergarten, first, second or third grade classroom. All
30 teachers appointed and assigned to teach kindergarten, first,

1 second or third grade shall be certified in accordance with 22
2 Pa. Code Ch. 49 (relating to certification of professional
3 personnel) or its successors. The department shall establish
4 guidelines to assure that no school district satisfies the
5 requirements of this paragraph by making a reduction in, and
6 subsequent increase to, current teacher complement. For purposes
7 of this paragraph, the phrase "one teacher for every 17 students
8 or two teachers for every 35 students enrolled in a
9 kindergarten, first, second or third grade classroom" shall
10 refer to the number of teachers conducting a class at any one
11 time in a classroom containing the applicable number of
12 students.

13 (4) Establishing, expanding or maintaining programs that
14 promote the availability, coordination, integration and
15 utilization of social and health services, associated resources
16 and ancillary resources to meet the needs of children and
17 families in addressing issues that may serve to limit student
18 academic achievement.

19 (5) Notwithstanding the provisions of Article XV-C,
20 providing tutoring assistance during the normal school day and
21 hours of the school district, provided that the tutoring is in
22 addition to and does not interfere with a student's regularly
23 scheduled classroom instruction times and does not supplant
24 services required in a student's individualized education
25 program.

26 (6) Improving the academic performance of subgroups
27 identified under section 1111(b) of the No Child Left Behind Act
28 of 2001.

29 (7) Establishing, expanding or maintaining programs to
30 assist in the building of strong science and applied-knowledge

1 skills.

2 (8) Providing additional programs for continuing
3 professional education that may include any of the following:
4 training in mathematics, science and literacy-specific
5 curriculum and instructional strategies; training in school-wide
6 improvement planning; analysis of student achievement data,
7 including student work and the implications for classroom
8 practice; observing and studying exemplary school and classroom
9 practices; implementing school-wide programs and classroom
10 management strategies designed to improve student conduct; using
11 technology to boost student achievement; conducting transition
12 planning and curriculum alignment across schools and grade
13 levels; or implementing secondary strategies to increase student
14 engagement and personalize learning.

15 (9) Establishing, expanding or maintaining math and literacy
16 coaching programs within schools to improve math and reading
17 instruction.

18 (10) Providing financial incentives to highly qualified,
19 tenured teachers to work in the most academically challenged
20 schools in a school district or providing financial incentives
21 to aid in the recruitment of certificated teachers in
22 mathematics, science, language arts or English as a second
23 language to work in the most academically challenged schools in
24 a school district.

25 (11) Providing such other programs or activities that the
26 board of school directors of a school district determines are
27 essential to achieving or maintaining academic performance
28 targets through the year 2014.

29 (b.1) No subcontract between a school district and a
30 nonprofit organization entered into for the provision of a

1 program or services pursuant to this section may abrogate
2 provisions of a collective bargaining agreement between the
3 nonprofit organization and its employees.

4 (b.2) (1) If, for the 2007-2008 school year, the amount of
5 funding that a school district receives under subsection (d.2)
6 exceeds the amount of the grant that it received during the
7 2005-2006 school year, the school district shall use its
8 additional funds to establish or expand the full-day
9 kindergarten program under subsection (b)(2). For the 2008-2009
10 school year and each school year thereafter, if the amount of
11 grant funds that a school district receives under subsection
12 (d.2) exceeds the amount that it received during the prior
13 school year under subsection (d.2), the school district shall
14 use its additional grant funds to establish or expand the full-
15 day kindergarten program under subsection (b)(2).

16 (2) Notwithstanding paragraph (1), for the 2008-2009 school
17 year and each school year thereafter, any school district that
18 established or expanded a full-day kindergarten program during
19 the 2007-2008 school year under this subsection may use the
20 amount of the additional grant funds received in the 2007-2008
21 school year to maintain that program.

22 (3) The department shall require each school district to
23 certify as part of the plan submitted under subsection (c)(2)
24 whether the school district will use its additional grant funds
25 in compliance with this subsection.

26 (4) A school district that does one of the following shall
27 forfeit the right to the additional grant funds received in the
28 2007-2008 school year under subsection (d.2) and all forfeited
29 funds shall be distributed on a pro rata basis among all school
30 districts that have satisfied the requirements of this

1 subsection:

2 (i) Chooses in the 2007-2008 school year not to establish or
3 expand a full-day kindergarten program consistent with the
4 requirements of this subsection.

5 (ii) Chooses, in the 2008-2009 school year or thereafter,
6 not to establish, maintain or expand a full-day kindergarten
7 program consistent with the requirements of this subsection.

8 (iii) Submits a plan that does not comply with this section.

9 (c) (1) No later than April 10, 2004, and April 10, 2005,
10 the department shall notify each school district of the grant
11 amount it will receive under subsection (d). No later than April
12 10, 2006[, and April 10 of each school year thereafter,] the
13 department shall notify each school district of the grant amount
14 it will receive under subsection (d.1). No later than April 10,
15 2007, and April 10 of each school year thereafter, the
16 department shall notify each school district of the grant amount
17 that it will receive under subsection (d.2).

18 (2) Within thirty (30) days of receipt of the notification
19 under paragraph (1), the school district shall submit to the
20 department an accountability grant plan. The plan shall include:

21 (i) Reference to the programs or activities under subsection
22 (b) for which the grant funds will be used.

23 (ii) Identification of whether the grant funds will be used
24 to establish, maintain or expand the programs or activities
25 referenced under subparagraph (i).

26 (iii) A brief description of the programs or activities for
27 which the grant funds will be used.

28 (iv) Identification of how additional grant funding provided
29 consistent with subsection (b.2) will be used to establish or
30 expand a full-day kindergarten program or, for the 2008-2009

school year and each school year thereafter, how such funding will be used to maintain a full-day kindergarten program that was expanded or established in 2007-2008.

(3) (i) Where the accountability grant plan submitted under paragraph (2) proposes to use the grant funds for a program or activity under subsection (b)(11), the department shall have fifteen (15) days from the receipt of the plan to disapprove the use and notify the school district of the reason for the disapproval. Within thirty (30) days of the receipt of notice of disapproval, the school district shall submit a revised accountability grant plan under paragraph (2).

(ii) Where the accountability grant plan submitted under paragraph (2) proposes to use the grant funds for a program or activity under subsection (b)(11) and the school district fails to receive notification from the secretary within fifteen (15) days of receipt that its request has been disapproved, the school district may proceed to implement the proposed programs or activities.

(4) Where the accountability grant plan submitted under paragraph (2) proposes to use the grant funds for a program or activity under subsection (b)(1), (2), (3), (4), (5), (6), (7), (8), (9) or (10), the department may, within thirty (30) days from the receipt of the plan, make nonbinding recommendations for alternative utilization of the grant funds.

(5) No later than February 1, 2005, and February 1 of each year thereafter, the department shall submit a report to the majority and minority chairs of the Appropriations and Education Committees of the Senate and to the majority and minority chairs of the Appropriations and Education Committees of the House of Representatives summarizing the operation of the program for

1 that fiscal year. The report shall include:

2 (i) A description of the operation of the program.

3 (ii) A summary of the total amount of grant funds paid to
4 school districts used for programs or activities under
5 subsection (b).

6 (iii) A summary of the uses of grant funds to school
7 districts used for programs or activities under subsection (b).

8 (iv) An identification of the number of school districts
9 that used grant funds for each of the programs or activities
10 under subsection (b).

11 (v) A listing of each school district and the program or
12 activity under subsection (b) for which the grant funds were
13 used.

14 (vi) An identification of the number of school districts
15 that used grant funds to establish, maintain or expand the
16 program or activity for which the grant funds under subsection
17 (b) were used.

18 (vii) A listing of each school district and whether the
19 grant funds were used to establish, maintain or expand the
20 program or activity for which the grant funds under subsection
21 (b) were used.

22 (viii) A summary of the use of grant funds awarded under
23 subsection (d.3).

24 (d) During the 2004-2005 and 2005-2006 school years, the
25 department shall pay to each school district a Pennsylvania
26 Accountability grant equal to the sum of the amounts calculated
27 under paragraphs (1) and (2) as follows:

28 (1) Each school district shall receive an amount based on
29 the percentage of its students scoring below proficient on the
30 PSSA tests, calculated as follows:

1 (i) Divide the number of PSSA tests administered in the
2 school district on which students scored below proficient in
3 reading or mathematics during the 2002-2003 school year by the
4 total number of PSSA tests scored in reading and mathematics in
5 the school district during the 2002-2003 school year.

6 (ii) Multiply the quotient from subparagraph (i) by the
7 average daily membership of the school district for the 2002-
8 2003 school year.

9 (iii) Multiply the product from subparagraph (ii) by the
10 market value/income aid ratio of the school district for the
11 2003-2004 school year.

12 (iv) Multiply the product from subparagraph (iii) by one
13 hundred fifty million dollars (\$150,000,000).

14 (v) Divide the product from subparagraph (iv) by the sum of
15 the products of subparagraph (iii) for all school districts.

16 (2) Each school district shall receive an amount based on
17 the percentage of its students scoring at or above proficient on
18 the PSSA tests, calculated as follows:

19 (i) Divide the number of PSSA tests administered in the
20 school district on which students scored at or above proficient
21 in reading or mathematics during the 2002-2003 school year by
22 the total number of PSSA tests scored in reading and mathematics
23 in the school district during the 2002-2003 school year.

24 (ii) Multiply the quotient from subparagraph (i) by the
25 average daily membership of the school district for the 2002-
26 2003 school year.

27 (iii) Multiply the product from subparagraph (ii) by the
28 market value/income aid ratio of the school district for the
29 2003-2004 school year.

30 (iv) Multiply the product from subparagraph (iii) by fifty

1 million dollars (\$50,000,000).

2 (v) Divide the product from subparagraph (iv) by the sum of
3 the products of subparagraph (iii) for all school districts.

4 (3) Grants awarded under this section shall be paid to
5 school districts on the last Thursday of July.

6 (d.1) (1) During the 2006-2007 school year [and each school
7 year thereafter], the department shall pay to each school
8 district a Pennsylvania accountability grant equal to the amount
9 determined in subsection (d) plus the sum of the amounts
10 calculated under paragraphs (2) and (3).

11 (2) Each school district shall receive an amount based on
12 the percentage of its students scoring below proficient on the
13 PSSA tests administered in grades five, eight and eleven,
14 calculated as follows:

15 (i) Divide the number of PSSA tests administered in the
16 school district on which students scored below proficient in
17 reading or mathematics during the 2004-2005 school year by the
18 total number of PSSA tests scored in reading and mathematics in
19 the school district during the 2004-2005 school year.

20 (ii) Multiply the quotient from subparagraph (i) by the
21 average daily membership of the school district for the 2004-
22 2005 school year.

23 (iii) Multiply the product from subparagraph (ii) by the
24 market value/income aid ratio of the school district for the
25 2005-2006 school year.

26 (iv) Multiply the product from subparagraph (iii) by thirty-
27 seven million five hundred thousand dollars (\$37,500,000).

28 (v) Divide the product from subparagraph (iv) by the sum of
29 the products of subparagraph (iii) for all school districts.

30 (3) Each school district shall receive an amount based on

1 the percentage of its students scoring at or above proficient on
2 the PSSA tests administered in grades five, eight and eleven,
3 calculated as follows:

4 (i) Divide the number of PSSA tests administered in the
5 school district on which students scored at or above proficient
6 in reading or mathematics during the 2004-2005 school year by
7 the total number of PSSA tests scored in reading and mathematics
8 in the school district during the 2004-2005 school year.

9 (ii) Multiply the quotient from subparagraph (i) by the
10 average daily membership of the school district for the 2004-
11 2005 school year.

12 (iii) Multiply the product from subparagraph (ii) by the
13 market value/income aid ratio of the school district for the
14 2005-2006 school year.

15 (iv) Multiply the product from subparagraph (iii) by twelve
16 million five hundred thousand dollars (\$12,500,000).

17 (v) Divide the product from subparagraph (iv) by the sum of
18 the products of subparagraph (iii) for all school districts.

19 (4) Grants awarded under this subsection shall be paid to
20 school districts on the last Thursday of July.

21 (d.2) (1) During the 2007-2008 school year and each school
22 year thereafter, the department shall pay to each school
23 district a Pennsylvania accountability grant equal to the amount
24 determined under subsection (d.1) plus the sum of the amounts
25 calculated under paragraphs (2) and (3).

26 (2) Each school district shall receive an amount based on
27 the percentage of its students scoring below proficient on PSSA
28 tests administered in the school district, calculated as
29 follows:

30 (i) Divide the number of PSSA tests administered in the

school district on which students scored below proficient in reading or mathematics during the 2005-2006 school year by the total number of PSSA tests scored in reading and mathematics in the school district during the 2005-2006 school year.

(ii) Multiply the quotient from subparagraph (i) by the average daily membership of the school district for the 2005-2006 school year.

(iii) Multiply the product from subparagraph (ii) by the market value/income aid ratio of the school district for the 2006-2007 school year.

(iv) Multiply the product from subparagraph (iii) by eighteen million seven hundred fifty thousand dollars (\$18,750,000).

(v) Divide the product from subparagraph (iv) by the sum of the products of subparagraph (iii) for all school districts.

(3) Each school district shall receive an amount based on the percentage of its students scoring at or above proficient on PSSA tests administered in the school district, calculated as follows:

(i) Divide the number of PSSA tests administered in the school district on which students scored at or above proficient in reading or mathematics during the 2005-2006 school year by the total number of PSSA tests scored in reading and mathematics in the school district during the 2005-2006 school year.

(ii) Multiply the quotient from subparagraph (i) by the average daily membership of the school district for the 2005-2006 school year.

(iii) Multiply the product from subparagraph (ii) by the market value/income aid ratio of the school district for the 2006-2007 school year.

(iv) Multiply the product from subparagraph (iii) by six million two hundred fifty thousand dollars (\$6,250,000).

(v) Divide the product from subparagraph (iv) by the sum of the products of subparagraph (iii) for all school districts.

(d.3) (1) In the 2007-2008 school year and each school year thereafter, seventy-five million dollars (\$75,000,000) of funds appropriated for annual accountability grants shall be reserved for the Pre-K Counts Program, which is established in the department for the purpose of providing grants to expand pre-kindergarten opportunities for eligible students.

(2) The department shall establish a competitive grant process to award Pre-K Counts funds to eligible providers. Eligible providers may apply on their own or in conjunction with other eligible providers.

(3) In addition to any other requirements set forth by the department, in order to be eligible for a grant under this program, an eligible provider shall agree to all of the following quality program standards:

(i) Pre-kindergarten shall be planned to provide no fewer than 180 days over the course of the school year. A half-day program shall provide no fewer than two and one-half hours of instructional activities per day. A full-day program shall provide no fewer than five hours of instructional activities per day.

(ii) Pre-kindergarten curriculum shall be aligned with early learning standards established by the department.

(iii) The progress of each eligible student shall be measured using an assessment approved by the department.

(iv) Each approved provider shall engage in coordination and partnerships organized for the purpose of community education

and outreach on early childhood education, assessing needs and resources, and coordinating and developing strategies to address these issues.

(v) Each approved provider shall comply with monitoring requirements issued by the department.

(vi) Each approved provider shall adopt and implement a comprehensive disaster response and emergency preparedness plan consistent with 35 Pa.C.S. § 7701 (relating to duties concerning disaster prevention), regardless of whether the provider is a school district, child day care center, group day care home, Head Start or nursery school.

(vii) If the program is a full-day program, appropriately timed meals and snacks shall be served. If the program is a half-day program, appropriately timed snacks shall be served.

(viii) The requirements of 22 Pa. Code §§ 4.13(c)(12)(I) and (II), (13) and (14) (relating to strategic plans) and 4.20(2), (6), (7), (8) and (11) (relating to prekindergarten education), 28 Pa. Code § 27.77 (relating to immunization requirements for children in child care group settings) and 55 Pa. Code § 3270.162(b), (c) and (d) (relating to meals) shall apply to each approved provider, regardless of whether the provider is a school district, a child day care center, a group day care home, a Head Start or a nursery school.

(4) Priority for the award of grants available under this subsection shall be as follows:

(i) For eligible providers seeking funding for their first year of operation under this program, first priority shall be given to eligible providers applying to serve children residing in a school district in which thirty percent (30%) or more of the students on October 31 of the preceding school year were

eligible for free or reduced price meals under the school lunch program and who include at-risk children in their targeted enrollment.

(ii) For eligible providers seeking funding for their first year of operation, second priority shall be given to eligible providers who do not meet the requirement under subparagraph (i) but who shall target enrollment of eligible students to at-risk children.

(iii) For the 2008-2009 school year and each school year thereafter, priority shall be given to renewal of grant applications to approved providers who have operated pre-kindergarten programs under this section in the preceding school year and who have met the program standards and can demonstrate satisfactory implementation of the program as established by the department before consideration of new applications to eligible providers.

(5) The department shall do all of the following:

(i) Establish early learning standards.

(ii) Establish allowable and required grant uses and per pupil funding levels to determine grant awards under this subsection. The per pupil funding level may be adjusted annually and may vary by region.

(iii) Issue guidance on developmentally appropriate curriculum and instruction for pre-kindergarten students.

(iv) Issue guidance for continuing education and provide that teacher's aides shall complete no fewer than twenty-four (24) hours of continuing professional education each year.

(v) Identify one or more approved assessments to be used by approved providers.

(vi) Establish requirements to ensure the quality and

1 effectiveness of the program and monitor approved providers,
2 which shall include site visits.

3 (vii) Support the development and maintenance of community
4 coordination and partnerships.

5 (viii) Determine whether each approved provider has met the
6 standards established by the department.

7 (ix) In consultation with the Secretary of Health, establish
8 requirements for health services for pre-kindergarten programs
9 provided under this subsection.

10 (x) Promulgate any regulations necessary to implement the
11 provisions of this subsection. The regulations shall be
12 promulgated in final-omit form as provided in the act of July
13 31, 1968 (P.L.769, No.240), referred to as the "Commonwealth
14 Documents Law."

15 (xi) Perform all other functions necessary to carry out the
16 Pre-K Counts Program.

17 (6) Grants shall be made under this subsection to the extent
18 funds are appropriated by the General Assembly. Grants made
19 under this subsection shall be used to supplement, not supplant,
20 public funds received from any other source.

21 (7) An approved provider who is a school district shall not
22 include eligible students on whose behalf a grant award is made
23 pursuant to this subsection for the purpose of calculating
24 average daily membership.

25 (8) For purposes of this subsection:

26 "Approved provider." An eligible provider who has been
27 approved by the department to offer pre-kindergarten under this
28 subsection.

29 "At-risk children." Those children who, because of their
30 home or community environment, are subject to economic,

language, cultural and like disadvantages to cause them to be at risk of academic failure.

"Average daily membership." The term shall have the same meaning as in Article XXV.

"Eligible provider." Any of the following entities, if the entity complies with all quality program standards established under subsection (d.3)(3):

(1) A school district.

(2) A Head Star program.

(3) A nursery school.

(4) A child day care center or a group day care home that has met or exceeded the standards of STAR 2 under the Keystone STARS quality rating system established by the Department of Public Welfare.

"Eligible student." A child who is at least three (3) years of age and less than the entry age of kindergarten in the school district of residence.

"Head Start." A program funded under the Head Start Act (Public Law 97-35, 42 U.S.C. § 9831 et seq.) and carried out by a Head Start agency that provides ongoing comprehensive child development services.

"Instructional activities." Any of the following:

(1) Classroom instruction.

(2) Orientation.

(3) Snack time, meal time and play time, if they are an integral part of the curriculum.

(4) Opening exercises.

(5) School, group or class educational trips to which admission is not charged to students or parents and a teacher accompanies the students.

1 (6) Student services, such as guidance and counseling
2 services, psychological services, speech pathology and
3 audiology services and student health services.

4 (7) Civil defense, fire, bus evacuation and similar
5 drills.

6 (8) Early dismissal and delayed opening due to inclement
7 weather.

8 "Nursery school." A nursery school that is licensed under
9 the act of January 28, 1988 (P.L.24, No.11), known as the
10 "Private Academic Schools Act."

11 "School lunch program." The National School Lunch Program in
12 7 CFR 210.2 (relating to definitions).

13 (e) All of the following shall apply for grant funds
14 received under subsection (d.2):

15 (1) The department shall establish reporting procedures and
16 auditing guidelines to ensure that grant funds are utilized in
17 accordance with subsection (b).

18 (2) A school district shall maintain separate accounts in
19 its budget to facilitate monitoring the use of the grant funds.

20 (3) In no case shall a school district use grant funds for
21 administrative costs as defined by the department.

22 (4) The department shall reduce the amount of a State
23 subsidy payment to a school district by the amount of any grant
24 funds provided under this section if the school district does
25 not utilize the grant funds in accordance with subsection (b)
26 and the accountability grant plan submitted pursuant to
27 subsection (d).

28 (5) No grant funds may be used directly to increase salaries
29 except as provided for in subsection (b)(10).

30 (6) No school district may place grant funds received under

1 this section in a reserve account.
