9 (g) Exceptions.--The following are exceptions to subsection
10 (f):

11 (1) Emission inspection criteria for registration of
12 subject vehicles with new registration plates.--A subject
13 vehicle never before registered in this Commonwealth or any
14 other jurisdiction having less than 5,000 miles on its
15 odometer and for which an annual or temporary registration
16 plate was originally issued within the past 12 months shall

1 of original registration. A certificate of exemption shall be
2 affixed to the subject vehicle in a manner prescribed by
3 department regulations.

4 (2) Emission inspection criteria for new vehicles with
5 transferred registration plates.--A subject vehicle never
6 before registered in this Commonwealth or any other
7 jurisdiction having less than 5,000 miles on its odometer and

29 with miscellaneous motor vehicle business registration plates
30 or dealer registration plate.--A subject vehicle which
