"Medical cannabis dispenser." A for-profit or nonprofit entity licensed under section 503 to dispense medical cannabis.

"Medical cannabis employee." An individual who is eligible to receive an occupation permit by meeting one of the following:

1. An individual who meets all of the following:
   i. Is employed by a medical cannabis grower, medical cannabis processor, medical cannabis dispenser or certified laboratory with the authority to make a discretionary decision relating to the growing, processing, dispensing or testing of medical cannabis, including a manager, supervisor or an individual who directly handles or controls medical cannabis.
   ii. Is responsible for tracking the amount and transportation of medical cannabis.

2. Any other employee position designated by the board.

"Medical cannabis grower." A for-profit or nonprofit entity licensed under section 501 that grows or cultivates cannabis for distribution to authorized medical cannabis processors and medical cannabis dispensers in accordance with this act.

"Medical cannabis processor." A for-profit or nonprofit entity licensed under section 502 authorized to purchase medical cannabis from a medical cannabis grower for the purpose of processing the medical cannabis for distribution to a medical cannabis dispenser in accordance with this act.

"Medical cannabis strains." The three types of pure cannabis utilized for medical purposes. The term includes cannabis
sativa, cannabis indica and the hybrid created by the combination of both cannabis sativa and cannabis indica.

"Medical use." The acquisition, possession or use of medical cannabis by a registered patient or patient representative. The term does not include the smoking or vaporization of cannabis. "Nebulizer." A drug delivery device that uses oxygen, compressed air or ultrasonic power to break up medical solutions, including oil-based medical cannabis, into small aerosol droplets that are directly inhaled from the mouthpiece of the device.

"Occupation permit." A permit issued by the board authorizing an individual to be employed as a medical cannabis employee or patient representative.

"Owner or operator." Any of the following:

(1) An officer or director of the medical cannabis grower, processor or dispenser licensed under section 505.
(2) A person who directly holds a beneficial interest in or has a controlling interest in an applicant or licensee.
(3) A person who has the ability to elect a majority of the board of directors of a licensee or to otherwise control a licensee.

"Patient." An individual who has an established practitioner-patient relationship and has been diagnosed with a qualified medical condition.

"Patient representative." Any of the following:

(1) A parent or guardian of a registered patient.
(2) An individual who:
   (i) is at least 18 years of age; and
   (ii) receives a medical cannabis access card which authorizes:
(A) purchase, possession, transport and transfer of medical cannabis from a medical cannabis dispenser; and

(B) proper administration of the medical cannabis to a registered patient in accordance with the recommendation of the registered patient's health care practitioner.

"Practitioner-patient relationship." The relationship established between a patient and health care practitioner following an assessment of the patient's medical history and current condition and the conduct of a personal examination.

"Qualified medical condition." Any of the following:

2. Epilepsy and seizures.
3. Amyotrophic lateral sclerosis.
5. Parkinson's disease.
7. Multiple sclerosis.
10. Severe fibromyalgia.
11. HIV/AIDS.

14. CROHN'S DISEASE.
15. DIABETES.
16. A condition authorized by the department under section 703.
"Testing laboratory." A clinical laboratory or testing facility located within this Commonwealth, certified by the board under section 511.

"Tracking system." An electronic system established by the department to monitor the activities of a person that grows, processes, dispenses, transports or tests medical cannabis or is determined by the department to be engaged in an activity regulated under this act.

"Verification system." An electronic system established and maintained by the Department of Health that allows the Department of Health, the Bureau of Professional and Occupational Affairs, licensed dispensers and law enforcement to verify the issuance of a medical cannabis access card to an individual.

"Written certification." A document dated and signed by a health care practitioner that meets the requirements under section 702(c).

CHAPTER 3
STATE BOARD OF MEDICAL CANNABIS
LICENSING AND ADMINISTRATIVE PROCEDURE

Section 301. License.

(a) Medical cannabis.--A person may not conduct an activity related to the growing, processing or dispensing of medical cannabis or operating a testing laboratory unless the person is licensed or certified by the board under this act.

(b) Employee.--A licensed medical cannabis grower, medical cannabis processor or a medical cannabis dispenser may not employ an individual to directly participate in the growing, processing, delivery or dispensing of medical cannabis unless the individual receives an occupation permit from the board.
Section 302. State Board of Medical Cannabis Licensing.

(a) Establishment.--There is hereby established the State Board of Medical Cannabis Licensing within the department.

(b) Composition.--The board shall consist of the following:

(1) The Secretary of Health or a designee who is an employee of the Department of Health.

(2) Commissioner of Professional and Occupational Affairs or a designee who is an employee of the Bureau of Professional and Occupational Affairs.

(3) The Secretary of Human Services or a designee who is an employee of the Department of Human Services.

(4) Two public members.

(5) One medical doctor who is an expert in the field of pediatrics.

(6) Two members who are medical doctors representing specialties which utilize medical cannabis to treat patients.

(7) The Physician General.

(8) Two members who are registered nurses.

(9) A licensed pharmacist.

(c) Meetings.--The board shall meet within 30 days of confirmation of the members and shall:

(1) Establish procedures to operate the board.

(2) Develop applications and other forms for licensure and occupation permits and enforcement of this act and certifications for testing laboratories.

(3) Promulgate regulations, as necessary, to implement and enforce this act.

(d) Appointment and qualifications.--Each professional and public member shall be appointed by the Governor with the advice
and consent of a majority of the Senate. Each member must comply
with all of the following:

(1) Be a citizen of the United States and a resident of
this Commonwealth.

(2) Not hold any other public office during the term on
the board.

(e) Terms.--

(1) A member under subsection (b)(1), (2) or (3) shall
serve ex officio.

(2) For a member under subsection (b), the following
apply:

(i) Initial appointments shall be as follows:

(A) Three members shall serve for a term of four
years.

(B) Three members shall serve for a term of
three years.

(C) Two members shall serve for a term of two
years.

(ii) Each subsequent term shall be for four years or
until a successor has been appointed and qualified, which
may not be longer than six months beyond the four-year
period.

(iii) A member may not serve more than two
consecutive terms.

(f) Quorum.--A majority of the members of the board shall
constitute a quorum. Each member must be physically in
attendance to be counted as part of a quorum or to vote on an
issue. A majority of the members present shall be necessary for
a vote to be considered binding.

(g) Chairperson.--The board shall annually select a
chairperson from the members of the board.

(h) Expenses.--With the exception of ex officio members, each member of the board shall receive $100 per diem when attending to the work of the board. A member shall also receive the amount of reasonable travel, hotel and other necessary expenses incurred in the performance of the member's duties in accordance with Commonwealth regulations.

(i) Forfeiture.--A member who fails to attend three consecutive meetings shall forfeit the member's seat unless the chairman, upon written request from the member, finds that the member should be excused because of illness or death of a family member.

(j) Frequency of meetings.--The board shall meet at least once per month for the first 12 months, including and after the initial meeting required by section 302(c). After the first 12 months following the establishment of the board, the board shall meet at least six times a year and may meet at additional times as necessary to conduct the business of the board.

Section 303. Powers and duties of board.

The board shall have the following powers and duties:

(1) To provide for and regulate the licensing of the following:

   (i) A medical cannabis grower under section 501.

   (ii) A medical cannabis processor under section 502.

   (iii) A medical cannabis dispenser under section 503.

(2) To issue occupation permits to medical cannabis employees.

(3) To issue certifications to testing laboratories under section 511.
(4) To issue, deny, renew, reinstate or refuse to renew, suspend and revoke licenses, certifications of testing laboratories and occupation permits in accordance with this act.

(5) To implement procedures to allow the expansion of qualified medical conditions for which a patient may obtain medical cannabis under section 703.

(6) To administer and enforce the provisions of this act.

(7) To investigate and conduct background checks for each application for a license or occupation permit to determine the fitness and eligibility of a person applying for a license or occupation permit.

(8) To establish fees for application and renewal of licenses and occupation permits and the due dates for all fees.

(9) To charge for services related to the enforcement and administration of this act. Billings shall be submitted at least quarterly and all charges shall be itemized.

(10) To keep minutes and records of each transaction and proceeding.

(11) To provide standards for the appearance of dispensers to ensure a professional atmosphere.

(12) To require site plans, including streets, property lines, buildings, security features and access to water sources.

(13) To require utilization of any prescription monitoring program established by the Commonwealth by a health care practitioner to review a patient's pharmaceutical history.
(14) To establish an electronic verification system that can be accessed by health care practitioners, the Department of Health, patients, the Bureau of Professional and Occupational Affairs, law enforcement personnel and other individuals designated by the board to verify individual medical cannabis access cards and determine whether the identification number corresponds with a current, valid registry identification card and that the cardholder is a registered qualifying patient or a patient representative.

The verification system:

(i) Must be available on a 24-hour basis for the verification of medical cannabis access cards.

(ii) May only disclose the validity of the card, whether the cardholder is a qualified patient or a patient representative and the registry identification number of the patient.

(iii) Must determine whether a medical cannabis access card has been suspended or revoked.

(15) To establish an electronic tracking system to be used by the department to track the growing, processing, transporting, dispensing and delivery of all medical cannabis products between growers, processors, laboratories, transport entities, dispensers and other persons engaged in activities regulated under this act. The electronic tracking system must include:

(i) Date, time, quantity and price of each sale of medical cannabis to a qualified patient or patient representative.

(ii) Each daily record of plants and products grown and possessed by a licensee, including date of harvest,
batch number, origin and strain, number of seeds or cuttings planted, chemical additives, disposal and other information required by the board.

(iii) Each sale, transport and other activity as deemed necessary by the department.

(iv) Records of transport to and from testing laboratories and the results of testing.

(v) An inventory control system, including each day's beginning inventory, acquisitions, harvests, sales, disbursements, disposals and ending inventory.

Information must be added to the electronic tracking system under this paragraph on a daily basis.

(16) To establish a medical cannabis registry to ensure adequate availability of different strains and concentrations of medical cannabis.

(17) To develop regular inspection schedules, unannounced inspections, procedures and other enforcement measures to regulate all medical cannabis growers, processors, dispensers and testing laboratories.

(18) To inspect, at any time, premises occupied or used for the production, preparation, testing, packaging, processing, storage, sale, distribution and transport of medical cannabis.

(19) To develop standards and requirements for the implementation, use and maintenance of security systems.

(20) To submit annually to the department an estimate of financial requirements of the board, including administrative, legal and other expenses.

(21) To develop a system for mandatory and voluntary recall of defective products or medical cannabis.
(22) To develop standards for creation and maintenance of qualifying patient records.

(23) To promulgate regulations to implement this act, including:

(i) The receipt of medical cannabis for study and research of the health benefits of medical cannabis by accredited research institutions, universities and colleges in this Commonwealth.

(ii) Determination of required quality and safe clinical strength of medical cannabis.

(iii) Print advertising and marketing of medical cannabis.

(iv) Containers, tracking and testing.

(v) Packaging and labeling by licensed growers, licensed processors and licensed dispensers. Regulations under this subparagraph shall require labeling to specify:

(A) date of packaging;

(B) use-by date;

(C) cultivation site;

(D) instructions to keep the product in the package;

(E) warnings related to use, including pregnancy and medical conditions;

(F) warnings to keep medical cannabis out of children's reach;

(G) other warnings deemed appropriate by the board;

(H) recommended dosages; and

(I) appropriate methods to administer medical
cannabis for authorized diseases.

(24) To provide for the form and content of the authority given to a registered patient by a health care practitioner to obtain medical cannabis.

(25) To adopt requirements relating to the amount of tetrahydrocannabinol authorized for each product and the tetrahydrocannabinol's application to the appropriate qualified medical condition.

(26) To consult information published by the American Herbal Pharmacopeia, in the promulgation of regulations.

(27) To enforce regulations under this act.

(28) To establish record retention policies for persons regulated under this act.

Section 304. Subpoena power.

The General Counsel of the Commonwealth, or the General Counsel's designee, shall have the power to issue a subpoena on behalf of the board in enforcement, disciplinary and licensing matters before the board in order to investigate an alleged violation in accordance with the following:

(1) The power shall not apply to patient records without order of a court of competent jurisdiction showing that the records are reasonably necessary for the conduct of an investigation.

(2) The court may impose limitations on the scope of a subpoena as necessary to prevent unnecessary intrusion into patient confidential information.

(3) The attorney representing the Commonwealth in a disciplinary matter before the board may apply to Commonwealth Court to enforce the subpoenas.

(4) Nothing in this section shall be construed to excuse
a person from producing documents and records as requested by
the board under any other provision of law.

Section 305. Hearing examiners.

(a) Appointment.--The Commissioner of Professional and
Occupational Affairs, after consultation with the board, shall
appoint hearing examiners as necessary to conduct hearings in
disciplinary matters before the board.

(b) Regulation.--Regulations promulgated by the board shall
include the procedural rules to be followed by hearing examiners
under this act. Each proceeding shall be conducted in accordance
with 2 Pa.C.S. (relating to administrative law and procedure).

(c) Powers.--A hearing examiner shall have the following
powers:

(1) To conduct hearings.

(2) To issue subpoenas requiring:

   (i) The attendance and testimony of individuals.

   (ii) The production of pertinent records or other
papers by persons whom the examiner believes have
information relevant to matters pending before the
examiner.

(3) To issue decisions.

Section 306. Civil penalties.

(a) Authorization.--The board shall adopt a schedule of
civil penalties for operating without a current, registered,
unsuspended and unrevoked license, certificate or occupation
permit and for violations of this act. The schedule shall be

(b) Imposition.--An agent of the board may issue citations
and impose penalties for a violation of this chapter. A citation
or a penalty may be appealed to a hearing examiner or the board
pursuant to regulations promulgated by the board. If the matter
is initially referred to a hearing examiner, the board shall
render a decision on an exception to the decision of the hearing
examiner or on any applications for review under 2 Pa.C.S.
(relating to administrative law and procedure).

(c) Board sanction.--

(1) In addition to any other penalty authorized by law, the board may impose the following sanctions:

(i) Revocation of the license, permit or certificate of a person convicted of a criminal offense or violation of this act or regulations of the board which would disqualify the holder from growing, processing or dispensing medical cannabis.

(ii) Revocation of the license of a person for willfully and knowingly violating or attempting to violate an order of the board directed to the person.

(iii) Revocation of an occupation permit or certificate of a person for willfully and knowingly violating or attempting to violate an order of the board directed to the person.

(iv) Suspension of the license, permit or certificate of a person pending the outcome of a hearing in a case in which a license, occupation permit or certification revocation could result.

(v) Suspension of the license of a licensed grower, processor or dispenser for a violation or attempt to violate any provisions of this act.

(vi) Assessment of an administrative penalty as necessary to address misconduct and deter future violations.
(vii) Ordering of restitution of funds or property unlawfully obtained or retained by a licensee.

(viii) Entrance of a cease and desist order which specifies the conduct which is to be discontinued, altered or implemented by the licensee.

(2) If the board refuses to issue or renew a license, certificate or occupation permit or imposes a penalty under paragraph (1), the board shall provide the applicant, licensee, certificate holder or permit holder with written notification of the decision, including a statement of the reasons for the decision by certified mail within five business days of the decision of the board. The applicant, licensee, certificate holder or permittee shall have the right to appeal the decision in accordance with 2 Pa.C.S. Chs. 5 (relating to practice and procedure) and 7 (relating to judicial review).

(3) A person who aids, abets, counsels, induces, procures or causes another person to violate this act shall be subject to all sanctions and penalties provided under this subsection.

(d) Additional powers.--In addition to the penalties under subsections (b) and (c), the board shall have the power to do the following:

(1) Levy a civil penalty of not more than $25,000 for a violation of this act.

(2) Impose a civil penalty of up to $15,000 per violation if a person aids and abets the unlicensed growing, processing, distribution or dispensing of medical cannabis. The penalty may not be levied against a person solely as a consequence of that person being a registered patient of the
unlicensed person.

(3) Assess against a respondent determined to be in violation of this act the costs of investigation underlying that disciplinary action. The cost of investigation shall not include costs incurred by the board after the filing of formal actions or disciplinary charges against a respondent.

(e) Judgment.--A civil penalty imposed under this section shall be a judgment in favor of the board upon the person or property of the person upon whom the civil penalty is imposed. The Attorney General shall be responsible for enforcing the judgments in courts of competent jurisdiction in accordance with the provisions of 42 Pa.C.S. (relating to judiciary and judicial procedure).

Section 307. Confidentiality.

(a) General rule.--Investigative records of the board, including prosecutorial memos and transcripts of deposition on behalf of the board or concerning a licensure-related complaint filed with the department, shall be confidential and privileged. The following shall apply:

(1) No person who has investigated or has access to or custody of documents, materials or information which is confidential and privileged under this section may be required to testify in a judicial or administrative proceeding without the written consent of the board unless directed to do so by a court of competent jurisdiction.

(2) This subsection shall not preclude or limit introduction of the contents of an investigative file or related witness testimony in a hearing or proceeding before the board.

(3) This section shall not apply to a letter or other
document to a licensee, occupation permittee or certificate holder that discloses the final outcome of an investigation or to a final adjudication or order of the board.

(b) Disclosure permitted.—Except as provided in subsection (a), this section shall not prevent disclosure of documents, materials or information pertaining to the status of a license, certificate or occupation permit or the sharing of information with law enforcement officials or similar regulatory boards in other jurisdictions. A violation of this section shall subject an employee or agent of the board to administrative discipline, including discharge, suspension or other formal or appropriate disciplinary action.

(c) Affidavit.—Each employee or agent of the board must execute a confidentiality affidavit which provides that documents, materials or information in subsection (a) obtained by the employee or agent shall be considered confidential and may be disclosed only as permitted under this section.

(d) Waiver.—The board may not require an applicant to waive any confidentiality under this section as a condition for the approval of a license or other action of the board.

Section 308. Financing.

(a) Setting of fees.—Beginning two years after the effective date of this subsection, all fees required under this act shall be fixed by the board by regulation. If revenue raised by fees, fines and civil penalties imposed under this act are not sufficient to meet expenditures over a two-year period, the board shall increase those fees by regulation under section 303(23) so that the projected revenues will meet or exceed projected expenditures.

(b) Renewal fees.—Beginning two years after the effective
date of this subsection, all renewal fees shall be deposited
into the account.

(c) Inadequate fees.--If the Bureau of Professional and
Occupational Affairs determines that the fees established by the
board under subsection (a) are inadequate to meet the minimum
enforcement efforts required by this act, then the bureau, after
consultation with the board, shall increase the fees by
regulation under section 303(23) in an amount that adequate
revenues are raised to meet the required enforcement effort.

(d) Disposition.--Fees, fines and civil penalties imposed
and collected under this act shall be for the exclusive use of
the board in carrying out this act and shall be annually
appropriated from the account for that purpose. This subsection
shall not apply to an initial license fee.

(e) Charging of fees.--The board may charge a reasonable
fee, as set by the board by regulation under section 303(23),
for all examinations, enforcement activities, registrations,
certificates, audits, licensures or applications permitted by
this act or a regulation under this act.

(f) Civil penalties.--All civil penalties shall be deposited
into the account.

Section 309. Records and reports.

(a) Records.--Each record of activities required under this
act must be retained for a period of at least two years unless
otherwise required by the board.

(b) Reports to department.--The board shall submit annually
to the department an estimate of the financial requirements of
the board for its administrative, investigative, legal and
miscellaneous expenses.

(c) Reports to the Appropriations Committee of the Senate
and the Appropriations Committee of the House of
Representatives.--The board shall submit annually to the
Appropriations Committee of the Senate and the Appropriations
Committee of the House of Representatives, 15 days after the
Governor has submitted his budget to the General Assembly, a
copy of the budget request for the upcoming fiscal year which
the board previously submitted to the department.
(d) Reports to other legislative committees.--The board
shall submit annually a report to the Consumer Protection and
Professional Licensure Committee of the Senate and to the
Professional Licensure Committee of the House of Representatives
containing a description of the types of complaints received,
status of cases, board action which has been taken and the
length of time from the initial complaint to final board
resolution. The report shall also include a statement of the
numbers and types of licenses granted.

CHAPTER 5
LICENSING

Section 501. Medical cannabis growers.
(a) Licensing.--The board shall license not more than 65
medical cannabis growers to supply medical cannabis for
distribution to medical cannabis processors and medical cannabis
dispensers under this act.
(b) Imposition.--At the time of license issuance, the board
shall impose a licensing fee in the amount of $50,000. The board
shall impose an initial $5,000 annual renewal fee for each year
immediately following the year the license was issued. Renewal
fees shall thereafter be subject to adjustment under section
308.
(c) Term.--Upon payment of the fee under subsection (b), a
grower's license shall be in effect unless suspended, revoked or not renewed by the board for good cause.

(d) Update.--A licensee under this section must notify the board of a change relating to the status of its license or other information contained in its application and other information filed with the board.

(e) Deposit.--The licensure fee under subsection (b) shall be deposited into the General Fund. Renewal fees under subsection (b) shall be deposited into the account.

(f) Restriction.--There shall be no restriction on specific strains of medical cannabis that may be grown under this act. Use of genetically modified organisms or an organism whose genetic material has been altered using genetic engineering may not be used in the cultivation of medical cannabis.

(g) Requirements.--A medical cannabis grower shall:

(1) Only grow medical cannabis using conventional growing methods approved by the board in consultation with the Department of Agriculture.

(2) Submit to preoperational and postoperational announced and unannounced inspections by the board or the department.

(3) Grow cannabis only in an indoor, enclosed, secure facility.

(4) Conduct quality testing utilizing a testing laboratory certified by the board prior to the sale of medical cannabis and submit to random testing of medical cannabis conducted by the board.

(5) Package and label medical cannabis products in accordance with regulations of the board.

(6) Only sell, transport or deliver medical cannabis to
a medical cannabis processor, certified laboratory or medical
cannabis dispenser.

(7) Provide information relating to the enclosed, secure
facility where medical cannabis will be grown, harvested or
stored, including electronic locking systems, limited access
areas, secure storage and disposal procedures, electronic
surveillance and other features required by the board.

(8) Provide a cultivation, inventory and packaging plan
and procedures for the oversight of the cultivation area,
including a plant monitoring system, container tracking
system and staffing plan.

(9) Maintain daily records of plants, sales and other
activities, as required by the board.

(10) Perform a weekly physical inventory of all plants
and containers.

(11) Notify law enforcement within 24 hours of any loss
or theft of medical cannabis and record the loss or theft in
the electronic tracking system.

(12) Utilize any electronic tracking system required by
the board.

(h) Prohibitions.--A medical cannabis grower may not do any
of the following:

(1) Be located within 1,000 feet of the property line of
a public, private or parochial school or a day-care center.

(2) Be located in a residential dwelling or an area
zoned for residential use.

(3) Acquire cannabis from outside this Commonwealth or
otherwise in violation of regulations of the board.

(4) Permit an individual to consume cannabis on its
property.
(5) Advertise medical cannabis on radio or television.

(i) Exchange.--The board shall promulgate regulations for the exchange of medical cannabis seed and plant materials between growers.

Section 502. Medical cannabis processors.

(a) Licensing.--The board shall license not more than 65 medical cannabis processors to process medical cannabis into oil-based medical cannabis products, including oil, ointments and tinctures. The licensees shall be geographically dispersed throughout this Commonwealth to allow access to processed medical cannabis by medical cannabis dispensers.

(b) Imposition.--At the time of license issuance, the board shall impose a licensing fee in the amount of $50,000. The board shall impose an initial $5,000 annual renewal fee for each year immediately following the year the license was issued. Renewal fees shall be subject to adjustment and deposit under section 308.

(c) Term.--Upon payment of the fee under subsection (b), a processor's license shall be in effect unless suspended, revoked or not renewed by the board for good cause.

(d) Update.--A licensee under this section must notify the board of a change relating to the status of its license or other information contained in its application and other information filed with the board.

(e) Deposit.--The license fee under subsection (b) shall be deposited into the General Fund. Renewal fees shall be deposited into the account.

(f) Requirements.--A medical cannabis processor shall do all of the following:

(1) Only use extraction and processing methods approved
by the board.

(5) A photograph that meets the standards of the Commonwealth Photo Imaging Network.

(6) Details relating to a similar license, permit or other authorization obtained in another jurisdiction.
(7) Any additional information required by the board.

(c) Issuance.--Following review of the application and the background investigation, the board may issue an occupation permit if the applicant has proven by clear and convincing evidence that the applicant is a person of good character, honesty and integrity and is eligible and suitable to be an occupation permit holder.

(d) Nontransferability.--An occupation permit issued under this section shall be nontransferable.

(e) Privilege.--The issuance or renewal of a permit under this section shall be a revocable privilege.

Section 507. Change in ownership.

The following apply to notification and approval:

(1) A medical cannabis grower, processor or dispenser must notify the board upon becoming aware of a proposed or contemplated change of ownership or control of the licensee. The new owner must pay the licensing fee required under this chapter.

(2) The purchaser of the assets of a medical cannabis grower, processor or dispenser must independently qualify for a license in accordance with this act and must pay the license fee required under this chapter.

(3) If the ownership of the operation of a licensed grower, processor or dispenser or its affiliate is changed, the new owner must pay the annual renewal fee for each applicable license.

Section 508. Location.

(a) General rule.--Except as otherwise provided under this act, each grower, processor and dispenser license shall be valid for the specific physical location within the municipality and other than the specific physical location.
county for which it was originally granted. A person may not
distribute medical cannabis from a location other than a
licensed facility.

(b) Zoning.--The following shall apply:

(1) Facilities for the growing or processing of medical
cannabis shall meet the same municipal zoning and land use
requirements as other manufacturing, preparation and
production facilities.

(2) Facilities for the dispensing of medical cannabis
shall meet the same municipal zoning and land use
requirements as other commercial facilities.

(3) Applicants for a grower, processor or distributor
license must include a copy of the applicant's zoning
approval with the applicant's application. Local zoning
approval must be obtained prior to the issuance of a license
by the board.

(c) Petition.--An applicant or holder of a license under
this act may petition the board to relocate its facility. In
determining whether to grant a petition to relocate, the board
shall do all of the following:

(1) Evaluate the proposed new location and the reason
for relocation.

(2) Evaluate community support and compliance with local
ordinances.

(3) Consider any other information submitted by the
petitioner or required by the board.

Section 509. Storage and transportation.

The board shall develop regulations relating to the storage
and transportation of medical cannabis among growers,
processors, testing laboratories and medical cannabis dispensers.
which ensure adequate security to guard against in-transit losses. The tracking system developed by the board shall include all transportation and storage of medical cannabis. The regulations shall provide for the following:

1. Requirements relating to shipping containers and packaging.
2. The manner in which trucks, vans, trailers or other carriers will be secured.
3. Security systems that include a numbered seal on the trailer.
4. Obtaining copies of driver's licenses and registrations and other information related to security and tracking.
5. Use of GPS systems.
6. Number of drivers or other security required to ensure against storage or in-transit losses.
7. Recordkeeping for delivery and receipt of medical cannabis products.
8. Requirements to utilize any electronic tracking system required by the board.

Section 510. Disposal and donation.

(a) Disposal.--The board shall promulgate regulations relating to disposal of medical cannabis by medical cannabis growers, processors, dispensers and law enforcement.

(b) Donation.--A medical cannabis dispenser, grower and processor may donate medical cannabis that has been purchased or produced and tested in this Commonwealth in accordance with this act and is in new and unopened condition and can only be donated for research purposes to an accredited research institution, university or college within this Commonwealth and recognized by
the Commonwealth.

(c) Tracking.--The electronic tracking system must monitor disposals and donations of medical cannabis by licensees. A medical cannabis grower, processor and dispenser must record disposals and donations in the electronic tracking system.

Section 511. Testing laboratories.

(a) Certification.--The board shall certify accredited laboratories to test medical cannabis in accordance with regulations of the board.

(b) Requirement.--A medical cannabis grower and a medical cannabis processor must utilize a certified laboratory to test the quality of medical cannabis before the sale or transport of medical cannabis is made as required by the board.

(c) Duty of board.--The board shall determine the scope and content of information required to certify laboratories, including security requirements.

(d) Tracking.--A testing laboratory must notify law enforcement within 24 hours of a loss or theft of medical cannabis and record the loss or theft in the electronic tracking system.

(3) The sale or purchase of an illegal drug by the
licensee or by the licensee's agent or employee.

CHAPTER 7
MEDICAL CANNABIS ACCESS

Section 701. Medical cannabis access card.

(a) Department of Health.--A patient with a qualified
medical condition may register with the Department of Health and
be issued a medical cannabis access card.

(b) Enforcement.--The Department of Health shall develop
regulations to enforce the provisions of this chapter, including
revocation or suspension of a medical cannabis access card for
violations of this act.

(c) Application.--An application for a medical cannabis
access card shall be developed by the Department of Health.
Applications for renewal shall be required on an annual basis. A
patient representative may obtain a medical cannabis access card
on behalf of a registered patient. The Department of Health
shall require an address, photo and other identifying
information on the application.

(d) Certification.--Applications and renewals must include
written certification from a health care practitioner under
section 702(a) that the applicant has a qualified medical
condition.

(e) Verification.--The Department of Health shall verify the
information in the application and renewal form. Verification
shall include verification of the certification under subsection
(d).

(f) Time.--The Department of Health must approve or deny an
application within 90 business days.

(g) Fee.--The Department of Health shall charge an
application fee of not more than $100 and an annual renewal fee of not more than $50.

(h) Residency.--Except as provided in subsection (l), a patient must reside in this Commonwealth to receive a medical cannabis access card.

(i) Verification.--The patient or patient representative must be assigned a registration number and must be placed on the verification system.

(j) Duration.--The medical cannabis access card shall be valid for two years from the date of issuance. A replacement card shall have the same expiration date.

(k) Notification.--The Department of Health must notify the patient or patient representative that a medical cannabis access card is no longer valid if notice is received from:

(1) The patient or health care practitioner that the qualified medical condition is improved and no longer requires medical cannabis.

(2) The patient or health care practitioner that the patient no longer has a qualified medical condition or that medical cannabis is no longer therapeutic or palliative.

(3) The health care practitioner that the health care practitioner believes the patient is not using the medical cannabis as recommended.

(l) Reciprocity.--A patient registered in another state that authorizes medical cannabis and recognizes medical cannabis access cards from patients who are residents of this Commonwealth may submit to the Department of Health the patient's credentials to utilize medical cannabis. The Department of Health shall confirm an out-of-State patient's status as a medical cannabis user in each state with legalized cannabis.
medical cannabis and only grant a medical cannabis access card to a person with a qualified medical condition. After the Department of Health investigates and approves the patient's credentials, the Department of Health shall issue the patient a medical cannabis access card allowing the patient to utilize medical cannabis in this Commonwealth.

(m) Patient representative.--

(1) A patient representative must be:

   (i) at least 18 years of age; and

   (ii) a resident of this Commonwealth.

(2) A patient representative shall do all of the following:

   (i) Register with the Department of Health in a manner prescribed by the Department of Health.

   (ii) Present, from the registered patient's health care practitioner who prescribed the medical cannabis, certification that the patient is unable to obtain or administer medical cannabis for a good faith medical or physical reason.

   (iii) Notify the Department of Health within 10 business days after:

      (A) a change to the information that the provider, registered patient or patient representative was required to submit to the Department of Health; and

      (B) the patient representative discovers that the registry identification has been lost or stolen.

   (iv) Notify the Department of Health by telephone and in writing within 10 days following the death of the patient representative's registered patient. The
Department of Health shall provide instruction to the patient representative regarding the duty to dispose of and means by which the remaining medical cannabis may be disposed.

(3) A patient representative may do any of the following:

   (i) Transport a registered patient to and from a licensed medical cannabis dispenser.

   (ii) Obtain and transport an appropriate supply in accordance with section 503(f)(6) and (7) of medical cannabis from a medical cannabis dispenser on behalf of a registered patient.

   (iii) Prepare medical cannabis for consumption by a registered patient.

   (iv) Administer medical cannabis to a registered patient as recommended by the registered patient's health care practitioner.

(4) A patient representative may not do any of the following:

   (i) Receive payment or other compensation for services provided as a patient representative other than reimbursement for reasonable expenses incurred in the provision of services as a patient representative. In the case of an employee of a health care facility serving as a patient representative, the individual may not receive payment or compensation above or beyond the individual's regular wages.

   (ii) Consume medical cannabis which has been dispensed on behalf of a registered patient.

   (iii) Sell, provide or otherwise divert medical
cannabis which has been dispensed to a registered patient.

(iv) Grow or cultivate medical cannabis on behalf of any individual.

(v) Purchase medical cannabis from an unlicensed source.

(vi) Obtain medical cannabis from a registered patient or a patient representative.

(5) If a patient representative previously employed by a health care facility is no longer employed by the health care facility, the authority to obtain medical cannabis using a medical cannabis access card or other form of authorization issued by the Department of Health shall be void. A health care facility that employs a patient representative to pick up, deliver or administer medical cannabis to registered patients shall notify the Department of Health immediately upon termination of the patient representative's employment.

(6) The Department of Health shall promulgate regulations relating to patient representatives, including the form of authorization to be utilized.

(n) Confidentiality.--The Department of Health shall maintain a verification system that includes the names of each individual who has been issued a medical cannabis access card or authorized to act as a patient representative. The information on the list shall be confidential and shall not be considered a public record under the act of February 14, 2008 (P.L.6, No.3), known as the Right-to-Know Law. The list may not be disclosed except to any of the following:

(1) Authorized employees of the board, the Department of Health and the Bureau of Professional and Occupational
Affairs as necessary to perform official duties of the board and the Department of Health.

(2) Authorized employees of the board and the Department of Health, as necessary to verify that a person who is engaged in the suspected or alleged medical use of cannabis is lawfully in possession of a medical cannabis access card.

(3) Licensed dispensers as necessary to verify information and identity.

(4) Law enforcement as provided under section 906.

(5) Health care practitioners.

Section 702. Health care practitioners.

(a) Requirements.--A health care practitioner may recommend the use of medical cannabis to a patient if the health care practitioner complies with all of the following:

(1) Has a good faith practitioner-patient relationship with the patient, not limited to a certification for the patient to use medical cannabis or a consultation simply for that purpose.

(2) Practices within this Commonwealth at an established place of practice.

(3) Registers with the department if required by department regulation.

(4) Has responsibility for the ongoing care and treatment of the patient as long as the ongoing care treatment is not limited to or for the primary purpose of certifying a qualifying medical condition.

(5) Has completed and documented an in-person full assessment of the patient's medical history and current medical condition not more than 90 days prior to making the certification for medical cannabis. The assessment shall

20150SB0003PN0889 - 47 -
include a review of medical records from other treating
health care practitioners from the previous 12 months.

(6) Certifies that the patient is under the physician's
care for, and that the physician has expertise in, the
patient's qualifying medical condition.

(7) Certifies that in the physician's professional
opinion, the patient is likely to receive therapeutic or
palliative benefit from the medical use of cannabis to treat
or alleviate the patient's qualifying medical condition or
symptoms associated with the condition.

(8) Bases each written certification to receive medical
cannabis on generally accepted standards of medical practice.

(9) Has adopted a recordkeeping system for all patients
for whom the physician has recommended the use of medical
cannabis.

(b) Prohibitions.—A health care practitioner may not do any
of the following:

(1) Accept, solicit or offer a form of remuneration from
or to:

   (i) a patient, except normal medical examination
costs;

   (ii) a patient representative;

   (iii) a licensed grower, licensed processor or
licensed dispenser; or

   (iv) an principal officer, employee or agent of a
person listed in subparagraph (i), (ii) or (iii).

(2) Offer a discount or an item of value to a patient
who uses or agrees to use a particular patient representative
or medical cannabis dispenser to obtain medical cannabis.

(3) Conduct an examination of a patient for purposes of
diagnosing a qualifying medical condition at a location where
medical cannabis is sold or distributed.

(4) Hold a direct or indirect economic interest in, or
serve on the board of, a licensed medical cannabis grower,
licensed medical cannabis processor or licensed medical
cannabis dispenser.

(5) Refer a patient to a particular licensed medical
cannabis dispenser.

(6) Advertise in a facility of a licensed medical
cannabis grower, licensed medical cannabis processor or
licensed medical cannabis dispenser.

(7) Issue a written certification to receive medical
cannabis to a member of the health care practitioner's
family.

(c) Written certification.--A health care practitioner shall
issue a written certification that includes the following:

(1) The date and signature of the health care
practitioner.

(2) A statement that in the health care practitioner's
opinion the patient is likely to receive therapeutic or
palliative benefit from the medical use of cannabis to treat
or alleviate a qualified medical condition or symptoms
associated with the qualified medical condition.

(3) Specification of the qualified medical condition.

(4) A statement that the qualifying patient is under the
health care practitioner's care for the qualified medical
condition.

(5) The recommended dosage and total amount of medical
cannabis being recommended.

(d) Limitation.--A written certification may not be for more
than 2.5 ounces of medical cannabis for a patient in a 14-day period unless the patient has a quantity waiver from the Department of Health.

(e) Veterans.--A veteran who has received treatment at a Veterans' Administration hospital shall be deemed to have a bona fide physician-patient relationship with a Veterans' Administration physician if the patient has been seen for the qualified medical condition in accordance with Veterans' Administration protocols.

Section 703. Expansion of medical conditions.

(a) Petition.--Beginning July 1, 2017, the board may accept petitions from a resident of this Commonwealth to add additional qualified medical conditions to those conditions for which a patient may receive medical cannabis.

(b) Requirements.--A petition under subsection (a):

(1) must be limited to a single proposed qualified medical condition;

(2) must be in a form prescribed by the board;

(3) must include a description of the specific medical condition which is the subject of the petition; and

(4) must not request approval for broad categories of illnesses.

(c) Review.--Upon receipt of a petition under subsection (a), the board shall do all of the following:

(1) Review the petition received for the addition of a qualified medical condition which would benefit from the use of medical cannabis. The board may consolidate petitions for the same or similar condition.

(2) Review new or current medical and scientific evidence pertaining to currently approved conditions.
(3) Consult medical and scientific experts as necessary to adequately review the petition.

(4) Analyze the following:

   (i) Information about why conventional medical therapies are not sufficient to treat or alleviate the impact of the condition or disease.

   (ii) The proposed benefits from the use of medical cannabis.

   (iii) Evidence from the medical community and other experts supporting the use of medical cannabis to alleviate suffering caused by the condition or disease or its treatment.

   (iv) Letters of support from licensed health care providers knowledgeable about the condition or disease, including letters from physicians with whom the petitioner has a physician-patient relationship.

   (v) Medical or scientific documentation.

(d) Action.--The board shall approve or deny a petition in accordance with regulations promulgated by the board.

Section 704. Medical use permitted.

(a) General rule.--The cultivation, possession, acquisition, use, delivery, processing, dispensing or transportation of medical cannabis by a person who, at the time the cultivation, possession, acquisition, use, delivery, processing, dispensing or transportation occurs, possesses a valid license, occupational permit, certificate or medical cannabis access card under this act and is in compliance with all applicable terms under this act shall not be unlawful under any provision of law.

(b) Medical cannabis access card.--

   (1) Possession of or application for a medical cannabis
access card may not alone constitute probable cause to search
a person, the person's property or otherwise subject the
person or property to inspection by a governmental agency.
(2) Paragraph (1) does not apply to a patient under 18
years of age unless all of the following have occurred:
(i) The minor's health care practitioner has
explained to the minor and the minor's custodial parent,
guardian or person having legal custody the potential
risks and benefits of medical cannabis.
(ii) The custodial parent, guardian or person having
legal custody consents in writing to:
(A) Allow the minor's use of medical cannabis.
(B) Serve as the minor's patient representative.
(C) Control the acquisition, dosage and
frequency of the minor's use of medical cannabis.
(c) Restriction.--An individual who has been convicted,
adjudicated delinquent or granted accelerated rehabilitative
disposition or who pleads guilty or nolo contendere for any
offense shall not be disqualified from obtaining or possessing a
valid medical cannabis access card on the basis of the offense.
Section 705. Authorized use.
The use of medical cannabis products mixed into food or-

<--
drinks to facilitate ingestion by a patient in a facility or-

<--
residence shall not violate the ban on edible medical cannabis-
products. Any food mixed with medical cannabis under this-

section may not be sold to any person. (A) USE IN FOOD.--THE

BE SOLD TO ANY PERSON.

(B) VAPORIZATION.--FOR CANCER, A SEIZURE OR POSTTRAUMATIC STRESS DISORDER, VAPORIZATION OF MEDICAL CANNABIS IS AUTHORIZED IF A PHYSICIAN INDICATES THAT VAPORIZATION IS NECESSARY FOR THE DELIVERY OF MEDICAL CANNABIS. VAPORIZATION MUST BE DELIVERED BY USING A FORM OF VAPORIZATION AUTHORIZED BY THE BOARD. EQUIPMENT OR DELIVERY SYSTEMS APPROVED BY THE BOARD MAY BE USED FOR VAPORIZATION.

Section 706. Health insurance.

Nothing in this act shall be construed to require a State government medical assistance program or private health insurer to reimburse a person for costs associated with the medical use of cannabis or an employer to accommodate the medical use of cannabis in a workplace.

Section 707. Sovereign immunity.

The Commonwealth may not be held liable for any deleterious outcomes resulting from the medical use of cannabis by a registered patient.

CHAPTER 9

PROTECTION, PROHIBITIONS,

ENFORCEMENT AND PENALTIES

Section 901. Civil discrimination protection.

The following shall apply:

(1) Medical cannabis, when used in accordance with this act, may not be considered an illicit substance or otherwise disqualify a patient from medical care.

(2) An individual may not be penalized in any of the following ways due to the individual's use of medical cannabis under this act:

(i) Denied custody, visitation or parenting time
with a minor child.

(ii) Presumed to neglect or endanger a minor child unless the individual's behavior creates an unreasonable danger to the safety of the minor by clear and convincing evidence.

(3) A landlord may not refuse to lease or otherwise penalize a patient solely for having a medical cannabis access card or using medical cannabis in accordance with this act unless the landlord would lose a monetary or licensing-related benefit under Federal law or regulation.

(4) A school may not refuse to enroll or otherwise penalize a patient solely for having a medical cannabis access card or using medical cannabis in accordance with this act unless the school would lose a monetary or licensing-related benefit under Federal law or regulation.

(5) An employer may not discriminate against an individual in the hiring or termination of benefits or otherwise penalize the individual for being a medical cannabis access cardholder. The following shall apply:

(i) The employer may take an individual's status as a medical cannabis access cardholder into account only if the employer can prove the employee is abusing or misusing the employee's medical cannabis on the premises of the place of employment during ordinary hours of employment or if failure to do so would cause an employer to lose a licensing benefit under Federal law or regulation.

(ii) An individual's positive drug test for cannabis components or metabolites may not be considered by an employer unless the individual unlawfully used, possessed
or was impaired by the medical cannabis while on the premises of the place of employment or during the hours of employment.

Section 902. Prohibitions and use.

(a) Prohibitions.--

(1) A registered patient may not operate or be in physical control of any of the following while under the influence with a blood content of more than 10 nanograms of active tetrahydrocannabinoids per milliliter of blood in serum:

   (i) A motor vehicle.

   (ii) An aircraft.

   (iii) A motor boat.

   (iv) Heavy machinery.

   (v) A mode of transportation in a manner that would constitute an offense under 75 Pa.C.S. Ch. 38 (relating to driving after imbibing alcohol or utilizing drugs).

(2) A registered patient may not undertake any task under the influence of medical cannabis when doing so would constitute negligence or professional malpractice.

(3) A person may not allow medical cannabis obtained by a registered patient to be used by an individual who is not authorized to use medical cannabis under this act.

(4) An individual may not smoke medical cannabis or utilize a vaporizer to ingest or inhale medical cannabis.

(b) Use.--Except as provided under subsection (a), a registered patient may utilize medical cannabis in any public place, including the following:

(1) Public transportation.

(2) On school grounds if the registered patient is a student or an employee of the school in accordance with the
Department of Education regulations regarding medication on school grounds.

(3) In a correctional facility in accordance with Department of Corrections regulations regarding medications in correctional facilities.

(4) At a public park or public beach.

(c) Adulteration.--With the exception of extraction methods and processing operations approved by the board, a person may not adulterate, fortify, contaminate or change the character or purity of medical cannabis from the original sold by a licensed medical cannabis grower, processor or dispenser.

Section 903. Unlawful activities.

In addition to any other applicable provision of law, it shall be a criminal offense to intentionally or knowingly do any of the following:

(1) Grow, process or dispense medical cannabis without a license under this act.

(2) Transport medical cannabis from or between an unlicensed grower, processor or dispenser.

(3) Participate in the growing, processing, testing or dispensing of medical cannabis in violation of this act.

(4) Fail to report, pay or truthfully account for and pay any license fee, authorization fee or an assessment imposed under this act.

(5) Violate any regulation of the board.

Section 904. Criminal penalties and fines.

(a) Offense.--Except as provided under subsections (b) and (c), a violation of the act shall be graded as a misdemeanor of the second degree.

(b) Unauthorized actions.--A medical cannabis grower,
processor or dispenser that distributes, gives, sells or provides medical cannabis to a person other than a person authorized under this act commits a felony of the third degree.

(c) Individual.--An individual who falsifies an application or certification under section 511 commits a misdemeanor of the first degree.

(d) Other violations.--A person that is convicted of a second or subsequent violation of this act commits a felony of the third degree.

Section 905. Daily log access.

(a) Court order.--A daily log under section 503(f)(4) may be accessed by law enforcement upon receipt of a court order obtained by the requesting law enforcement agency. Upon receipt of a request for access under this subsection, a court may enter an ex parte order granting the motion if the law enforcement agency has demonstrated by a preponderance of the evidence that:

(1) The motion pertains to a person who is the subject of an active criminal investigation.

(2) There is reasonable suspicion that a criminal act has occurred.

(b) Use.--Data obtained by a law enforcement agency under subsection (a) may only be used to establish probable cause to obtain a search warrant or arrest warrant.

Section 906. Law enforcement.

The verification system may be accessed by law enforcement agencies registered with the department to confirm the authenticity of a medical cannabis access card. The information shall remain confidential unless criminal charges are filed.

CHAPTER 11

MEDICAL CANNABIS SURCHARGE
Section 1101. Definitions.

The following words and phrases when used in this chapter shall have the meanings given to them in this section unless the context clearly indicates otherwise:

"Department." The Department of Revenue of the Commonwealth.

"Medical cannabis purveyor." A medical cannabis dispenser, medical cannabis grower, medical cannabis processor or any other person licensed under this chapter who, in the usual course of business, sells medical cannabis to a medical cannabis dispenser.

"Purchase price." The total value of anything paid or delivered, or promised to be paid or delivered, whether it be money or otherwise, in complete performance of a sale or purchase, without a deduction on account of the cost or value of the property sold, cost or value of transportation, cost or value of labor or service, interest or discount paid or allowed after the sale is consummated, other taxes or surcharges imposed by the Commonwealth or other expense.

"Sale." A transfer of ownership, custody or possession of medical cannabis for consideration; an exchange, barter or gift; or an offer to sell or transfer the ownership, custody or possession of medical cannabis for consideration.

"Surcharge payer." A person subject to the surcharge under this chapter.

"Unclassified importer." A person in this Commonwealth that acquires medical cannabis from a source on which the surcharge imposed by this chapter was not paid and that is not a person otherwise required to be licensed under the provisions of this chapter. The term includes a patient who purchases medical cannabis outside this Commonwealth for personal possession or
use in this Commonwealth.

Section 1102. Incidence and rate of surcharge.

(a) Imposition.--A medical cannabis surcharge is imposed on a medical cannabis purveyor or other person at the time the medical cannabis is first sold to a medical cannabis dispenser in this Commonwealth at the rate of 6% on the purchase price charged to the medical cannabis dispenser for the purchase of medical cannabis. The surcharge shall be collected from the medical cannabis dispenser by the seller of the medical cannabis to the medical cannabis dispenser and remitted to the department. A person required to collect this surcharge shall separately state the amount of surcharge on an invoice or other sales document.

(b) Medical cannabis dispenser.--If the surcharge is not collected by the seller from the medical cannabis dispenser, the surcharge is imposed on the medical cannabis dispenser at the time of purchase at the same rate as in subsection (a) based on the medical cannabis dispenser's purchase price of the medical cannabis. The medical cannabis dispenser shall remit the surcharge to the department.

(c) Unclassified importer.--The surcharge is imposed on an unclassified importer at the time of purchase at the same rate as in subsection (a) based on the unclassified importer's purchase price of the medical cannabis. The unclassified importer shall remit the surcharge to the department.

(d) Exceptions.--The surcharge shall not be imposed on medical cannabis that:

1) is exported for sale outside this Commonwealth; or

2) is not subject to surcharge or taxation by the Commonwealth pursuant to any laws of the United States.
Article II.--Unless otherwise specifically noted, the provisions of Article II of the act of March 4, 1971 (P.L.6, No.2), known as the Tax Reform Code of 1971, shall apply to the returns, payment, penalties, enforcement, collections and appeals of the surcharge imposed on medical cannabis.

Section 1103. Limitation of surcharge.

Only one sale shall be surcharged and used in computing the amount of surcharge due under this chapter.

Section 1104. Remittance of surcharge to department.

Medical cannabis purveyors and unclassified importers shall file monthly reports on a form prescribed by the department by the 20th day of the month following the sale or purchase of medical cannabis from another source on which the surcharge levied by this chapter has not been paid. The surcharge is due at the time the report is due. The department may require the filing of reports and payments of surcharges on a less frequent basis at its discretion.

Section 1105. Procedures for claiming refund.

A claim for a refund of the surcharge imposed by this chapter shall be in accordance with section 3003.1 and Article XXVII of the act of March 4, 1971 (P.L.6, No.2), known as the Tax Reform Code of 1971, and shall be in the form and contain the information prescribed by the department by regulation.

Section 1106. Sales or possession of medical cannabis when surcharge not paid.

(a) Sales or possession.--A person who sells or possesses medical cannabis for which the proper surcharge has not been paid commits a summary offense and shall, upon conviction, be sentenced to pay costs of prosecution and a fine of not less than $100 nor more than $1,000 or to imprisonment for not more
than 60 days, or both, at the discretion of the court. Medical
cannabis purchased from a medical cannabis purveyor properly
licensed under this chapter shall be presumed to have the proper
surcharges paid.

(b) Surcharge evasion.--A person that falsely or
fraudulently, maliciously, intentionally or willfully, with
intent to evade the payment of the surcharge imposed by this
chapter, sells or possesses medical cannabis for which the
proper surcharge has not been paid commits a misdemeanor of the
third degree and shall, upon conviction, be sentenced to pay
costs of prosecution and a fine of not more than $5,000 or to
imprisonment for not more than one year, or both, at the
discretion of the court.

Section 1107. Assessment.

The department is authorized to make the inquiries,
determinations and assessments of the surcharge, including
interest, additions and penalties, imposed by this chapter.

Section 1108. Failure to file return.

Where no return is filed, the amount of the surcharge due may
be assessed and collected at any time as to chargeable
transactions not reported.

Section 1109. False or fraudulent return.

Where the surcharge payer willfully files a false or
fraudulent return with intent to evade the surcharge imposed by
this chapter, the amount of surcharge due may be assessed and
collected at any time.

Section 1110. Extension of limitation period.

Notwithstanding any other provision of this chapter, where,
before the expiration of the period prescribed for the
assessment of a surcharge, a surcharge payer has consented, in
writing, that the period be extended, the amount of surcharge
due may be assessed at any time within the extended period. The
period so extended may be extended further by subsequent
consents, in writing, made before the expiration of the extended
period.

Section 1111. Failure to furnish information, returning false
information or failure to permit inspection.

(a) Penalty.--A surcharge payer who fails to keep or make a
record, return, report, inventory or statement, or keeps or
makes a false or fraudulent record, return, report, inventory or
statement required by this chapter, commits a misdemeanor and
shall, upon conviction, be sentenced to pay costs of prosecution
and a fine of $500 and to imprisonment for not more than one
year, or both, at the discretion of the court.

(b) Examination.--The department is authorized to examine
the books and records, the stock of medical cannabis and the
premises and equipment of a surcharge payer in order to verify
the accuracy of the payment of the surcharge imposed by this
chapter. The person subject to an examination shall give to the
department or its duly authorized representative the means,
facilities and opportunity for the examination. Willful refusal
to cooperate with or permit an examination to the satisfaction
of the department shall be sufficient grounds for suspension or
revocation of a surcharge payer's license issued under this
chapter.

(c) Records.--A medical cannabis purveyor shall keep and
maintain for a period of four years records in the form
prescribed by the department. The records shall be maintained at
the location for which the license under this chapter is issued.

(d) Reports.--A medical cannabis purveyor shall file reports
at times and in the form prescribed by the department.

(e) Medical cannabis purveyor.--A medical cannabis purveyor located or doing business in this Commonwealth who sells medical cannabis in this Commonwealth shall keep records showing:

1. The amount and kind of medical cannabis sold.
2. The date the medical cannabis was sold.
3. The name and license number issued under Chapter 5 of the medical cannabis dispenser to which the medical cannabis was sold.
4. The total price of the medical cannabis sold to the medical cannabis dispenser.
5. The place where the medical cannabis was shipped.
6. The name of the common carrier.

(f) Medical cannabis purveyor.--A medical cannabis purveyor shall file with the department, on or before the 20th day of each month, a report showing the information listed in subsection (e) for the previous month.

Section 1112. Records of shipments and receipts of medical cannabis required.

The department shall require reports from a common or contract carrier who transports medical cannabis to any point or points within this Commonwealth, and from a bonded warehouseman or bailee who has in the possession of the warehouseman or bailee any medical cannabis. The reports shall contain the information concerning shipments of medical cannabis that the department determines to be necessary for the administration of this chapter. All common and contract carriers, bailees and warehousemen shall permit the examination by the department or its authorized agents of records relating to the shipment or receipt of medical cannabis.
Section 1113. Licensing of medical cannabis purveyors.

(a) Prohibition.--No person, unless all sales of medical cannabis are exempt from the medical cannabis surcharge in this Commonwealth, shall sell, transfer or deliver medical cannabis in this Commonwealth without first obtaining the proper license provided for in this chapter.

(b) Application.--An applicant for a medical cannabis purveyor's license shall complete and file an application with the department. The application shall be in the form and contain information prescribed by the department and shall set forth truthfully and accurately the information required by the department. If the application is approved, the department shall license the medical cannabis purveyor for a period of one year and the license may be renewed annually thereafter.

(c) Requirements.--Applicants for a medical cannabis purveyor's license or renewal of that license shall meet the following requirements:

(1) The premises on which the applicant proposes to conduct business are adequate to protect the revenue.

(2) The applicant is a person of reasonable financial stability and reasonable business experience.

(3) The applicant, or a shareholder controlling more than 10% of the stock if the applicant is a corporation or an officer or director if the applicant is a corporation, shall not have been convicted of a crime involving moral turpitude.

(4) The applicant shall not have failed to disclose material information required by the department, including information that the applicant has complied with this chapter by providing a signed statement under penalty of perjury.

(5) The applicant shall not have made any material false
statement in the application.

(6) The applicant shall not have violated a provision of this chapter.

(7) The applicant shall have filed all required State tax reports and paid State taxes not subject to a timely perfected administrative or judicial appeal or subject to a duly authorized deferred payment plan.

(d) Multiple locations.--The medical cannabis purveyor's license shall be valid for one specific location only. Medical cannabis purveyors with more than one location shall obtain a license for each location.

Section 1114. License fees and issuance and display of license.

(a) Fees.--At the time of making an application or license renewal application, an applicant for a medical cannabis purveyor's license shall pay the department a license fee of $75.

(b) Proration.--Fees shall not be prorated.

(c) Issuance and display.--On approval of the application and payment of the fees, the department shall issue the proper license which must be conspicuously displayed at the location for which it has been issued.

Section 1115. Electronic filing.

The department may, at its discretion, require that any or all returns, reports or registrations that are required to be filed under this chapter be filed electronically.

Section 1116. Expiration of license.

(a) Expiration.--A license shall expire on the last day of June next succeeding the date upon which it was issued unless the department at an earlier date suspends, surrenders or revokes the license.
(b) Violation.--After the expiration date of the license or sooner if the license is suspended, surrendered or revoked, it shall be illegal for a medical cannabis purveyor to engage directly or indirectly in the business conducted by the medical cannabis purveyor for which the license was issued. A licensee who shall, after the expiration date of the license, engage in the business conducted by the licensee either by way of purchase, sale, distribution or in any other manner directly or indirectly engaged in the business of dealing with medical cannabis shall be in violation of this chapter and be subject to the penalties provided in this chapter.

Section 1117. Administration powers and duties.

(a) Department.--The administration of this chapter is vested in the department. The department shall adopt rules and regulations for the enforcement of this chapter.

(b) Joint administration.--The department is authorized to jointly administer this chapter with other provisions of the act of March 4, 1971 (P.L.6, No.2), known as the Tax Reform Code of 1971, including joint reporting of information, forms, returns, statements, documents or other information submitted to the department.

Section 1118. Sales without license.

(a) Penalty.--A person who shall, without being the holder of a proper unexpired medical cannabis purveyor's license, engage in purchasing, selling, distributing or in another manner directly or indirectly engage in the business of dealing with medical cannabis commits a summary offense and shall, upon conviction, be sentenced to pay costs of prosecution and a fine of not less than $250 nor more than $1,000, or to imprisonment for not more than 30 days, or both, at the discretion of the
(b) Prima facie evidence.--Open display of medical cannabis in any manner shall be prima facie evidence that the person displaying such medical cannabis is directly or indirectly engaging in the business of dealing medical cannabis.

Section 1119. Violations and penalties.
(a) Suspension.--The license of a person who violates this chapter may be suspended after due notice and opportunity for a hearing for a period of not less than five days nor more than 30 days for a first violation and shall be revoked or suspended for any subsequent violation.
(b) Fine.--In addition to the provisions of subsection (a), upon adjudication of a first violation, the person shall be fined not less than $2,500 nor more than $5,000. For subsequent violations, the person shall, upon adjudication, be fined not less than $5,000 nor more than $15,000.

Section 1120. Property rights.
(a) Incorporation.--Subject to subsection (b), section 1285 of the act of March 4, 1971 (P.L.6, No.2), known as the Tax Reform Code of 1971, is incorporated by reference into and shall apply to this chapter.
(b) Alterations.--

(1) References to cigarettes in section 1285 of the Tax Reform Code of 1971 shall apply to medical cannabis in this chapter.
(2) References to 2,000 or more unstamped cigarettes in section 1285 of the Tax Reform Code of 1971 shall apply to medical cannabis worth at least $1,000 in this chapter.
(3) References to more than 200 unstamped cigarettes in section 1285 of the Tax Reform Code of 1971 shall apply to
medical cannabis worth at least $100 in this chapter.

Section 1121. Information exchange.

The department is authorized to exchange information with any other Federal, State or local enforcement agency for purposes of enforcing this chapter.

CHAPTER 51
MISCELLANEOUS PROVISIONS

Section 5101. Regulations.

(a) Requirement.--The board shall promulgate regulations as necessary to implement this act.

(b) Temporary regulations.--In order to facilitate the implementation of this act, regulations promulgated by the board shall be deemed temporary regulations which shall expire not later than two years following the publication of the temporary regulation. Temporary regulations shall not be subject to:

(1) Sections 201, 202, 203, 204 and 205 of the act of July 31, 1968 (P.L.769, No.240), referred to as the Commonwealth Documents Law.

(3) Sections 204(b) and 301(10) of the act of October 15, 1980 (P.L.950, No.164), known as the Commonwealth Attorneys Act.

(c) Expiration.--The board's authority to adopt temporary regulations under subsection (b) shall expire two years after the effective date of this section. Regulations adopted after this period shall be promulgated as provided by law.

(d) Publication.--The board shall begin publishing temporary regulations in the Pennsylvania Bulletin no later than six months following the effective date of this section.
Section 5102. Appropriation.

The sum of $1.3 million or as much thereof as may be necessary is appropriated from the Professional Licensure Augmentation Account to the Bureau of Professional and Occupational Affairs within the Department of State for the start-up and initial operation of the State Board of Medical Cannabis Licensing. The appropriation shall be repaid by the board within five years of the beginning of issuance of licenses by the board.

Section 5103. Applicability of other statutes.

The following acts shall apply to the board:

(1) The act of February 14, 2008 (P.L.6, No.3), known as the Right-to-Know Law.

(2) The act of July 19, 1957 (P.L.1017, No.451), known as the State Adverse Interest Act.

(3) 65 Pa.C.S. Chs. 7 (relating to open meetings) and 11 (relating to ethics standards and financial disclosure).

Section 5104. Repeals.

The following shall apply:

(1) Sections 4 and 13 of the act of April 14, 1972 (P.L.233, No.64), known as The Controlled Substance, Drug, Device and Cosmetic Act, are repealed insofar as they are inconsistent with this act.

(2) All acts and parts of acts are repealed insofar as they are inconsistent with this act.

Section 5105. Effective date.

This act shall take effect in 60 days.
