- 4 Amend Bill, page 1, by inserting after line 22
- 5 (c.2) (1) Within 180 days of the effective date of this 6 subsection, the department shall, in consultation with the 7 Sewage Advisory Committee, develop scientific, technical and field testing standards upon which an evaluation of each onlot sewage system that has been classified as an alternate system in accordance with 25 Pa. Code § 73.72 (relating to alternate 10
  - sewage systems) shall be based.
- 11
  - (2) The department shall, in consultation with the Sewage Advisory Committee, review the scientific, technical and field testing data for each individual onlot sewage system and each community onlot sewage system that is classified as an alternate onlot sewage system.
  - (3) If, based on the review specified in paragraph (2), the department determines that there is sufficient scientific, technical and field testing data to reclassify an alternate system as a conventional system, the department shall reclassify the alternate system as a conventional system.
- (4) If, based on the review specified in paragraph (2), the 22 department determines that there is insufficient or inadequate 23 scientific, technical or field testing data to continue 24
- 25 classifying the onlot sewage system as an alternate system, the
- 26 <u>department may undertake a rulemaking to remove the system's</u>
- classification as an alternate system. 27
