ARTICLE XXI-C
COVID-19 COST AND RECOVERY TASK FORCE

Section 2101-C. Legislative findings.
The General Assembly finds and declares as follows:
(1) A novel coronavirus, known as COVID-19, entered the United States in late January 2020 and has spread throughout the states, including this Commonwealth.
(2) On March 6, 2020, the Governor declared a disaster emergency, citing a threat of imminent disaster that is of such a magnitude and severity as to necessitate extraordinary measures to protect the health, safety and life of this Commonwealth's citizens.
(3) The impact of COVID-19, including all the necessary measures taken to mitigate the spread of the disease, has severely disrupted the Commonwealth and its subdivisions and is producing short-term and long-term negative economic consequences.
(4) In order to effectively manage the current disaster, all branches of the Commonwealth's government must work cooperatively to identify immediate and urgent issues, provide a structure to catalog the Commonwealth's response to the disaster emergency and create a forum to receive testimony, information and recommendations from individuals,
(5) In addition to managing the existing public health challenges of COVID-19, the Commonwealth will need a recovery plan once the emergency subsides to address the innumerable issues resulting from the disaster emergency, including the impact to the economy.

(6) The most effective manner to achieve these critical needs is to form an interbranch task force.
