known as the Disease Prevention and Control Law of 1955, the

health officer or any other appropriate health or emergency
management official, may develop and implement a countywide plan
to mitigate the spread of COVID-19 for businesses in accordance
with subsection (b). The countywide mitigation plan, including

For a business not included in an Advisory Memorandum on Identification of Essential Critical Infrastructure Workers During COVID-19 Response, as published by CISA, the business shall be permitted to operate within a county if the business:

(d) Limitation.--Nothing in this section shall be construed to:

(1) require a county to rescind a local declaration of emergency relating to COVID-19; or
