4 LXXIX. Emergency Services. (a) The township shall be
5 responsible for ensuring that fire and emergency medical
6 services are provided within the township by the means and to
7 the extent determined by the township, including the appropriate
8 financial and administrative assistance for these services.

9 (b) The township shall consult with fire and emergency
10 medical services providers to discuss the emergency services
11 needs of the township.

12 (c) The township shall require any emergency services
13 organizations receiving township funds to provide to the
14 township an annual itemized listing of all expenditures of these
15 funds before the township may consider budgeting additional
16 funding to the organization.
