

AMENDMENTS TO HOUSE BILL NO. 1294

Sponsor: REPRESENTATIVE MUNDY

Printer's No. 2050

1 Amend Bill, page 5, by inserting between lines 2 and 3

2 (4) Require an infrastructure replacement program that
3 results in the accelerated replacement of aging
4 infrastructure at a rate that exceeds the historic average
5 annual rate of nonrevenue-enhancing infrastructure
6 replacement for the prior 20-year period, including periodic
7 review of the program with the opportunity for public
8 hearings, if requested by interested parties. The procedures
9 shall ensure that the mechanism terminates at the end of the
10 program or when the commission finds that the fixed natural
11 gas utility or city natural gas operation is not in
12 compliance with a previously approved program.
