Printer's No. 2050

1 Amend Bill, page 5, by inserting between lines 2 and 3

2 (4) Provide that the fixed natural gas utility or city
3 natural gas operation shall not initially establish an
4 alternative regulatory mechanism pursuant to this section
5 unless the commission has established the fixed natural gas
6 utility's or city natural gas operation's rates in a general
7 rate case as set out under section 1308(d) (relating to
8 voluntary changes in rates) filed after the effective date of
9 this section. The commission's procedures shall ensure that
10 ratepayers receive timely and full flow through of all cost
11 reductions and other efficiencies that result from the
12 program through periodic rate case filings under section
13 1308(d) or another suitable methodology.
