2 (A03896)

3 (f) Overprescribing.--A practitioner licensed by an  
4 appropriate licensing board who knowingly or intentionally  
5 prescribes, sells or gives a controlled substance to a patient  
6 identified through PAMS as potentially addicted to that  
7 controlled substance commits a felony of the third degree and is  
8 subject to a civil penalty of not less than \$5,000, or shall be  
9 sentenced to imprisonment of not more than 360 days, for the  
10 violation. Upon conviction of such an offense, the  
11 practitioner's license shall be revoked by the appropriate  
12 licensing board.
