6 The board shall certify private third-party providers of
7 training under subsection (b) that covers, at a minimum, the
8 content contained in the Bureau of Alcohol Education's standard
9 curriculum. In the event that the third-party provider's
10 curriculum is not equivalent to the standard curriculum, the
11 provider shall be advised by the board as to where the
12 curriculum is deficient. The board shall permit private third-
13 party providers of alcohol training to modify the order in which
14 the content of the Bureau of Alcohol Education's standard
15 curriculum is presented so long as the material is taught.
