24 Section 2582. Reimbursement for School Districts Not  
25 Submitting Required Documentation.--(a) (1) Each school  
26 district that, as of the effective date of this section, has  
27 received department approval for Commonwealth reimbursement of a  
28 construction or reconstruction project, but has not submitted  
29 all additional project documentation requested by the department  
30 following such approval within three (3) months after the  
31 department's request for such documentation, shall submit the  
32 required documentation by October 31, 2014.

33 (2) Each school district that has received department  
34 approval for Commonwealth reimbursement of a construction or  
35 reconstruction project as of the effective date of this section  
36 and receives a request for additional project documentation from  
37 the department following such approval and after the effective  
38 date of this section, shall submit the required documentation  
39 within three (3) months of the date of the request.

40 (b) Each project for which a school district fails to comply  
41 with subsection (a) shall be removed indefinitely from the order

1 in which the department reimburses school districts until the  
2 school district's required documentation has been approved for  
3 Commonwealth reimbursement of the project.

4 (c) When a project is removed from the reimbursement order  
5 under subsection (b), the department shall advance all projects  
6 which are not out of compliance with subsection (a) in the  
7 reimbursement order without regard for the former reimbursement  
8 order.

9 (d) Upon the department's approval of documentation  
10 submitted by a school district for a project that was removed  
11 from the reimbursement order under subsection (b), the  
12 department shall return the project to the reimbursement order  
13 based upon the date of that approval.

14 (e) No later than twelve (12) months after the effective  
15 date of this section, the department shall develop such rules  
16 and guidelines as may be necessary to implement this section,  
17 including a process through which the department may grant  
18 waivers to school districts that are in the process of  
19 reconciling financial records, or are facing litigation or bond  
20 refinancing delays on the project for which the school district  
21 fails to comply with subsection (a).

22 Amend Bill, page 26, by inserting between lines 21 and 22

23 Section 9. For the 2014-2015 fiscal year and each fiscal  
24 year thereafter, the State Public School Building Authority  
25 shall assist all school districts with refinancing projects that  
26 are currently receiving State reimbursement for a portion of  
27 their school construction costs to make additional funds  
28 available through which to provide State reimbursement to  
29 projects that have not yet begun receiving State reimbursement.
