2 (a.3) Storage policy.--

3 (1) The Office of Administration shall develop a policy
4 to govern the proper storage by State agencies of data which
5 includes personally identifiable information. The policy
6 shall address identifying, collecting, maintaining,
7 displaying and transferring personally identifiable
8 information, using personally identifiable information in
9 test environments, remediating personally identifiable
10 information stored on legacy systems and other relevant
11 issues. A goal of the policy shall be to reduce the risk of
12 future breaches of security of the system.

13 (2) In developing the policy under paragraph (1), the
14 Office of Administration shall consider similar existing
15 policies in other states, best practices identified by other
16 states and relevant studies and other sources as appropriate.
17 The policy shall be reviewed at least annually and updated as
18 necessary.
